Subject: Application for Removal of Reparations Machines from BOD Area to Harima Site

1. It was already instructed by your Headquarters to consolidate idle reparations machines from the BOD area, Kure into the main site of Harima Dock, Kure. But the removal was pending for a long time, because the fund was not allotted. Now we are in the position to remove them.

2. It is requested herewith that approval be confirmed by your Headquarters and contact be made with BOD concerning the removal.

3. Out of 244 machines located in the area we are going to remove only those of which use is not authorized by GHQ.

4. The proposed storage of machines is indicated in the attached map.
