CABINET ORDERS

I hereby promulgate the Enforcement Order of the Tuberculosis Control Law.

Signed: HIROHITO, Seal of the Emperor

This ninth day of the fifth month of the twenty-sixth year of Showa (May 9, 1951)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 142

Enforcement Order of the Tuberculosis Control Law

In accordance with the provisions of Article 4 paragraph 1, Article 50 and Articles 56 to 61 inclusive of the Tuberculosis Control Law (Law No. 96 of 1951), the Cabinet establishes this Cabinet Order.

(Enterprise or Office)

Article 1. The enterprises or offices in which the employer shall conduct the routine health examination under the provisions of Article 4 paragraph 1 of the Tuberculosis Control Law (hereinafter referred to as "the Law") shall be as follows; provided, the enterprise which employs captain and seamen defined by the Mariners Law (Law No. 100 of 1947) shall be excluded:

(1) The enterprise or office which is defined in Article 8 items (1) to (5) inclusive and items (8) to (16) inclusive of the Labor Standards Law (Law No. 49 of 1947);

(2) The enterprise or office defined in Article 8 items (6), (7) and (17) of the Labor Standards Law employing regularly over 50 workers.

(Institution)

Article 2. The institutions in which the director shall conduct the routine health examination under the provisions of Article 4 paragraph 1 of the Law shall be as follows:

(1) Prison;

(2) Reformatory;

(3) Institution which is used for the first type social welfare service as provided for in Article 2 paragraph 2 of the Social Welfare Service Law (Law No. 45 of 1951), and which accommodates persons; provided, homes for crippled children shall be excluded.

(Tuberculosis Advisory Committee)

Article 3. A person elected from among the members of Tuberculosis Advisory Committee by mutual election shall preside over the affairs of the committee as the chairman. In case the chairman is prevented from discharging his duties, a member who has been designated by the chairman in advance shall act for the chairman.

2 Other than those provided for in the preceding paragraph, necessary matters concerning the operation of the Tuberculosis Advisory Committee shall be stipulated by by-laws.

(Subsidy by To, Do, Fu or Prefecture)

Article 4. The subsidy by To, Do, Fu or prefecture under the provision of Article 56 of the Law shall be made, in accordance with the standard fixed by the Ministry of Welfare, for the amount of expenditure by the enterpriser, school or the establisher of institution or city, town or village incurred in the execution in each fiscal year of the health examination, tuberculin tests and preventive inoculations minus the expected amount of collection on net costs as provided for in Article 61 of the Law (when the collected amount exceeds the expected amount, such amount) and other income relative to such program during the same fiscal year.

2 The expected amount of collection on net costs shall be computed in accordance with the standard fixed by the Minister of Welfare.

3 When the amount to be subtracted under the provision of paragraph 1 has exceeded the amount expended by the enterpriser, school, the establisher of institution or city, town or village in a fiscal year, the amount in excess shall be deducted from the expenditure in the following fiscal year.

(Subsidy by the National Treasury)

Article 5. The subsidy by the National Treasury for the cost necessary for establishment or expansion of the tuberculosis sanatoria (including the hospitals which have facilities to accommodate tuberculous patients; hereinafter the same) among the costs under the provision of Article 57 item (1) of the Law shall be made, in accordance with the standard fixed by the Minister of Welfare, for the amount of cost expended in each fiscal year by To, Do, Fu or prefecture, city or other local public body for such establishment or expansion minus the amount of income relative to such establishment or expansion during the same fiscal year.

2 The subsidy by the National Treasury for the

cost necessary for the operation of the tuberculosis sanatoria among the costs under Article 57 item (1) of the Law shall be made, in accordance with the standard fixed by the Minister of Welfare, for the amount of cost expended in each fiscal year by To, Do, Fu or prefecture, city or other local public body for such operation minus the amount of expected income from medical treatment (when the amount of income from medical treatment exceeds the expected amount, such amount) and the amount of any other income relative to such operation.

3 The amount of expected income from medical treatment under the provision of the preceding paragraph shall be computed in accordance with the standard fixed by the Minister of Welfare.

4 With regard to the subsidy by the National Treasury for the cost mentioned in Article 51 items (1) to (4) inclusive of the Law under the provision of Article 57 of the Law, the provisions of paragraphs 1 and 2 of the preceding Article shall apply mutatis mutandis.

5 The subsidy by the National Treasury for the costs stated in Article 51 items (5) to (9) inclusive of the Law under the provision of Article 57 of the Law shall be made, in accordance with the standard fixed by the Minister of Welfare, for the amount of cost expended in each fiscal year by To, Do, Fu or prefecture minus the amount of income relative to the administrative business concerned during the same fiscal year.

6 The subsidy by the National Treasury for the cost stated in Article 57 item (3) of the Law shall be made for the amount of cost for the subsidies made in each fiscal year by To, Do, Fu or prefecture minus the amount of income relative to the administrative business concerned during the same fiscal year.

7 The provision of paragraph 3 of the preceding Article shall apply mutatis mutandis to the cases coming under paragraph 2 and the preceding three paragraphs.

Article 6. The Minister of Welfare shall, in fixing the standards provided for in the preceding two Articles, consult the Prime Minister and the Minister of Finance in advance.

Article 7. With regard to the subsidy by the National Treasury under the provision of Article 58 of the Law, the provision of Article 4 shall apply mutatis mutandis.

Article 8. With regard to the subsidy by the National Treasury under the provisions of Article 59 of the Law and Article 60 of the Law, the provisions of Article 5 paragraphs 1 and 2, Article 4 paragraph 3 which applies mutatis mutandis under paragraph 7 of the same Article, and Article 6 shall apply mutatis mutandis; provided, with regard to the subsidy by the National Treasury under the provision of Article 60 of the Law, the amount of donations may not be included in the amount of income to be subtracted from the amount expended by the juridical person.

(Actual Costs)

Article 9. The actual costs under Article 61 of the Law shall be as follows:

(1) Cost for drugs;

(2) Fee for use of apparatus or equipment;

(3) Cost on consumable goods and cost on other supplies;

(4) Cost of payment to the persons temporarily employed in conducting health examination, tuberculin tests or preventive inoculation;

(5) Other than those listed in each of the preceding items, cost directly required for conducting health examination, tuberculin tests or preventive inoculation.

(City which establishes the Health Center)

Article 10. For the city which establishes the Health Center, "To, Do, Fu or prefecture" in Article 5 paragraph 5 shall read "the city".

