PRICE THREE CENTS

D'Olier to Address Narberth Legion on Monday Night

All Ex-Service Men are Invited to Big Meeting

This is the last reminder of the big meeting Monday night. It will be one of the banner meetings of the year—don't lose out on it.

You were told in the last issue of Our Town all the facts about this Mammoth meeting. For the benefit of those that were lucky enough to have the price to go to the shore over the Easter weekend and didn't see the paper, we are willing to repeat it for them. The place is ELM HALL at 8 o'clock, on MONDAY, APRIL 24. Now just stop and think—cancel all other engagements for that night as you can not afford to miss it. We will have with us on this occasion, Franklin D'Olier, the first National Commander of the American Legion.

Why say any more? You have heard and read about Past Commander D'Olier. You know the type of man that he is and stands for. Come out and shake his hand.

Besides this big treat, our entertainment committee has seen to it that every one will be taken care of. A evening well spent. I'll say so. All eyes straight ahead to Elm Hall.

A CONSTRUCTIVE LETTER

The following letter to Mr. Wentz was sent to "Our Town" for publication. There are several excellent suggestions which are certainly worthy of consideration.

Mr. Walton M. Wentz,
Chairman of Highways,
Narberth, Pa.

Dear Sir:

Thank you for your notice of the 15th in, re sidewalk and curbs. Last week my neighbors and I got together and arranged for the placing of a new concrete walk. It would have been done last year but for seventeen reasons, the first being the empty pocket-book, the others not worth mentioning.

Am glad that the Borough is going to get walks and streets in order. Is it in order to suggest that one vital street is that portion of Sabine avenue in front of the school? It long has been a disgrace, and civic pride should have seen to this long ago. And while perhaps it is not necessary to put in curbs and walks on Montgomery Pike alongside the athletic field, at least the unsightly mess of things, brush, waste paper, etc., can be cleaned up and kept clean. Perhaps this is not within the scope of your Committee and you may desire to refer it to the proper one. You will agree, however, that those who pass through Narberth on Montgomery Pike can not help but be disagreeably impressed by what they see in the section mentioned, all of which may affect our Borough adversely.

Am not knocking at all, I want to boast, and certainly agree with the recent writer in the Narberth "Our Town" who praised Mr. Suplee. He has done good work and is entitled to great credit.

Edwin T. Wolf.

RUMMAGE

Do not forget when cleaning house those things you are going to discard and give away that the Evangel Circle of King's Daughters will be very grateful for them for their rummage sale which they will hold on April 25.

Notify Narberth 623 R or 386 R, Friday or Saturday preceding, and have it called for Monday morning, April 24.

NEW PHYSICIAN

Dr. Francis Evans is practicing Medicine at 11 Montgomery Avenue. Dr. Evans, who is a graduate of the University of Pennsylvania Medical School, served a year in France with the American Army.

FEWER ASH COLLECTIONS

Highway Commissioner Suplee has announced that the summer ash collection schedule will go into effect the end of April. Ashes will be collected thereafter during the last week of each month only until further notice.

Mrs. John B. Brooks gave a miscellaneous Bridal Shower in honor of Miss Kathryn J. Maguire on Wednesday evening last. A very enjoyable evening was spent by all, followed by the opening of many mysterious packages which disclosed countless beautiful and useful gifts.

Pattison Candidate for Lieut-Governor

Two Narberth Aspirants to Democratic Ticket

The Republican and Democratic ballots at the primary elections on May 6th, will be of particular interest to Narberth's men and women voters. A Lieutenant Governor, a State Senator and a State Representative all from Narberth will be candidates for nomination for the general election in November.

As previously announced through these columns Fletcher W. Stites will run for State Senator on the Republican ballot without organized opposition. A. E. Woldert will be the only candidate on the Democratic ballot for the General Assembly, the legislature branch, from this district. It is to be expected that both of these candidates will receive the full support of their respective parties.

Robert E. Pattison, Jr., will head the list of candidates for the office of Lieutenant Governor on the Democratic ticket, but will be followed by the names of John P. Bracken, of Pittsburgh, and Charles McAvoy, of Norris town.

This will be the first time for a good many years that the name of Pattison has appeared on the ballot, older voters will remember when the present candidate's father was twice elected Governor of Pennsylvania on the Democratic ticket by large majority and in a state where the Republican ticket usually carries by a large margin.

One of the best, if not the best, Governor the State has ever elected was Robert E. Pattison, Sr., and the present candidate's many friends and neighbors have every confidence that he would creditably fill an office for which he might be chosen.

