Ахмедия Джеббраилов в 1940-х годах

В этой статье упоминается Фонд Викимедиа, какой-либо из его проектов [Викиновости](#) — один из проектов Фонда

25 октября 2015 года Русская Википедия удалила статью о «героизированном в СССР и Азербайджане солдате» Ахмедии Джеббраилове. Подводящий итог четырёхмесячного масштабного обсуждения [Википедии ShinePhantom](#) сформулировал решение следующим образом:

В ситуации, когда есть огромное множество источников, в условиях считавшихся бы [АИ](#)^[1], противоречат друг другу, не соответствующим первичным документам, поддающимся проверке, не соответствующим историческим фактам и просто здравому смыслу, а также не соответствующим требованиям [ВП:ПРОВ](#)^[2] невосполнимая и неустранимая. У нас нет ни единого факта, в данном случае не было бы быть уверенным.

Тем самым была поставлена точка в грандиозном раскладе, в котором которому привлекались архивы, специализированные организации в [Франции](#). Обсуждение вылилось в баталии между опытным участником и новичком.