Supplementary Provisions:

1 This Cabinet Order shall come into force as from the date of its promulgation, and shall apply as from April 1, 1951.

2 The Enforcement Order of the Tuberculosis Control Law (Imperial Ordinance No. 450 of 1919) shall be abolished.

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 143

Trust Fund Bureau Special Account Law Enforcement Order

In accordance with the provisions of Article 15 of the Trust Fund Bureau Special Account Law (Law No. 101 of 1951), the Cabinet establishes this Cabinet Order.

(Statement of Estimated Annual Revenues and Expenditures)

Article 1. In the statement of estimated annual revenues and expenditures for the Trust Fund Bureau Special Account, the amount of revenues shall be divided into titles and items according to the sources of revenues, and furthermore, the amount of item shall be divided into objects, showing the reason for estimate and the basis of calculation, and the amount of expenditure shall be divided into matters, showing the explanation of request for expenditures, the amount of the item for the matter concerned, etc.

2 In the statement of estimated annual revenues and expenditures under the preceding paragraph, the explanation concerning the whole of the estimated annual revenues and expenditures for this Account shall be shown.

3 In case there is any appropriation in this Account requiring to be carried forward to the following fiscal year in accordance with the provisions of Article 25 of the Finance Law (Law No. 34 of 1947), this effect shall be clearly shown in the statement of estimated annual revenues and expenditures.

4 The statement of estimated annual revenues and expenditures for this Account shall be prepared by October 31 of the preceding fiscal year.

5 The statement of estimated annual revenues and expenditures prescribed in the preceding paragraph, shall be accompanied with a document concerning the matters to be provided for in the general provisions of the budget.

(Detailed Statement of Estimated Annual Revenues and Expenditures)

Article 2. The Minister of Finance shall prepare the detailed statement of estimated annual revenues and expenditures based upon the budget of annual revenues and appropriations soon after the budget was introduced to the Diet.

2 The detailed statement of estimated annual revenues and expenditures prescribed in the preceding paragraph, the amount of each item shall be divided into objects and furthermore, the amount of each object shall be subdivided more minutely in case of necessity, showing the basis of calculation thereof.

(Fund for Disbursement)

Article 3. In this Account, the fund for disbursement shall be the collected amount of revenues for the fiscal year concerned and diverted money under the provisions of Article 12 paragraph 1 of the Trust Fund Bureau Special Account Law, and the disbursement of expenditures shall not exceed the amount of this fund for disbursement.

(Reevaluation of Operational Assets)

Article 4. The price of the assets belonging to the Trust Fund Bureau Fund shall be reevaluated by the current price at the end of each fiscal year; provided that this shall not apply to the case where the said price does not exceed the current price.

(Time-limit for Sending the Final Statement of Annual Revenues and Expenditures)

Article 5. The final statement of annual revenues and expenditures of this Account shall be prepared by July 31 of the following fiscal year.

(Books Kept in the Ministry of Finance)

Article 6. The Ministry of Finance shall prepare the diary, the ledger and the subsidiary book, and shall enter therein the whole calculation concerning the receipt, payment and operation of the Trust Fund Bureau Fund and the annual revenues and expenditures of this Account.

Article 7. Other than the books prescribed in the preceding Article and Article 130 of the Budget, Settlement of Account and Accounts Regulations (Imperial Ordinance No. 165 of 1947; hereinafter referred to as "the Regulations"), the Ministry of Finance shall prepare the balance book of the fund for disbursement, and shall enter therein the fund for disbursement, the appropriations disbursed and the balance.

(Books Kept by Disbursement Officer)

Article 8. Other than the books prescribed in Article 133 of the Regulations, the disbursement officer shall prepare the balance book of the fund for disbursement, and shall enter therein the fund for disbursement, the appropriations disbursed and the balance.

(Form of Books and Method of Entry Therein)

Article 9. The form of books and method of entry therein prescribed in the preceding three Articles shall be determined by the Minister of Finance.

(Preparation of Account of Business Sheet)

Article 10. The Minister of Finance shall prepare the account of business sheet, balance sheet and the detailed sheet of working assets at the end of each month.

2 The form of account of business sheet, balance sheet and the sheet of working assets prescribed in the preceding paragraph shall be determined by the Minister of Finance.

Supplementary Provisions:

1 This Cabinet Order shall come into force as from the day of its promulgation and shall apply as from April 1, 1951.

2 The Regulations concerning the Special Account for the Deposits Bureau, Minister of Finance (Imperial Ordinance No. 54 of 1925) shall be abolished.

3 Regardless of the provision of Article 5, the time-limit for preparing the final statement of annual revenues and expenditures of this Account may be postponed to August 31 of the following fiscal year, for the time being.

4 The Cabinet Order for Exceptions to Each Special Account Order, Etc. (Cabinet Order No. 70 of 1949) shall be partially amended as follows:

Each item of Article 1 shall be amended as follows:

I hereby promulgate the Cabinet Order for Partial Amendments to the German Property Custody Order.

Signed: HIROHITO, Seal of the Emperor

This ninth day of the fifth month of the twenty-sixth year of Showa (May 9, 1951)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 145

Cabinet Order for Partial Amendments to the German Property Custody Order

In accordance with the Ordinance concerning the Orders to be issued in Consequence of the Acceptance of the Potsdam Declaration (Imperial Ordinance No. 542 of 1945), the Cabinet establishes this Cabinet Order.

The German Property Custody Order (Cabinet Order No. 252 of 1950) shall be partially amended as follows:

The following one Article shall be added next to Article 14:

(Reissue of Registered Securities)

Article 14-(2). In the case where the Supreme Commander for the Allied Powers requires the competent Minister to reissue registered securities which, the Supreme Commander for the Allied Powers considers, are not in Japan and which express or constitute public loan, debenture, bonds issued by a juridical person which was established under a specific law, shares of stock or investment that are or were property of German nationals, the competent Minister shall give public notices that the requirement above has been made and that, if persons concerned have objections to the reissue of registered securities thus required, they may lodge a protest, accompanied by a statement, with the competent Minister within a fixed period of time.

2 The public notice as prescribed in the preceding paragraph shall be given twice or more, and the period of time prescribed also in the same paragraph shall be fixed not shorter than two months from the day of the first public notice.

