DIRECTORY BORROWERS

(From Montreal Directory.)

Many are the complaints of those who regularly patronize the Directory that they are bored so much by borrowers; not the stranger or private citizen who steps into the office, looks at the Directory, and goes out, but business men who continually need it for reference, yet are too close-fisted to buy one. These are the individuals who carry off your Directory "just for a few minutes," which generally means A FEW DAYS unless you send for it before; then you have scarcely housed it before some one else presents the request "Please lend me your Directory for a few minutes?" Perhaps you won't see it again for a week; yet this same borrower will tell our solicitor that he has no use for a Directory, he "knows everybody" and "everybody knows him."

---

## A HOME PAPER IN A COMMUNITY OF HOMES

---

The Transcript has admirable resources for covering all of the daily events, both of greater or less importance, in its territory. No other newspaper in this field gives such early or complete reports of all happenings bearing upon the life of this community.

The Transcript receives the reports of the Associated Press, the most perfect news-gathering service in the world, and also has special representatives in many cities.

Stories of local interest are illustrated with photographs reproduced by the Transcript's photo-engraving department.

### Advertising Department

The Transcript prints 6,000 copies daily.

In North Adams the Transcript sells more papers than do all its North Adams, Springfield, New York and Boston contemporaries combined.

The out-of-town circulation averages daily over 2,500 copies, Adams and Williamstown taking most of them. This fact is of vital interest to every live North Adams merchant.

The readers of the Transcript embrace all classes. The paper is read from front page to last.

Circulation books are open to inspection at all times.

## To Find a Name

*You must know how to spell it. It is not uncommon for members of the same family to spell their name differently, preserving the pronunciation. A few instances as follows: Brown, Browne; Cain, Kain, Kane; Cavanaugh, Cavanough, Kavanough; Chase, Chace; Cohen, Cohn, Kohn; Kelley, Kelly; Kenney, Kenny, Kinney; Miller, Mueller, Miehler; Paine, Payne; Read, Reed, Reid; Rider; Ryder; Hines, Hynes; and especially the French names.*

*Directories are arranged and printed in exact alphabetical order. If the examiner knows the way the name is spelled and follows out the order of the alphabet, he will save time and vexation of spirit.*

We wish to thank the enterprising business and professional men whose names appear in Black Type in this Book, for the hearty support given us, and hope that others in the future will support a legitimate medium, which not only offers the best advertisement of their business, but also advertises our city.

The patrons of the City Directory can rest assured that it is our purpose to keep the Directory up to its present high standard, and new features will be added from time to time, as they present themselves.

Respectfully,

JAMES T. LARKIN,

### Training Schools

Mark Hopkins School, North Adams

Broad Brook School, Williamstown

Briggsville School, Clarksburg

Candidates for admission to any of the Normal Schools must have attained the age of sixteen years and must be free from disease or infirmity which would unfit them for the office of teacher. Their fitness for admission will be determined:—1, by their standing in a physical examination; 2 by their moral character; 3, by their high school record; 4, by certificate or by a written examination; 5, by an oral examination.

Candidates will be received upon certificate if they have attained a standing of at least 80 per cent in the following subjects: English, Latin or French; Algebra, Plane Geometry; United States History and Civil Government; Physiology, Physics or Chemistry; Physical Geography or Botany; Drawing, Music. Reasonable allowance in equivalents will be made in case a candidate, for satisfactory reasons, has not taken a study named for examination. Successful

experience in teaching is allowed to be taken into account in the determinations of equivalents in the entrance examinations.

**Times of Examination.**—Entrance examinations for candidates will be held September 7 and 8, 1909, June 23 and 24, 1910.

**General Two Years' Course.**—This course is designed primarily for those who aim to teach in public schools below the high school grade.

**Three Years' Course.**—This course includes the subjects of the two years' course and additional elective studies from the mathematics, science, language, art and psychology. This course will fit graduates for highest grammar grades and departmental teaching.

**Kindergarten Primary Course.**—This course extends through a minimum of two years and includes such studies of the two years' course as immediately pertain to kindergarten work, instruction in the history and theory of kindergartens, and practice in teaching.

**Special Course for Teachers.**—Teachers of several years of successful experience in teaching, who give evidence of maturity, good scholarship, and of aptness to teach, may with the consent of the principal and of the board of visitors select a course, including the course in psychology and pedagogy, and when such course is successfully completed they shall receive certificates for the same.

**School and Home Gardening: Nature Study.**—This course is arranged to prepare departmental teachers of school and home gardening and nature study in grades preceding the high school.

