reply to the letter of Mr Whitney, inserted in the Bos of the property sequence that the lorgin news received was

of Ireland. This may effectually surcease the lyrics of 'The harp that once thro' Tara's halls, &c.'

The Mexicans appear resolved to keep the Texians with their hands full. Not only have large bodies of troops been

the elective suffrage extended so as to embrace within its provided as many persons now disqualified, the internal and other improvements of Louisiana would be materially provided as many members of the legislature are now but representatives of individual or local, not of general or public.

The fin article of the message relating to the operations of the draining company, was on motion of Mr Pichot, results and outcome the mental provided to obtain a personal offence was again partially restored, he was understood to design in explanation. When stience was again partially restored, he was understood to design in explanation. When stience was again partially restored, he was understood to design in explanation. When stience was again partially restored, he was understood to design in explanation. When stience was again partially restored, he was understood to design in explanation. When stience was again partially restored, he was understood to define a personal offence to any member of the chamber of deputies.

The fin article of the message relating to the operations.

The fin article of the message relating to the operations.

The fin article of the draining company, was on motion of Mr Pichot, resulting the meaning of the draining company.

come to all the parties lingent. Judges are not sufficiently paid to warrant good and efficient lawyers acking a seat on the bench: so that many incapables are consequently appointed judges; and the best attorneys are compelled to conclude with Mr John R. Grymes, that the most enlightent that the property

ontract made with Mr Blanc—se was observed by the gentleman in proposing to the city, to purchase the habitation to rights and privileges of all classes of crizens, without designing to injure or offend any person, party or society—and that by an energetic desire to promote union of senties ment and harmony of feeling among all the inhabitants of N to oppose your views, nor those of art Blanc; but solely to inform you that conformably to the tenor of that congood opinion of all.

We have received from Richard Relf Eq., a trumphant rolly to the letter of Mr. Whitney, inserted in the Beautiful the property acquired by the city from Mr Blanc.—

reply to the letter of Mr. Whitney, inserted in the Boe of Friday last; and regret that the foreign nows received yesterday, compete us to postpone its publication till its morrow. The public and private character of Mr. Relf is too well known to his fellow citizens, to be affected by any sinister publication; yet his determination to be above even suspicion in highly honorable to him.

We have also received a letter from a colonist of Texas, relative to the affairs and prospects for time to seem the company in eradicating doubt in the will chaevily publish tomorrow.

By the last eastern mail we received New York journals to the 21st ult, and Charlesion to the 25th. The loreign nows from Spain, France and England possessing interest for many of our citizens, is extracted in full.

In will be seen that Catalonis in Spain has declared itself a republic; and that other provinces have followed its example. The forces of the queen remain inactive under Cordon, and the property so object to success the motives eating the success of the supposed to be discussed to the success of the supposed to be discussed to the success of the company in eradicating doubt in the minds of those who are suits experiment besides being useful for example, in the express womp in the rear of the success of the experiment besides being useful for example, in the express womp in the rear of the commans, was brought into the Commanns, was to add that time the Commanns in the commanns of the commanns in the commann to Standard Chairson to the 25th. The jurrign nawe from Span, France and England possessing universel for Span, France and England possessing univ

disposal.

I have the honor to be, etc.

O PRIEUR, Mayor.

On the 1st part of the letter, Mr Schmidt having explainted the finance committee had mide a report on the subject, moved that said part be postponed till that report shall be considered. Adopted.

On the 2d part, Mr Pichot moved to proceed to the election of the candidate; and that a committee be appointed.

FRANCE.

on the 6th part, Mr Baidwin moved to persist. Adopted deputies.

The state of our judiciary system evidently requires revision to render beneficial the administration of justice. There are now only three judges of the supreme court; and in consequence of the indisposition or absence of the indisposition or absence of the indisposition or absence of two of these judges as during the prefer tests and the greatest injury is thereby come to all the parties hitgent. Judges are not eufficiently

EUROPE.

Since our last publication we have received our files of London papers to the 24d of August, and Liverpool to the 24th, brought by the packet ship Napoleofs, Capt. Smith, which versel sailed on the 24th. It will be seen that the intelligence from England. France and Spain as of high interest. particularly from the former.

The Mexicans animeral resolved to keep the Textina with but shands fall. N tonio have large bodies of troups been statut that state; but Mexican agents have excited the exhibiting indicate at a statut that state; but Mexican and other gratterian have been obliged to write to Washington to entrait the interference of the national gavernment.

American to the exact the make several time.

American to the exact the make several time.

American to the exact the make several time have been obliged to write to Washington to entrait the interference of the national gavernment.

American to the require the condition of our revolucing ancients, when the Indians were excited against them; shall we suffer our colonial friends to be massimely discussed in the colonial which they have honorably purchased and indicates and they Mexican, and has long been fine migher of discussion and desire, so that some parts of the condition of the excite suffrage; of the pudiciary system, and of the period of buding the general elections throughout the exic.

The elective suffrage is considered too restrictive in the provisions, and as d-qualifying many intelligent and useful members of successy from excretion, and otherwise that the composition is not a citizen of the United States; but whether the public good is it as rely and the wind the excites and the public good is it as rely and the wind the excites a suffigure and with the whether the public good is it as rely and the wind the excites a suffigure and with the whether the public good is it as rely and the wind the excited and the public good is it as rely and the sufficient of the excited and the public good is it as rely and the sufficient of the excited and the public good is it as rely and the sufficient of the public good is it as rely and the sufficient of the public good is it as rely and the sufficient of the public good is it as rely and the sufficient of the public good is it as rely and the sufficient of the public good is it as rely and the public good is it as rely and
