9. Conversion codes—(will be included in printed copy)

NOTES

a. Disbursing officers will not use unless specifically authorized.

b. Obligations and expenditures chargeable to the appropriations which are subject to the limitation for printing and reproduction, symbols 2122020.206 and 212/32097.206 will be appropriately classified under project account 1210 in connection with procurement of subsistence supplies and 2122010.206 under project 1550 in connection with Chaplain Corps activities. Under symbol 2122020.206 project accounts 1631, 1661, 1662, 1663, 1681, 1682, 1683, 1684, 1685, 1686, 1687, 1688, 1689 in connection with medical care; project account 1920 in connection with recruiting and 2941 in connection with supply activities are available. Under symbol 2122040.206 project accounts 1400, 1500, and 1600 applicable to Medical Corps activities are available. Obligation documents showing the special limitation .106 applicable to appropriations that ceased to exist for obligations after 30 June 1951 and .507 prior to 1 July 1950 will continue to show these limitations in expenditure vouchers processed on and after 1 July 1951.

c. All incidental charges such as telephone calls, meals, hotel charges, transportation of excess baggage, and similar items are properly coded under object class 02. Object class 03 will be cited for temporary change of station allowances of authorized baggage as provided under AR 55-160.

d. Specific object class numbers other than 02 may be added as follows: 03 transportation of things; 04 communication services; 07 other contractual services. Object class numbers 03, 04, 05 rents and utility services, and 07 may be added to allotment 1-12.

e. Projects enclosed in parenthesis are not to be used for purposes of fund citation on fiscal or disbursing documents.

* Applicable project account and object class codes will be included in the open allotments for expenditure refunds.

** The code number identifying the operating agency receiving the allocation of funds to which the reimbursement is related will be inserted in lieu of "***". Army areas and overseas commands directing movement; technical and administrative services will insert their operating agency code only when travel is <u>within</u> a geographical command, e. g. citation of travel funds for <u>intra</u>-command, PCS movement of an officer directed by CG Fifth Army would be charged to allotment 55-9 while an <u>inter</u>-command movement of an officer would be charged to allotment serial 1-9; an <u>intra</u>-command movement of an enlisted man under the command jurisdiction of the Chief of Ordnance would be charged to 5-8 or 5-14 while an <u>inter</u>-command movement of this same individual would be chargeable to allotment serial 1-8 or 1-10.

-C- Indicates reimbursement account.

*** Immediately following "-C-" insert the three (3) digit code which identifies the source from which the reimbursement is effected (See SR 35-210-7).

XXXX - Insert project account code.

XX - Immediately following project account insert object class number (only 01 or 99).

Sxx-xxx - Immediately following object class numbers (01 or 99) insert applicable five (5) digit fiscal station number of billing office effecting the collection (see paragraph 19 SR 35-210-1).