The length of time required to complete this course depends on the scholarship and previous teaching experience of the candidate. A graduate of a first-class high school who has had no experience in teaching will require three years to do the work; a graduate of a normal school (Massachusetts) will require one year, if without experience in teaching. The time required by college graduates and by teachers of recognized ability will be determined by individual considerations.

**Agriculture and Horticulture: Nature Study.**—This course is arranged to prepare departmental instructors for all grades in public schools (including the high), and supervisors of the work in districts, towns or cities.

Four years will be required ordinarily to complete the course. Graduates of normal schools will require two years of additional

work, much of which will be done at the college. For college students this course will be a constituent part of their educational course, and most of the pedagogical work will be done at the normal school. Graduates of colleges and teachers of recognized ability may take elective courses, the time required being determined by their respective qualifications.

In addition to these courses, special opportunities are offered for professional preparation for departmental teaching, in elementary grades, of—

Manual Training—Carpentry, cabinet work; bent iron, brass and copper work; paper and cardboard work; textile weaving, basketry; printing.

Domestic Arts—Cooking; sanitation; sewing; laundering; emergency aid and home nursing.

These courses are open to high school graduates, normal school graduates, college graduates, teachers of recognized ability, and others who possess the requisite qualifications. The length of time required to complete a course will depend on the technical skill, scholarship and previous teaching experience of the candidate.

Drawing, English, science, mathematics and pedagogy will be included in some measure in each industrial course.

Vacation Courses.—Teachers desirous of spending their vacations at the school are cordially invited to come at any time. Observation work, study of elected subjects, participation in regular and special courses, and preparation of teaching material are offered in all departments of the normal and training schools.

Tuition.—Tuition is free to all residents of Massachusetts. For others the tuition is fifty dollars a year. Text books and supplies are free as in the public schools. State aid to a limited extent may be granted to deserving persons, citizens of Massachusetts, after they have been in attendance for at least one term, provided they do not live in towns where normal schools are situated.

The Dormitory.—The dormitory provides accommodations for sixty students. Two students occupy one room. The rooms are furnished with the exception of bedding and towels. The price of board is \$160 for the school year, payable in advance, in four payments, one every ten weeks, beginning with the opening of school in September.

We wish to thank the enterprising business and professional men whose names appear in Black Type in this Book, for the hearty support given us, and hope that others in the future will support a legitimate medium, which not only offers the best advertisement of their business, but also advertises our city.

The patrons of the City Directory can rest assured that it is our purpose to keep the Directory up to its present high standard, and new features will be added from time to time, as they present themselves.

Section 2. The administration of all the fiscal, prudential and municipal affairs of said city, with the government thereof, shall, except the affairs of public schools, be vested in an executive department, which shall consist of one officer, to be called the mayor, and in a legislative department which shall consist of a single body, to be called the city council, the members whereof shall be called councilmen. The executive department shall never exercise any legislative power, except as herein otherwise provided

Section 3. The territory of said city shall first be divided into seven wards, as hereinafter provided, but said number, upon any subsequent division of said city into new wards, may be increased

## TITLE 2. ELECTIONS AND MEETINGS.

Section 4. The municipal election shall take place annually on the third Tuesday of December, and the municipal year shall begin on the first Monday of January following. All meetings of the citizens for municipal purposes shall be called by warrants issued by order of the city council, which shall be in such form and be served and returned in such manner and at such times, as the city council may by ordinance direct.

Section 5. At such municipal election the qualified voters shall give in their votes by ballot in the several wards for mayor and councilmen, and for the members of the board of assessors, board of trustees of the public library, and of the school committee then to be elected, and the person receiving the highest number of votes for any office shall be deemed and declared to be elected to such office; and whenever two or more persons are to be elected to the same office the several persons, up to the number required to be chosen, receiving the highest number of votes shall be deemed and declared to be elected. No sum appropriated for a specific purpose shall be expended for any other purpose, and no expenditure shall be made, nor liability incurred, by or in behalf of the city, until an appropriation has been duly voted by the city council sufficient to meet such expenditure or liability, together with all prior unpaid liabilities which are payable out of such appropriation, except in accordance with the written recommendation of the mayor to the city council, approved by the yea and nay vote of two-thirds of the council; provided, however, that, after the expiration of the financial year and until the passage of the annual appropriation, liabilities payable out of a regular appropriation to be contained therein may be incurred to an amount not exceeding one-third of the total of such appropriation for the preceding year. Every bill, pay roll or other voucher covering an expenditure of money shall be approved by the signatures, on the back of such bill or voucher, of the majority of the board or committee having control of, or incurring such expenditure, and after such approval such bills, pay rolls or vouchers shall be turned over to the auditor. The financial year shall begin with the first day of December in each year.

