7. What is the relationship between the associations and the Social Education Section?

Natl Fed has bldg in Tokyo, used for meetings. Makes surveys.
Does not control local federations.

Is there an Advisory Committee on Social Education? What have been its activities?

~~(~~ Spec. election was held because method in which feder. was run was not considered suitable.

Individual Assoc. support feder. financially.

Feder. will not plan elaborate program (Trng., sports); serve as liaison agency.

Survey made at first of yr.; supplemented by other infor. in middle of yr. Research + Sta. Spec. will make survey in Apr.

Officers do not receive salary; receive travel. + board. expense

One reason for spec. election: so much activity by feder. that it is always short of money.
