**TO INAUGURATE  
NEW SERVICE ON  
C.N.R. TO SOOKE**

**Trial Trip by Gasoline Car Staged To-day Proved Most Successful**

**Company Officials Went Over Route as Far as Mile-58**

Immediate inauguration of the gasoline car passenger and freight service over the Canadian National tracks between Victoria and Sooke was forecasted by a trial trip participated in to-day by Osborne Scott, general passenger agent, and J. R. Cameron, assistant general manager, Canadian National Railways.

With Messrs. Scott and Cameron and other officials on board, the new gasoline-propelled car this morning left the Canadian National depot for Mile 58, and the company officials returned this afternoon highly pleased with the operation of the car and most optimistic as to the successful maintenance of the proposed service.

**Of Latest Design.**  
The gasoline car, which is of the latest type and similar to other cars which the Canadian National Railways has experimented with in Eastern Canada, arrived here on Saturday from the mainland, being delivered by the N. E. car-ferry Canora at Patricia Bay.

Gasoline propelled, the car has seating capacity for about fifty passengers, while the baggage and freight compartment is located forward.

The passenger compartment is 14 feet 2 1/2 inches long by 7 feet 1 inch in width, while the baggage and freight compartment is 11 feet 5 1/2 inches long.

**Enthusiastically Received.**  
Everywhere along the line the gasoline car making its trial run was received with enthusiasm by the settlers. The success of the new venture, it was pointed out to-day by the Canadian National officials rests entirely with the settlers located along the route. After due consideration, it is understood that repeated representations, the Canadian National Railways decided to establish a service to Sooke and Saanich. Whether the service pass or not will depend upon the support that is given the new venture, and upon it also depends the continuance of the service. The route taps a section of the land that is largely populated with settlers and the success of the service should be assured from the start.

A daily service will be maintained, it is understood and the schedule and date of the actual inauguration of the service will be announced without delay.

**CALL TENDERS FOR HANDSOME BANK STRUCTURE**

**Contractors to Bid on Alternative Plans for Bank of Nova Scotia**

**Two or Five Storey Building With Basement Planned**

Alternative tenders are being invited to-day for the erection of the new Bank of Nova Scotia building at the northeast corner of Yates and Douglas Streets. Bids are being asked of selected Victoria and Vancouver contractors to two different sets of plans. One will be a two-storey building and basement which is designed strong enough to carry four additional storeys to be built at a later date if required.

The other alternative plan calls for a five storey structure with basement, which would be practically the height of a six-storey building, as the ground floor containing the banking offices, is designed high enough to carry mezzanine floor.

**Fireproof Building.**  
The new bank is designed as a thoroughly modern Class A fireproof structure. The construction will be of steel frame and reinforced concrete, faced with Haddington Island cut stone. The building will have a frontage of 60 feet on Yates Street with a backage of 85 feet on Douglas Street, and provision is to be made in the basement for massive reinforced concrete and steel vaults with special equipment for safely deposit boxes.

In view of the importance of the contract it is expected that there will be the keenest competition between the Victoria and Vancouver construction firms for the work.

The tenders are being received by A. Arthur Cox, 999 Birkby Building, Vancouver, architect for the new structure.

It is expected that the contract will be awarded shortly and that work on the handsome bank building will be started before the end of the year.

**WISHES CANADA TO DROP FROM LEAGUE**

**C. G. Power, Quebec M. P., Opposes International Relations**

**Will Move Resolution in Canadian Parliament**

Quebec, Oct. 10.—The withdrawal of Canada from the League of Nations on the ground that this country has no common interest in that body and, in fact, is only getting entangled in difficulties of all kinds, will be proposed at the next session of Parliament by Major C. G. Power, M. C., M. P. for Quebec South. He has so stated.

Not only will the motion be made, but Major Power is of the opinion that he will have strong support from members from all the provinces with whom he has had the opportunity of discussing what he claims to be the uselessness of any relation with that body.

He also contends that in addition to the complete insipidity of the majority of the problems discussed by the League, Federal Cabinet Ministers have lost too much time attending those deliberations.

Mr. Power is also of the opinion that the withdrawal of Canada from the League of Nations is necessary to allow the Chinese to start work again.

**Stop Picketing.**  
Picketing of Chinese and white schools yesterday was carried on to-day, according to the manager of the five Chinese pupils at the Railway Street School the present boycott of the Chinese and white schools is complete.

It has been reported to School Trustees during the last few days that local Chinese are considering the advisability of opening a school of their own where the medium of instruction would be the Chinese language. As the main desire of Chinese in attending white schools to learn the English language so that they may engage in business in Canada, the Trustees are inclined to discount this idea.

**STATES HE LOOKS FOR LIFTING OF CLOUDS IN THE NEAR EAST**

**RT. HON. WINSTON CHURCHILL**

London, Oct. 10.—(Canadian Press Cable)—Telegraphing to the Dundee Liberal Association, Rt. Hon. Winston Churchill, Colonial Secretary, said he thought Great Britain would get through her troubles in the Near East shortly.

**CHINESE SCHOOLS HERE ARE CLOSED**

**Separate Classes Abandoned as Time of Trustees' Ultimatum Expires**

**Boycott by Chinese Continues; Five Chinese Pupils Only in Classes**

Separate schools, created here for the education of Chinese and boycotted by Chinese pupils, were closed by order of the Chinese School Board last night. Refused admission to the white schools, Chinese to-day are without educational facilities, because they have refused to take advantage of those provided for them.

The two schools closed last night are those at Rock Bay and King's Road. Five Chinese pupils who, despite the efforts of picketers, presented themselves for admission yesterday, are continuing their work at the new Railway Street School. A special class is being maintained for them but no teachers are being retained at the other Chinese schools.

Refused by the Chinese to attend the classes prepared for them and the closing of the schools yesterday has frustrated the separate school issue, so far as the School Board is concerned, Trustees said to-day.

The Board's meeting to-morrow night, under present plans, the Chinese pupils who have refused to attend their classes will be declared "habitual truants" and thus will be automatically suspended for the rest of this term. The suspension will continue until the beginning of the Spring term in January.

**Trustees Firm.**  
The Board will have before it to-morrow night a letter from local Chinese organizations protesting against the separate school policy and proposing that it be modified. A majority of the Board is determined to stand firmly on the present policy which, even the Chinese admit, is strictly constitutional.

It was understood to-day that if the Chinese students in a body decide to go back to their classes after the Board's meeting to-morrow night they would be allowed to resume their studies. The separate schools, except for one class at Railway Street, have been definitely closed, however, and would have to be re-opened if the Board were to allow the Chinese to start work again.

**AUSTRALIA WANTS VOICE IN FOREIGN POLICY OF EMPIRE**

London, Oct. 10.—(Canadian Press Cable)—Premier Hughes of Australia, in a speech Sunday night, according to a Reuter dispatch from Melbourne, said: "It is the duty of the Imperial Government to speak for the Empire on foreign questions, and it is the duty of Australians to range themselves on its side, but Australia should have a voice in framing the foreign policy."

**SPECULATING ON CABINET'S COURSE**

**British Public Discussing Lloyd George's Position**

**London Standard Says People Have Awakened**

London, Oct. 10.—(Canadian Press Cable)—Public interest in the Near Eastern situation has, more or less, lapsed for the time being into speculation as to the future of the British Government. Indications are accumulating that Premier Lloyd George is in an increasingly bad position.

The Evening Standard, heretofore one of the Premier's most faithful metropolitan newspaper supporters, last night discovered that "the public has awakened with a shock to the dire possibility of our foreign policy and what it conceives to be the stupor of the Cabinet."

The severest critics of Premier Lloyd George, however, reject the theory that he will voluntarily quit. Some say he will meet his critics across the floor of the House of Commons when it assembles next week, Labour members of the Cabinet will expound and defend his policy within a few days, provided all goes well at the Mudania conference.

**LEADER OF TURK FORCES NOW ASKED TO SIGN ARMISTICE**

**MUSTAPHA KEMAL PASHA.**

The most prominent Turkish Nationalist figure in the events which led up to the armistice conference at Mudania and the request of the Allies that the Turks sign the convention drafted.

**LONDON WITHOUT MUDANIA NEWS AT 6:30 O'CLOCK**

London, Oct. 10.—When the British Cabinet adjourned at 6:30 o'clock this evening the Government was still without news as to whether the Turkish Nationalist authorities at Ankara had accepted the armistice convention presented by the Allies at Mudania.

**GEN. HARRINGTON EXPECTS TURKS TO SIGN TERMS**

Constantinople, Oct. 10.—Gen. Harington, the British commander-in-chief, left here for Mudania at 1 o'clock this afternoon, hopeful for a favorable outcome of the Mudania parley. Speaking to correspondents, the General expressed confidence that the Turkish reply would be for peace.

**J. C. Wedgewood Speaks of British Parties and Near East**

New York, Oct. 10.—(Canadian Press)—The criticism which has been aimed at the British Government for its policy in connection with the Near East problem will not drive Premier Lloyd George from office, in the opinion of Colonel J. C. Wedgewood, a Labour member of the British Parliament, who is about to leave here on a tour of Canada and the United States in behalf of the Palestine question.

Colonel Wedgewood will address a Zionist convention in Toronto next week and later will visit several other Canadian cities.

**Made Statement.**  
Questioned regarding the political situation in the Old Country by newspapermen, Col. Wedgewood issued the following statement: "The Premier will stick to his job. While Mr. Lloyd George is undoubtedly unpopular with Labour and while his pro-Greek policy remains inapplicable to both them and the Liberals, when it becomes a question, as it is to-day, of choosing between Mr. Lloyd George and M. Poincaré, they will back Mr. Lloyd George. The conservative will break away from the Coalition, but they know that if they break away, Bonar Law is their only probable leader. They know now that he will not meet them on the question of Anglo-French unity at the expense of the unfortunate minorities of Europe and Asiatic Turkey."

**Not Split at Present.**  
"Before the next election I feel sure the Conservatives and Mr. Lloyd George will part company, but I do not think it likely they will dare to part company with him on the Near East question, as the Premier, of the attitude he has taken in endeavouring to stem the tide of Turkish invasion."

Colonel Wedgewood added that it was certain there would be no change in British policy as far as the Palestine mandate was concerned.

**TURKS WERE ASKED TO SIGN TERMS BY FIVE P.M. TO-DAY**

**Proposals Are Britain's Last Word, Says Harington; Thrace Not to Be Occupied By Turks Till After Treaty Is Signed.**

Constantinople, Oct. 10.—The signing of the armistice protocol at Mudania is expected to take place at five o'clock this afternoon, according to an announcement by the Havas Agency, the semi-official French news organization. Lieut.-General Harington and his staff, who arrived here on the British battleship Iron Duke at 10.45 this morning, expect to return to Mudania at three p. m.

When he was met at the pier on his arrival by the correspondents, General Harington said: "The convention was submitted to the Nationalists last evening is Great Britain's last word. It now rests with Ankara whether the world shall have peace or war. We have gone to the extremity of concessions.

The revised armistice convention," added the general, "is a gratifying manifestation of Allied solidarity in war or peace. It is my earnest hope that the Turks will appreciate the liberality of our terms. If they reject them we are prepared for all eventualities."

The withdrawal of the inter-Allied missions and contingents will occur in thirty days after the completion of the evacuation of the Greek forces. This evacuation may occur earlier, provided the Allied Government to about seven battalions will ensure the maintenance of law and order and act in support of the inter-Allied missions.

**NOW A QUESTION FOR ANGORA ASSEMBLY**

London, Oct. 10.—The question of peace in the Near East now rests with the Turkish Nationalist Assembly at Angora, which has before it the armistice conditions laid down by the Allied Powers.

Meanwhile the Mudania conference has been adjourned and the Allied generals have returned to their headquarters in Constantinople to await the decision.

The Allied terms include withdrawal of Turkish troops from the neutral zones of the Dardanelles and the Bosphorus, limitation of the number of Turkish gendarmes to be allowed in Eastern Thrace, and non-occupation of that province by the Turkish army until after a peace treaty is signed.

**ALLIED TROOPS TO BE WITHDRAWN**

Constantinople, Oct. 10.—The Allied troops will be withdrawn from Eastern Thrace and the Bosphorus, and the inter-Allied missions and contingents will be withdrawn before the expiration of thirty days.

**TWO DEATHS IN DUBLIN PRISON**

**Attempt of Prisoners to Escape Caused Clash Attack on Military Tenders Outside Jail**

Dublin, Oct. 10.—Armed with smuggled revolvers, Irish irregular prisoners in the Mount Joy Prison here made a determined attempt to escape to-day. In the fighting which followed in the jail walls one guard and a prisoner were killed and five guards and a number of prisoners were wounded. The outbreak was subdued after fifteen minutes.

The military guard in the prison was taken by surprise. The trouble began near the mess-room at breakfast time, when a prisoner shot one of the guards dead. Other prisoners occupying sheltered positions blazed away with suddenly produced weapons.

**Guards Divided.**  
Some of the guards were ordered to leave the jail and prevent any attack that might be attempted on the outside, while the others engaged the mutineers.

The guards outside fired into the prison and the jail forces soon controlled the situation.

An attack on three military tenders outside the jail followed later. No report on the casualties was available.

**ALLIED LEADERS THANKED BY ISMET**

Mudania, Oct. 10.—The Allied generals drew up their final armistice convention here late evening and submitted it to Ismet Pasha, the Turkish Nationalist representative. The Angora Government was given until 5 p. m. to-day to accept or reject it.

Ismet Pasha thanked Lieut.-General Harington, the British commander-in-chief, and his colleagues for the sincerity of their intentions, and he reiterated the desire of his Government for a peaceful solution of the existing difficulties. He hoped the Angora Assembly would approve the terms of the convention.

General Harty of France, General Membelli of Italy, M. Franklin-Bouillon, the French diplomatic representative, and Hamid Bey, Turkish Nationalist representative at Constantinople, remained here. Lieut.-General Harington leaving late at night on the battleship Iron Duke for Constantinople.

