extensive distribution of the In-
fluenza Tablets which have been
made available to every citizen of
Calcutta, and which have proved
almost specific for the disease.

Meyores.

Impaired vitality, Brainfag, Loss of Memory and Appetite, Weakness and Emaciation have, most unfortunately for the country become very common complaints among young men still in their teens. These are due to youthful folly or indiscretion, excess or abuse.

The serious injury done to the nerve and ducts in early life, leaves a weakness that leads to a steady drain of vital fluid that gradually but none the less surely undermines the constitution and thus slowly brings about an **UNTIMELY DEATH.**

Our world-renowned specific, named "MEYORES" will remove these symptoms root and branch. A few doses will check the progress of the disease and improvement will follow shortly. Every unfortunate sufferer is requested to try our MEYORES—no matter how many other medicines he has tried and how dark and discouraging his case may seem.

MEYORES and other preparations have been tried and recommended by Dr. U. Benerjee, L. R. C. P. and M. R. C. S.; Dr. S. A. Hossain, M. D. G. S. L. C., (Lond), Dr. S. Costa, L. R. C. P., L. R. C. S., (Edin); Dr. G. Anderson, M. D.; Dr. R. G. Kar, L. R. C. B., and many others all known to fame.

"Non Mercurial Pills."

Business address—K. D. Sircar & Son

Mission Road, Lucknow.

I RECEIVED its recipe from a Muhammedan faquir in the Nepal Jungle towards the end of the Indian Mutiny. It is free from all sorts of Mercury. It has hitherto been distributed gratis, but its increasing demand, consequent on the spread of its reputation for wonderful curative powers, and in consideration of delicacy, &c. prevent further gratuitous distribution. During the past 26 years, thousands of most inveterate and hopeless cases have been thoroughly cured within a very short time by its use. Infants and children suffering from hereditary disease, as well as women during gestation are not excepted: the latter cured by external application only. It is equally efficacious in all the forms of the disease. In fact no other non-mercurial medicine with such infallible curative powers has yet been discovered for this disease. To corroborate the above statements letters from some of the ablest Assistant Surgeons and other competent parties are printed with directions for use, and are to be found with the medicine. These are also forwarded Post Free on application.
