TO DR. MAGNIN, inventor of the Lucifer cordial, or Elixir of Love

"Respected and honored sir.—We have all, in a variety of cases, tested the remarkable effect of your genuine Elixir, and feel a pleasure in bearing evidence to the facts, and tendering you the honor which is your due. The "Lucifer cordial" is, in our opinion, an infallible remedy for the prostration of the prominent functions, and suddenly barren cases, and therefore must prove a blessing to the human race. We can also bear evidence that there is nothing in it of a mercurial or deleterious tending, and, in short, that it is one of the noblest medicinal discoveries of the age.

"With feelings of admiration and respect, we remain, dear sir, your obedient servants,
