Brother S. B. Ellis died May 21, 1907, age 85 years.

Whereas, it has pleased our Heavenly Father to remove from our midst our beloved brother by the hand of death, and whereas, we feel that our union church and community has lost one of its best members and citizens, therefore be it resolved,

First, That we bow in humble submission to the will of Him who doeth all things well, knowing that His will is for our good.

Second, The church and union have lost a valuable member, the community one of its best citizens and the family a devoted husband and father.

Third, That we extend to the loved ones our sincere sympathy in this hour of their bereavement and pray God's grace and blessings upon them.