3 After having given public notices, as prescribed in paragraph 1, with regard to the requirement made by the Supreme Commander for the Allied Powers for the reissue of registered securities, the competent Minister shall make the registered securities concerned invalid and order the person who issued the registered securities to reissue them, if any protest is not lodged as prescribed in the same paragraph, or if the competent Minister considers the registered securities are not in Japan upon examination of the protests lodged under the same paragraph.

4 When the competent Minister makes registered securities invalid in accordance with the provision of the preceding paragraph, he shall do so in a public notice.

Article 39 item (6) and item (7) shall be made respectively item (7) and item (8) of the same Article; and the following one item shall be added next to item (5) of the same Article:

(6) Any person who, in violation of an order of the competent Minister issued in accordance with Article 14-(2) paragraph 3, fails to reissue registered securities.

Supplementary Provision:

This Cabinet Order shall come into force, as from the day of its promulgation.

Supplementary Provisions

CHAPTER I General Provisions

(Purpose)

Article 1. This Cabinet Order has for its purpose the establishment of special provisions regarding the registration of immovables under the provision of Article 115 of the Land Improvement Law (hereinafter referred to as "the Law").

(Subrogatory Registration)

Article 2. The person who undertakes a land improvement project may, when necessary in applying for registration in accordance with the provisions of this Cabinet Order, apply, in place of the person in whose name registration has been made or his successor, for the registration of a change in the indication of immovables, or in the indication of the person in whose name the registration is made, or for the registration of the transfer of ownership arising from succession.

2 In applying for registration of the change in the indication of immovables under the provision of the preceding paragraph, the application form need not be accompanied by a note of consent by the person in whose name the registration has been made with regard to a right other than ownership concerning the immovables concerned or a copy of a judgment which can be set up against such person.

(Provisions applicable mutatis mutandis)

Article 3. The provisions of Article 46-(2), Article 50 paragraph 3, Article 60-(2) and Article 63-(3) of the Immovables Registration Law (Law No. 24 of 1899) shall apply mutatis mutandis to the registration prescribed in paragraph 1 of the preceding Article.

(Application en bloc for Subrogatory Registration)

Article 4. The application for registration in accordance with Article 2 paragraph 1 may be made with one and the same application form even if the grounds for registration or the objects of registration are not one and the same.

CHAPTER II Registration in the Case of Land Substituting Disposition

(Registration as Result of Land Substituting Disposition)

Article 5. The registration regarding land in accordance with the provision of Article 55 of the Law (including the cases in which the same Article is applicable mutatis mutandis under Articles 84 and 96 of the Law; hereinafter the same) (hereinafter referred to as "the registration as a result of land substituting disposition") shall, in case there has been registration in respect of the whole or a part of the former land corresponding to the substitution land when public notice is given of the approval in accordance with the provision of Article 52 paragraph 8 of the Law (including the cases in which the same provision is applicable mutatis mutandis under Articles 84 and 96 of the Law), be made with regard to the substitution land.

2 The same shall apply with regard to the relevant substitution land, in case the servitude duly registered is to continue to be effective in accordance with the provision of Article 63 paragraph 1 of the Law (including the case in which the provision is applicable mutatis mutandis under Article 84 of the Law) on the land designated as the substitution land by land substituting disposition, even if the former land corresponding to the substitution land has not been registered.

(Application Form for Registration)

Article 6. The application form for registration required as a result of land substituting disposition shall contain the following matters and shall be signed and sealed by the person who carries out the land improvement project concerned or by his representative:

(1) The county, city, ward, town or village and "aza" where the former land and the substitution land are located as well as their numbers;

(2) The classification, the number of *tan* or *tsubo* of the former land and the substitution land;

(3) The name or appellation and the domicile or the place of business of the recipient of the substitution land;

(4) The effect that the registration is applied as a result of land substituting disposition carried out in accordance with the Land Improvement Law;

(5) Indication of the registry office;

(6) The date.

(Application Form in Case the Registered Servitude is to Continue to Exist)

Article 7. In case the registered servitude is to continue to exist upon the land designated as substitution land in accordance with land substituting schedule, the application for registration as a result of land substituting disposition shall, in addition to the matters enumerated in the preceding Article, contain the following matters, and in case the servitude is to continue to exist upon a part of the substitution land, a map showing the part concerned shall also be appended:

(1) The county, city, ward, town or village and "aza" where the land on which the relevant servitude is to continue to exist was located before the carrying out of the land improvement project as well as the number of the land;

(2) The classification and the number of *tan* or of *tsubo* of the land mentioned in the preceding item;

(3) The name or appellation and the domicile or place of business of the owner of the land referred to in item (1);

(4) In case the servitude in question is to continue to exist upon a part of the substitution land, that part and the mark thereof.

(Application Form in Case of Existence of Registered Right other than Ownership)

Article 8. When, in case there exists a registered right other than ownership or the restriction of disposal in respect of the whole or a part of the former land, the land or the part of land constituting the object of the right or the restriction of disposal is designated, in respect of the land corresponding to the former land, in accordance with the provision of Article 53 paragraph 5 (including cases in which this provision is applicable mutatis mutandis under Articles 84 and 96 of the Law; hereinafter the same), the application form for registration as a result of land substituting disposition shall contain the land or the part so designated as well as the mark of such part.

2 The provision of the preceding paragraph shall apply mutatis mutandis in cases were the registration of the transfer of ownership has been effected in regard to the whole or a part of the former land in accordance with Article 15 paragraph 1 of the Imperial Ordinance relating to the Registration for Special Measures for the Establishment of Owner-farmers (Imperial Ordinance No. 79 of 1947), where the registration of the preservation of ownership of land, concerning which entry is made pursuant to the provision of Article 19-(2) paragraph 4 of the same Ordinance has been effected, or where the registration of the transfer or the preservation of ownership of land, concerning which entry is made pursuant to the provision of Article 51 has been effected.

(Application Form in Case the Former Land has not been Registered)

Article 9. When, in case a parcel of substitution land has been allotted to correspond to two or more parcels of the former land, no registration has been effected with regard to some parcel(s) of the former land, the application form for registration as a result of land substitution disposition shall contain a statement to the effect that no registration has not been effected with regard to the land concerned.

2 The same shall apply in cases, when the substitution land has been allotted to correspond to the former land about which no registration has been made, and the registered servitude is to continue to exist upon the substitution land concerned.

(Application en bloc for Registration)

Article 10. The application for registration as a result of land substituting disposition shall be made by one and the same form for the whole of the land which is located in the limits of the land improvement project concerned and is to be registered. However, in case the area in which a land improvement project is carried out is divided into two or more districts, separate application for registration shall be made for each of the districts.

