

Commission Regulation (EU) 2018/62 of 17 January 2018
replacing Annex I to Regulation (EC) No 396/2005 of the
European Parliament and of the Council (Text with EEA relevance)

COMMISSION REGULATION (EU) 2018/62

of 17 January 2018

replacing Annex I to Regulation (EC) No 396/2005
of the European Parliament and of the Council

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 396/2005 of the European Parliament and of the Council of 23 February 2005 on maximum residue levels of pesticides in or on food and feed of plant and animal origin and amending Council Directive 91/414/EEC⁽¹⁾, and in particular Article 4 thereof,

Whereas:

- (1) The products of plant and animal origin to which the maximum residue levels of pesticides ('MRLs') set by Regulation (EC) No 396/2005 apply, subject to the provisions of that Regulation, are listed in Annex I to that Regulation.
- (2) Additional information should be provided by Annex I to Regulation (EC) No 396/2005 as regards the products concerned, in particular as regards the synonyms used to indicate the products, the scientific names of the species to which the products belong and the part of the product to which the respective MRLs apply.
- (3) The text of footnote (1) in both Part A and Part B of Annex I to Regulation (EC) No 396/2005 should be reworded, in order to avoid ambiguity and different interpretations encountered with the current wording.
- (4) New footnotes (3) and (4) should be inserted in Part A of Annex I to Regulation (EC) No 396/2005, in order to provide additional information as regards the part of the product to which the MRLs of the products concerned apply
- (5) New footnote (7) should be inserted in Part A of Annex I to Regulation (EC) No 396/2005, in order to clarify that MRLs of honey are not applicable to other apiculture products due to their different chemicals characteristics.
- (6) Additional products should be introduced in the Part B of Annex I to Regulation (EC) No 396/2005, in order to attribute them to a specific group or subgroup of Part A of Annex I to that Regulation.
- (7) Footnotes (2), (3), (4), (5) and (6) in Part B of Annex I to Regulation (EC) No 396/2005 should be deleted as the deadlines set out in these footnotes have expired.

Status: Point in time view as at 17/01/2018.

Changes to legislation: Commission Regulation (EU) 2018/62 is up to date with all changes known to be in force on or before 20 December 2019. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) New footnote (2) should be inserted in Part B of Annex I to Regulation (EC) No 396/2005, to allow for a reasonable period to elapse before the modified classification of the product soyabeans/edamame become applicable, in order to permit the food business operators to meet the new requirements which will result from the modification of the product classification.
- (9) Through the World Trade Organisation the trading partners of the Union were consulted and their comments have been taken into account.
- (10) Regulation (EC) No 396/2005 should therefore be amended accordingly.
- (11) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EC) No 396/2005 is replaced by the text set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

In order to not interfere with the samples collection for the national multiannual residues monitoring program, which is based on calendar years, it shall apply from 1 January 2018.

Done at Brussels, 17 January 2018.

For the Commission

The President

Jean-Claude JUNCKER

Status: Point in time view as at 17/01/2018.
