Dear Sir / Madam,

**RE: Letter of support from the Chairperson of Silicon Cape**

On behalf of Silicon Cape, I am would like to endorse the bid to host International Wikimania Conference 2015, in Cape Town, South Africa.

Silicon Cape, founded in 2009, is a non-profit, community based, entrepreneurial network and ecosystem with over 7000 members to date. The role of Silicon Cape is to build a vibrant and lucrative tech sector, through attracting investment, business and awareness; developing skills and capabilities; and creating a conducive and attractive economic environment for commerce.

Through the support of initiatives like the International Wikimania Conference 2015, Silicon Cape aims to enable the formation of relationships, networks and synergies between individuals and organisations, which will strengthen and develop our local entrepreneurial ecosystem.

Yours sincerely,
