## Wikimedia apps newsletter-June 2023

One comment • 2 months ago

### MediaWiki message delivery

Introducing the Second Issue of the Wikipedia Mobile Apps Newsletter!

Discover the latest updates, features, and improvements in our newsletter. Stay informed and enhance your mobile Wikipedia experience. Enjoy the read!

### iOS

From April. to June 2023:

Significant progress was made on the iOS platform. Version 7.2.2 was released on May 10, and version 7.3.0 was released on June 1.

These updates included various improvements, such as simplified state restoration, which improved many of the performance issues we heard about through our support email and app store. We also worked to release a page protection notice on the editor, enhanced reliability of widget data fetching, color updates, and bug fixes. Additionally, we continue to make progress on a native watchlist functionality, Talk page image support, full page editing and enhancements to our native source editor, and language updates.

### Android

From April. to June 2023:

We focused on completing our work on our updated design component library, bringing it up to date with the latest Material Design 3 guidelines. You can now view images on talk pages.

We have successfully concluded the experiment on machine-assisted article descriptions and would like to highlight our gratitude to our dedicated volunteers. We are excited to announce that we will be sharing the outcomes of the experiment next month.

### Community meetings

- In May, our team member Marina Azevedo participated in the Wikimedia Hackathon, a yearly event held this year in Athens, Greece, aimed at fostering connections among the global technical community. The event provided opportunities for hacking, engaging in

The screenshot shows the iOS mobile app interface for the 'Jailer (film)' article talk page. At the top, the status bar shows the time as 12:19 and battery at 60%. The page title is 'Talk: Jailer (film)'. Below the title, it says 'ARTICLE TALK' and 'Jailer (film)' with a small image of the movie poster. The text below the title reads '2023 Indian film directed by Nelson'. A yellow banner states 'This article is of interest to the following WikiProjects:...' with a 'Read more' link. Below this, there are two 'Subscribe' buttons. The first one is for a 'Request to add below plot summary' made on 08/10/2023 at 5:48 PM, with 1 user and 1 comment. The second one is for a user named 'Ramya Krishnan' who made a request on 08/11/2022 at 3:43 PM, with 2 users and 2 comments.