There are times when the man takes precedence over the issue and the party and with such a candidate for the office, it is probable that had they known before the registration date that Bob Pattison was going to run for Lieutenant-Governor, many regular Republican voters would have registered Democratic in Narberth and in many other places in Pennsylvania.

HOME AND SCHOOL

Art Exhibition Will Feature Meeting Next Thursday

At the meeting of the Home and School Association next Thursday evening, in the High School Auditorium, attention will be given to the practices and methods of teaching art in the local schools and the practical application of the knowledge and natural ability of the school children.

The program of the evening will consist of a fashion promenade by the Freshman girls, under the direction of the Domestic Science Department. One of the principal features will be the display of dresses made by the wearers of the garments.

Following the promenade, C. Valentine Kirby, Director of Art Education of the State of Pennsylvania, will deliver an address on art as it is now being taught in the schools throughout the Commonwealth. Mr. Kirby was until recently Supervisor of Art in the City of Pittsburgh. He is not only an accomplished artist but a magnetic speaker. To illustrate his lecture he will sketch in color.

During the entire week, beginning April 24th, the Art Department of the public school will have on display in the auditorium drawings, designs, paintings, and sketches which have been selected from the regular classroom work of all grades. In order that the parents may be able to view the art work of their children, arrangements have been made by the Home and School Association to throw open the auditorium to the public between 7:30 and 8:00 P. M. just prior to the meeting of the Association.

During the evening music will be furnished by some of the pupils of the school. The business meeting of the Association will be cut as short as possible in order to devote the greater portion of the evening to the consideration of the art course as given to the school children of the Borough.

The meeting will start promptly at 8:00 o'clock. All parents are cordially invited to be present.

Two Big Nights in Store for Narberth Next Week

St. Margaret's Troupe to Perform in Church Hall

St. Margaret's Minstrels will make their first bow to a local audience on Tuesday evening, next week, April 25, the first of two performances of "Nellie Narberth," described as a marvelous manifestation of masculine monstrosity. The second showing will be made on the following Wednesday evening, April 26, and subsequently the troupe will consider the offers which are expected to come in avalanche fashion from all quarters of the globe, once the news of the astonishing assault is heralded broadcast throughout the world. "Twill be a great day tonight for Narberth."

Elsewhere in Our Town an outline, a mere suggestion, is indicated of what the populace may expect, but it is proper to point out that the church hall is not the Academy of Music, hence the real facts of the case cannot be too profusely proclaimed, else Councils might have to hire about \$60,000 more of Ardmore cops to hold back the crowds. As it is, the second performance was made necessary on account of the big advance sale, the request in one case being for 100 tickets, which will convey just how exceedingly modest the little dollar admission price is.

A full orchestra will be in attendance and a promenade will follow each of the performances.

WESTMINSTER CIRCLE

The regular monthly meeting of the Westminster Circle was held Thursday evening, April 13th, at the home of Mrs. H. G. Martin. The Circle thoroughly enjoyed Miss Harbaugh, a member of the Senior Class of the Deaconess School. She gave a very interesting outline of the two year's work covered at the school and the wonderful training the girls receive there. After her graduation in June Miss Harbaugh expects to take up her work in a community center in Kentucky, where she will assist in the training of girls in the preliminaries of their life work. She is to be greatly commended upon her efforts, and her assignment merits her fitness for the work. It is to be regretted that more of our members did not have the privilege of hearing her talk.

The May meeting will be held at the home of Mrs. Wright on Price Avenue.

POSTAL IMPROVEMENT WEEK

May 1 to 6 has been designated as Postal Improvement Week. The postmaster and the employees of the Narberth office are planning to make that week the best ever in point of service to the patrons and in the careful and prompt handling of all matter. We plan to avoid all errors and wherever possible improve the service.

In our efforts we cordially invite the patrons of the office to join us. We would suggest that an earnest endeavor be made to have all mail directed to street and number. We would also advise every one to "get the habit" of putting the street address or P. O. Box number of the sender in the upper left hand corner, or on the back, of every piece of mail deposited. This action on the part of the mailing public would obviate, in a great measure, the necessity of sending 19,000,000 pieces to the division of dead letters annually, with all the work it entails.

We are at all times ready to acquaint the patrons with postal facilities. No fixed state of perfection may be attainable but we should all strive for improvement.

Edward S. Haws,
Postmaster.

