MEDICAL.

DR. WESLEY GRINDLE'S
CELEBRATED
MAGIC COMPOUND,
A POSITIVE CURE FOR
Pulmonary Consumption.
Also, an effectual cure for Scrofula, Dyspepsia, Cutaneous Diseases, Rheumatism, Pulmonary Complaints, General Debility, and all diseases depending upon an impure state of the blood.

PRINCIPAL DEPOT, NO. 54 WHITE STREET, N. Y.

Patients, the gorgeous sunshine of hope may now be realized: for life mostly need only relieve, but none actually pass this horrible disease. But one trial will surely prove the fact. Do not fall into an early grave, when a sure remedy is at hand.

Some poor sufferer, full of anxiety and doubt in regard to what we say, may ask, Can your medicine restore a portion of lung that diseased has entirely removed, leaving a cavity? We answer, positively not, neither is this necessary in order to effect a perfect cure. If the cavity remained, it would be no question, but little or no portion of the lung is lost. It is necessary only to arrest the disease, and when this is done, the concrete substance deposited in the tissue of the lung, technically known as tubercle, becomes absorbed, leaving, perhaps, a little contracted substance which is quite harmless, and the patient finds himself in possession of whole lungs and sound health. But suppose as the disease is not arrested at this early stage. The softened tubercle produces irritation, the irritation brings on inflammation of that part of the lung, the inflammation leads to ulceration, and the destruction of a portion of the tissue is the result, and the pus formed which enlarges and does its work of death, unless the deposit of tubercle is arrested. Now, does our remedy effect a cure? Most assuredly it does. As soon as the diseased substance, the tubercle matter is absorbed or expectorated, and before other tissue is the cavity with a hiding membrane, or what is more common, where a lot of large size, the walls fall together and heal up, leaving a scar; and the remaining portion of the respiratory apparatus, due to a law running through the whole physical economy, becomes stronger, thus enlarged, taken on increased action, and satisfactorily compensates for that which has been lost.

The medicine is in powder state, but readily prepared for using in a liquid form, according to the directions given in pamphlet. Dispatches are promptly made by mail and express.

PRICE—One box, $5; three boxes, delivered at one time, $8; half dozen, $14; one dozen, or any number greater, $2 a box. The package includes United States, not over 3000 miles, in 15 cents a box. In all cases the amount should be inclosed in money or stamps. We are responsible for all moneys sent or by mail.

JOSIAH S. GRINDLE, (late partner of Dr. Wesley Grindle) Sole Proprietor, to whom all letters must be addressed. Also, Proprietor of Grindle's Ancient and Celebrated Japanese Liver Pills. octdlyeow

MEDICAL.
DR. SCHENCK'S
Blood Purifier and Blood Pills.

DISEASES VANQUISHED
By Dr. Schenck's Scandinavian Remedies.
AFTER YEARS OF STUDY AND EXPERIMENT Dr. Schenck, the eminent Swedish Physician, succeeded in perfecting a combination from the many bitter herbs of his native land, which acts directly upon the causes of disease in the blood, and by removing the corrupted humors of the blood, restores to health and purity, every disease from the system, wherever it may be located, or of whatever nature may be its character. Indigestion, nervous complaints, epilepsia and other fits, cough, consumption in its early stages, sore throat, bronchitis, fever and ague, chills, fever, hepatic, mental insanity, feminine weakness, pitting of the skin, symptomatic of paralysis, rheumatism, erysipelas, tumors, cancers, dyspepsia, liquidness and debility, diarrhoea and all disorders of the organs of respiration, the blood, digestion, and those of the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the RATHMUN MODE, or mode of disease, what an alkali is to an acid; it neutralizes them with ABSOLUTE CERTAINTY, while, at the same time, Regulates the secretions, removes obstructions from the liver and other glands, purifies the bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Schenck's famous Scandinavian Blood Purifier, which, if taken in conjunction with the Blood Pills, will not only obliterate the most palpable diseases, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 73 years, which continues strong as ever. Read Dr Wolf's Wife, evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Schenck's Scandinavian Blood Purifier and Blood Pills.

CLEMSON'S, OHIO, Sept. 27th, 1856.
Dr. C. W. SCHENCK—Dear Sir—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to none or no effect. At last it struck allthough's husband, anyway, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It new was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your Almanacs, recommending on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our superintendent, the bearer of this, and sent a bottle of Blood Purifier and one box of Pills; and, to our great joy, before she had taken it all, she was able to sit up, and in two days to attend to her little affairs about the house, for which I feel thankful to God. She is now 73 years old, and has the bloom of health. In conclusion, all her friends of your medicine. May God grant you long life and success. Yours truly, JEREMIAH ROWAN.

Make sure of the genuine art we by purchasing only of respectable dealers. Principal depot, of Dr Roback himself, No 6 East Fourth street, Cincinnati, where he may be consulted, by letter as well as personally, in all complicated and difficult cases.

Price of the Scandinavian Blood Purifier $1 per bottle, or $6 per half dozen. Pills 25c. per box, or five boxes for $1.

MAGNETISM.

MME ALLIARD,
FRENCH SOMNAMBULIST,
No. 331, Bourbon Street, Between Ursulines and Hospital.
TREATMENT of all kinds of chronic diseases which the ordinary remedies have failed to cure, and especially of diseases of nervous affections.
Mme Alliard, for many years under the direction of Dr. Pospard, in France, may be consulted at her residence and calls on patients wherever her services are required.
The direct application of magnetism by Mr. Alliard, assisted by Mme Alliard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand cases of nervous disease, eight hundred at least are almost instantly cured by this extraordinary SOMNAMBULIST, sufferers should hasten therefore to avail themselves of Mme Alliard's services.
The New Orleans Press have often recorded the radical cures of her clairvoyance, for many years' standing. The "Louisiana Courier," the "Daily Crescent," the "Delta," "Free Delta," "National" and "Bee," published in 1856 and 1857, letters from well-known and highly respectable persons, whose testimony cannot at doubted, tendering their heartfelt thanks to Mme Alliard, and fully corroborating the wonderful success
The same papers also spoke very highly of the surprising magnetic experiments by Mme Alliard, under the direction of her husband See the Courier of December 11th, 1854, the Bee of November 27th, 1854, and the Crescent of May 29th, 1855.
It is to be regretted that all the cures effected by Mme Alliard cannot here be stated, but the nature of certain disease renders this course necessary. The fact, however, is now acknowledged that patients can be permanently cured by Mme Alliard.
A thousand miles offering such guarantee as these and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. Those remedies are powerless in cases of nervous diseases, which are caused by magnetism, as are also in cases of epilepsy, hysteria, fever and ague, bilious and brain fevers, typhoid and malignant fevers, yellow fever, headaches, heartburn, cramps in the stomach, gastric paralysis, palpitation of the heart, fainting, liver complaint, spleen, jaundice, colics, diarrhoea, constipation, hemorrhoids, hemorrhage, spitting of blood, giddiness, falling of the womb, suppression of the menses, tumors in the breast, consumption, pimples, sensitive nerves, cutaneous diseases, tetters, itch, eczema, sores, rheumatism, deafness, ophthalmia, inflammation of the eyelids, chilcoubers, sprains, tapeworm and other worms, &c.
The above diseases are da
