NOTE BY THE SECRETARIAT

Under Article 102 of the Charter of the United Nations every treaty and every international agreement entered into by any Member of the United Nations after the coming into force of the Charter shall, as soon as possible, be registered with the Secretariat and published by it. Furthermore, no party to a treaty or international agreement subject to registration which has not been registered may invoke that treaty or agreement before any organ of the United Nations. The General Assembly by resolution 97 (I) established regulations to give effect to Article 102 of the Charter (see text of the regulations, Vol. 76, p. XVIII).

The terms "treaty" and "international agreement" have not been defined either in the Charter or in the regulations, and the Secretariat follows the principle that it acts in accordance with the position of the Member State submitting an instrument for registration that so far as that party is concerned the instrument is a treaty or an international agreement within the meaning of Article 102. Registration of an instrument submitted by a Member State, therefore, does not imply a judgement by the Secretariat on the nature of the instrument, the status of a party or any similar question. It is the understanding of the Secretariat that its action does not confer on the instrument the status of a treaty or an international agreement if it does not already have that status and does not confer on a party a status which it would not otherwise have.

Unless otherwise indicated, the translations of the original texts of treaties, etc., published in this series have been made by the Secretariat of the United Nations.

NOTE DU SÉCRÉTARIAT

Aux termes de l'Article 102 de la Charte des Nations Unies, tout traité ou accord international conclu par un Membre des Nations Unies après l'entrée en vigueur de la Charte sera, le plus tôt possible, enregistré au Secrétariat et publié par lui. De plus, aucune partie à un traité ou accord international qui aurait dû être enregistré mais ne l'a pas été ne pourra invoquer ledit traité ou accord devant un organe des Nations Unies. Par sa résolution 97 (I), l'Assemblée générale a adopté un règlement destiné à mettre en application l'Article 102 de la Charte (voir texte du règlement, vol. 76, p. XIX).

Le terme "traité" et l'expressior "accord international" n'ont été définis ni dans la Charte ni dans le règlement et le Secrétariat a pris comme principe de s'en tenir à la position adoptée à cet égard par l'Etat Membre qui a présenté l'instrument à l'enregistrement, à savoir que pour autant qu'il s'agit de cet Etat comme partie contractante l'instrument constitue un traité ou un accord international au sens de l'Article 102. Il s'ensuit que l'enregistrement d'un instrument présenté par un Etat Membre n'implique, de la part du Secrétariat, aucun jugement sur la nature de l'instrument, le statut d'une partie ou toute autre question similaire. Le Secrétariat considère donc que les actes qu'il pourrait être amené à accomplir ne confèrent pas à un instrument la qualité de "traité" ou d'"accord international" si cet instrument n'a pas déjà cette qualité, et qu'ils ne confèrent pas à une partie un statut que, par ailleurs, elle ne posséderait pas.

Sauf indication contraire, les traductions des textes originaux des traités, etc., publiés dans ce *Recueil* ont été établies par le Secrétariat de l'Organisation des Nations Unies.

SCHEDULE XIX - UNITED KINGDOM

This Schedule is authentic only in the English language

Section A. Metropolitan TerritoryPART IMost-Favoured-Nation Tariff

1. The rate specified in the fourth column (hereinafter referred to as "the final rate") for each product provided for herein shall be effective from not later than 1 January 1972. Within the period of 1 January 1968 to 1 January 1972 the United Kingdom shall make rate reductions in amounts not less than and on dates not later than those specified below. The United Kingdom shall begin rate reductions on 1 July 1968 and shall make effective two-fifths of the total reduction to the final rate on that date and three-fifths of the total reduction in three equal instalments on 1 January of 1970, 1971 and 1972. If, however, at any time before the final rates become effective, the United Kingdom shall introduce a decimal currency, and if the tariff reductions to be made in the year in which the decimal currency is introduced are postponed from the first of January of that year to the date on which the decimal currency is introduced, the date of making the tariff reductions due the following year will be advanced by a period corresponding to that by which the preceding reductions are postponed. The provisions of this paragraph shall not apply to revenue duties.
2. Where any article listed in this Schedule consists wholly or partly of parts or ingredients which are chargeable with revenue duty, that article may, unless expressly excepted in this Schedule, be charged in respect of such parts or ingredients with revenue duty at the rates from time to time in force.
3. For the purposes of this Schedule "revenue duty" means the duty on imported beer, hops, hop oil, hop extracts, hydrocarbon oils, matches, mechanical lighters, spirits (including perfumed spirits), tobacco and wine. The concessions on spirits and mechanical lighters appearing in this Schedule shall be implemented not more than three years after the first Finance Act passed after this Schedule shall become a Schedule to the General Agreement.