The FIRESIDE

EARLIER
We call your attention to the notice appearing on the Editorial page of this issue relative to the plan to issue Our Town on Friday afternoons instead of Saturday morning.

Mr. Harold Short is occupying his new home on South Narberth Ave.

Mr. and Mrs. Ross Tomlinson, of Reading, Pa., spent Thursday and Friday, April 13th and 14th, with Mr. and Mrs. H. K. Gottshall, of Conway Ave.

Mrs. M. Horn and daughter, of Chester, Pa., spent Easter with Mrs. A. Campbell, of Stewart Ave.

Mr. and Mrs. Henry James Page, of Frankford, spent the Easter holidays with their daughter, Mrs. John B. Brooks.

Mr. and Mrs. Edward A. Muschamp, of Woodside Avenue, left last week for an extended trip through the West. Their route will include Chicago, the National Parks, California and the Grand Canyon. They expect to return May.

Miss Esther Durbin, of Elmwood Avenue, left Tuesday for Hot Springs, Arkansas, where she represents the Y. W. C. A. of Gettysburg College at the National Y. W. C. A. Convention. She will return on April 28, and spend the weekend before returning to college.

Mr. and Mrs. Ray Weiss and family and Mr. and Mrs. G. A. Peterson motored to Delaware Water Gap on Easter Sunday, via Willow Grove, Doylestown and Easton, returning through Stroudsburg and Bethlehem. They reported the scenery as very beautiful, especially as the valleys and mountains are dressed in their spring foliage.

Two men were sent to Narberth during the week to investigate the charge that dogs are not being properly quarantined.

Mrs. R. O. Sperry, of 213 Forrest Ave., held a party in honor of her son David's fourth birthday. There were ten guests present.

Mr. and Mrs. J. Howard Wilson, Miss Eleanor Wilson and Mr. Gordon Wilson spent the Easter holidays in Atlantic City.

Mrs. Mary S. Casey, of 206 Woodside Ave., who died on April 17th, was buried on Friday morning, April 21st, at St. Monica's Cemetery, Dalesford, Pa.

Miss Margaret Eyre, of Woodside Ave., gave a miscellaneous shower on Tuesday evening, April 18th, in honor of Miss Bertha Redifer, of Shirley Road. There were ten guests present.

Mr. and Mrs. J. E. Burrell and family spent Easter in Atlantic City.

Mrs. Phoebe Harris, of Essex Ave. was called to Cincinnati, O., by the death of her sister on Wednesday April 19th.

Thomas G. Martin and John B. Wilson returned this week to Colgate University.

Miss Mary Hoover, of Dudley Avenue, spent the Easter holidays in Lancaster, Pa.

Choral Sets Date of Spring Concert

"Rose Maiden" to be sung on Friday May 5th

On Friday evening, May 5th, the Narberth Choral Society will accede to the public's demand in the repetition of "The Rose Maiden" Cantata. The Choral Management has received many expressions of approval following the announcement of this concert.

Prof. Niece has engaged an orchestra selected from the members of the Philadelphia Orchestra to accompany the horns and to play several orchestral numbers.

The securing of Stokowski's music is in keeping with the standard of talent presented by the Narberth Choral Society, and gives Narberth another opportunity to hear artists who are considered the best in their profession.

In the rendition of this work, a year's training and improvement will be evinced, and will culminate in a more complete and effective interpretation of this Cantata, which will be sung, as usual, in the High School Auditorium.

Choral Notes

Mr. J. E. Nidecker was recently appointed Financial Secretary, and is proving a most efficient officer of the society.

On the first of May, Mr. Alfred Whitman and family will leave Narberth for Boston. This will take two of our members away whom we shall greatly miss. Mr. Whitman has been a very capable and willing worker. His sister, Miss Annie Whitman, is a more recent member of the Choral, and a good contralto.

Mrs. Wayne Army, Miss Helen Strickler, and Mrs. Winthrop Derby have been recently welcomed into the Choral.

The Chorus is preparing for several out-of-town concerts to be given this spring and summer.

The Sopranos and Basses are still talking about the nice party given to them by the Altos and Tenors two weeks ago, when the latter played the "Losing Hosts and Hostesses" to the "winning" members, in a very interesting contest recently held.

