INSTRUCTIONS

Ministry of Education Instructions No. 1

March 11, 1950

Principles for Carrying out School Teacher Survey shall be established as follows:

Minister of Education
TAKASE Sotaro

Principles for Carrying out School Teacher Survey

Article 1. The conduct of the School Teacher Survey under the Regulations for the School Teacher Survey (Ministry of Education Ordinance No. 6 of March 11, 1950) (hereinafter referred to as "the Regulations") shall be in accordance with the provisions of this Instructions.

Article 2. The Governor of To, Do, Fu or prefecture shall promptly deliver the survey forms and the school summary forms delivered from the Ministry of Education to the heads of the schools mentioned in Article 10 of the Regulations.

Article 3. The Governor of To, Do, Fu or prefecture shall designate the date for submitting the survey forms and the school summary tables, the channel for submitting them, and the agency to which they shall be submitted, and notify the heads of the schools mentioned in the preceding Article of these matters.

Article 4. When the head of a school has been delivered the survey forms from the Ministry of Education directly or through the Governor of To, Do, Fu or prefecture, he shall promptly distribute them to all the teachers who serve with the school concerned, schools attached to it or to its faculty, attached research institutes or other research facilities attached to the school.

In the case under the preceding paragraph, a measure shall be taken for those who are clearly known to be absent from the school

successively for the period from the date for the survey till the date for submitting the survey forms, so that the survey forms will survey reach them by means of sending them by messenger, etc.

Article 5. The head of a school shall have the personnel in charge of pay of the school concerned notify each teacher of the grade and number of his or her basic salary as of the date for the Survey and the total amount of his or her pay for the month to which the date for the survey belongs.

Article 6. When each teacher has received the survey form, he or she shall make accurate entries after carefully reading the Regulalions and the notes on making entries in the survey form and promptly submit it to the head of the school.

Article 7. When the head of the school has received the survey forms in which entries were already made, he shall at once check on the matters entered. When any points are found defective, he shall have the reporter correct them, and then shall enter the name of To, Do, Fu or prefecture concerned, the classification of the establisher of the school (national, public or private), the type of school and the prefectural serial number, and seal in the fixed place of each survey form.

Article 8. The head of the school shall make entries of the required matters in the school summary table on the basis of the survey forms of teachers already checked, and shall seal in the fixed place.

Article 9. In submitting the teacher survey forms and the school summary table with which the procedures under the preceding two Articles have been completed, they shall be sent by messenger or by mail to the Chief of the Research and Publications Bureau, Ministry of Education, so that they will reach in ten days after the date of the survey, in case of the head of a school mentioned in Article 9 of the Regulations, and in twenty days after the date of the survey, in case of the Governor of To, Do, Fu or prefecture. However, in case there exist any circumstances under which they cannot be submitted by the prescribed date, the head of the school or the governor shall obtain in advance the approval of the Minister of Education as to the date for submitting them, stating the reson therefor.

Article 10. The teacher survey forms and the school summary table shall be preserved until the Minister of Education completes the official publication of the results of the next School Teacher Survey, and the responsible agencies for preserving them shall be the Chief of the Research and Publications Bureau, Ministry of Education, and the Board of Education of To, Do, Fu or prefecture.

3. The controlled selling prices of processing goods other than those shown in paragraph 2 shall be as follows:

(a) Controlled selling prices of producer.

The abovementioned prices shall be the amounts added by separate processing charges to the controlled selling prices of producer of woven goods as shown in 1.

(b) Controlled selling prices of wholesaler.

Amount obtained by multiplying 1.10 to the controlled price of (a).

(c) Controlled selling price of retailer.

Amount obtained by multiplying 1.18 to the controlled price of (b).

4. Sales terms, etc.:

(1) Of woven goods in this list, the controlled selling prices in case of using cotton yarn according to Price Agency Notification No. 67 of January 1, 1950 (concerning the designation of the controlled selling prices of cotton yarn) may be added by 1% to the controlled selling prices of woven goods, respectively, up to April 30, 1950.

(2) Of those as shown in this list, the controlled selling prices of wholesaler and retailer for goods coming under the clothing products under the provisions of Article 1 of the Regulations for Distribution of Clothing Products shall be for those which have undergone the assessment of the To, Do, Fu and Prefectures Price Assessment Committee and have attached the assessment certificate on the goods concerned, and the controlled prices for goods which have not attached the said certificate or have not undergone the assessment shall be lowered by 90 per cent from the controlled prices of this list.

(3) In case the To, Do, Fu and Prefectures Price Assessment Committee have assessed the prices within the limits of the controlled prices of this list according to the standard fixed by the Director of Price Agency, such price shall be made as the controlled prices.

(4) Kind of yarn used not described in this list shall mean those made from pure cotton yarn, and the controlled prices for those made from pure cotton yarn shall be applicable to those fabrics made by mixed yarn, "maruhan" yarn, "marubetsu" yarn and oil yarn.

(5) The controlled selling prices of woven goods and processing goods other than those shown in this list shall be the amounts 90 per cent deducted from the controlled prices of the most affiliated and cheapest according to the kind of yarn used, count, texture, processing charges and width of fabrics, etc.

(6) Even those mentioned in this list, those fabrics of inferior weaving, or poor quality shall be subject to a deduction of 3 per cent or over the controlled prices of this list.

(7) (a) The controlled selling prices of producer shall be ex manufacturing factory of producer and include charges for wrapping and packing.

(b) The controlled selling prices of wholesaler shall be ex place of delivery of buyer and include charge for wrapping, packing and transportation.

(c) The controlled selling prices of dealer in accordance with the Regulations for Distribution of Designated Textile Materials shall be subject to the controlled selling prices of wholesaler of this list.

(d) As to those to be sold by yard by retailers the price will be at the rate of yard (double width).

(8) The controlled selling price of producer and wholesaler on the present list shall be adjusted by counting 5 *rin* and higher fractions as one *sen* but disregarding the rest, and the controlled selling price of retailer shall be adjusted by counting 5 *sen* and higher fractions as 10 *sen* but disregarding the rest.