Section 53. Nothing herein contained shall affect the enforcement of the provisions of chapter three hundred and twenty of the acts of the year eighteen hundred and eighty-four, being "An act to improve the civil service of the Commonwealth and the cities thereof," and acts in amendment thereof and in addition thereto, or of the rules made by the commissioners appointed thereunder; and the city council shall make sufficient and proper appropriations for the carrying out and enforcement of said act and such rules in said city.

Section 54. Every proposal for doing such work or making such sale shall be accompanied by a suitable bond, or certificate of deposit, for the faithful performance of such proposal, and all such proposals shall be kept by the officer or board inviting the same, and shall be open to public inspection after said proposals have been accepted or rejected.

Section 55. Section 57. The board of public works shall fix and establish the prices of rents for the use of water, which shall not be made less in any instance than the prices and rents now established by the prudential committee of the North Adams Fire District, until the bonded indebtedness now or hereafter created by said district or city for the purpose of supplying the inhabitants of said district or city with pure water shall have been paid; and the income received therefrom, in each year, after deducting all expenses and charges of distribution of such year, shall be applied as follows: First, to the payment of the interest on the debts and loans now or hereafter incurred by the said city and by the North Adams Fire District for the purpose of supplying said city and said district and the inhabitants thereof with water, and of such part of the principal sum thereof as shall become due in such year; second, after paying such interest and principal sums the residue of such income shall be used to supply the city and inhabitants thereof with pure water in the discretion of said board and any balance of such residue not so used shall be paid into the treasury of the city for general city purposes. As long as there shall be any debts of the city that shall have been incurred in supplying said district or said city or the inhabitants of either with water there shall be raised each year by taxation a sum which, together with the said income, shall be sufficient to pay the interest on all such debts and such part of the principal sum as shall become due in such year.

Section 58. Upon an acceptance of this act, as herein provided, the selectmen of said town shall forthwith divide the territory thereof into seven wards, so that the wards shall contain as nearly as may be consistent with well defined limits to each, an equal number of voters, and they shall designate the wards by numbers. They shall, for the purpose of the first municipal election to be held thereunder, which shall take place on the third Tuesday of December next succeeding such acceptance, provide suitable polling places in the several wards, and give notice thereof, and shall at least ten days previous to such third Tuesday in December appoint all proper election officers therefor, and they shall in general have the powers and perform the duties of the mayor and board of aldermen of cities, under chapter four hundred and seventeen of the acts of the year eighteen hundred and ninety-three and acts in amendment thereof and in addition thereto, the provisions of which shall so far as applicable apply to said election; and the town clerk shall perform the duties therein assigned to city clerks. The registrars shall cause to be prepared and published according to law lists of qualified voters in each of the wards established by the selectmen.

Section 59. All laws relating to the town of North Adams when this act shall be accepted as herein provided, shall, until altered, amended or repealed, continue in force in the city of North Adams, so far as the same are not inconsistent herewith.

Section 60. All special laws heretofore passed concerning the fire district in the town of North Adams, which shall be in force in said fire district when this act shall be accepted, as herein provided, shall, so far as the same are not inconsistent herewith, be extended to and continue in force in the city of North Adams until altered, amended or repealed.

Section 62. The passage of this act shall not affect any right accruing or accrued, or any suit, prosecution or other legal proceeding pending at the time when this act shall go into operation, and no penalty for forfeiture previously incurred shall be affected thereby. All persons holding office in said town or in the fire district in said town at the time this act shall take effect shall con-

Nothing herein shall affect the annual meeting in said town for the election of national, state, district and county officers, which may be held next after the acceptance thereof.

Section 64. The question of the acceptance of this act may be submitted to the legal voters of said town at any time within two years after the passage thereof at an annual meeting or any meeting called for that purpose, except in the months of November and December. At such meeting the polls shall be open not less than eight hours, and the vote shall be taken by ballot in accordance with the provisions of chapter four hundred and seventeen of the acts of the year eighteen hundred and ninety-three and acts in amendment thereof and in addition thereto, so far as the same shall be applicable, in answer to the question: "Shall an act passed by the general court in the year eighteen hundred and ninety-five, entitled 'an act to incorporate the city of North Adams,' be accepted?" and the affirmative votes of a majority of the voters present and voting thereon shall be required for its acceptance. If at any meeting so held this act shall fail to be thus accepted, it may, at the expiration of three months from any such previous meeting, be again thus submitted, but not after the period of two years from the passage thereof.

Section 65. So much of this act as authorizes submission of the question of its acceptance to the legal voters of said town shall take effect upon its passage, but it shall not take further effect unless accepted by the legal voters of said town as herein provided. [Approved March 22, 1895.]