SCHEDULE XIX - UNITED KINGDOMMetropolitan TerritoryPART I - (continued)

4. The Tariff sub-headings in the Base Rate of Duty column are those current at the United Kingdom's base date. For agricultural products (as defined in Annex E to the United Kingdom's Exceptions List circulated on 23 November 1964 and Annex H to the Exceptions List circulated on 1 May 1965), the base date is 1 September 1965; and for industrial products (as defined in the same annexes), the base date is 1 July 1964 subject to the qualifications and exclusions set out in the United Kingdom's Base Date Notification (TN.64/NP/13 P.15). Copies of the United Kingdom Tariff as at 1 July 1964 are lodged with the G.A.T.T. Secretariat and were circulated to all participants.

5. The effect of some Section or Chapter Notes, e.g. to Chapters 82 and 84, of the Brussels Nomenclature is that certain parts are to be classified in headings appropriate to the corresponding complete articles. In the Notes, e.g. to Chapters 90 and 97, parts or accessories are to be classified in the headings appropriate to the corresponding complete articles. In the following Schedule the United Kingdom concessions on articles falling within sub-items of a heading extend to parts or accessories of those articles classified within that heading under the Brussels Nomenclature Notes, unless such parts or accessories are specifically excluded in the Schedule. Where it is indicated that sub-items are excluded from a concession, the parts or accessories classified in the sub-item by the Brussels Nomenclature Notes are also excluded.

6. Chapters 28-39

(a) The concession rates in brackets are the rates provided for in the Protocol. In the event of the "Agreement Relating Principally to Chemicals supplementary to the Geneva (1967) Protocol to the General Agreement on Tariffs and Trade" coming into force the bracketed rates will be deleted and the concession rates without brackets shall apply.

(b) Items identified by an asterisk are those which are subject to the provisions of Article 8, paragraph (a)(iii), of Sub-part A to Part IV of the Agreement referred to above.

SCHEDULE XIX - UNITED KINGDOMMetropolitan TerritoryPART I - (continued)

7. If at any time supplies of raw flax for export from the territories of Belgium, Luxembourg or the Netherlands are subject to duties or charges on exportation, the Government of the United Kingdom shall be free to impose on yarns and fabrics containing flax a duty higher than that provided for in this Schedule in respect of:-

(a) fabrics of heading No. 60.01 of the Brussels Nomenclature containing more than 10% by weight of silk, of man-made fibres, or of both together;

(b) yarns or fabrics either:-

(i) being mixtures wholly of one or more of the textiles cotton, sheep's or lambs' wool, alpaca, mohair, cashmere, llama, vicuna or camels' hair or, in the case of yarns only, true hemp; or

(ii) containing silk or man-made fibres

and falling within the following headings of the Brussels Nomenclature:-

53.07
53.08
53.10
53.11
54.03
54.04
54.05
55.05
55.06
55.07
55.08
55.09
57.05

8. The Tariff Notes from time to time in force, e.g. the Special Note to Chapter 27 of the United Kingdom Tariff effective on 30 June 1967, shall apply as appropriate in the implementation of the concessions set out in this Schedule.

SCHEDULE XIX - UNITED KINGDOMMetropolitan TerritoryPART I - (continued)

9. Throughout this Schedule, residual sub-headings, whether or not qualified by descriptive words in addition to "other", shall be taken, subject to any qualifying descriptive words, to cover only those items falling within the heading which are not covered by another sub-heading, whether or not the whole of the latter sub-heading is covered by a concession in this Schedule. For example, in heading 08.02 the residual sub-heading "other than grapefruit" does not cover "oranges, clementines, mandarins and tangerines" since these fall in another sub-heading even though a part only of that sub-heading is subject to a concession.

10. Throughout this Schedule, the expression "w.i.g." means "whichever is the greater" and "w.i.l." means "whichever is the less"; "m.f.n." means "most-favoured-nation" and "m.m.f." means "man-made fibres".
