WIKIDATA LAB XXXVII

UPLOADING IMAGES TO WIKIMEDIA COMMONS WITH OPENREFINE

This training aims to share resources and capabilities for the integration of Wikidata with other Wikimedia projects, specially Wikimedia Commons.

In this event, part of the Wikidata Labs series, there will be a presentation and a series of practical activities and discussions on the process of upload of images and structured metadata (Structured Data on Commons) to Wikimedia Commons using OpenRefine.

The event is aimed at training the community of editors of Wikimedia projects. The training coordination will be carried out by the wikimedians Sandra Fauconnier and Éder Porto, in English.

The event will be online. Please, if you are interested in participating in the event, register on the registration page. There is no registration fee. Unlimited places.