2 The provision of the preceding paragraph shall not, in cases where the registration regarding the creation or transfer of right is required or other special reason requiring registration exists, preclude the application for registration in respect of the land constituting a part of the land within the limits in which a land improvement project is carried out.

3 On filing application for registration pursuant to the provision of the preceding paragraph, a statement of the cause shall be made in the application.

4 In case the area in which a land improvement project is carried out extends over the jurisdiction of two or more registry offices, separate application for registration shall be made to

each registry office with respect to the land belonging to the jurisdiction thereof.

(Registration of One Parcel of Substitution Land for One Parcel of Former Land)

Article 11. In case one parcel of the substitution land is allotted to correspond to one parcel of the former land, the registrar shall, in the "Indication" column of the registration form of the former land, indicate the substitution land, make entry to the effect that the registration is made as a result of the land substituting disposition carried out in accordance with the Land Improvement Law, and strike out in red ink the former indication and its number.

2 If, in the case prescribed in the preceding paragraph, there exists a registered right other than ownership or the restriction of dispositions with regard to a part of the former land, the register shall, in the "Particular" column of the corresponding section of the registration form of the former land, indicate the part of the substitution land, which has been designated, pursuant to the provision of Article 53 paragraph 5 of the Law, as the part constituting the object of the right concerned or of the restriction of disposition, make additional entry to the effect that alteration has been made as a result of a land substituting disposition effected under the Land Improvement Law, and strike out in red ink the former indication.

3 The provision of the preceding paragraph shall apply mutatis mutandis to the cases referred to in Article 8 paragraph 2.

4 When, in the case falling under paragraph 1, there is a registration concerning servitude on the land designated as a substitution land, the registrar shall transfer the registration concerned from the registration form of the land in question to the "Particular" column of "B" section in the registration form of the former land, enter at the end of the registration to the effect that the transfer was made from registration No. so and so due to a land substituting disposition carried out in accordance with the Land Improvement Law and affix his seal after stating the date of entry. When in this case there has occurred any change as a result of a land substituting disposition in the indication of the dominant land or servient land mentioned in the registration, in the extent of servitude or the part of the land on which the servitude exists, additional entry shall be made of the change, and strike out in red ink the former indication covering these matters.

5 When the procedure in accordance with the preceding paragraph has been effected, the registrar shall, in the "Particular" column of "B" section of the registration form of the land in which is found the registration concerning the servitude concerned, make entry to the effect that the registration concerning servitude has, as a result of a land substituting disposition effected in accordance with the Land Improvement Law, been transferred to registration No. so-and-so, together with the date of entry, and, after striking out in red ink the former registration, affix his seal thereon.

(Registration of Allotment of One Parcel of Substitution Land for Two or More Parcels of Former Land)

Article 12. In case one parcel of substitution land has been allotted to correspond to two or more parcels of the former land, the registrar shall, in the "Indication" column of the registration form of land concerned with one parcel of the former land, indicate the substitution land and the former land, while with respect to the former land registered in other registration form(s), the registration number only shall be transcribed, state the effect that the registration is effected as necessitated by a land substituting disposition carried out in accordance with the Land Improvement Law, and strike out the former indication(s) and its number(s) in red ink.

2 In case the procedure prescribed in the preceding paragraph has been effected, entry shall be made, in the "Indication" column of the registration form of the other parcel(s) of the former land to the effect that the registration has been transferred to the registration No. so-and-so as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, the former indication, its number and its registration number be struck out in red ink, and the registration form concerned be closed.

(Transfer of Registration, etc.)

Article 13. In the case of the preceding Article, the registrar shall, in the "Particular" column of "A" section of the registration form wherein the substitution land is indicated, transfer from the registration form the other parcel(s) of the former land the registration concerning ownership, make entry to the effect that the registration is concerned with only such-and-such parcel out of two or more parcels of the former land, that the registration is effected as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and affix his seal after entering the date of receipt of application and the receipt number.

2 In case there is (are) a parcel (parcels) of land about which no registration has been effected among two or more parcels of the former land,

registration of the preservation of ownership shall be effected by indicating the land concerned in the "Particular" column of "A" section of registration form wherein the substitution land is indicated, stating also that the registration is effected as a result of a land substituting disposition carried out in accordance with the Land Improvement Law.

3 In case there is, in registration form wherein the substitution land is indicated, registration concerning the right other than ownership or the restriction of disposition, the registrar shall make entry to the effect that only such part out of the substitution land as designated pursuant to the provision of Article 53 paragraph 5 of the Law is the object of the right concerned or of the restriction of disposition, and that alteration has been made as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and affix his seal after making the entry of the date.

4 In case there is, in the registration form of the former land, registration relating to the right other than ownership or the restriction of disposition, the registrar shall transfer the registration relating to the right concerned or the said restriction of disposition to the "Particular" column of the corresponding section of the registration form wherein the substitution land is indicated, make a statement to the effect that only such part out of the substitution land as was designated pursuant to the provision of Article 53 paragraph 5 of the Law is the object of the said right or the said restriction of disposition, and that the transfer of registration has been made from registration No. so-and-so as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and affix his seal after the entry of date.

5 The provisions of the preceding two paragraphs shall apply mutatis mutandis to the case referred to in Article 8 paragraph 2.

Article 14. In case, on transferring the registration concerned with ownership and other right(s) from the registration form of the other parcel(s) of the former land in accordance with the provision of the preceding Article, all of the ground of registration, registry date, purpose of registration and the receipt number, out of the registration so transferred, are identical with those of the registration in the registration form wherein the substitution land is indicated, it suffices, with regard to the other parcel(s) of the former land, to transcribe only the registration number entered in the registration form of the land concerned, and make an additional entry to the effect that there is the registration of the same matters in regard to land the falling under each of registration number.

(Registration of Allotment of Two or More Parcels of Substitution Land for One Parcel of Former Land)

Article 15. In case two or more parcels of substitution land have been allotted to correspond to one parcel of the former land, the registrar shall, in the "Indication" column of registration form of the former land, indicate one parcel of the substitution land, make entry, as regards the other parcels of the substitution land, to the effect that registration has been effected as registration No. so and so, and that it is made as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and strike out in red ink the former indication concerned and its number.

