MEDICAL.

DR. HOBACK'S Blood Purifier and Blood Pills.

DISEASE VANQUISHED
By Dr. Hoback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT Dr. Hoback, the eminent Swedish Physician, succeeded in producing a medicine that should remain herbs of his native land, which acts directly upon the causes of disease in the blood, still by restoring the corrupted tissues of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, tetter and sore eyes, mildew, low spirits, sexual incapacity, feminine weakness, pricking of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, inflammation and debility, diarrhea and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the nervous system, or seat of disease, what an alkali is to an acid; it neutralizes them with ABSOLUTE CERTAINTY, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates a healthy appetite, renews bodily vigor, and regenerates every animal function. Such is the character of the celebrated Dr. Hoback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most virulent disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirms strongly the truth of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Hoback's Scandinavian Blood Purifier and Blood Pills.

CLERMONT CO., OHIO, Sept. 27th, 1856.

Dr. C. W. ROBACK—Dear Sir:—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck all through her system, so that she could not walk out of sight; her pain was so severe at times that she had hard work to exercise, at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It now was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs, and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our superintendent, the bearer of this, and got Blood Purifier and Blood Pills and one box of Pills, and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 72 years old, and has the bloom of health on her cheek, all the effects of your medicine. My God prolong your valuable life and success. Yours truly, JEREMIAH ROWAN.

Make sure of the genuine article by purchasing one of respectable dealers and regular agents, or of Roback himself. No 6 East Fourth street, Cincinnati, where he may be consulted, by letter as well as personally, in the complicated and difficult cases.

Price of the Scandinavian Blood Purifier $1 per bottle, or $8 per half dozen. Pills 25c. per box, or five boxes for $1.

For sale in New Orleans, wholesale and retail, by JOHN J. WRIGHT & CO., 21 and 181 Chartres street.