K. OF C. TO HAVE CARD PARTY

What promises to be one of the most elaborate card parties ever held along the Main Line is scheduled for next Thursday evening, April 27th, in the Women's Club, Ardmore. The affair is being given by Bishop Kenrick Council, K. of C., with a very efficient group of young ladies in charge, under the direction of Miss Julia Oakley and Mrs. Francis Walker. Games of euchre and 500 will be played on the lower floor of the building, while the upper floor will be devoted to dancing the entire evening. Simmons' Society Orchestra will furnish the music. The ladies have procured an unusually fine assortment of prizes and are sparing no efforts to make the affair, which will be an annual one in the future, a success.

WIRELESS EQUIPMENT

In order to supply the demand for wireless telephone apparatus in Narberth and other parts of the Main Line, an agency has been established by two Narberth men.

A. W. Ward, Jr., and M. R. Sperry will handle the products of several well-known companies. They are also prepared to install, and repair all types of wireless telephones.

Miss Bertha Redifer, of Shirley Road, left on Wednesday, April 19th, for a several days visit to Washington and Harrisburg.

Mrs. A. B. Ross is President Women's Community Club

Milk Inspection Strongly Endorsed at Meeting

The meeting of the Women's Community Club held last Tuesday afternoon was of particular interest, both because of the annual election of officers, and because of the discussion of the milk crisis which the people of Narberth are now facing.

Mr. Ralph Irwin, Chief of the Department of Milk Control, Harrisburg, had requested an opportunity to present the necessity of local milk inspection to the people of Narberth, and had chosen the Women's Club as a medium. The group of men present at the meeting—the interest of the movement included Mr. George Grim, Milk Inspector for Lower Merion and Haverford Townships, Dr. C. T. Faries, President of the Narberth Board of Health, and Mr. W. R. D. Hall, President of Council.

A half hour of the meeting was devoted to the subject, under the direction of Mr. Charles W. Crist, Executive Secretary of the Main Line Suburban Association. Mr. Irwin gave a very clear and comprehensive talk on the necessity for Milk Inspection, and for a clear definition of the standards for the various grades of milk sold. He emphasized the necessity of inspection of the source of supply and at distributing stations, in order to secure safety for our children. He also urged the advisability of periodic health inspection of those who handle the milk at all points, including those who deliver the milk to our doors. He made the absolute necessity of such inspection clear to all who heard him.

Mr. Grim then explained how the recommendations from Harrisburg on the subject can be carried out by the suburban Association.

Dr. Faries then arose and said it was the earnest wish of the Narberth Board of Health that Narberth should join in this new plan of milk inspection for the Main Line, feeling it essential for our protection. He stated that the cost for the balance of this year would be about \$600.00, and for the ensuing year it would amount to between One Thousand and Eleven Hundred Dollars.

Following these addresses, the Club passed a resolution putting the organization on record as favoring this milk inspection, it being included in the motion that the resolution be communicated to Council. The speakers offered to wait until after the musical program to answer questions on the subject. This discussion brought out many interesting points.

A very delightful musical program was rendered through the generosity of the Reciprocity Department of the Matinee Musical Club of Philadelphia. Following this the returns for the election were brought in by the tellers.

New Officers

The following were declared elected: President, Mrs. A. B. Ross. First Vice-President, Mrs. E. A. Muschamp. Second Vice-President, Mrs. R. J. Dohard. Recording Secretary, Mrs. F. P. Dunlop. Corresponding Secretary—Mrs. H. A. Jacobs. Treasurer, Mrs. H. C. Fenno. The hostesses for the afternoon were Mrs. William Livingston, Miss Anna McKeag, Mrs. Daniel Leitch, Miss Kurzenkabe, Mrs. Kern W. McHose, Mrs. C. L. McKee, Mrs. A. J. Kuylenstjerna, Mrs. Samuel Laird.

LAST TENNIS DANCE OF THE SEASON

The final spring dance of the Narberth Tennis Association will be held on Friday evening, May 5th.

Let's have the biggest crowd of the season—every member present—and have a jolly dance before the tennis season opens.

SPELLING BEE

Be sure to attend the Spelling Match at the Methodist Church next Friday evening. Some of the folks will miss the easiest words, while some will spell the hard ones.

Friday, April 28, at 8 P. M. No tickets. A silver offering will be taken. Fun for everyone.

Mr. Joseph H. Amend, of Pittsburg, was the guest of Miss Margaret Burrell, of Merion Ave., for the Easter Holidays.

AN IMPORTANT CHANGE

Beginning with next week's issue, Our Town will make a slight change in its printing schedule. It is our intention to issue the paper to subscribers on Friday afternoon instead of Saturday morning, as heretofore. This will permit of publicity for events to be given on Friday nights, as was the case when the paper was delivered in the Post Office boxes on Friday evenings.