2 In case there is registration concerning a right other than ownership in the registration form of the former land, the registrar shall, in the "Particular" column of the corresponding section of the registration form concerned, indicate the right concerning the other substitution land, enter the right together with the statement to the effect that the land is the object of a right other than ownership, and that the registration is effected as a result of a land substituting disposition carried out according to the Land Improvement Law, and affix his seal after entering the date.

(Registration in regard to Substitution Land)

Article 16. In the case of the preceding Article, the registrar shall, in "Registration number" column of the registration form, enter, with respect to each of the other parcels of the substitution land, new numbers in accordance with the order of registration in the registration book, indicate the substitution land in "Indication" column, make entry to the effect that registration in respect of the other parcel(s) of the substitution land was made in the registration number so and so, and that it is effected as a result of a land substituting disposition carried out in accordance with the Land Improvement Law.

2 In the case of the preceding paragraph, the registrar shall, in the "Particular" column of "A" section of the registration form of the substitution land, transcribe the registration concerning ownership from the registration form of the former land, make entry to the effect that the registration is made as a result of a land substituting disposition carried out under the Land Improvement Law, together with the entry of the date of the receipt of application and the receipt number, and affix his seal.

3 In case there is a registration of a right other than ownership or the restriction of disposition in the registration form of the former land, the registrar shall, in the "Particular" column of the corresponding section of the registration form of the substitution land, transcribe the registration concerning the right concerned or the restriction of disposition from the registration form of the former land, indicate in respect of the right other than ownership, the right concerning the other parcel(s) of the substitution land, make entry of the said right together with an entry to the effect that the land is the object of the right other than ownership, and that the registration is made as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and affix his seal after entering the date.

(Provisions Applicable mutatis mutandis)

Article 17. The provisions of Article 11 paragraphs 2 to 5 inclusive shall apply mutatis mutandis in cases where one parcel of substitution land is allotted to correspond to two or more parcels of the former land or two or more parcels of substitution land are allotted to correspond to one parcel of the former land.

(Registration of Servitude in Case the Former Land is not Registered)

Article 18. When, in case a substitution land has been allotted to correspond to an unregistered former land, a registered servitude is to continue to exist upon the land designated as the substitution land, the registrar shall, in the "Registration number" column of the registration form, enter the new number following the order of registration in the registration book concerned, indicate the substitution land in the "Indication" column, and, stating that the registration is effected as a result of a land substiuting disposition carried out pursuant to the Land Improvement Law, make the registration of the preservation of ownership in the "Particular" column of "A" section.

2 The provisions of Article 11 paragraphs 4 and 5 shall apply mutatis mutandis to the cases mentioned in the preceding paragraph.

(In Case Former Land and Substitution Land Belong to Jurisdiction of Different Registry Offices)

Article 19. In case a substitution land which belongs to the jurisdiction of "B" registry office has been allotted as corresponding to the former land which lies under the jurisdiction of "A" registry office, the "A" registry office shall, in regard to the registered former land, transfer to the "B" registry office the copy of the registration book and the accessory documents or copies of such documents regarding such land, and, with respect to the unregistered land, make notification to the latter office to the effect that registration has not been effected; in this case transcription in the copy of registration book of the matters effective at the time shall suffice.

2 In the case of the preceding paragraph, the "A" registry office shall close the registration form of the former land.

Article 20. When, in the case of the preceding Article, one parcel of the substitution land ha been allotted to correspond to one parcel of the former land, the "B" registry office shall, in the "Registration number" column of the registration form, enter a new number following the order of registration in the registration book concerned, indicate in the "Indication" column the former land as well as the substitution land, enter the registration area and the registration number of the former land, and make a statement to the effect that the registration is made as a result of a land substituting disposition carried out in accordance with the Land Improvement Law.

2 The registrar shall, in the "Particular" column of "A" section of the registration form referred to in the preceding paragraph, transcribe the registration concerning ownership in accordance with the copy of the registration book transferred pursuant to the provision of paragraph 1 of the preceding Article, make entry to the effect that the registration is made as a result of a land substituting disposition carried out in accordance with the Land Improvement Law, and affix his seal after stating the date.

3 In case there is registration regarding a right other than ownership or the restriction of disposition in the copy of the registration book referred to in the preceding paragraph, the registrar shall transfer the registration relating to the said right and the restriction of disposition to the "Particular" column of the corresponding section of the registration form mentioned in paragraph 1 in accordance with the copy of the registration book concerned, state that the registration is made as a result of a land substituting disposition carried out pursuant to the Land Improvement Law, and affix his seal after stating the date.

Article 21. The provisions of Article 11 paragraphs 2 to 5 inclusive shall apply mutatis mutandis to the cases referred to in the preceding Article.

Article 22. In case one parcel of the substitution land which is under the jurisdiction of "B" registry office is allotted to correspond to two or more parcels of the former land which belongs to the jurisdiction of "A" registry office, the "B" registry office shall, in the "Registration number" column of the registration form, enter

the new registration number following the order of registration in the registration book concerned, indicate in the "Indication" column the former land and the substitution land, state the registration area as well as the registration number of the former land and make the statement to the effect that the registration is effected as a result of a land substituting disposition carried out in accordance with the Land Improvement Law.

2 The provisions of Article 11 paragraphs 2 to 5 inclusive and of Articles 13 and 14 shall apply mutatis mutandis to the case mentioned in the preceding paragraph.

Article 23. In case two or more parcels of the substitution land which lies under the jurisdiction of the "B" registry office are allotted to correspond to one parcel of the former land belonging to the jurisdiction of "A" registry office, the "B" registry office shall, in regard to one parcel of the substitution land, enter the new registration number, in the "Registration number" column of the registration form, following the order or registration in the registration book concerned, indicate in the "Indication" column the former land as well as the substitution land, enter, with regard to the other parcel(s) of the substitution land, that the registration has been effected in the registration number so and so, and make entry of the registration area and registration number of the former land, and to the effect that the registration is effected as a result of a land substituting disposal carried out in accordance with the Land Improvement Law.

2 In the case falling under the preceding paragraph, the provision of Article 16 paragraph 1 shall apply mutatis mutandis to the registration of the other parcel(s) of the substitution land.

3 The provisions of Article 11 paragraphs 2 to 5 inclusive and Article 16 paragraphs 2 and 3 shall apply mutatis mutandis to the cases mentioned in the preceding two paragraphs.

