Petition

To the Honorable the Senate and House of Representatives of the United States of America, in Congress Assembled:

The petition of the citizens of Louisiana, in behalf of the NEW ORLEANS, OPELOUSAS AND GREAT WESTERN RAILROAD COMPANY, respectfully represents:

That the petitioners are all looking with deep interest to the successful and immediate completion of the New Orleans, Opelousas and Great Western Railroad to the Texas line, as the great means of developing the agricultural resources of the States of Texas and Louisiana, as well as the commercial advancement of the cities to which their products look for a market.

The road, when completed, will be the continuation of the great Internal Atlantic coast line from Maine through the city of New Orleans, and enchant capital, rendering lands wasteland, to the vast West. Cotton and Sugar regions of Texas, and in time, not far distant, two ships, to the Pacific Coast, as intended by its original projectors.

Anything of the estimation in which this enterprise is held by our community, we need only refer to the fact that $4,000,000, more than one-half of the entire capital of the Company as fixed by its Charter, has been subscribed by the State of Louisiana, New Orleans and several of the parishes along the line of its road respectively.

The United States have a deep interest in the completion of the enchanted work, for it will place lands which thus be brought about and for the transportation of mails and troops the road, notwithstanding its limited capital already proven of great value to the United States during the late war. Northern capitalists have failed to realize the importance and value of this road, as is evidenced by their investments in its construction bonds and stock.

Your petitioners humbly pray that your Honorable body will enchanted to grant the power of the National Company to relocate its land grant, extend the time for completion of the road, and to authorize the sale and liquidation of its open accounts with the Government.

And your petitioners will ever pray. octo 4t
