JTF 170-CDR

27 September 2002

MEMORANDUM FOR Commander, United States Southern Command, 3511 NW 91st Avenue, Miami, FL 33172.

SUBJECT: Transfer Recommendation for GTMO Detainee, Solaiman Dur Mohammed Shah, ISN: US9AF-00119DP

1. (S) **Personal Information:** Solaiman Dur Mohammed Shah is an Afghan national born in 1971. He is in good health.
2. (FOUO) **Detention Information:** Subject detainee was in the business of buying and selling cars. While driving in Mazar-e Sharif to sell a car, the detainee was captured by General Dostum's forces. Detainee bought vehicles in Kandahar and sold them in Konduz and Mazar-e Sharif. He had no military experience and no affiliation with the Taliban. Detainee was later transferred to U.S. forces and transported to Guantanamo Bay Naval Base, Cuba, arriving on 20 January 2002. The detainee was transferred to Guantanamo Bay detention facility because of his alleged general knowledge of a possible Taliban official in Kandahar named Mala Sharjijen. However, detainee was unable to provide any terrorist biographical information in response to the collection requirement. The detainee was cooperative, but JTF 170 considers the information obtained from and about him as not valuable or tactically exploitable.
3. (S) **Assessment:** Based on current information, detainee ISN: US9AF-00119DP is assessed as not affiliated with Al Qaida, and as not being a Taliban leader. Moreover, based on the detainee folder, the knowledgeability brief (KB), and subsequent interrogations by JTF 170, the results of which are available in the JTF 170 detainee database, the detainee has no further intelligence value to the United States, and will not be seen for further intelligence purposes. Subject detainee has not expressed thoughts of violence, or made threats toward the U.S. or its allies during interrogations or in the course of his detention. Based on all the above, detainee does not pose a future threat to the U.S. or U.S. interests.
4. (S) **Recommendation:** In view of the foregoing, I recommend subject detainee be considered for release or transfer to the control of another government.