(Provisions Applicable in the Case where Former Land Belongs to Jurisdiction of Two Different Registry Offices)

Article 24. The provisions of Article 11 paragraphs 2 to 5 inclusive, Articles 12 to 14 inclusive and Article 19 shall apply mutatis mutandis in the case where one parcel of the substitution land lying under the "B" registry office has been allotted to correspond to two or more parcels of the former land which belongs to the jurisdiction of "A" and "B" registry offices. When, in this case, the whole of the former land belonging to the jurisdiction of "B" registry office has not been registered, the provision of Article 22 shall also apply mutatis mutandis.

(Provisions applicable in the Case where Substitution Land Belongs to Jurisdiction of Two Different Registry Offices)

Article 25. The provisions of Articles 15, 16, 19 and 23 shall apply mutatis mutandis in the case where two or more parcels of the substitution land which falls under the jurisdiction of "A" and "B" registry offices are allotted to correspond to one parcel of the former land belonging to "A" registry offices.

(Provisions Applicable in the Case where Former Land and Substitution Land Belong to Different Registration Areas in Registration Book)

Article 26. The provisions of Articles 20 to 23 inclusive shall apply mutatis mutandis in the case where the substitution land belonging to the "B" registration area has been allotted to correspond to the former land which is in the "A" registration area of the same registry office.

2 When the registry office has, in accordance with the provision of the preceding paragraph, transferred the registration to the registration book of the "B" registration area, it shall close the registration form of the former land belonging to the "A" registration area.

Article 27. The provision of Article 24 shall apply mutatis mutandis in the case where one parcel of the substitution land belonging to the "B" registration area has been allotted to correspond to two or more parcels of the former land in "A" and "B" registration areas in the jurisdiction of the same registry office, and the provision of Article 25, in the case where two or more parcels of the substitution land which belongs to "A" and "B" registration area have been allotted to correspond to one parcel of the former land belonging to the "A" registration area.

(Provisions Applicable in the Case of Granting without Compensation of State-owned Land)

Article 28. When the registered land under state ownership which has become useless as a result of the abandonment of the whole or a part of roads, irrigation or drainage canals, reservoirs or levees, has been granted without compensation to a land improvement district or other persons in accordance with the provision of Article 50 paragraph 1 of the Law (including the case in which this provision is applicable mutatis mutandis under Articles 84 and 96 of the Law; hereinafter the same), the Government Agency which has the control of the state-owned land concerned shall, without delay, request the cancellation of the registration.

Article 29. On receipt of the request referred to

in the preceding Article, the registrar shall make entry in the "Indication" column of the registration form to the effect that granting without compensation has been effected in accordance with the provision of Article 50 paragraph 1 of the Land Improvement Law, strike out in red ink the indication of land, its number and the registration number, and close the registration form. In this case, the provision of Article 102 of the Immovables Registration Law shall apply mutatis mutandis.

(Exception of Application of Article 163 of Immovables Registration Law)

Article 30. The provision of Article 163 of the Immovables Registration Law shall not be applicable in case where the registration form is to be closed in accordance with the provisions of this Cabinet Order.

(Registration concerning Buildings)

Article 31. The registration of buildings pursuant to the provision of Article 55 of the Law shall be effected in case there were, as a result of the effectuation of a land improvement project, division or consolidation in regard to the registered building, alteration in its number, kind or construction, loss or increase or decrease in its floor space, or the construction of a new building was effected. The same shall apply to the case where the number of the site of the registered building was changed.

Article 32. The application for registration of buildings pursuant to the provision of the preceding Article shall be made together with the application for registration made necessary by a land substituting disposition.

(Notification of Registration of Servitude)

Article 33. In case registration has been effected in accordance with the provision of Article 18, the registry office shall make notification to the owner of the substitution land of the designation of the former and substitution lands, and to the effect that the registration concerning ownership and servitude has been effected as a result of a land substituting disposition carried out in accordance with the Land Improvement Law.

CHAPTER III Registration in the Case of Exchange, Division or Consolidation

(Application for Registration of Transfer of Registered Ownership)

Article 34. In the case of transfer of the registered ownership of land in accordance with the provision of Article 106 paragraph 1 of the Law, the application for registration of the transfer of ownership shall be made by the person who carries out such exchange, division or consolidation.

Article 35. With regard to the farm-land designated by the City, Town or Village Farm-land Commission in accordance with the provision of Article 110 paragraph 3 of the Law, the application for registration prescribed in the preceding Article shall contain, in addition to the items indicated in Article 36 of the Immovables Registration Law, the statement to the effect that such designation has been made.

(Application for Registration in the Case where an Unregistered Ownership has been Transferred)

Article 36. In case the unregistered ownership of land has been transferred in accordance with the provision of Article 106 paragraph 1 of the Law, the person who carries out the said exchange, division or consolidation shall apply for registration of the preservation of the ownership of the land concerned in behalf of the acquirer of the ownership.

2 The indication of land in accordance with the provision of Article 36 items (1) and (2) of the Immovables Registration Law to be entered in the application form for registration referred to in the preceding paragraph shall coincide with statement in the land ledger.

Article 37. The provision of Article 35 shall apply mutatis mutandis to the application form for registration of the preservation of ownership made under the preceding Article.

(Application for Registration of Creation of Right to Take Place of Registered Right)

Article 38. In case preferential right, pledge, hypothec, superficies, emphyteusis, or leasehold has been created in accordance with the provision of Article 106 paragraph 1 of the Law to take the place of the registered preferential right, pledge, hypothec, superficies, emphyteusis, or leasehold which was extinguished pursuant to the provision of Article 106 paragraph 2 of the Law, the application for registration of the creation of the said right shall be made by the person who carries out the exchange, division or consolidation in question.

(Application for Registration of Creation of Right to Take Place of Unregistered Right)

Article 39. When, in case preferential right, pledge, hypothec, superficies, emphyteusis, or leasehold has been created in accordance with Article 106 paragraph 1 to replace the unregistered preferential right, pledge, hypothec, superficies, emphyteusis, or leasehold which has been extinguished pursuant to the provision of Article 106 paragraph 2 of the Law, or in case servitude has been created in accordance with the provision of Article 106 paragraph 1 of the Law, request is made by the person entitled to registration within three months of the date of public

notice of the approval of the said exchange, division or consolidation project, the person who carries out such project shall apply for registration of the creation of such right.

2 On applying for registration of the creation of leasehold in accordance with the provision of the preceding paragraph, the application form shall be accompanied by the document certifying the consent of the person bound to make registration.