It was hoped to make the change this week, but our printers were too crowded with other work. The new schedule calls for copy on Tuesday evenings each week. Please observe this date in future.

THINGS POLITICAL

We were asked a few days ago why we had not as yet published an article concerning Narberth's two Democratic aspirants for places on this year's ballot.

Unfortunately, Our Town must depend on some forty contributors for its weekly quota of articles. Our political writer is a temperamental cuss and he made us wait two weeks for the article which appears this week.

No, we do not have any political slant in this paper. Our attitude is purely one of local interest. We are right back of any ambitious Narberthian, be he Republican, Democrat, Prohibitionist or Utopian. And let it be said right here that every resident of this fair community may well be proud of the three candidates who will carry Narberth's colors into the coming melee.

Most of us are Republicans out here, but we are back of Messrs. Pattison and Wohlert with both feet!

A STRONG SENTIMENT

The action of the Women's Community Club in so strongly endorsing the plan to improve Main Line milk inspection, is but another indication of the evident, and every strong public sentiment in favor of this new protective measure.

Many objections have shown themselves, possible defeats in the working plan cropped out, but, in spite of these minor questions, the enterprise as a whole should do much to standardize Main Line milk, and give each community an equal chance to protect itself against possible infection.

The question of expense presents a peculiar paradox. It is said by some, that a thousand dollars a year is a large sum to spend on a plan of this kind. Again, others claim that milk inspection in Narberth has been adequate in the past, and that the new scheme would be no improvement. It is evident that both these conditions can not exist, for if we are getting an adequate protection, we are paying for it—things don't come free nowadays, and if our expense in the past has been light, we have been getting just what we have paid for—very little.

Members of the Board of Health believe that to establish milk control independent of the rest of the Main Line would cost the Borough \$1,500.00 per year, and with no more assurance of satisfactory results being obtained thereby.

Let us give the Lower Merion and Haverford Township officials credit for a little intelligence. Their share will be ten times ours, and it is logical to sup-

pose that they are going into the thing with their eyes wide open. Undoubtedly the people of Narberth do not wish our Borough to be the only unprotected spot on the Main Line. It appears to be strongly in line with our public policy for Narberth to enter into this plan for milk inspection.

To the Editor of Our Town: I read with interest your report in last week's Our Town about the bonus received by Carrier Englehart from the State of Michigan. Will you please insert an evasive reader of the amount of this bonus?

Decius.

We are informed that the amount of the bonus was \$129.00. Yes, we think the same about it. The Editor.

THE TOWER OF BABBLE

By Collum Righter

We venture the belief that King Herod rolled over in his grave and howled with glee when the Rt. Hon. B. Council referred, shelved, laid on the table and otherwise postponed Milk Inspection. With all due respect, it must be acknowledged that Hon. Herod, in his way, was an adept at the extermination of children. But the modern Milk Method will no doubt have sold steel whipped to a tizzle from the standpoint of efficiency and elegance.

Report saith that the Women's Community Club has girded its loins and jumped into the fray. So let Rt. Hon. B. C. look to their laurels in the matter of milk and everything else. Maybe the army of Amazons will win the Battle of Bacteria with the same ease with which they have won other conflicts out of the letters of gold on the pages of History.

A technique jolt, with

A cane and a pointer. If

Perhaps a ring and a sign.

Then the Hon. B. C. will

The Column II offer

Five yards of blue silk.

To the Women's C. C.

If it gets us pure milk.

Now that we have gotten the Milk Problem well on its way to solution, here is the Playground affair to be disposed of. We once saw a similar project in "process of completion" ten years ago. It is not finished yet. Our doubt is whether the thirty thousand men will even make a dent in the matter.

But nevertheless, Baseball must needs go on. Else how will Hon. President of the Main Line League amuse himself. The "permanent Narberth Athletic Association" idea is a good one and no mistake. In line with IT and Baseball, we suggest that Esteemed Crowell inaugurate a campaign for recruits among this year's crop of Borough infants. By the time they are grown up the Playground will perhaps be completed and ready for their use. And this year's athletes could totter to the grandstand, gum their peanuts, dribble lemonade down their beards and feebly cheer the team on to victory.

In all seriousness, we hope they will include in the Playground a couple of sound-proof putting greens for the use of Narberth golfers. Such action would prove a special boon to one of our prominent citizens in particular who persists in using a swan-neck putter. It might permit him to improve his game to the point where he could put it over his youngster at least once out of ten. Yes, we think that once out of ten would be a fair average. But you never can tell.

