SUBJECT: Procurement Demand GE-93A-PD-6-46

TO : Oita Liaison Committee

1. The procurement demand referred to above was written about 18 March 1946 for the construction of three barracks buildings and one lavatory building in the Oita Camp.

2. It is desired that an investigation be made to determine the contractor who did the work and obtain from him by 25 September 1947 a complete list of materials, labor and transportation used to accomplish the work.

3. This information is necessary in order to credit the Japanese Government with the cost of the project.

Headquarters I Corps, APO 301 (Kyoto, Honshu), 1 May 1947

TO: Commanding General, 24th Infantry Division, APO 24

1. References, inclosures to basic letter:

a. Incl 1. Scrap wood, lumber, broken concrete and etc. should be removed by the contractor if this represents a construction project. If for a normal period, 100 pounds per man per month is considered a reasonable figure for the removal of garbage and trash.

b. Incl 2. The following figures are considered reasonable for gas consumption, heating 12,500 cu. ft., cooking and hot water 800 cu. ft. per man per month.

c. Incl 3. 1800 gal per man per month is considered reasonable.

d. Incl 4. Electricity for heating and cooking 2100 KWH and for lighting 70 KWH per man per month is considered reasonable. These figures are designed to include electricity used for all purposes.

e. Incl 5. 5000 gallons of water (all purposes) per man per month is considered reasonable and takes care of reasonable leakage.

2. Where receipts (GPA 2) show too great an amount of utilities charged against indefinite procurement demands based on the figures shown in par 1, this indorsement, it is requested that a reasonable figure be inserted on all six (6) copies of the receipt based in the number of peple using same.

3. It is also requested that a reasonable figure be inserted for any other items obviously in error such as mandays, number of trucks, etc.

4. When revised figures have been inserted on the receipts they will be returned to this headquarters where Military Government will evaluate based on revised figure.