(Application for Cancellation of Registration in the Case of Extinction of Registered Right)

Article 40. In case a registered right has been extinguished pursuant to the provision of Article 106 of the Law, the cancellation of the registration of the right concerned shall be applied by the person who carries out exchange, division or consolidation concerned.

(Application for Registration of Transfer of Registered Superficies, etc.)

Article 41. In case the registered superficies, emphyteusis, or leasehold is transferred as a result of exchange, division or consolidation prescribed by Article 107 of the Law, the provision of Article 34 shall apply mutatis mutandis to the registration of the transfer of the right concerned.

(Application for Registration in the Case of Transfer of Unregistered Superficies, etc.)

Article 42. When, in case unregistered superficies, emphyteusis, or leasehold has been transferred as a result of exchange, division or consolidation pursuant to the provision of Article 107 of the Law, request is made by the acquirer of the said right within three months of the date of public notice of the approval to the exchange, division or consolidation plan concerned, the person who carries out the exchange, division and consolidation plan shall apply for the registration of the acquirement of the right concerned.

2 The application form referred to in the preceding paragraph shall contain, in addition, the full name and address of the former entitled person and the matters mentioned in Article 111, Article 112 or Article 127 paragraph 1 of the Immovables Registration Law.

3 In case there is no registration of the land upon which the right concerned is created, the provision of Article 36 paragraph 2 shall apply mutatis mutandis to the application form mentioned in the preceding paragraph, and the provision of Article 39 paragraph 2, to the case where registration of the acquisition of the right of lease is applied for in accordance with the provision of paragraph 1.

(Registration of Acquisition of Unregistered Superficies, etc.)

Article 43. In effecting registration prescribed in paragraph 1 of the preceding Article, entry shall be made, in the "Particular" column of the corresponding section of the registration form of the relevant land, of the full name and address of the former entitled person, making a statement also to the effect that the registration is effected in accordance with the provision of Article 42 paragraph 1 of the Land Improvement Registration Order.

2 When, in case falling under the preceding paragraph, the land concerned has not been registered, the registrar shall enter the number in the "Registration number" column of the registration form, indicate the said land in the "Indication" column, enter the full name and address of the owner in the "Particular" column of "A" section, and the statement to the effect that the registration of ownership is effected in accordance with Article 43 paragraph 2 of the Land Improvement Registration Order and the date thereof and complete the procedure prescribed in the preceding paragraph after affixing his seal.

(Registration as a Result of Exchange, Division or Consolidation regarding Land other than Farm-land)

Article 44. The provisions of Article 34 to the preceding Article and Article 51 shall apply mutatis mutandis to the registration to be effected as a result of exchange, division or consolidation in accordance with Article 111 of the Law.

(Application en bloc for Registration)

Article 45. In case application for registration is made, with respect to two or more parcels of immovables lying under the jurisdiction of one and the same registry office, in accordance with the provisions of Articles 34, 36 and 38 to 42 inclusive (including the cases in which these provisions are applicable mutatis mutandis under the preceding Article), application may be made in one and the same form even though the ground and object of registration are not one and the same; this, however, to be limited to cases carried out pursuant to one and the same exchange, division and consolidation plan.

(Order of Entry in Application Form)

Article 46. The application for registration of preservation, transfer, extinction and creation of right regarding one and the same immovable property (excluding the application effected pursuant to the provisions of Article 39 paragraph 1 and Article 42 paragraph 1) shall be made in one and the same form.

2 In the application form mentioned in the preceding paragraph, matters required to be registered shall be entered in accordance with the order mentioned in the preceding paragraph.

3 In making statement, in the case of the preceding paragraph, in the application form of the matters required to be registered about the registration of the creation of two or more rights, the statement shall be made in accordance with the order in the registration book of the former rights corresponding to such rights.

(Receipt Number)

Article 47. On entering receipt number in the application form referred to in the preceding Article, a number shall be assigned to each of the matters required to be registered following the order of the statement made in the application form.

(Documents to be Appended)

Article 48. In applying for registration as a result of exchange, division or consolidation, the application form shall be accompanied by a copy of the exchange, division or consolidation plan concerned and a document to certify the fact that public notice about the exchange, division or consolidation plan has been made in accordance with the provision of Article 98 paragraph 8 (including the case in which this provision is applicable mutatis mutandis under Article 111 of the Law) or Article 99 paragraph 11 (including the case in which this provision is applicable mutatis mutandis under Article 100 paragraph 2 and Article 111). However, in case registration as a result of exchange, division and consolidation carried out in accordance with one and the same exchange, division and consolidation plan is applied for with one and the same registry office in two or more times, it will suffice to append these documents to the application for registration filed for the first time.

Article 49. In case registration as a result of exchange, division and consolidation is applied for, the application form shall be accompanied by a duplicate prepared for each of the persons entitled to registration stated in the application.

2 In the duplicate referred to in the preceding paragraph, it will suffice to enter only the part concerned with the person entitled to registration out of the items stated in the application.

Article 50. The application for registration to be made as a result of exchange, division and consolidation need not be accompanied by the certificate of registration concerning the right of the person bound to make registration, consent of a third party interested in registration or a copy of judgement which can be set up against a third party.

(Provision Applicable in Case Designation is Made pursuant to Article 110 Paragraph 3 of the Law)

Article 51. When, in case registration of the transfer or preservation of ownership is effected in compliance with the application for registration pursuant to the provision of Article 34 or Article 36 paragraph 1, the farm-land concerned is one designated by the City, Town or Village Farm-land Commission pursuant to Article 110 paragraph 3 of the Law, statement shall be made at the end of the said registration to the effect that the designation has been made in accordance with the provision of Article 110 paragraph 3 of the Land Improvement Law.

(Delivery of Certificate of Registration)

Article 52. In case the applicant for registration falling under the provisions of this Chapter has taken delivery of the certificate of registration from the registry office, he shall deliver it to the person entitled to registration without delay.

Supplementary Provisions:

1 This Cabinet Order shall come into force as from the day of its promulgation.

2 The Ordinance concerning the Registration of the Results of Adjustment of Arable Land (Imperial Ordinance No. 233 of 1909) shall be abolished.

3 The provisions of the Ordinance concerning the Registration of the Results of Adjustment of Arable Land shall be effective even after the enforcement of this Cabinet Order in so far as the provisions of the old Land Adjustment Law (Law No. 30 of 1909) is effective in accordance with the provision of Article 2 paragraph 1 or Article 4 of the Law for Enforcement of Land Improvement Law (Law No. 196 of 1949).