Why is it that Hon. Canfel takes so many things to himself? There is truth in the old proverb that "a guilty conscience needs no accuser." We wonder why he is so bitter in his arraignment of those who paid no heed to local talent in the appointment of Policemen. Maybe he wants to commit something and evade the arm of the law. From what we know of Officers Girvin and Johnson, he would have quite a time so doing. We have often "strolled the business section" both afternoon and evening, and never yet have we spotted anyone among the "unemployed young men" who could come within five miles and a half of the new Coppers. Jobs go to those fitted for them. There are no two ways about it.

Then again, why does he direct his vituperation in our direction and term our offerings sarcastic and insane? The itch to see their name in print makes some folks ramble without stint. And Hon. Canfel appears to be a rambler of considerable parts. The question is, what are his qualifications other than spasmodically giving "Our Town" a desultory once-over. What

has he done particularly, to endear himself to humanity or to earn a laurel wreath for instance? Putting it differently and more to the point, by what authority doth he pan the Column? It brings forth reminiscences. This one in particular:

"We love to watch the rooster crow, He's like so many men we know, Who rant and bluster, rave and shout And beat their manly chests, without The first damn thing to brag about."

We'll say this for him, however. If he is as familiar with ponderous English as one would be led to suppose by the verbiage employed in his letter, there is a likelihood that he could carry off the Consolation Prize at the Methodist Spelling Bee.

Chicago, Ill., April 13th, 1922. Dear Collum Righter:

If my coat tails were not nailed to this job and if my wife were willing to go back to Philadelphia, from whence she came, and if my boy would give up his school and companionship and home and if our folks down in Indiana would come along, I think I would come down to Narberth and try to get your job, for I don't know of anything that would be more pleasure and satisfactory than to run the "Tower of Babble."

Yours Sincerely, E. J.

E. J.'s letter recalls an experience with a guide-up in Maine. After a rainy night in camp during which everything was soaked, the dreary morning came along only to allow us to discover that we had lost a box containing most of our provisions. Esteemed guide was equal to the occasion to the extent of making coffee and biscuits for breakfast and while we sat and ate the sorry tale he remarked, "If we only had some eggs, we could lay some ham and eggs, if we only had some ham."

If E. J. feels the urge to come here and run the Column, the whole town would no doubt turn out in a body to welcome him for about two weeks. After that, he would be about as popular as a rattlesnake at a meeting of the Sewing Circle—same as we are.

In any event, the Column feels that the Rt. Hon. Borough Council owes a rising vote of thanks for advertising their activities and benevolence in the West as Lake Michigan. But they'll never give it to us. Never in the world.

If we were to tell you that hundreds of families in this community have been converted to "Rainey-Wood" Coke, you would probably be surprised. Yet this is an actual fact. They have been getting heat satisfaction all last winter for \$8.00 per ton, or \$8.50 if carried in.

"Rainey-Wood" Coke is prepared in one of the latest and most modern coke oven plants in the country. It makes a cheerful fire, responds quickly to changes in draft and holds the fire perfectly over night.

THE OLD MERION FRIENDS' MEETING HOUSE.

Montgomery Pike, Narberth, was established 1682. Here William Penn worshipped, as well as many other noted Friends. One of the historical spots of America is open for worship every First-day (Sunday) morning at 11 o'clock. First-day School begins at 10 A. M. Visitors cordially invited. The First-day School is held every First-day morning at ten o'clock. There is a class for adults as well as for children, and we are very glad to have anyone who is interested in knowing more about our Society of Friends and the Friendly ideas visit with us.

ST. MARGARET'S CATHOLIC CHURCH

Sunday Masses at 7 o'clock and 10 o'clock. On first and third Sundays the late Mass is a High Mass. During Lent, Rev. Joseph M. Corrigan, D. D., of the Overbrook Seminary, will preach every Tuesday evening at 8 o'clock. Stations of the Cross every Friday evening at 8 o'clock. Daily Mass at 8 A. M.

ALL SAINTS CHURCH (Protestant Episcopal)

Rev. Gibson Bell, Rector.
Rev. Robert B. W. Hunt, Associate.

Services, Sunday, April 23rd.
8:15 A. M. Celebration of Holy Communion.

9:45 A. M. Church School.
11:00 A. M. Morning Prayer and sermon by Rev. Gibson Bell.

By request, the nurse rendered on Easter Sunday morning will be repeated at the eleven o'clock service tomorrow morning.

Confirmation Classes
In anticipation of the annual visit of the Bishop to administer the rite of confirmation, four classes have been formed as follows:

Thursday afternoons, at the Montgomery School, for boys.

Wednesday evenings, in the Parish House, for adults.

Sunday mornings, at 10:15, in the Parish House for girls and boys.

The fourth class will be held at a time to meet the convenience of all those who cannot attend any of the above. It will be held in the afternoon at probably 5 or 5:30 as may be decided upon.

These classes are open to all who care to attend. It is not a question as to whether or not you have been confirmed. They are for instruction, and we will gladly welcome all who care to study the history of the Church and become more conversant with its doctrines.

The Women's Auxiliary will meet as usual on Thursday morning.

THE PRESBYTERIAN CHURCH

Rev. John Van Ness, Minister.

Meetings for April 23:

9:45 A. M.—Sunday School.

7:00 P. M.—Intermediate C. E. and Senior C. E. Sections A and B will meet.

7:45 P. M.—Evening Worship, Sermon on "Peter and the Resurrection."

Church Notes
The annual Congregational Meeting will be held next Wednesday evening at which time financial reports from every department of the church will be presented. There will also be an election of Trustees.

Easter Day in this Church will linger long in the memory of all those who participated in the beautiful and helpful services. The ministry of song by the well trained voices was especially appreciated. The attendance was most encouraging at all the meetings and at the morning worship all previous records for Easter were broken, 388 being present.

PLANS FOR WYNEWOOD SHOW

My Lady Nicotine will be personified, so to speak, by eight young matrons and girls at the Dog, Pony and Baby Show to be given at the Wynewood Estate of Mr. and Mrs. William J. Clothier on May 17 for the Welfare Federation. In plainer words the eight young women will sell cigarettes.

At the head will be Miss Liza Norris, who will be assisted by Mrs. Perifer Frazer, 3rd, Mrs. C. A. Heckscher Wetherill, Miss Alva Sergeant, Miss Susie Stewart, Mrs. John Whelan, Jr., Miss Maizie Stewart, Miss Mary Glenning.

The eight young women are considering the adoption of Spanish costumes, and are engaged in thinking up snappy replies to any purchaser who inquires if the sales-lady can identify personally the excellence of the wares.

The Cigarette Committee will be headed and abetted at the Show by a candy-selling Committee headed by Mrs. Robert McLean, which includes Mrs. Fitz Eugen Newbold, Mrs. Russell Thayer, Mrs. Wm. West Frazier, Mrs. R. Elison Thompson, Mrs. Emile Gayelin, Mrs. Joseph Thayer, Mrs. J. Hamilton Johnston, Mrs. Theodore Paul, Mrs. Leonard Nalle.

Still another committee, which will have an important role is that arranged by the cafeteria, Mrs. Edward Browning is chairman of that board, and her assistants are Mrs. Lincoln Godfrey, Mrs. G. Harrison Frazier, Jr., Miss Emily Philler, Mrs. Edmund Thayer, Mrs. L. Casper Wister, Mrs. A. C. Yarnall.

BALL CLUB ELECTS

Robert J. Nash, President, and Wilmer G. Crowell, Manager

Meetings are strange things. The one called for last Monday evening seemed to have an exceptionally popular appeal as many faces were seen that do not usually answer the call for interest in Narberth and its future in particular.

The fifty or more enthusiasts overflowed Mr. Nash's office so that it was necessary to adjourn to Elm Hall and proceed with the business of organizing a base ball club and to consider plans for a permanent athletic organization for Narberth.

It was the opinion of the meeting that every one present should contribute generously to financing the base ball club and to urge their friends to do likewise in order that there should be ample funds for the season and a substantial balance for emergencies.

Officers elected for the 1922 season follow:

- Robert J. Nash, President. A. C. Shand, Jr., Vice President. William S. Howard, Treasurer. Raymond C. Jones, Secretary.

The question of playing in the Main Line League only or playing league and twilight ball was put to a vote and the decision was to play both providing suitable arrangements could be made for the twilight games without interfering with the league games.

The matter of a playing field was referred to a committee to try to make arrangements for a convenient diamond and to report to the manager.

Secretary Jones offered to act as a committee of one to arrange for an entertainment to help swell the treasury.

When it came time to elect the manager, there was quite a lot of consideration given to the subject, but in back of it all was a spirit of getting the best material Narberth had to offer that this and future base ball seasons might add to our glory.

Wilmer G. Crowell was finally elected unanimously to the satisfaction of all present. Full co-operation and support was pledged and the meeting adjourned with a feeling that a good job had been well done.

The sports page of the Public Ledger Tuesday morning headlined the following:

BILL CROWELL WILL BECOME MANAGER

Narberth Baseball Fans Want Football Coach to Lead Them

Bill Crowell, the well known collegiate football official who kicked himself into gridiron fame while eating at the training table at Swarthmore College, will manage the Narberth baseball team, according to the latest word received from The Main Line Sports Center.

There are few sports on which Crowell is not well versed. Aside from settling discussions as to football players he handles a deadly cue around a billiard table. Only recently he was an official in a lacrosse match, which qualifies him for the "who is" in all sports.

When athletic director at Lafayette, Crowell handled the baseball and basketball material aside from the duties as football instructor. He made an infielder out of Scott and a catcher out of Boide Weldon.

AN INSPIRING SERVICE

The Crucifixion Beautifully Rendered In All Saints Church by Senior Choir

A most reverential service long to be remembered by all who attended was held in All Saints Church on Good Friday evening, when the "Crucifixion," by Sr. John Stainer, was rendered by the senior choir. It was the desire of both the director and singers that this work be done not as an oratorical or sacred concert, but rather as a most thoughtful and solemn meditation on the sacred passion of the Holy Redeemer, and with this in mind, the soloists were considered with the utmost care, and were only decided upon after being convinced that each man selected, excelled in the particular part to which he was assigned.

Mr. Henry Gurney, Tenor soloist of Calvary M. E. Church, West Philadelphia, has many admirers in Narberth who know that the "Crucifixion" is one of his master pieces, and it is needless to say that he simply thrilled his listeners from the time he carried them into the Garden of Gethsemane, in his opening solo, until he sobbed, "And He bowed His head and gave up the Ghost," and the service was ended.

Mr. Gurney said after the service that he realized as soon as the choir began its first chorus that it was prepared to give a most finished production, and it spurred him on to give the very best that was in him.

Mr. John W. Norris, Bass Soloist, St. Peter's P. E. Church, followed with the second solo, "The Agony," and rarely, if ever, has such artistic work been done in any Church in this vicinity. He made the question "Could ye not watch with me one brief hour?" so searching and so personal that none in the hearing will soon forget it.

It is not often that an organist is accorded any credit for the success of a production. If he plays poorly, he is usually reminded of it as soon as the benediction is pronounced. If he plays well it is taken as a matter of course.

Mr. H. H. Banks, Jr., organist and director of music at Girard College, presided at the organ. Mr. Banks possesses a most beautifully sympathetic organ touch and as he followed every breath of the singers and responded to every slightest movement of the baton, he undoubtedly proved himself to be an artist of which Narberth may justly be proud, and too much credit cannot be given him for the thoroughly capable and artistic manner in which he accompanied both the soloists and chorus.

Every effort was made by both director and choir to render the appeal of the Crucifixion.

"Behold me and see, pierced through and through With countless sorrows, and all is for you."

For you I suffer, for you I die, Is it nothing to you, all ye that pass by?"

in such a manner that it would sink deeply into the hearts of all present, and if that mission was accomplished, then all who assisted in any manner feel amply repaid for the time and hard work devoted to its preparation.

All Saints choir is entirely volunteer; twenty men and women are giving their time and services to it, because they love the little church up at Montgomery and Wynnewood Avenues, and also because they recognize in the director, Mr. David Spratt, a man who has a most intimate knowledge of the very best Church music, and a leader whose interpretation of the finest compositions is so artistic and so original, that it is a joy to work with him.

His ability to direct a choir must be conceded by all who attended the service on Friday evening.

They ought to furnish wet sponges at ball games, so you could sock the pest in the neck, who stands up every time the pitcher throws a ball.

ATLAS

PORTLAND CEMENT

FROM many points of view, construction in the country is more important than city construction. Property is apt to be under the same ownership for a lifetime instead of a few years. Fire protection is not efficient at long distances. These and other angles argue for building well and permanently.

Your local dealer can help in your building plans. He has, or will get for you, accurate information on any work you have in mind. You can afford to rely on his experience and judgment.

Most permanent construction today is of concrete. For twenty-five years concrete has been tested on all types of building and has made good. For twenty-five years Atlas Portland Cement has been known as "the Standard by which all other makes are measured."
