Community Engagement Survey: WikiConference India 2020

In legalese: Your privacy is important to us. As allowed by law, we will only share your responses with WCI 2020 organisers helping on this survey. We may, however, publicly share anonymous statistics about the responses in aggregate form. Wikimedia is a worldwide organization. By answering these questions, you permit us to record and transfer your responses to the United States and other places as may be necessary to carry out the objectives of this project. You also agree to refrain from incorporating your personal information in response to a question that doesn't ask for it and to donate your responses to the public domain. For terms and privacy considerations related to Google Forms, consult the Privacy Policy (https://www.google.com/policies/privacy/) and Terms of Use (http://www.google.com/intl/en/policies/terms/) of Google.