4 The period prescribed in Article 39 paragraph 1 and Article 42 paragraph 1, in case public notice of the approval of exchange, division or consolidation has been made prior to the enforcement of this Cabinet Order, shall be computed from the day of enforcement of this Cabinet Order.

OFFICE ORDINANCES

Attorney-General's Office Ordinance No. 79

May 9, 1951

Under the provision of Article 164 of the Immovables Registration Law (Law No. 24 of 1899) and in order to enforce the provisions of the Land Improvement Law (Law No. 195 of 1949) and of the Order concerning Land Improvement Registration (Cabinet Order No. 146 of 1951), the Detailed Enforcement Regulations of the Order concerning Land Improvement Registration shall be established as follows:

Attorney-General
OHASHI Takeo

Detailed Enforcement Regulations of the Order concerning Land Improvement Registration

(Purpose)

Article 1. The registration under the Order concerning Land Improvement Registration (Cabinet Order No. 146 of 1951; hereinafter referred to as "the Order") shall, excepting in the cases especially provided for in this Attorney-General's Office Ordinance, be according to the provisions of the Detailed Enforcement Regulations of the Immovables Registration Law (Ministry of Justice Ordinance No. 11 of 1899).

(Registration in the case of land substituting disposition)

Article 2. The notifications as stipulated in Article 52 paragraph 8 of the Land Improvement Law (Law No. 195 of 1949; hereinafter referred to as "the Law") (including the cases in which this Article is applicable mutatis mutandis under Articles 84 and 96 of the Law) and the documents mentioned in each item of Article 45 paragraph 1 of the Land Improvement Law Enforcement Regulations (Ministry of Agriculture and Forestry Ordinance No. 75) shall be bound together with the applications for the registration under the relevant land substituting disposition into a separate book.

2 The notification mentioned in the preceding paragraph and the documents stipulated in Article 45 paragraph 1 items (1) to (3) inclusive of the Land Improvement Law Enforcement Regulations shall be preserved for ten (10) years as from the day of the receipt of the application (in the case of an application for registration of a part of the land in an area under land improvement project in accordance with the provision of Article 10 paragraph 2 of the Order, from the day of the receipt of the last application).

3 The final maps stipulated in Article 45 paragraph 1 item (4) of the Land Improvement Law Enforcement Regulations shall be numbered and kept permanently.

Article 3. In the final map mentioned in paragraph 3 of the preceding Article, there shall be indicated the date of the receipt of the application and the number of receipt. In case when there has been an application under the provision of Article 10 paragraph 2 of the Order, for registration of a part of the land in an area under land improvement project, they shall be indicated in the said map.

Article 4. In the map stipulated in Article 7 of the Order, there shall be indicated the name of 'aza', town, village, ward, city, and 'gun' wherein the land substituted locates and the lot number, its bearings, the number of *tan* or *tsubo* of the part whereof its servitude is to exist and the mark showing that part, and signed and sealed by the applicant.

Article 5. In the map mentioned in the preceding Article, there shall be indicated the date of the receipt of the application and the number of the receipt of the application, and bound together with the documents mentioned in Article 2 paragraph 1.

2 The map mentioned in the preceding Article shall be numbered and preserved permanently.

Article 6. The number of the final map mentioned in Article 2 paragraph 3 shall be entered at the end of the registration entered in the "Indication" column of the registration form, and the number of the map mentioned in the preceding Article paragraph 2 at the end of the registration of servitude entered in the "Particular" column of B section.

Article 7. When there are more than two parcels of formerly owned unregistered land in the case of Article 13 paragraph 2 of the Order, the registration of the preservation of ownership may be made of all of the parcels of the land in a single form.

Article 8. When the registration under land substituting disposition has been completed, the whole or a part of the index of the registration of the land formerly owned shall be renewed or adjustment shall be made of the index in the like manner as is stipulated in Article 8 of the Detailed Enforcement Regulations of the Immovables Registration Law.

Article 9. When the registration under the provision of Article 55 of the Law (including cases wherein this Article is applicable mutatis mutandis under Article 84 and Article 96 of the Law) has been completed, the registry office shall notify the applicant of the relevant registration to that effect.

2 If, in the case of the preceding paragraph, there are more than two (2) applicants, notification only to the person whose name appears first in the application form may suffice.

Article 10. If the land substituted is owned jointly, the notification mentioned in Article 33 of the Order made only to one of the joint owners may suffie.

Article 11. In case when registration is applied for under the provision of the proviso to Article 116 of the Law, the statement to that effect shall be entered in the application.

(Registration in the case of exchange, division or consolidation)

Article 12. The file books of application forms shall be made separately according to the registrations, under exchange, division and consolidation under the one and the same project of exchange, division and consolidation.

Article 13. In the case of the proviso to Article 48 of the Order the statement to that effect shall be entered in the application for the registration to be made at the second time or later.

Article 14. In case when request is made for the return of the documents mentioned in Article 48 of the Order attached to the application form, the attachment of their copies are not required.

2 In the case of the preceding paragraph the statement to that effect shall be entered in the application form.

3 When the registrar is to return the documents in the case of paragraph 1, he shall make entry to that effect in the application form and affix his seal thereon.

Article 15. The provision of Article 69 of the Detailed Enforcement Regulations of the Immovables Registration Law shall apply mutatis mutandis in case when registration is made under the provision of Article 43 paragraph 2 of the Order (including cases wherein this provision is applicable mutatis mutandis under Article 44 of the Order).

(Miscellaneous provisions)

Article 16. The items to be informed of, the person to be informed and the date of despatching the information stipulated in Article 60-(2) and Article 63-(3) of the Immovables Registration Law (Law No. 24 of 1899) applied mutatis mutandis under Article 3 of the Order, Article 19 paragraph 1 (including cases wherein this provision is applied mutatis mutandis under Articles 24 and 25 of the Order) and Article 33 of the Order, Article 9 of this Office Ordinance and Article 69 of the Detailed Enforcement Regulations of the Immovables Registration Law applied under the preceding Article shall be entered in the various information book.

Article 17. The information stipulated in Articles 60-(2) and 63-(3) of the Immovables Registration Law applied mutatis mutandis under Article 3 of the Order, Article 33 of the Order, Article 9 of this Office Ordinance and Article 69 of the Detailed Enforcement Regulations of the Immovables Registration Law applied mutatis mutandis under Article 15 of this Office Ordinance shall be made by mail or other convenient means.

Supplementary Provisions:
