SKETCH OF A PROSPECTUS
For a Weekly Periodical, to be published in the City of New-Orleans.

IT is proposed that a paper, consecrated to the Arts and Sciences, Literature and Religion, shall be published in our city. This paper will be called

THE LOUISIANA RECORDER.

In order to insure its success, and afford the public a sufficient guarantee for the character and stability of the paper, an association of gentlemen has been formed, under whose auspices it will be commenced, and by whom it will be conducted, through the agency of a Committee of Supervision, chosen from among themselves.

This association is principally composed of professional gentlemen, many of whom are CREOLES, and all of whom have been, for several years, *residents* of New Orleans. They deeply feel the importance of a new periodical, for the more extensive diffusion of that knowledge adapted to the general and independent spirit which characterizes the inhabitants of Louisiana, and to liberal views of the condition and prospects of our city, together with the interesting region connected with this great emporium of the South and West. The members of this association pledge themselves to exert their influence in procuring the aid of the talented throughout the United States to furnish matter for the columns of the RECORDER, without regard to party feelings, individual jealousies, or sectional prejudice.

It is intended that this paper shall contain the finest quantity of original and selected matter found in the best periodicals of a similar description.

The price to city subscribers is fixed at $5 per annum, payable in advance. To persons at a distance it will be sent, on the receipt of $6. The first number will be issued on the 1st of January, 1835, or sooner, if the subscription shall warrant the publishers in the attempt; and all the proceeds, over and above the actual expense incurred, shall be for the exclusive benefit of the *Male Orphan Asylum of New Orleans.*

It is expected that the postage will be paid on all communications addressed to the publishers.

☞ Subscriptions will be received at Hot. Bills and McKean's Book Store. nov 8

LEGE'S ASSEMBLY ROOM,
Corner of Camp and Poydras streets, near the American Theatre.

THE subscriber respectfully informs the public, that he has taken the upper story of that location, to which is annexed a spacious and splendid ball room, supper room, ladies' and gentlemen's dressing rooms, a convenient place for the deposit of hats, cloaks, &c., and also a superb restaurant and bar room.

His purpose in mentioning this, is, that it may be known to the public, that he is about to engage a select orchestra and devote at least one night in the week to public balls.

Gentlemen desirous of forming private dancing societies, are requested to call upon the subscriber at the above said room, where all necessary arrangements can be made.

His prices will be as moderate as in any other similar institution in the city, and he hopes by his indefatigable exertions to please, that he will merit and receive a share of public patronage.

His school for the instruction of young ladies and gentlemen, in this graceful and elegant accomplishment, will be held at the same place. In addition to the dances of this city, will be taught the Galopade, Mazourka, and all the fashionable Parisian and Italian figures.

It would be needless for the subscriber to expatiate on the immense advantage to be derived by youth, from this charming and beautiful acquirement, to those who entertain a knowledge of the Terpsichorean art, it imparts ease, freedom, health, agility, and grace to the humane frame, and is capable of reclaiming the most awkward and graceless action, to the refined and polished air of both [illegible]

Notice will be given of the first public assembly.

Letters of invitation to ladies will be sent in due time, and no others but those invited by the subscriber will be admitted.

Gentlemen desirous of procuring letters of invitation for ladies, will please call on the subscriber.