The convention as submitted to the Nationalists contains these specifications:

**FAMILIES IN WANT AFTER FOREST FIRES**

**Suffering in Quebec Near Lake Temiskaming**

Cobalt, Ont., Oct. 10.—North Temiskaming and Noddyville villages, on the Quebec side of the border, have suffered from bush fires, and many families are reported to be in extreme need of food and clothing. At least fifty-one families, within a radius of three miles and over thirty some miles farther South are in want.

**Burials.**  
Englehart, Ont., Oct. 10.—With a feeling of awe, the survivors of last week's disastrous forest fires yesterday watched the burial of Jack Marshall in the one wide grave with the neighbors he tried to save, the ten members of the Bond family.

Twice in two days the citizens of this northern town saw practically a whole family buried together. On Sunday fifteen-year-old Irene Heaslip watched the burial of her father and mother and two brothers. Yesterday twenty-year-old Edgar Bond saw his father and mother and eight brothers and sisters buried together.

**FORCÉ TO ENSURE LAW AND ORDER**

That the civil authorities of the Angora Government shall be accompanied by such forces of the Nationalist gendarmes as are strictly necessary for the maintenance of law, order and local security. The total strength of these officers and men shall be left to the discretion of the Nationalists, subject to approval by the Allies.

**Directed By Missions.**  
The various operations in the withdrawal of the Greek troops and the transfer of the civil administration shall be carried out under the direction of the inter-Allied missions located in the principal centres. These missions will do their utmost to prevent excesses of any kind.

**WOMAN KILLED**

Toronto, Oct. 10.—Her view of an approaching eastbound motor truck obscured by a standing street car, Mrs. Jessie Snowden, 56 years old, of Bay Roberts, Nfld., was struck by the truck and killed here last evening.

**SHIPS AND LIQUOR SUBJECT OF DEBATE**

**Atlantic Conference to Discuss U. S. Prohibition**

**Some in Britain Say It Will Not Last**

London, Oct. 10.—The London morning papers contained considerable news in connection with the Atlantic conference on prohibition of liquor which will be held in London this week at which the whole of the Atlantic seaboard is expected to be represented.

It is stated that a meeting of the members of the North Atlantic conference will be held in London this week at which the whole of the Atlantic seaboard is expected to be represented. It may also come up to-day at the usual weekly meeting of the conference in Liverpool.

**Saying Nothing.**  
The interviews published by the newspapers confirm the general attitude previously ascribed to the British shipping companies—that they shall say nothing and do nothing.

In some quarters there is amused incredulity at the "crank proposal," as it is called, and the belief is held that it is likely to be soon dropped when the Americans realize that they will be the chief losers, as British ships undoubtedly will transfer their trade to Canadian ports. The Times prints details purporting to show that travelers would lose little time and gain in other ways by going to Quebec and Montreal instead of New York. It also reports a belief that even if some liners continue to make New York their western terminus, there will be still an increase in the popularity of the Canadian route.

The Daily Telegraph quotes an official of the Cunard Line in Liverpool as saying the British steamship operators stand to suffer a big loss if they are unable to sell liquor aboard their vessels and that it would be better for them to divert some ships to Halifax or other Canadian ports than to lose the profits from the sale of intoxicants. He did not doubt that many Americans would prefer the inconvenience of making the rail journey from Halifax to Quebec rather than sail on a "dry" ship.

**Liquors Removed.**  
New York, Oct. 10.—Every bottle of liquor on four American passenger liners bound for the west coast was removed to-day under orders from the United States Shipping Board, so the dry agents and customs men will have nothing to do this afternoon but check the inventories and cart the wine and whiskey off to the army base in Brooklyn for storage.

The steamships President Polk and President Roosevelt were the first to go dry. Between 4,000 and 5,000 bottles of intoxicants were taken off the President Polk and almost as large a quantity from the President Roosevelt. The stocks aboard the President Arthur and Susquehanna also were removed. Tomorrow the President Polk will sail from Hoboken for London with nothing behind her bar more potent than ginger ale.

**BRITAIN WILLING TO HAVE GERMANY LEAGUE MEMBER**

London, Oct. 10.—(Canadian Press Cable)—Premier Lloyd George, in the course of an interview with Labor representatives, said that if Germany should apply for membership in the League of Nations, Great Britain would not only support her regarding membership in the League, but also represent her on the Council of the League of Nations.

**A Debate.**  
Boston, Oct. 10.—Harvard University debaters, arguing in opposition to the immediate acceptance by the United States of membership in the League of Nations, defeated the Oxford University team here last night. The decision was returned by the audience, which gave Harvard 1,614 to 1,699 for Oxford.

**U. S. SENDS NO MAIL TO SMYRNA**

Washington, Oct. 10.—Suspension of general postal service to Greek postal sections was announced to-day by Postmaster-General Work. The stoppage in service includes general mail to Smyrna. The order, which was issued, the Postmaster-General also cables information to apply to "all articles in addition to parcel post packages for Smyrna."

**VLADIVOSTOK TROOPS LOSING**

**Soviet Forces Reported Winning in Fight**

**Defenders of City Are Short of Rifles**

Tokio, Oct. 10.—The forces of General Dietrich, head of the Vladivostok Government, are retreating demoralized, before the onslaught of the Soviet troops of the Far Eastern Republic of Siberia, according to advices received here from Vladivostok.

The campaign for control of Vladivostok as it is evacuated by the Japanese appears from the reports to be going against the present Vladivostok Government, whose soldiers are short of rifles, although they have plenty of ammunition. On the other hand, food is said to be scarce in the ranks of the China troops of the Far Eastern Republic.

China cavalry is attempting to cut the lines of communication between Vladivostok and Kholmskoye, sixty miles northeast of Vladivostok.

**DOCK WORKERS AT MARSEILLES STRIKE**

Marseilles, Oct. 10.—Work was at a complete standstill on the waterfront here to-day, the dock and coal workers having failed to report for duty this morning.

**ISAAC GUGGENHEIM DIED IN ENGLAND**

**American Capitalist and Copper Magnate**

Southampton, Eng., Oct. 10.—Isaac Guggenheim, United States capitalist and copper magnate, died here suddenly to-day.

Mr. Guggenheim came here in a motor limousine from London yesterday to meet Henry W. Marsh, who arrived on the Aquitania.

Just before retiring, Mr. Guggenheim complained of pains in the chest, which he attributed to indigestion. This morning he was too ill to take breakfast and a physician was summoned, but Mr. Guggenheim died before the doctor arrived.

After an examination the doctor certified that death was caused by a cerebral hemorrhage. No inquest will be held. The body will be sent to the United States on the liner Aquitania, which is to sail October 14.

Isaac Guggenheim, a member of the widely known family of that name, so prominently associated with the development of the mining industry in Colorado as well as in Mexico and in different sections of the United States and South America, became treasurer and a director of the American Smelting and Refining Company in 1901, and throughout his business has been actively connected with large industrial and railway enterprises. He was the eldest son of Meyer Guggenheim, founder of the family in the United States. Mr. Guggenheim long has been active in charitable work, largely in New York City. In 1875 he married Carrie, daughter of Jonas Somers, of New York. He was born in 1854.

**PRINCESS VLORA OF ALBANIA IS GIVEN DIVORCE**

Paris, Oct. 10.—The divorce was registered to-day of the Princess Vlora, former Mrs. John Kelly Gould of New York City from Prince Houreddin Vlora of Albania. The record shows that the divorce was granted at the wife's request, and that the Prince did not appear in court.

**ROBBERS' HAUL WAS \$222,004**

**Cash and Bonds Taken from Cincinnati Bank**

Cincinnati, Ohio, Oct. 10.—A total of \$222,004 in cash and bonds was obtained by the five bandits who held up the Hamilton County Bank of this city on September 28, it was officially announced to-day by E. H. Matthews, president of the bank.

**CASH AND BONDS TAKEN FROM CINCINNATI BANK**

Cincinnati, Ohio, Oct. 10.—A total of \$222,004 in cash and bonds was obtained by the five bandits who held up the Hamilton County Bank of this city on September 28, it was officially announced to-day by E. H. Matthews, president of the bank.

**Split Before Next Election, But Not Now**

New York, Oct. 10.—(Canadian Press)—The criticism which has been aimed at the British Government for its policy in connection with the Near East problem will not drive Premier Lloyd George from office, in the opinion of Colonel J. C. Wedgewood, a Labour member of the British Parliament, who is about to leave here on a tour of Canada and the United States in behalf of the Palestine question.

**REACTIONARIES WARNED IN GREECE**

Athens, Oct. 10.—Members of the Athenian clubs who favor the old regime are in possession of a large number of rifles, which is said to be the reason for the warning against possible reactionary movements issued by Colonel Gonatas, Military Dictator of the new Greek Government.

It is understood the army favors immediate imposition of martial law throughout Greece as the best means of recovering these arms and averting possible bloodshed. The cabinet, however, hesitates to ratify such a measure, as it fears this would produce the impression that the revolution was restricted in tendency, rather than liberal.

**FAMILIES IN WANT AFTER FOREST FIRES**

**Suffering in Quebec Near Lake Temiskaming**

Cobalt, Ont., Oct. 10.—North Temiskaming and Noddyville villages, on the Quebec side of the border, have suffered from bush fires, and many families are reported to be in extreme need of food and clothing. At least fifty-one families, within a radius of three miles and over thirty some miles farther South are in want.

**WOMAN SHOT IN VANCOUVER**

**Refuses to Tell Who Inflicted Wound**

**Has a Fighting Chance for Recovery**

Vancouver, Oct. 10.—Mrs. Robert Law, of Calgary, who was shot last night in Stanley Park, has a fighting chance for recovery, hospital authorities reported at noon to-day. She still refuses to tell who inflicted the wound.

With the finding of the gun which was used, a large caliber Luger automatic, near the scene of the shooting to-day, the mystery surrounding the murder has been unearthen. On inquiry at the home of Mrs. Law, police discovered that she had a gun among her possessions, but a search failed to produce it. Mrs. Carson, mother of the injured woman, however, was unable to identify the weapon as that owned by her daughter.

Mrs. Law to-day said she would tell all if her condition should become serious.

**SAYS AUSTRALIA WANTS SETTLERS**

**Sir Joseph Cook Urges British to Help**

London, Oct. 10.—(Canadian Press Cable)—Lecturing in London last night, Sir Joseph Cook, High Commissioner of Australia in London, urged that "the question of the development of Australia was as much the concern of Great Britain as of Australia, seeing that the progress and security of a great Empire rested on the development of the dominions under its control."

Sir Joseph claimed that whatever criticism had been urged against the policy of "a white Australia" might be answered with the arguments, first, that it was a race purely ideal backed by sound sociological and economic considerations and was assured of the greatest efforts of Australians to realize it; and second, the theory that the tropical areas of Australia were unsuited to white people has been controverted by expert medical opinion and had already been disproved by the progress made by the sugar-growing industry in Queensland.

**NAVIGATION ON YUKON CLOSING**

Dawson City, Y. T., Oct. 9.—The Nautilin and the Alaska left here with passengers for "outside" within the last few days. A few gasboats remain to make the trip to White Horse soon. They are in no hurry because the river is still quite clear of ice. The steamer Seattle will winter here, and will be ready to handle the first Spring shipments of silver. It is expected that six thousand tons will be ready for shipment from Keno Hill next Spring, which is nearly twice as much as was ready this Spring. Cold weather at the end of September prevented the cleaning up of a number of hydraulic gold mines this Fall, but the gold is safe in the ground.

The Seattle and the Alaska carried 3,500 tons of silver ore from Keno Hill to the seaboard this Summer.

**LIQUORS FOR B. C. MUST PAY BIG TAX**  
Province Loses Appeal Against Import Customs Duties  
Dominion Levies Add Greatly To Retail Costs Here

Ottawa, Oct. 10.—(Canadian Press)—The right of the Dominion Government to collect customs duties on liquor imported into Canada by provincial liquor control boards is upheld by the Supreme Court of Canada in a judgment given out today.

The judgment dismisses, without an order as to costs, the appeal of the Attorney-General of British Columbia vs. the Attorney-General of Canada and upholds the judgment of the Exchequer Court, which dismissed the action of the British Columbia authorities.

Mr. Justice Brodeur dissents from today's decision.

This was a stated case. The Government purchasing agent of British Columbia, James Patterson, acting under the provincial liquor law, purchased in Glasgow a case of Johnnie Walker Black Label Scotch Whisky and had it consigned to the British Columbia Liquor Control Board in Glasgow by express. On arrival at Victoria, B. C., the case was taken possession of by the collector of customs and held for payment of duty.

The purchasing agent of the province claimed that by virtue of the provincial rights, His Majesty the King was owner of the whisky and therefore demanded that it be delivered to the Liquor Control Board free of any duty or tariff.

The collector of customs, also acting in the name of the King by virtue of the rights of the Federal Government, demanded the payment of duties before he would release the shipment.

The province then brought action for the release of the whisky, free of duty, claiming that it had this right under the law. The Dominion Government contested the action and it was dismissed by Sir Walter Casals in the Exchequer Court.

The appeal was then made by the court, presided over by Mr. Justice Liddington.

"Doubtless the Government would consider the matter of appeal," said Attorney-General Manson when informed of the Supreme Court decision. "There is not much comment I can make now."

Mr. Manson was interested in learning that Mr. Justice Brodeur dissented from the judgment.

"There is one judge with us, any way," he said.

James Falconer, commissioner of the Liquor Control Board, explained that the duties on imported liquor which the province will have to continue to pay run up to sixty per cent of their cost.

On Scotch and other whiskies and on imported liquors such as brandy and rum from England, the duty is \$10 a gallon for proof strength. On rum thirty-five per cent overproof the duty is \$13.50 a gallon.

Commissioner Falconer pointed out that these duties were a big factor in the retail selling price of liquor in this Province, as at \$10 a gallon means that \$2.50 out of every quart bottle of whisky goes to the Dominion Government in duties.

**MANSON WARNS AGAINST PRAIRIE LABOR INFUX; NO MERCY FOR DRIFTERS**

Warning regarding employment prospects in B. C. during the coming Winter was issued today by the Hon. A. M. Manson, Attorney-General and Minister of Labor.

For the last two months there has been an active demand for labor, particularly in lumbering and mining, but this demand is now being met and employers' orders are falling off somewhat, he explained.

"But," he went on, "we have to remember that there are thousands of our men on the prairie at the present time helping with the harvest work. Through the medium of the Employment Service we sent 1,422 men there in April last for the spring seeding and 4,439 men for the harvest. In addition to these there would be a number who went on their own account. The great majority of these men are still on the prairie. When they return, as they may be expected to do in the next few weeks, we shall have men enough and to spare for our own requirements."

**Come At Wrong Time.**

There is always a certain movement of labor going on between this Province and the prairie, Mr. Manson explained, but the general drift is away from here in the Summer months and from the prairie to us in the Winter.

"The prairie provinces, however, get these men at a time when there is a position to absorb a large amount of extra labor, the same men come to us at a time when a good many of our operations are closing down for the Winter months and when even the men who have been working in our industries are finding jobs rather scarce," he said.

"We have learned from experience that many of the men who come to us become stranded almost as soon as they arrive here. It is true that some of them have only themselves to blame, but the fact remains that unemployment here at this time of the year when work is never very plentiful."

**No Relief This Winter.**

Mr. Manson declared that, while the present employment outlook is fairly good, the fact very much better than at this time last year, still the Coast may expect to have a certain amount of unemployment later.

"I do not see how we can prevent that altogether," he added.

"At the same time, there is unanimous testimony throughout the Dominion, on the part of both Federal and Provincial Governments, and of municipalities both in the East and in the West, that matters were not so good as they seem. We are not giving our duties and we are not seeing that system in operation again. One of our difficulties is that, when machinery is set up for dealing with unemployment, a good many people come forward to take advantage of it, who have no moral right to do so."

**No Sympathy for Drifters.**

"Nobody yet seems to have devised a satisfactory way of weeding out the undeserving ones, so that only those cases which are genuine may be dealt with in the manner we would like to see."

"For the married man with family responsibilities, who wants to find a job which he can follow while living at home, I have a great deal of sympathy. He must also go out of our way, if necessary, to meet the case of the ex-soldier who is disabled, or whose earning capacity is partly impaired by the effects of service in the war."

"But the able-bodied single man has no such claim upon us. There are a good many men in this category who do not seem to think they have any need to learn a business or to take up any regular calling. They take up some kind of a casual job for a short time. Then, as soon as they have a few dollars in their pockets, instead of sticking to their jobs and accumulating a 'stake,' they come into the city, get rid of their money as fast as they can, and then expect the community to look after them until they are ready to go out again. Men of this type have no sense of responsibility towards themselves, their relatives, or their fellow-citizens, and they have no right to expect to have an easy time every Winter at the expense of the taxpayer."

**INDIGNANT MEN PROTEST CRITICISM**

Men who make their headquarters at the Government employment bureau here held a meeting under Longshoreman Myers today on a vacant lot on Langley Street to protest against statements alleged to have been made against them by bureau officials.

The men asserted that they did not want to take the jobs if they did not want to work. They resented being publicly labelled as shirkers.

The call for 40 men at 40 cents and \$1.20 for overtime an hour came from the Outer Wharves yesterday afternoon where a steamship had arrived and was awaiting unloading. Twenty-five men at the wharf got on the job. Labor bureau officials when they received the call, failed to secure the 15 required among men at the bureau.

The men who refused the work are at the Parliament Buildings this afternoon interviewing the Labor Department. They assert they are being placed in a wrong light.

**LONGSHOREMAN IS ACQUITTED BY JURY IN NINE MINUTES**

John Handley, Charged With Wounding William Roach, Released

Assize List Brief, With One Case Remaining

With one of the briefest lists on record, the Fall sitting of the Victoria County Assizes opened here today before Mr. Justice Morrison. Only two bills of indictment went to the Grand Jury, which returned in a brief space of time with findings of true bills.

The accused were Charles Brigiden, an ex-post office employee, charged on three counts with thefts from the mails between September, 1917, and April, 1922, and John Handley, a longshoreman, who was charged with wounding William Roach, with intent to do grievous bodily harm.

In charging the Grand Jury, Mr. Justice Morrison remarked that the charge against Handley should not have been allowed to go beyond the police court. The trial of Handley followed, and the accused was acquitted within an hour without any defence being called upon. J. S. Brandon acted for the Crown and Gordon Cameron rebated the details of the scuffle between William Roach, alias the "China Kid," and the accused Handley in the cabin of the former on Johnson Street, following a drinking bout with several other longshoremen, on the evening of September 1. Counsel for the Crown admitted that no knife had been found and that the accused had been discovered by the police unconscious after having been pumelled into insensibility by Roach.

Dr. James P. Vye, Chief of Police Fred John Tamblin, the prosecutor, and Richard Mather were called in evidence by the prosecution, giving testimony identical with that presented in the preliminary hearing before the police magistrate. All witnesses admitted that the accused had been found unconscious on the arrival of the police. None had seen a knife, nor any instrument that could have caused the wound alleged to have been inflicted on Roach by the accused.

Mr. Cameron waived cross-examination of the witnesses, beyond asking Chief Fry if the accused was found unconscious. Witness replied that was so. At the close of the case for the Crown Mr. Cameron moved for the withdrawal of the case from the jury on lack of evidence to connect the accused with the deed. Mr. Justice Morrison, stating he would be within his rights in withdrawing the case from the petit jury, said he preferred a verdict to be given. After an absence of nine minutes the jury returned a verdict of not guilty, and the accused was discharged.

**BLOWN HUNDREDS OF MILES FROM COURSE**

British Schooner M. J. Taylor Makes Newport After Battle With Gales

Newport, R. I., Oct. 10.—The British schooner M. J. Taylor, blown hundreds of miles off her course by heavy gales, brought up here yesterday after 11 weeks at sea. She left Pascagoula, Miss., on July 22 bound for St. Thomas, Virginia. The schooner's crew is well but the vessel itself, hull and canvas are in need of repair and fifty thousand feet of her deckload of lumber was lost.

**SUPPERLESS HOUSE: MAN KILLED AGED FATHER WITH AXE**

Chicago, Oct. 10.—William Klockzin, 77, feeble and unable to earn a living, was slain with an axe by his son, Helmut, 28, who found no supper in the house last night, according to a confession attributed to the son by the police today.

**OLITUARY RECORD**

The funeral of the late Mrs. Jecy Garrett, who died yesterday, will be held tomorrow at 2 o'clock from the B. C. Funeral Chapel. She was a member of the Emmanuel Baptist Church and is survived by three daughters, Mrs. McKay and Mrs. Corb, in Vancouver, and Mrs. Riddell, in Victoria, three grand-children in Saskatchewan and three other children. The remains will be held in Roes Bay cemetery.

The remains of Richard Richmond, who died this morning at the B. C. Hospital, are being held at the B. C. Funeral Chapel. Funeral arrangements will be made later.

The remains of the late Mrs. Elizabeth Rowe-Hitchins will be laid to rest tomorrow afternoon. Service will be held at the Thomson Funeral Home, 1625 Quadra Street, at 8:30 o'clock, when the Rev. Col. G. A. Andrews will officiate. Interment will be made in Roes Bay Cemetery.

The funeral of the late Wong Lam, who passed away Friday evening, took place yesterday afternoon at 2:30 o'clock. The cortege left the Thomson Funeral Home, 1625 Quadra Street, where the usual Chinese service was held.

There passed away yesterday Giuseppe Romano Josephus, aged 43 years, born in Italy. He has been a resident of Saanich for the past three years. He is survived by his widow here and three children in Italy. The funeral will be held from the Sands Funeral Chapel tomorrow at 10 o'clock. Rev. Father Leternie officiating.

The funeral of the late Mrs. Ruth Purulow will take place from the Sands Funeral Chapel on Friday at 2 o'clock. Interment will be made at Roes Bay Cemetery.

The funeral of the late Mrs. Susan Leonard took place yesterday afternoon from the B. C. Funeral Chapel, where service was conducted by the Rev. R. A. P. Chadwick. There were many friends present and beautiful floral tributes were sent as pallbearers: G. Leeming, A. E. Wilson, R. H. Hiscock, H. Baker, R. A. McIntyre and J. R. McDonald. The remains were interred in Roes Bay Cemetery.

There passed away last evening at the residence, 113 Simms Avenue, James Hamilton Wilson, aged 65 years. Mr. Wilson had resided in Victoria for the past seventeen years, and was formerly a resident of St. Thomas, having been born at Toronto. A widow and one daughter, Mrs. Harry Diet, of Linden Avenue, are left to mourn the loss. The remains are being held at the B. C. Funeral Chapel, where the funeral will take place on Wednesday afternoon at 2:30 o'clock. Interment will be made in Roes Bay Cemetery.

Savings are a weapon which no one can afford to disdain.

**STEAMSHIP HAS FIRE ABOARD AS SHE NEARS COLON**

San Francisco, Oct. 10.—The steamship Cardiganhire, due to arrive at Colon, Canal Zone, today from Hamburg, has a fire in her hold, according to a message received by the Marine Department of the San Francisco Chamber of Commerce. The message contained no other details. The steamship is bound for San Francisco.

gully, and the accused was discharged.

The trial of Charles Brigiden was opened this afternoon with J. A. Akman and E. B. Williams for the accused. Brigiden is an ex-postal employee who was engaged at the time of the charge as a sorter of unpaid mails and distributor of letter carrier registered mails in the city post office.

At the opening of the proceedings this morning J. S. Brandon entered motions of nolle prosequi in the cases of Rex versus John Tuttle, and Rex versus J. P. F. Croot, transferred from the Spring-assizes. The court raised no objection to the stay of proceedings thus arranged.

Waiving their prerogative of view, the public institutions of the Grand Jury was discharged at the completion of the two findings. The panel was composed of James Adam (foreman), Frank E. Anderson, Samuel Clegg, Harold H. Girwood, Ernest C. Hayward, Albert S. Lock, James F. Mesher, F. A. Moss, Col. Lorne Ross, Francis E. Winslow, Edmond Woodward and John A. Worthington.

**SKY-WRITING PLANES OVER PARIS NOW ADVERTISING**

Paris, Oct. 10.—"Writing in the sky" was put on a commercial basis today with the commencement of a campaign of air advertising by an American firm whose aeroplanes, equipped with smoke ejection apparatus, wrote advertisements for staffing Parisians. The new system will be limited here, however, for aeroplanes are forbidden to fly low over Paris. There are also certain restrictions on newspaper publicity for such flights, which is thought to be essential to the success of the project.

**OPTIMISM IS EXPRESSED BY HON. C. STEWART**

Toronto, Oct. 10.—Optimism regarding Canada's railway and financial problems, a plea for the extension of her world markets and the encouragement of additional industries, a defence of the Government's immigration policy and an appeal for unification of all progressive forces formed the basis of an address delivered by Hon. Charles Stewart, Minister of the Interior, to the Toronto Liberal Men's Association last night.

**STAMPS ADVERTISE EMPIRE EXHIBITION**

British Postal Cancellation Machine Used

London, Oct. 10 (Canadian Press Cable)—The British Post Office Department announces that stamp obliterating machines are being adapted to print the words "British Empire Exhibition 1932" with the death of a lion. It is estimated that 500,000, 500 letters will be thus stamped in the next twelve months.

The new machines for the present will be confined to Government publicity purposes.

**STRICKEN ON STREET.**

Vancouver, Oct. 10.—Suddenly stricken while on Georgia Street, yesterday afternoon, Frank L. Nash, former secretary of the B. C. Shinglo Association, died soon afterwards without recovering consciousness.

**SCHOONER RACE IS CALLED OFF BY LACK OF BREEZE**

Halifax, Oct. 10.—Today's fishermen's schooner race in the Nova Scotia championship series was called off this afternoon at 2 o'clock on account of lack of wind.

**WOMEN HAVE HELPED US MAKE OUR SEMI-FINISHED LAUNDRY SERVICE A HUGE SUCCESS**

New delivery wagons have had to be added to our plant.

17 lbs. for \$1. Bed and table linen, or 3 lbs. for \$1 and the balance damp (not wet).

Always The Best

**REORGANIZATION PLAN OPPOSED**

Suggestions for Budget System in Methodist Church

Toronto, Oct. 10.—The re-organization of the various departments of work in the Methodist Church under a budget system, as contained in the report of the Committee on Departmental Work, met with strong opposition when presented to the Methodist General Conference this morning. In many ways the report is a radical document and aims at the elimination of overlapping and unnecessary expenditure in the departments of the church.

The chief opponent of the proposals was Sir Joseph Flavell, who announced that as a member of the committee he had opposed the budget system from the outset. He spoke the prevalent mind of the delegates who took part in the discussion when he declared that a budget system would not meet the difficulties confronting the department or the claims of the many districts which had presented memorials for reform in connection with the work. It seemed to him that the pressing forward of a budget plan as a measure of relief was a mistake in tactics as well as in procedure. Something more far-reaching than a budget plan was required, although he was not prepared to say what it was.

**Liquor Question.**

An opportunity was provided Rev. Ben Spence to address the Conference on the progress made by the Winnipeg and the Provincial alliances in obtaining prohibitory legislation. The great aim of the present, he said, was a Dominion-wide law prohibiting the manufacture, importation and transportation of liquor, and, secondly, by such law could prohibit the truly effected. Practically all the churches of the Dominion were in sympathy with the aims of the Alliance and it worked in harmony in the efforts made to eradicate the evils of a liquor traffic.

**POLITICAL BROADCASTINGS**

Sale of beer and light wines in hotels here along the lines of liquor administration in Quebec is what the members of the McBride Conservative Club have come out in favor of. They favor sale in restaurants and by hotels, but absolutely no drinking over the bar.

McBride Conservatives last night also expressed themselves in favor of "more sympathetic administration of the Workmen's Compensation Act including the right of appeal from the Board's doctor to a committee of independent physicians."

George A. O'Neil and H. W. R. Moore are to represent the club on the central executive of the Victoria Liberal-Conservative Association.

**The Service Garage**

**STORE YOUR CAR AND SAVE IT**

For a very small payment, \$5.00 per month, you can store your car in this big centrally located garage.

We provide a day and night gas and oil service and our complete equipped repair department is in charge of the most expert mechanics.

Bring your car in out of the wet this Winter and you'll save this small storage charge over and over again.

**BLOWN HUNDREDS OF MILES FROM COURSE**

British Schooner M. J. Taylor Makes Newport After Battle With Gales

Newport, R. I., Oct. 10.—The British schooner M. J. Taylor, blown hundreds of miles off her course by heavy gales, brought up here yesterday after 11 weeks at sea. She left Pascagoula, Miss., on July 22 bound for St. Thomas, Virginia. The schooner's crew is well but the vessel itself, hull and canvas are in need of repair and fifty thousand feet of her deckload of lumber was lost.

**FEED YOUR PRODUCT MORE VITAMINES**

Bright color on big spaces may create interest in a picture, but it lacks four-fifths of the advertising vitamins that send people into a specific retail store to buy goods.

The retail distributor must have advertising that builds up confidence in the product; that can educate new customers; that can make them desire new things to eat and wear and enjoy; that finally sends them to the counter with cash in hand.

Thirty years ago, Mr. P. C. Larkin sought anxiously for a link between his brand, the retailer and the buying public. He found one that has never broken.

"I thought of telling my story in a single newspaper," he writes, "which I did and soon saw results. The single medium soon became two, and then a dozen, and now many hundreds on the American continent alone, where practically every daily newspaper of any importance carries Salada Tea Company advertisements."

There is only one common power that can influence buyers on our local merchants and the national advertiser. This is the **Daily Newspaper** in our trade area. The retailer who impresses this fact upon the manufacturer turns over his stock quickly and profitably.

**ECZEMA**

It is not a disease, it is a condition of the skin which is caused by a variety of factors. It is characterized by a red, itchy, and often weeping eruption. It is not contagious and it does not result in any permanent damage to the skin. It is a common condition and it is often cured by the use of the following ointment.

Chase's Ointment free if you mention this paper and send 2c stamp for postage to: Chase's Ointment Co., Limited, Toronto.

### The Healing Virtue of Herbs

**VALUABLE SECRETS EXTRACTED FROM NATURE'S STOREHOUSE.**

There is a power and reliability in herbal medicines that never belong to mineral drugs. The curative power of herbal remedies, too, does not wear off with constant use, as is the general rule with mineral compounds. These truths were more clearly realized in bygone days when the famous athletes and gladiators of ancient Rome anointed their wounds and sores with secret herbal balsams and vegetable oils of magical power. The secret and liking for these preparations perished with the fall of Greece and the burning of Rome.

**BACK TO THE MINERAL AGE.**

In the age that followed, the people of Europe fell back on artificial salves and ointments composed of mineral oxides of lead, zinc, bismuth and other deleterious metals, without thought of the great damage which these unwholesome compounds undoubtedly did to the delicate under-skin.

The explanation was that herbal remedies, whilst admittedly ideal, meant more trouble—seeing, refining and making up. A return to natural healing was never made until the discovery of the greatest and most perfect example of herbal compounding—the immense resources of modern science have been linked up in zam-buk with Nature's remedial herbs.

The rare and costly herbs used in the scientific manufacture of zam-buk are carefully selected, gathered at the right season, compounded in up-to-date and elaborate laboratories and cleverly

combined. Each ingredient assists the other in the curative work.

**NATURE & SCIENCE UNITE.**

The ultimate outcome of all this patience and skill is a rich super-balm, one as unique in conception and combination as it is successful in treatment of skin troubles of all kinds.

Apart from the fact that it is concocted from altogether novel lines zam-buk is absolutely free from any of the animal fats which are present in ordinary ointments and which cause these ointments to turn rancid and useless in very short time.

Whether it is a cut or scratch, that threatens to fester, a patch of eczema, cold sores or salt rheum, an obstinate ulcer or poisoned wound, or an attack of piles or disfiguring pimples, zam-buk is the one ideal herbal healer superior to every other form of skin medicine. It is a novel combination of all those healing, soothing and antiseptic powers which Nature has hidden in the juices and the herbs of her virgin forests.

Judged either by its character or the cures it makes day by day, zam-buk is in every way a remarkable healing substance. With a box of this wonderful balm always at hand you have a ready means of dealing with a hundred and one common skin complaints.

**PROVE THIS FOR YOURSELF.**

All you need do to obtain a free trial sample of this great herbal healer is to write to the zam-buk laboratory at Dupont St., Toronto.

A small trial box of zam-buk will be gladly sent anyone if a stamp is enclosed to cover the postage.

Mention where you saw this offer when writing. Regular size boxes of zam-buk at fifty cents, obtainable of all chemists.

### NEED PEACE OF RIGHTEOUSNESS

#### Nations' Duty to Be Just to One Another

#### Brooklyn Pastor Addresses Canadian Methodist Conference

Toronto, Oct. 9.—Fellowship among races, justice between nation and nation, recognition of the claims of the weak and the banding together of the peoples of the earth under the banner of Christianity were declared to be the most hopeful cure for world ills and human problems by Rev. Dr. S. Parks Cadman, pastor of Central Congregational Church, Brooklyn, N. Y., and Hon. E. C. Drury, Premier of Ontario, to a great gathering of Methodists held here last night in connection with the Quadrennial Conference of the Methodist Church in Canada.

The world prayed for and longed for peace, declared Dr. Cadman, but it must be a peace of righteousness. A "warless" world of the present status would be a worthless world, he added. There could not be peace with a Moslem host attempting to overrun Europe, and God did not want a peace that was purchased by the subjugation of Christianity. Peace depended upon justice, and there must be justice before there could be peace among the nations.

**World Conference.**

Dr. Cadman strongly favored the suggestion of Dr. Jewett, the famous English divine, for a conference of the Christian churches to discuss world conditions, and urged that they send forth an admonition that they will not permit the nations of the world, through their diplomatic agencies, to drag the world into another war against the wishes of the people. They must seek a wider internationalism and a broader affiliation in order to retain the pre-eminence of the white races. And if the white race should ever enter on another such war as that which recently devastated Europe and bring together on a common battlefield the people from all ends of the earth, it would lose, and deservedly lose its pre-eminence.

He proved himself a strong apostle of a better understanding and a closer relationship between the people of the British Empire and the United States, and declared the people of Canada, and the United States had entered into new ties "which scurriously journalists on both sides of the line can not break."

### "FRUIT-A-LIVES" SAVED HER LIFE

#### This Fruit Medicine Always Gives Relief

917 Dorion St., Montreal.

I suffered terribly with Dyspepsia, I had it for years and all the medicines I took did not do me any good.

I read something about "Fruit-a-lives" being good for all Stomach Trouble and Disorders of Digestion, so I tried them.

After finishing a few boxes, I was entirely relieved of the Dyspepsia, and my general health was restored; and I am writing to tell you that I owe my life to "Fruit-a-lives."

MILE, ANTOINETTE BOUCHER.  
50c. a box; \$2.50, trial size 25c.

At dealers or sent postpaid by Fruit-a-lives, Limited, Ottawa. (Advt.)

### A NAVAL VOYAGE FOR NEW ZEALAND

#### Maintain Nucleus of Sea-going Squadron, British Admiralty Advises

#### New Cable Lines in Australasian Waters

Times Correspondence.

Wellington, N. Z., Oct. 9.—New Zealand, in the opinion of the British Admiralty, which had been asked for its views by the Dominion Government, cannot, in naval policy, do better than to follow these main principles:

1. During "hard times" maintain the nucleus of a sea-going squadron which in time of need can be rapidly expanded to consist of light cruisers and ocean-going submarines.
2. Provide oil reserves in New Zealand.
3. Pay for or supply stores and fuel for the British Navy if it requires them in New Zealand waters.
4. Provide docks and bases for the New Zealand ships.
5. Provide for the local protection of the New Zealand shipping, and for merchant shipping, and also provide trained personnel for them.
6. Provide mobile defence organizations for ports, including mine-sweeping organizations.

"New Zealand is behindhand at present," said the Prime Minister, Mr. Massey, in presenting the memorandum to Parliament "we do not do what we can to make up for it."

**New Cables.**

Linking up Auckland and Suva, Fiji, by a new cable, better service will be given Canadian messages for Australasian points when the Pacific Cable Company carries out its present plans.

Cables frequently break in the shallow waters near Norfolk Island, where the cable from Banfield, Vancouver Island, bifurcates for Australia and New Zealand. This new line will run from Auckland and Banfield.

It is also intended that a cable shall be laid between Southport, Queensland, and Sydney, New South Wales, linking up Sydney direct with Southport, with Norfolk Island and thus with Banfield.

**Three Sentenced.**

Having navigated the South Pacific from Auckland to North Queensland, a distance in all of 5,600 miles, three men were sentenced to six years' imprisonment, and his two companions, Thomas Butler and Leslie Burke, to three years in a reformatory.

The three stole the yacht from a boathouse in Auckland and set off for Fiji. They procured provisions from a New Zealand warship which was in the harbor, and were supplied with wireless that the supposed distressed mariners were wanted by the police.

By means of a small school atlas, showing the whole of Oceania in a space ten feet square, the vessel, they navigated from Fiji across to North Queensland, where they were on the edge of starvation and nearly ran on the rocks at the Beaufort West end of the Cape. Their route was for miles along the Australian coast. There they were caught.

Westlake had a criminal record and his two companions were merely boys, but the party is admitted to have performed a feat of navigation that astonishes accomplished mariners.

**A Sculling Race.**

Haddon, the sculler, is shortly expected to challenge for the world's championship against Paddon. Arnst had challenged but Paddon declared a race off with Arnst, and was an extensive time in order to undergo adequate training. The purpose is to hold the race in November or December before the heat in New South Wales, and in the event of Paddon's backing for Hadfield with the object of winning the sculling championship again for New Zealand is generously forthcoming.

**Shells Are Sold.**

Shells are used as coin in the New Zealand mandated territories, in the South Pacific. The Australian Government has just notified the New Zealand Government that they are now legal tender for the rate of 50 cents per pair of "gold lip" shells in the former German territory of New Guinea.

**German Marks are no longer currency in the mandated territories.**

**Could Have Sold Island.**

Kawau Island, off the coast of the North Island of New Zealand, could have been sold to the Japanese during the war if the owner, a farmer named Farmer, had cared to take the money.

Farmer was then a wealthy man and he had an offer of £30,000 for the island, but refused it because it was not enough. Later he got into difficulties with his creditors and finally had to take refuge in the bankruptcy court. He was ordered to put in the correspondence with the Japanese Government for the Official Assignee to peruse it.

**Earthquakes.**

Earthquakes at the rate of thirty-three an hour, maintained with remarkable regularity for three hours, have shaken the North Island of New Zealand, particularly in the thermal region.

Little damage was done by the quakes and the residents of Tokaanu, who a few months ago were ready to build their homes, took no notice of the shocks, having become inured to them in the interval.

Seismologists say that for months the North Island will suffer from earthquakes and that their numbers are the best guarantee that the series will complete itself without serious damage.

The White Island volcano still shows indications of activity.

**A Maori Ceremony.**

Chanting three distinct chants the first to warn away the evil spirits, the second to remove the prohibition against women entering the meeting-place and the third to dedicate the ceremonial mat on the floor, a party of Maoris of the Arawa tribe attended in the Parliament Buildings in Wellington to dedicate the new Native Affairs Committee room, in which native grievances are dealt with by a committee of the House of Representatives.

The ceremony was most picturesque and all the pakeha (white) mem-

### CHURCH FINANCES TO BE DISCUSSED

#### Methodist General Conference and Budget System

Toronto, Oct. 9.—Urged to action by conflicting criticism, the special Departmental Committee appointed by the Methodist General Conference, after endorsing in principle the budget system of church financing, has given up the task of coming to an agreement on any detailed plan by which such a system could be put in operation.

The committee concluded a three-day discussion yesterday afternoon by voting to refer a proposed budgeting plan to the conference without recommendation. The step was taken, it is stated, as the one way out of what was practically a deadlock. It means that the whole question of church financing and its relation to the church departments will come up on the floor of the Conference for debate.

**Changes Suggested.**

On Friday last a small committee which had been asked to draw a plan of budgeting, brought in a report which recommended sweeping changes in the church organization and financing. These included the abolition of the General Conference special committee, the Board of Finance and the Superannuation Fund Board, and the vesting of the powers of these bodies in a new body to be known as the General Board of the Methodist Church. The proposed plan also called for the elimination of separate financial appeals by the various departments and the substitution of one general fund to be administered on a budgeting basis. This, in broad outline, is the proposition which will be debated by the conference.

**Ritual.**

The committee advised, following the receipt of several memorials asking for changes in the ritual of the church, that the conference appoint a committee on ritual which should take into consideration the revision of the ritual where such shall be deemed desirable and to which all memorials shall be referred.

The conference agreed and the committee will be asked to report to the next General Conference.

### WOMAN PHYSICIAN ENDED HER LIFE

#### Dr. Constance Klecan, Portland, Oregon, Took Poison

Portland, Ore., Oct. 10.—In her office yesterday Dr. Marie Equi received a mailed letter from a friend, Dr. Constance J. Klecan. It said:

"Dear Marie: I am worn out and am going for a long, long rest. You can have my books. Goodbye, Constance."

Dr. Klecan's office was several blocks away. Dr. Equi dashed forth hatless and hailed a passing automo-

bile, which she impressed to take her to her friend's place. Arriving there, she and the automobile driver were unable to gain admittance to the office. Looking over the transom, they saw Dr. Klecan lying unconscious on a divan. They summoned help and the door was broken in. After three hours of work by Dr. Equi and other physicians Dr. Klecan died. She had taken poison.

Dr. Klecan was a distinguished scholar, physician and pathologist. A Pole by birth, she had attended the leading medical schools of Vienna and the famous Virchow Clinic, had studied at Johns Hopkins University in this country and had specialized in pathology and bacteriology.

Her husband, Joseph Klecan, was a prominent Irish republican circle, whose husband was executed in connection with the Easter week uprising in Dublin in 1916. It is understood that Mrs. Klecan is on her way to the United States on a political mission.

### PROVINCIAL FARMERS MARKET GRAIN

#### Ploughing for Next Crop; B. C. Apples a Good Crop

Winnipeg, Oct. 10.—(Canadian Press)—Grain is being marketed freely by prairie farmers and elevators at all points, according to capacity, according to a crop report issued to-day by the Department of Agriculture of the Canadian Pacific Railway. The labor situation throughout the three prairie provinces is generally fair.

**Ploughing.**

In Manitoba threshing was somewhat delayed in many localities. Ploughing is 25 to 30 per cent. finished, and is proceeding under favorable weather conditions.

Threshing is rapidly nearing completion in Saskatchewan and farmers are devoting their time to ploughing immediately the machines are pulled off.

Threshing operation were somewhat delayed in Alberta owing to rain. In Southern portions, a quantity of grain originally intended for green feed is ripening fast, and a few days of good weather will place it in condition for threshing.

In the Edmonton, Dunvegan and British Columbia Railway belt the weather has been fair and cool. Threshing is completed in nearly all districts. Marketing is light on account of farmers ploughing before hauling their grain to the elevators.

**British Columbia.**

Considerable rain had fallen in British Columbia during the past week. Apples have colored well and the crop is of a good quality. Late peaches are now over.

### \$365,000 FOR WORK OF CHURCH

#### Presbyterian Budget Figures Reported in Toronto Dispatch

Toronto, Oct. 10.—It was announced yesterday that Presbyterian budget receipts at the Toronto Presbyterian offices for the first nine months of September-30 were \$365,000, or almost exactly the same amount as for the first nine months of the year 1921.

On the other hand, the Presbyterian expenditures for the nine months of 1922 were \$488,000, or approximately \$123,000 less than for the same period last year.

The budget indebtedness of the church at the end of September this year was \$748,000.

### MRS. SKEFFINGTON VISITS THE STATES

Quebec, Oct. 10.—Among the passengers who reached here on board the steamship "Astoria" yesterday was Mrs. Skeffington, prominent in Irish republican circles, whose husband was executed in connection with the Easter week uprising in Dublin in 1916. It is understood that Mrs. Skeffington is on her way to the United States on a political mission.

saliva. That is there to constantly neutralize the acids which cause decay.

It multiplies the starch digestant in the saliva. That is there to digest starch deposits on teeth which may otherwise ferment and form acids.

These are Nature's great tooth-protecting agents. Each use of Pepsodent gives them manifold effect.

### COMMISSIONER OF THE RAILWAYS OF INDIA NAMED

London, Oct. 10.—(Canadian Press Cable)—The Government of India, says a Reuters dispatch from Simla, has appointed C. D. Hindley, at present chairman of the Commission of the Port of Calcutta, to be Chief Commissioner of Railways for India and to be solely responsible for advising the Government of India on matters pertaining to its railway policy.

### 707 SPEEDING PORTLAND MOTORISTS ARRESTED IN MONTH

Portland, Ore., Oct. 10.—Portland's speed "cops" arrested 707 motorists during September, according to the monthly report of the squad filed with Chief of Police Jenkins. Fines on arrests totaled \$2,961.

### TWENTY HURT IN STREET CAR DETROIT SMASH

Detroit, Mich., Oct. 10.—Twenty persons were injured, four seriously, in a head-on collision of two street cars last night. The cars were running at a rapid rate when one of them jumped across a switch, fouling the other track.

### GOVERNOR-GENERAL TO UNVEIL TABLET

Toronto, Oct. 10.—Lord Byng of Vimy, Governor-General of Canada, has marked his appreciation of the Canadian branch of the Barnardo Home by consenting to unveil a tablet, commemorative of the fact that 6,211 boys joined the C. E. F., and that 531 were killed in the Great War. The tablet is to be placed in their new memorial quarters in Toronto next Spring.

### RUMOR CABRAL WAS MURDERED

Portuguese Trans-Atlantic Aviator Reported Killed on Ship

Rio de Janeiro, Oct. 10.—A rumor was current here to-day that the Portuguese aviator Captain Sacadura Cabral, who with Captain Coutinho recently made a trans-Atlantic flight from Lisbon to Rio de Janeiro, had been assassinated aboard the steamship Porto, now on the way to Portugal. The Porto left Rio de Janeiro October 4.

The rumor could not be confirmed.

**MODEST.**

"I consider Wombat one of the greatest golf players in the world. 'You do'."

"Yes, he almost beat me once."

### Show Them What this new way does

No mother wants children to suffer what she may have suffered from her teeth.

Then teach them the new way of teeth cleaning. Show the prettier teeth it brings, the whiter, safer teeth. Or let them make this test, and see and feel the benefits themselves.

**Must fight film**

Dingy teeth and most tooth troubles are now traced to film. One must fight to avoid them.

Film is that viscous coat you feel. It clings to teeth, gets between the teeth and stains. Stains discolor it, then it forms dingy coats. Tartar is based on film.

Film also holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

No ordinary tooth paste effectively combats film. So, under old methods, very few escaped tooth troubles. Beautiful teeth were less often seen than today.

**Two ways found**

Then dental science, after long research, found two ways to fight film. One acts to curdle it, one to remove it, and without any harmful scouring.

Ability authorities proved these methods effective. Then dentists the world over began to advise their use.

A new-type tooth paste was created, based on modern research. The name is Pepsodent. Those two great film combatants are embodied in it for daily application.

**Its new effects**

Pepsodent brings other effects which research proved essential. It multiplies the alkalinity of the

### For dainty people

Pepsodent is now used by millions the world over. Careful people of some fifty nations have adopted it, largely by dental advice. Dainty people—those who care for whiter, cleaner teeth—will never go without it.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear.

One week will give you a new conception of what clean teeth mean. It will point the way to a new dental era, both for you and yours. Cut out the coupon now.

### 707 SPEEDING PORTLAND MOTORISTS ARRESTED IN MONTH

Portland, Ore., Oct. 10.—Portland's speed "cops" arrested 707 motorists during September, according to the monthly report of the squad filed with Chief of Police Jenkins. Fines on arrests totaled \$2,961.

### WAGE REDUCTION.

London, Oct. 10.—(Canadian Press Cable)—A Reuters dispatch from Sydney, Australia, says that Judge Rollin, of the Arbitration Court, has granted the application for a ten per cent. reduction in the wages of employees of the Newcastle Steel Works.

### CHEAPER GASOLINE

Chicago, Oct. 10.—A reduction of 2c a gallon in the price of gasoline and other naphtha products was announced to-day by the Standard Oil Company of Indiana. The new price will make the Chicago base for gasoline 19c at the tank wagon and 21c at the service station.

### BANK ROBBERY WAS PREVENTED

Two Men Arrested by Mounted Police in Saskatchewan

Winnipeg, Oct. 10.—Mounted police frustrated an attempt at bank robbery yesterday at Gull Lake, Sask., and arrested two men who are believed to be members of gangs that have terrorized border towns and looted several banks during the last two weeks.

**AUTO SKIDDED; THREE KILLED**

Monessen, Pa., Oct. 10.—A skidding automobile crashed through a fence near here last night, killing three persons and injuring three other occupants.

### Show Them What this new way does

No mother wants children to suffer what she may have suffered from her teeth.

Then teach them the new way of teeth cleaning. Show the prettier teeth it brings, the whiter, safer teeth. Or let them make this test, and see and feel the benefits themselves.

### Reconstruction is as old as the human race

THE process of bodily reconstruction is going on all the time. Day by day, little by little, the worn-out nerve cells and body tissues are rebuilt slowly but surely in Nature's way.

Grape-Nuts, with good, rich milk, supplies all the elements that Nature needs to build sound bone structure, strong nerves and firm, healthy flesh.

Made from wheat and malted barley, and scientifically baked for 20 hours, Grape-Nuts is a crisp, delicious, economical food in compact form, easily digested and readily assimilated.

There's more all-round nourishment for the money in a package of Grape-Nuts than in any other cereal food in the world.

"There's a Reason" for Grape-Nuts—the Body Builder

Canadian Postum Cereal Co., Ltd., 45 Front St. E., Toronto

UP TO ANGORA.

With the Angora Government now rests the responsibility for giving effect to the armistice convention. The revised conditions are described by General Harington as the extremity of concessions.

European society who can draw the line at Leningrad? And the names simply mean the Russian and the Turk. How can the United States be expected to look with favor on the League of Nations or upon any modified form of entrance into European affairs?

The wife of the British Prime Minister has declared that her husband contemplates devoting much of his future to the cause of peace. If that should be the case and he should elect to remove his influence from the immediate political sphere he could do no better than come to the United States and preach British-American friendship.

PAYING STATE RAILWAYS.

Government-owned and operated railways are not always guilty of piling up deficits. For the first three months of the present year the railways of South Africa paid the Union Treasury a profit of \$150,000.

It may be some time before the new Chairman of the Canadian National Railways will be able to present a report to the Government that will give the taxpayer of this country anything in the nature of a thrill of delight.

GERMANY AND THE LEAGUE.

Mr. Lloyd George has informed the British Labor Party that if Germany should apply for membership in the League of Nations Great Britain would support her plea and recommend her for a seat on the Council.

From time to time we are told by responsible investigators that Germany is secretly organizing for another war by concentrating her enterprise upon manufactures closely allied to the production of war material.

EXPLODING A BUBBLE.

There are people still living in this essentially practical world who consider that a set of golf clubs is an excellent match for grey hairs and a stooping gait.

zen whose victory establishes his right to claim the golfing honors of the world for the time being. This latest and his other triumphs mean that he is not a "flash in the pan," that youth must be served in golf as in almost every other form of outdoor sport.

NOTE AND COMMENT

Political wire pullers in Great Britain will be working three shifts a day now until they believe that the Prime Minister will writ under the attack.

Cases which have been received by the Royal Commission investigating the G. W. V. A. charges against the Pensions Board indicate a peculiar attitude on the part of some of the medical advisers to the body in question.

Colonel Wedgwood thinks that before the next election in Great Britain the Conservatives and Mr. Lloyd George will part company. The trouble with the members of the Tory Party at the present time is that they are not at all sure how many of them will be left at Westminster after they have doffed their coalition raiment.

TUBERCULOSIS WAS DISCUSSED

Pensions Board Commission Sits in Ottawa

Ottawa, Oct. 10.—More typical cases of alleged failure to grant proper pensions were submitted by the G. W. V. A. this morning to the royal commission investigation of G. W. V. A. charges against the Pensions Board.

Dr. W. A. Burgess, medical adviser to the Pensions Board, expressed the view that the man did not have tuberculosis on discharge, but admitted that when, subsequent to discharge, he was admitted to hospital as a tuberculosis suspect, he might then have had tuberculosis.

There is a theory now, remarked Dr. Burgess, that bronchitis gives immunity to more serious respiratory diseases because you take care of the bronchitis.

DIRIGIBLE FLIGHT IN UNITED STATES

Rosefield, Arcadia, Cal., Oct. 10.—The army dirigible C-2, which recently flew here from Langley Field, Newport News, Va., will start its return flight at 8:30 o'clock to-night.

LARGE CONCOURSE AT FUNERAL OF REV. J. L. BATTY

The esteem in which the late Rev. J. L. Batty was held was shown in the large attendance at the Centennial Methodist Church yesterday afternoon, when the funeral service for the late pastor of the church was held.

As close friends of Mr. Batty, Revs. S. Cook and W. Lashley Hall delivered addresses expressing tributes to the departed.

Many beautiful flowers were sent, many carriages following the hearse to Ross Bay Cemetery, where the committal service was read by the Rev. Lashley Hall.

REFUSE TO PRINT MORE COPIES OF SHORTT'S REPORT

Council Asked to Redeem Pledge; Finance Committee Rejects Request

Businessmen who brought Dr. Adams Shortt here early last summer to investigate the city's financial position appeared before the Civic Finance Committee yesterday and accused the City Council of breaking faith with them in failing to distribute to every taxpayer a copy of Dr. Shortt's report.

When the Finance Committee reports to the Council on the matter at its next meeting it is expected that a majority will fight for the further distribution of the report anyway. They hold that the Council is morally bound, even if there is no written agreement on the point, to distribute the report to all the taxpayers.

HORSE DRUGGED BEFORE A RACE

Cruelty to Animals at U. S. Tracks Discovered

New York, Oct. 10.—The alleged drugging of a horse entered in a race at Jamaica Bay racetrack is being investigated by Jockey Club stewards. The horse, a Gladiator, owned by J. L. Holland, was found plunging about in his stall.

## LEADING FAMILIES UNITED BY SMART WEDDING TO-DAY

### Nuptials of Capt. Lancelot Duke and Miss Armine Pemberton

With a beauty of appointment which marked the wedding as one of the most beautiful ceremonies of the year, the nuptials of Miss Armine Pemberton, eldest daughter of Mr. and Mrs. Frederick Barnard Pemberton, of “Mountjoy,” Victoria, and Capt. Lancelot de Saumarez Duke, eldest son of Dr. and Mrs. Valentine de Saumarez Duke, of Saanich, was solemnized this afternoon at 2.30 at Christ Church Cathedral. The ceremony was performed by Col. the Rev. G. H. Andrews, rector of St. Mary's Church, in the presence of a large congregation, which included representatives of many of the leading old-time families.

The interior of the cathedral was a bower of flowers, the decorations being the handiwork of friends of the bride. Flame colored begonias were massed around the font, clusters of the same flowers and bows of white satin ribbons marking the guest seats. Michaelmas daisies, graceful goldenrod, bronze chrysanthemums and white asters lent their color to the setting, while asters of palest pink and white were reserved for the altar.

A profusion of flowers in the lovely colorings of Autumn graced the chancel rails and composed the arch under which the bridal party stood during the ceremony. The service was fully choral. Mr. Pemberton gave his daughter in marriage, she looking very beautiful in her simple wedding gown of ivory charmeuse in tulle length. Fashioning the sleeves and falling in graceful cascades on either side of the gown was a beautiful old Limerick lace bertha, caught to the waist-line on either side with silver roses. Her train, consisting of three yards of gold and two diamond buckles at the shoulders and was composed of an exquisite old Limerick lace scarf, a family heirloom, which with delicate pink georgette and mounted on cloth of silver. She wore a veil of old needle-net, another family heirloom, exquisite in its fine mesh-work.

The bride's vestment included five attendants, in quaint frocks of early Victorian suggestion, with long-waisted, tight-fitting bodices of satin, finished at the arms with long, narrow, pointed, and two-tiered full-skirted and two-tiered full-skirted of eero-net, piped in a color to match the bodice. Miss E. M. Pemberton, the maid of honor, wore a becoming hat of black panne velvet trimmed with gold lace; Miss Ruby Duke, sister of the bridegroom, wore a black and white sassy; Miss Daisy McDowell, orchid; Miss Eugenia Fuller, rose color, and Miss Grace Robertson, powder blue. All wore hats of black panne velvet trimmed with silver lace and carried quaint early Victorian posies of mixed flowers.

Mr. Nairn Robertson supported the bridegroom. The bridesmaids were Messrs. Roy Hadley, Dick Fuller, W. C. Merston and Dennis Duke. After the ceremony a reception was held at “Mountjoy,” Foul Bay Road, the home of the bride's parents. Capt. and Mrs. Duke received the many guests in the music room, which with the hall and reception rooms, was admirably arranged. A profusion of flowers from the lovely old garden, mauve Michaelmas daisies, pink pentstemons and asters of palest shades predominated. They were assisted in receiving by Mrs. F. E. Pemberton, mother of the bride, who wore a gown of dark blue Canton crepe, heavily beaded, and smart toque of silver cloth and navy panne velvet, trimmed with feathers. Following the wedding breakfast and the observing of the customary toasts, Capt. and Mrs. Duke left on a honeymoon trip—the bride traveling in a most becoming gown of tobacco brown tulle marocain with black and white tulle and which she wore a smart wrap of brown velvet and a becoming hat of brown mirror velvet faced with finely pleated tulle ribbon finished with a flowing veil of brown and blue.

At the christening, which was held at the home of the bride's parents, Capt. and Mrs. Duke received the many guests in the music room, which with the hall and reception rooms, was admirably arranged. A profusion of flowers from the lovely old garden, mauve Michaelmas daisies, pink pentstemons and asters of palest shades predominated. They were assisted in receiving by Mrs. F. E. Pemberton, mother of the bride, who wore a gown of dark blue Canton crepe, heavily beaded, and smart toque of silver cloth and navy panne velvet, trimmed with feathers. Following the wedding breakfast and the observing of the customary toasts, Capt. and Mrs. Duke left on a honeymoon trip—the bride traveling in a most becoming gown of tobacco brown tulle marocain with black and white tulle and which she wore a smart wrap of brown velvet and a becoming hat of brown mirror velvet faced with finely pleated tulle ribbon finished with a flowing veil of brown and blue.

## Social & Personal

### Mr. H. B. Cadman, of Powell Street, has arrived at the Empress Hotel.

Mr. and Mrs. G. W. Pinner, of Vancouver, are guests at the Empress Hotel.

Mr. F. E. Proctor, of the Roseland branch of the Bank of Montreal, is spending his holidays in the city.

Mrs. Trotter Johnston and Mrs. Robert Barkley, of Duncan, are registered at the Empress Hotel.

Mr. and Mrs. Ray Castle have returned to Victoria, and are resident in their new home in Craigdarroch.

Mr. Alvah Cowry, who has been on the prairie for the past six months, is a visitor in town.

Captain W. C. Merston, who for the Summer months has been surveying in the Chilcoot district, has returned to Victoria.

Reverend Mr. and Mrs. Perrin, of Vancouver, have arrived in Victoria, and have taken up their residence on Parkview Drive.

Mr. Donald Hallam, of the staff of the Canadian Bank of Commerce, has been transferred to the branch in Vancouver.

Mr. and Mrs. Gerard Boulton (nee Jocelyn Innes) have returned from their honeymoon and are resident at 290 Government Street.

Mr. and Mrs. J. Milne announce the marriage of their daughter Agnes to Mr. Jack Day, on Saturday, October 7, at the Bishop's Palace, View St.

Mr. and Mrs. Godfrey Booth, of Seattle, arrived in Victoria yesterday, having come over for the Pemberton-Duke wedding to-day.

Mrs. Tysell Godman and her little son have returned to Victoria after a month's holiday at Banff. For the present they are guests at the Empress Hotel.

Mr. and Mrs. Kelson King and Miss Kelson King, who recently arrived in Canada, on the Empress of France, will arrive here next week on the next steamer to the An.

Mrs. Ed. Gray, of Joseph Street, entertained a few friends on Saturday evening in honor of Mr. and Mrs. Hartnell (nee Winifred Fisher). An evening of music and dancing was enjoyed.

### TO BEGIN COMMUNITY DANCES TO-MORROW

### Canadian Scottish Commence Series of Popular Dances Wednesday Evening

The Sixteenth Canadian Scottish Battalion will begin to-morrow evening at the new Drill Hall on Bay Street a series of community dances and entertainments which are to be held hereafter every Wednesday evening throughout the coming season. The brass band of the battalion, under the leadership of Bandmaster Miller, will play an excellent dance programme, and as a small admission fee is to be charged it is anticipated that these entertainments will prove very popular.

The pipe band of the battalion will also be in attendance. For those who do not dance arrangements have been made for a military five hundred tournament, arrangements for which are in the hands of C. Q. S. Fyvie.

This is the inauguration of the social season by the battalion. The drill season commenced on Thursday last, and parades will be held throughout the Winter on Monday and Thursday, the latter being the weekly drill parade, while the former evening will be devoted to gymnastics and sport. The swimming bath will also be available on that evening.

### HEARTLESS FATHER

Marion: “George was the goal of my ambitions.”

Marion: “But what?”

Marion: “Father kicked the goal.”

### SEVERE ITCHING BURNING PIMPLES

Over Face and Neck. Face Disfigured. Cuticura Heals.

“My trouble began with a rash which later turned to pimples. The pimples were quite large and of a reddish color, and were scattered all over my face, neck and forehead. The itching and burning were so severe that I could not help scratching. My face was disfigured for about a year.

“The trouble lasted about a year before I began using Cuticura Soap and Ointment. They afforded relief within two weeks, and at the end of six weeks I was healed.” (Signed) Clarence J. Burrell, 474 Tyler St., Pittsfield, Mass., Jan. 4, 1921.

Use Cuticura for all toilet purposes. Cuticura Soap 25c. Cuticura Ointment 25c. Sold everywhere. Cuticura Soap 25c. Cuticura Ointment 25c.

## WOMEN WANT TO ENTER MUNICIPAL ELECTION FIELD

### Local Council Considering Availability of Entering Candidates

A determination to continue its efforts to enter a woman candidate in the aldermanic field at the forthcoming election was voiced at the Local Council of Women yesterday afternoon. The matter was fully discussed and Mrs. J. D. Gordon, Mrs. H. P. Hodges and Miss Sara Spencer were elected a committee to investigate the advisability or possibility of securing the right women to enter the contest for the City Council, School Board and Police Commission, and to report fully at the next meeting.

### Child Welfare.

Child welfare matters occupied a large share of the time and attention at the meeting, important contributions to these questions being contributed by Dr. Irene Bastow Hudson, of Victoria, recently of England, and Miss Murray, secretary of the Anti-Tuberculosis League, of Providence, Rhode Island.

Dr. Hudson reviewed the system of welfare work in England, where it is run under the Ministry of Health and primary activities. The work is carried out in three periods, embracing all ages of the child from birth onwards through the nursery and primary schools. Under such constant inspection mental deficiencies and backward children were early singled out and placed in special schools. Also this method discovered the crippled and blind children, who hitherto had received no schooling, and provided educational facilities for them.

Methods of inspecting the school children, open-air and convalescent schools, were also referred to. Children in the first stages of tuberculosis were early detected and sent to these schools.

### Victoria's Need.

Commenting on Dr. Hudson's address, Mrs. Schofield, the president, said it brought home with special force Victoria's handicap in the absence of a special school for crippled children, and institution for crippled, an open-air school and a creche.

### Equal Morals.

Mrs. Lindsay was appointed convener of the Equal-Morals Standard Committee with Mrs. Schofield, Mrs. Spofford and Mrs. Gordon. Mrs. Schofield asked members for an expression of their views on the subject, with a view to their incorporation in a pamphlet which the Local Council of Women had been asked to present to the Provincial Council of Social Hygiene.

### Universities' Appeal.

In response to an appeal from the Alma Mater Society of the University of British Columbia asking for support in a campaign to urge the Provincial Government to push the work on the University buildings at Point Grey, the meeting endorsed the campaign. The Council instructed the secretary to send greetings to the Women's Institute conference which will open to-morrow; Mrs. Galbraith announced plans for a rummage sale to be held on Saturday, October 21.

### I.O.D.E. CARNIVAL CANCELLED

The following announcement was made yesterday by the I. O. D. E.: “The Autumn Carnival and I. O. D. E. Carnival, to be held at the Armories at the end of October under the auspices of the Imperial Order, Daughters of the Empire, has been cancelled.”

H. S. Sampson, Regent, Municipal Chapter. I. O. D. E. JEAN C. MILLER, “Hon. Secretary.”

### HARVEST FESTIVAL SERVICES A SUCCESS

### Objective of \$600 Passed by First Congregational Church

The Harvest Thanksgiving services at the First Congregation Church on Sunday were, according to the general consensus of opinion, the most successful in the history of the church. Every department and club in the church life from the primary department in the Sunday School upward took most active interest. The financial objective voluntarily set by the people themselves was \$600, and the total thank-offering was well over this amount—a most gratifying result.

Last evening a Harvest Thanksgiving supper was served cafeteria style in the church hall under the auspices of the Women's Institute. The supper was opened with the doxology and “God Our Help in Ages Past.” Solos were contributed by Mr. Davies, Mrs. Patterson, Mrs. Caldwell and recitations by Miss Gibson, Miss W. Scowcroft officiating as accompanist.

Mr. Joe Barrett at the piano led the singing of “Keep the Home Fires Burning.” The evening closed with application to the boyhood of the church by the signing of pledges for a weekly offering. A pleasant feature was the exchange of greetings with the First Congregation Church, of Hamilton through Mrs. and Miss Urry, of that church, who were guests of the supper. The evening closed with the singing of “Auld Lang Syne.”

### VANCOUVER MAN TO MARRY SWEETHEART OF HIS BOYHOOD

Montreal, Oct. 9.—Bound for Vancouver to marry a girlhood sweetheart, whom she had not seen for twenty-five years, Mrs. Ada Wakefield, of London, Eng., was one of a party of eight prospective brides who landed here last night from the White Star-Dominion liner Canopic. Her arrival in the West will end a romance which was continued, in spite of the fact that both parties married in the interval. Each is now free, and it was the recent mutual discovery of this fact that caused a renewal of the old correspondence and the invitation to Mrs. Wakefield from John Thompson, a business man of Vancouver, to make a new home in the western city.

And, caught up at last in the enormous machinery of the war, his feelings towards the war underwent a great change. First in the training camp in Dorsetshire, afterwards, and much more so, in the trenches in Flanders, it was only by a deliberate effort that he would recapture, now and then, the old tremendous emotions in the thought of England challenged and beset. He turned to it as stimulant in moments of depression and of dismay, in hours of intense and miserable loathing of some conditions of his early life in the ranks, and later in hours when fatigue and bodily discomfort reached degrees he had not believed it possible to endure—and go on with. He turned to it as stimulant and it never failed of its stimulant effect. “In it, What does this matter? This is the war, it's the war, those infernal devils.” If these frightful things were being done in England! Imagine if this was in England! “Thank God I'm in it. There you are! I'm absolutely all right when I remember why I'm here.” And enormous exaltation of spirit would lift away the loneliness, remove the loathing, banish the exhaustion, dissipate the fear. The fear—“And thy right hand shall show these terrible things.” He was more often than once in situations in which he knew he was afraid and held fear away only because, with his old habit of introspection, he knew the force of a terrible thing that sought mastery of him and by sheer force of mental detachment must be held away where it could be looked at and known for the vile thing it was. In such ordeals in Flanders, he got the habit of saying to himself between his teeth, “Six minutes; six hours; six days; six months; six years. Where is he will I be? It somehow helped. The six minutes would go, and one could believe that all the periods would go—and wonder where they would find one.

### V.I.A.A. DANCE TO AID BILLY MUIR

The V. I. A. A. rugby and lady basketball players will hold a dance at the Vogue Cabaret on Thursday evening in aid of the Billy Muir fund, when all of the door receipts will go to this fund. Several very good turns have been secured and the orchestra has been enlarged for the occasion. Dancing will be from 8 to 12. Tables can be reserved by telephoning Mrs. Rendall at the Cabaret.

Temporary in abeyance, a kind of transmigration in which he occupied from whose most strange personal life, often so amazingly upon the identity that was his own, waiting his return.

And it was when, in thought or fleeting action, he came in touch with that old, waiting identity, that seemed—transient as falling stars but moved into his horoscope as planets—and remained.

He first went to France, in one of the long string of Service battalions that had sprung out of the ranks in the June following his enlistment. Mabel had not wished to make any change in her manner of life while he was still in England in training and she did not wish when, at home three days on his draft leave, he discussed it with her. She much preferred, she said, to go on living in her own home. She was altogether against any idea of going to be with her father at Tidborough, and there was no cousin “or anybody like that” (her two sisters were married and had homes of their own) that she would care to have in the house with her. Relations were not very well in their right place but sharing the house with you was not their right place. She had plenty to do with her war work and one thing and another. It was the matter of alleviating loneliness, she did make any change at all; it might be to get some sort of paid companion; if you had any one permanently in the house it was much better to have some one in a dependent position, not as your equal, upsetting things. (To be Continued.)

Objective of \$600 Passed by First Congregational Church

### They Do a Hundred Calories in About 9 3/4

EAT a box of little raisins when you feel hungry, lazy, tired or faint.

In about 9 3/4 seconds a hundred calories or more of energizing nutriment will put you on your toes again.

### ROYAL VICTORIA THEATRE NEW FEATURE

### Introduces Spotlight Game for Hard Cash Prizes

Fun for all and profit for some of the audiences attending the Royal Victoria Theatre this week is furnished by a new departure which the management has introduced in emulation of the leading theatres in the Old Country.

Before each of the performances “the Royal Spotlight” plays over the heads of the audience which awaits with anxious expectations the settling down of the rays on some particular head, the owner of which is entitled, upon calling at the box office to the sum of two dollars and fifty cents in real cash, through a slip system operated through the ushers.

There was a large attendance at last night's splendid offering of “Kindred Dust” and other features, and the members of the audience picked out by the spotlight for the \$2.50 awards were Miss Jean Naysmith and Walter Lind, of Victoria.

Another new attraction inaugurated by the Royal Victoria is the lobby decorations portraying the principal feature of the play being offered at the time.

The prizes which will be given for the children at the Saturday matinee will please the youngsters. They are keepsie lamp shades.

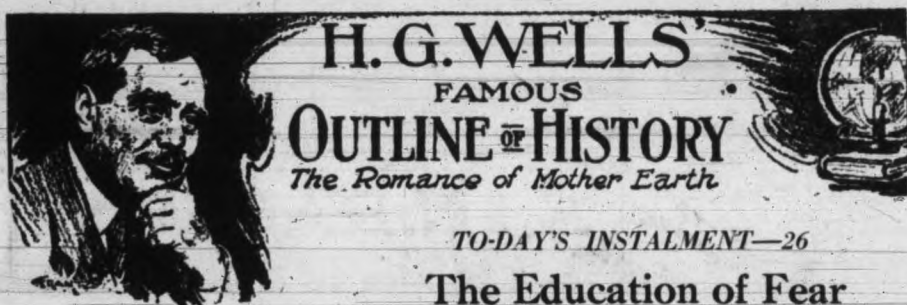

No, Alpheus, you can not grow an electric light plant just by sticking a switch in the ground; they must be grown from the bulb.—Exchange.

H.G. WELLS FAMOUS OUTLINE OF HISTORY The Romance of Mother Earth

TO-DAY'S INSTALMENT—26

The Education of Fear

Certain very fundamental things there may have been in men's minds long before the coming of speech.

play in the adaptation of the human mind to social needs. They have made an exhaustive study of childhood and youthful dreams and imaginations.

imitative education and to the education of cuffs and bows conducted by a speechless parent.

Interviewed on the question of institutions for drug addicts, as stated by Commissioner Stenland to be under consideration in Eastern Canada, Magistrate Jay, told The Times to-day that the move was in accordance with proposals that he has advocated for many years.

The Board will make an effort to secure from the Department of Education a supply of flowering shrubs for those school grounds which are suitable.

Superfluous flesh is not healthy, neither is it healthy to diet or exercise too much for its removal.

J. R. Anderson last night told members of the Natural History Society about the flora and fauna of New Zealand, which he studied during his recent visit of a year.

W. N. Kelly presided, and enrolled eight new members. On October 23 Assistant Engineer Halkett, of the Dominion Public Works, will talk on "Tides."

FIGHT MAY RE-OPEN IN SAANICH AGAINST HIGH SCHOOL COURSES

Chairman Holloway Would Charge Parents for High School Service City Loses Ratepayers While Making School Revenue From Saanich

With data about attendance of Saanich pupils at Victoria, Oak Bay and Esquimalt High Schools before him, Chairman Holloway, of the Saanich School Board, last night attacked the provision of technical and commercial courses.

After voting that this year Saanich must pay \$14,620 at least for about 175 students, 36 pupils more than in 1921, made up of 162 at Victoria, 10 at Oak Bay and 2 at Esquimalt.

Trustees Hull agreed, suggesting that such a referendum should be on the principle of charging fees of fifty per cent. of the cost of High School education.

Chairman Holloway then remarked, "I am surprised the city allows Saanich pupils to attend its schools. It is so shortsighted! Every year sees Victoria residents moving into Saanich to get lower taxes, because their children can still get all the benefits of the city's expensive school plant and extensive curriculum.

The attendance at Saanich schools continues to show expansion, the Board being informed that 1222 pupils were on the school rosters in September, this being an increase of 85 over the attendance in June.

The Board will make an effort to secure from the Department of Education a supply of flowering shrubs for those school grounds which are suitable.

ZONE SYSTEM IN ESQUIMALT DEBATED

Council Will Further Consider it; Want Liquor Profits

The question of dividing Esquimalt municipality into zones, and defining sections which shall be used for residential or commercial purposes was discussed by the Council at last night's meeting.

An amendment to the Municipal Act, 1921, authorizes prescribed areas within which only private dwellings may be built and provision is made for the prohibition of factories, warehouses, garages, shops and stores or the carrying on of noxious trades or manufactures.

The Council granted permission for tagging in Esquimalt on November 4 to raise funds for the purchase of instruments for the Juvenile Pipe Band.

Reeve Lockley again raised the question of the division of the municipality's share of the liquor profits. He said that the Government appeared to be firm on the point that 25 per cent of the amount allocated to Esquimalt must be turned over to hospitals where Esquimalt residents received treatment.

Reeve Lockley expressed the conviction that at the next sitting of the Legislature the whole question of the division of liquor profits to the hospitals would be taken up and placed on a more satisfactory basis.

Superfluous flesh is not healthy, neither is it healthy to diet or exercise too much for its removal.

NEWS AND NOTES OF THE MINES

Trail Shipments. For the first nine months of 1922 ore receipts at the Trail smelter were 317,511 tons, of which 10,878 represented the last nine days of September.

The mining prospects of the Smithers District are having the effect of giving business an impetus at the Bulkley Valley centre according to E. E. Orchard, of Smithers.

W. N. Kelly presided, and enrolled eight new members. On October 23 Assistant Engineer Halkett, of the Dominion Public Works, will talk on "Tides."

FIRST OFFICER TO BE ELIMINATED ON ADMIRAL LINERS

SS. President McKinley, Here Yesterday Afternoon, Met Typhoon in China Sea

With the arrival of the American liner President McKinley from the Orient yesterday afternoon it was learned that the Admiral Line, operators of five large United States passenger and freight ships between Seattle and the Orient via Victoria, have decided to eliminate the berth of first officer aboard the trans-Pacific ships.

It is expected that the new arrangement will take effect with the departure of the liner President Madison on Saturday next for the Far East. The ships of the fleet carry a chief officer and first officer. The chief officer has full control of the deck duties, while the office of first officer is similar to that of staff captain on the Canadian Pacific Empress line. Economy is said to be the reason for the change on the American boats.

McKinley's Passage The President McKinley docked here at 3.10 p.m. yesterday from the Orient. The standing time of the McKinley between Yokohama breakwater and William Head was nine days fifteen hours and fifty minutes.

White bound from Manila to Hongkong the McKinley encountered a bad typhoon in the China Sea which lasted for four days. The ship came out of the dusting with a scratch, and Capt. Gerard T. January spoke enthusiastically of the way in which his command handled under adverse conditions. Her greatest roll, south of the McKinley, was forty-three degrees, while the average roll during the course of the typhoon was twenty-three degrees. The wind blew with hurricane force and at Hongkong it was registered at seventy-four miles an hour.

The McKinley was within forty to fifty miles of the centre of the typhoon, Capt. January reported. The McKinley brought in forty-six saloon passengers and over 100 Asiatics in the steerage. Her cargo included 600 tons of raw silk. She left here at 5.30 p.m. for Seattle, taking part of her Victoria freight on to the Sound port.

SIR HENRY DUKE ELECTED PRESIDENT MARITIME COMMITTEE

London, Oct. 10.—The 13th conference of the international Maritime committee opened in London yesterday. Sir Henry Duke, of the Admiralty Court of England, was elected president and Judge Hough was elected vice-president. The agenda to be presented at the Brussels meeting of the committee was discussed.

SUNRISE AND SUNSET.

SIR WILLIAM SCHOOLING IS RETURNING HOME

Noted Historian Left Quebec on Board Liner Empress of France

Among the saloon passengers leaving Quebec on the last outward voyage of the Canadian Pacific liner Empress of France for Southampton was Sir William Schooling, who has just completed a six months' tour of Canada for the purpose of compiling a new and comprehensive history of the Hudson's Bay Company.

NEBRASKA MAKING EXCELLENT TIME

Royal Mailer Averaging 13 Knots: To Load Apples on Outward Trip

Seattle, Oct. 10.—The big steamship Nebraska, one of the insulated carriers of the Royal Mail Steam Packet Company operating between this coast and North Europe, has been averaging thirteen knots an hour bound from London. She is due here October 19 to load the first large shipment of apples from Puget Sound for British ports this season.

Decorations for military service in the Boer war and in the world war lost by Col. E. J. M. Naah, resident agent of the Royal Mail Steam Packet Company, when the steamship Governor went down in April, 1921, were duplicated by the British Government. The duplicates were received today by Col. Naah.

News from the Ocean Lanes

SOME CHANGES MADE IN RATES

Result of Re-organization of Pacific Westbound Conference

San Francisco, Oct. 10.—Several preliminary changes having been made in the rates of westbound traffic arriving here on export bills of lading as a result of the reorganization of the Pacific westbound conference, the latest schedule will stand until October 30. At that time there will be a meeting here of the Northwest steamship operators and the San Francisco companies engaged in the Oriental trade and a new schedule on all commodities will be adopted.

The local bureau of the Pacific westbound conference expects thirty steamship men from Seattle, Portland and Vancouver. The conference here will last two or three days.

The Matson steamer Maui will arrive from Honolulu today with a large cargo of island products and 151 cabin passengers. The cargo includes 101,315 cases of canned pineapples, which is considered an exceptionally large shipment.

A survey of the freighter Walter A. Luckenbach was made yesterday and revealed the vessel leaking. It was reported that the Luckenbach which was damaged in a collision with the tanker Lyman Stewart, last Saturday, in Golden Gate straits, will be placed in drydock today.

The import and export records of the marine department of the Commerce for the month of September show that from January to September less cargo was imported from and exported to the Orient than during a similar period last year. It is now believed that Oriental tonnage both inbound and outbound will be much smaller this year than in 1921.

FISH EGGS COLLECTED BY HATCHERY BRANCH

Over 1,121,000,000 of Different Species Assembled in 1921

Ottawa, Oct. 10.—More than 1,121,000,000 fish eggs of the different species were collected by the hatchery branch of the Department of Marine and Fisheries during 1921, according to a report made by the Deputy Minister of Fisheries to Hon. Ernest Lapointe. In addition to the eggs collected by the department 600,000 rainbow trout eggs and 950,000 speckled trout eggs were purchased from commercial firms; 567,000 rainbow trout eggs, 200,000 cut throat trout eggs, 200,000 speckled trout eggs and 85,000 brown trout eggs were received from federal and state departments of the United States in exchange for Atlantic salmon eggs.

The Empress of Canada, a twin screw gear turbine passenger liner of 22,000 tons, made her maiden voyage this morning and now on her third trans-Pacific voyage, she is the largest mail and passenger steamship on the Pacific. The Empress of Canada has an overall length of 825 feet, is 77 feet 3 inches in breadth and 53 1/2 feet in depth to the bridge deck with a straight stem and cruiser stern.

SIR EDWIN CORNWALL SAILS FOR ENGLAND

Montreal, Oct. 10.—The Right Hon. Sir Edwin Cornwall, Bart., M.P., Deputy Speaker of the British House of Commons, who headed the Empire parliamentary party on its recent visit to Canada and across the Dominion, sailed today on the liner Mellita for Southampton. His sister, Miss L. Cornwall, of London, is returning with him.

ACIDS IN STOMACH MAKE FOOD SOUR

CAUSE INDIGESTION

"Experience has taught me that most people who complain of stomach trouble and indigestion possess stomachs that are perfectly healthy and normal. A well-known authority. The real trouble, which causes all the sourness, gas, pain, is excessive acid in the stomach. This acid irritates the delicate stomach lining, sours and ferments the food before the point of digestion is reached."

Artificial digestants are not needed in such cases. They give only temporary relief, do not correct the cause and often do great harm. A better plan, if you suffer from indigestion, is to drink a glass of hot Magnesia water made from a teaspoonful or four tablets of pure Bisulphate of Magnesia which can be obtained from any reliable druggist. This instantly neutralizes the acid, sweetens the stomach and your meal digests naturally without pain. Try this for a few weeks and see if your stomach does not feel one hundred per cent. better. (Adv.)

AUSTRALIA WILL GO TO SEATTLE

Vancouver, Oct. 10.—The Canadian Pacific liner Empress of Australia will leave here this evening. It is said, for Seattle, where the bent shaft of her port engine will be straightened or renewed. She is scheduled for discharging freight on Monday.

MAJOR LEAGUERS LEAVE ON CANADA FOR THE ORIENT

Party of Noted Baseball Players Leave Here October 19 for Far East

Consent has been granted by Judge Landis for a team of Major League baseball players representing the leading American teams to tour the Orient. The party designated the American game has given to the public, who will be accompanied by their wives. The players will set sail from Vancouver and Victoria on October 19 on the Canadian Pacific.

The Empress of Canada for an extended tour, visiting Japan, Korea, Manchuria, China, the Philippines and Hawaii.

Those in the party include Leslie Bush, of the New York Yankees, and Mrs. Bush; Bob Falk, Chicago White Sox; Fred Hoffman, New York Yankees; Walter Hoyt, New York Yankees; and Mrs. Hoyt; Dr. John Lavan, St. Louis Cardinals; Herbert Harrison Hunter, George Kelly, New York Giants; Emil Neusel, New York Giants; Griffith, Brooklyn Robins; Neff, New York Giants, and Mrs. Neff; Frank O'Neill, of the New York Evening Sun, and Mrs. O'Neill; Herbert Pennock, Boston Red Sox; Pennock, Louie Sewell, Cleveland Indians; Riggs Stephenson, Cleveland Indians; Ames Strunk, Chicago White Sox, and Mrs. Strunk.

The party will be in charge of Herbert Harrison Hunter, who is well known throughout the Orient because of the accomplishment of the Majors League while in Japan. Keio-de Universities, two of the most popular institutions of learning in Japan. He is also highly esteemed in Major League circles, having been elected captain of the Giants, Cubs, Sed Sox and Cardinals.

Two distinct features of this tour headed by Mr. Hunter are first, the Majors League players while in Japan, where they play a series of twelve games stretched over a period of five weeks beginning November 4, will be the guests of Waseda and Keio-de Universities, second, the enterprise purposes solely to stimulate interest in American national game in Japan and to develop a keener sense of the value of athletics and clean sports.

Honolulu will be visited on the return trip reaching San Francisco late in January.

The Empress of Canada, a twin screw gear turbine passenger liner of 22,000 tons, made her maiden voyage this morning and now on her third trans-Pacific voyage, she is the largest mail and passenger steamship on the Pacific. The Empress of Canada has an overall length of 825 feet, is 77 feet 3 inches in breadth and 53 1/2 feet in depth to the bridge deck with a straight stem and cruiser stern.

BODY OF CANADIAN SOLDIER SOLEMNLY CONSIGNED TO DEEP

Norman C. Brown, of McKinley's Crew, Succumbed to Pneumonia

Served in France With 88th Victoria Fusiliers

At 11 o'clock on the morning of October 6, the United States Shipping Board liner President McKinley stopped her engines for a few moments in mid-Pacific while a solemn service was enacted. It marked the burial at sea of Norman C. Brown, waterfitter employed on the ship, who succumbed to pneumonia at 10.30 o'clock on the night of October 5.

The late Norman C. Brown served in the German War, having joined up with the 88th Victoria Fusiliers, and left this city with that unit for France in 1916.

Mr. Brown had been twice gassed while in France.

The Episcopal burial service was read by C. R. Engle, a member of the McKinley company, who spoke briefly and feelingly over the mortal remains of his shipmate, after which a moment's prayer was offered up by the ship's company present. At a given signal the ship's engines were stopped and the flag-draped bier was sent over the side.

His Last Voyage. The little newspaper published aboard the liner President McKinley, following the death of Norman C. Brown, soldier and seaman, having fought the last fight, and made his last early voyage, began, yesterday, a series of reports which everyone must make alone to report to his Captain and Master. Symbolical of the departure of the spirit, service on the ship was held, and the body committed to the sea of peace.

"Brown was only twenty years old, but he had fought two of the greatest battles known to man, first as a member of the 88th Canadian Fusiliers, he served valiantly in the cause of Christian civilization in the World War in France and in Italy, and now he is a member of the crew of the ship which carries his remains to his home in the United States Navy. "Norman C. Brown contracted pneumonia nine days ago. His sickness furnished the occasion for one of those epic of the sea of which so little is known except to seafaring men. Doctor A. V. Marion, ship's surgeon; Mrs. Bagley and Mrs. L. W. Bagley, wife of the ship's surgeon, and Mr. Jaquass attended the patient with all the expertise and all the tender care that might have been lavished upon a man of such high position."

"To his last hour, Brown's mother, who died in his early childhood, came to answer him in his calling. For her, Science says it was delirium, but she felt that the spirit must be spiritually discerned."

"The tenement in which Brown's body was placed was appropriately enclosed in a coffin of stripes, and the colors were placed upon the casket by the chief officer. The captain and all his staff attended the final rites, which were conducted by C. R. Engle."

"The earthly body of Brown has found surcease from the anguish and suffering, in the bosom of the sea. Who shall say that his spiritual body has not found surcease from the sorrows and trials of life in the bosom of God.

MCKINLEY MORNING KICK COMPLETES SECOND VOLUME

Mimeographed Sheet Still Continues to Amuse Passengers

The "McKinley Morning Kick," the newsy little mimeographed newspaper, edited overnight by the irrepressible Jerry O'Keefe, and which "almost daily" finds its way to the staterooms of passengers traveling on the Admiral liner President McKinley when at sea, is still kicking. The "Kick" is a bright and amusing sheet giving in tabular form the news reports of the day picked up by wireless and amusing personalities contributed by the "staff" and passengers.

Mr. and Mrs. Gerli are accompanied by their son and daughter, Francis and Paulina. They are going through to New York, and a combined business and pleasure trip and will be gone about four months.

Mr. and Mrs. Ed. L. Conn are going to travel a little bit on the coast and will even take a trip around the world in the near future. Mr. Conn has been until recently connected with the Japan Times.

W. C. Pearce is just completing what has been a most interesting world tour. He left New York on February 18 and since that time has toured practically every country except South America. Mr. Pearce is the secretary of the World's Sunday School Association. While in Japan, he started the movement to build a large Sunday School in Tokio.

Mr. and Mrs. J. Valowick, a prominent merchant, is going through to Seattle. We were going to interview Mr. Walowitz, but as he was busy trying to get a flock of cod fish and the electric fan when we arrived, we thought better of it, and postponed.

Miss Florence V. Stone and Master James F. Stone, are going to Seattle. Doctor G. G. Campbell has been physician in charge of a number of rubber estates in Borneo for the past six years.

J. W. Zeigler is going through to Seattle. Zeigler is a prominent business man of Manila making the trip with a view towards bettering his business connections in the Far East.

William Bannan, special Far Eastern representative of the War Department, is returning home for a rest. Mr. Bannan has spent the past number of months on a very trying and hazardous association trip around Vladivostok, and through North China.

T. E. Doremus, of the Dupont de Mours Company, is returning to the United States on a business trip. Ernest Brunner is going to Seattle, after which he will proceed to New York for about two months before going to Europe. Mr. Brunner is the Singapore manager of the J. E. Jaeger Company, of New York, and has just come from Singapore.

Mr. and Mrs. R. D. Walcott, accompanied by Master Roger and Misses Mary and Constance Walcott, are returning home to North Dakota. Mr. Walcott is with the Chang Shu Salt Commission and is taking this as a vacation trip.

J. A. Sloan goes through to Seattle from which place he will proceed home. He has been spending the past three months traveling through Korea, Japan, and Northern China, and was in as far as Harbin. Mr. Sloan is accompanied by Mr. Orwig, who made the entire trip with him.

G. B. Orwig is another member of the fourth estate. Chen Sen Mo is traveling through to Seattle from which place he will proceed east to an American university to complete his education.

Seattle, Oct. 9—Arrived: Empress of Canada, Orient; Chicagosaw City, Seattle; Pedro Christopheron, Sweden; Celtic Star, Seattle; Somedona Maru, Seattle. Sailed: Craftman, United Kingdom; Canadian Rover, San Francisco.

Portland, Oct. 9—Arrived: W. S. Porter, Los Angeles; Senator, San Francisco. Sailed: W. S. Porter, San Francisco.

San Francisco, Oct. 9—Arrived: Manulani, Kahului; Nevada, Seattle; Alaskan, Astoria; Waihemu, Vancouver; Frank G. Drum, Astoria; Daisy Gadsby, Aberdeen; Ana Tina, Yokohama; Cotton Plant, Coox Bay; Stanley Jollar, New York.

Time may be the greatest healer, but marriage is the big revealer.

MONTREAL SHIP TRAFFIC LEAPS

Total of 722 Ocean Vessels Docked Against 636 Last Year

Montreal, Oct. 10.—According to figures furnished by Captain J. C. Brown, Port warden of Montreal, the total number of ships arriving here up to Sunday evening last was 722 ocean steamers as against 636 in the same period last year.

Respective tonnages were 2,681,506 against 2,080,570 for 1921. Up to the same date 175 coasting vessels had arrived as compared with 138 in the same period of 1921.

NOTICE TO MARINERS

BRITISH COLUMBIA (165) Burward Inlet—English Bay—False Creek—Depths in Channel. The channel approaching and leading into False Creek is not as shown on Admiralty chart No. 1322. Burrard Inlet, the channel being irregular and with varying depths the minimum being 2 feet. L. W. O. T. in the swing span of the outer or northwestern bridge crossing the creek.

(166) Observatory Inlet—Granby Bay, Alice Arm, and Approaches—New Edition of Chart.

A new edition of the chart, Granby Bay and approaches, and Alice Arm and approaches, numbered 177 of the Canadian Hydrographic Survey, corrected to March, 1922, has just been published. Copies may be obtained from the Hydrographic Survey, Department of Marine and Fisheries, Ottawa, for twenty-five cents per copy, payable in advance.

(167) Chatham Sound—Tree Bluff—Character and Color of Buoy. Position—In 8 fathoms, off the bluff; Lat. N. 54 degrees, 25 minutes 44 seconds; Long. W. 130 degrees, 20 minutes 35 seconds; taken from Canadian Hydrographic Survey Chart No. 303 (Edition, May, 1920).

Description—Red steel conical buoy.

The sweet young thing looked up at the big, brown-faced bachelor, and sighed.

"Mr. Calthorn," she said, "may I ask you a question?"

"Why, yes, of course you may."

"Then why have you never married?"

He looked down at her, and smiled.

"Once upon a time," he said, "I trod on a lady's foot in a crowded lift. She turned furiously and began: 'You clumsy brute!' Then she said sweetly: 'Oh, I beg your pardon, I thought you were my husband!' So, it really doesn't matter in the least! And so, on thinking things over, I thought marriage was better left alone."

**SCARED THE SNAKE**

Jimmy who was inclined to be a braggart was telling his father and mother of his experiences while out camping.

"And all at once I stepped on a big rattlesnake," he began.

"How did you know it was a rattlesnake, Jimmy?" asked his father sceptically.

"I could hear its teeth chatter!" the minute it saw me."

## NEWS IN BRIEF

Storms of South America.—F. Nagler, Dominion Superintendent of the Gonzales Observatory, spoke before the Young People's Society of St. Columba Church last evening on "Storm of South America." Illustrations by stereopticon views displayed by Mr. Huxtable.

Saanich Tax Payments.—The Saanich municipal staff was busy until a late hour last night on last minute tax payments. It is not yet possible to state whether this year's collections are up to past percentages, but indications point to an usual average.

Plan Silver Tea.—A silver tea will be held at the residence of Ruth Chapter, 22, Order of the Eastern Star at the home of Mrs. Brogan at 3300 Harriet Street on Wednesday, from 2 p.m. until 5 p.m. Silver, food and friends are invited to take part. A staff of home cooking will be in evidence.

Services at Tillicum.—Church services of undenominational character, at Tillicum School on Sunday evenings, were last night authorized by the Saanich School Board, after Chairman Holloway had protested "there are a multiplicity of cults catering to all tastes, surely the field is already well filled." Trusting Mrs. Humphries advanced the request for the school, on behalf of Miss Jamieson and associates.

Asks Reinstatement.—Miss M. Kin-faird last night appealed to the Saanich School Board for reinstatement as principal of Royal Oak School. The suspension followed after a holiday in England which extended beyond the reopening of the schools. J. Pimlott, of Royal Oak, warmly advocated her cause, but the Board refused to reconsider, having no vacancy at this time.

Charges Dismissed.—Charges and counter charge of assault, preferred between Mr. and Mrs. C. H. Hem-stalk, and Robert Noble on the one hand, and Edward C. Drevatt on the other, were dismissed in the Saanich Police Court yesterday by Magistrate Jay. The dispute had arisen over the conduct of children, and ended in a fistfight. The court cautioned all parties to forget their differences, and abide by the Golden Rule.

Hearing Adjourned.—At the close of the hearing of Hall and others versus Drevatt before Mr. Justice Morrison in the Supreme Court yesterday, the court decided to view the property in dispute, a 40-foot launch called the Mable. The plaintiffs seek recovery of \$1,000, the purchase price of the boat, paid to the defendant, whom he claims had not the title to dispose of the craft. The launch, lying at Cadboro Bay will be inspected by the court before the resumption of argument. C. White appeared for the plaintiff, and W. H. Duvey for the defendant.

Wedding at Suggets.—A very pretty home wedding took place at Suggets on Saturday evening at 8 o'clock, when the happy couple, only daughter of Mr. and Mrs. R. J. Freeman, became the wife of Frederick Walker, of Vancouver. The ceremony was performed by the Rev. F. W. Griffiths, of Sidney, in the presence of relatives and intimate friends. The bride, who entered the room on the arm of her brother, Mr. Frank Freeman, looked exceedingly pretty in a handsome gown of brown Canton crepe, with touches of light blue and carried a bouquet of Ophelia roses. The room where the ceremony was performed was artistically decorated with roses, sweet peas and white asters, a pretty bower of vines and flowers making a dainty setting for the bridal couple. Clusters of yellow flowers combined with Autumn leaves made a charming decorative scheme in the dining room. The happy couple left on the midnight boat on a honeymoon to be spent in Seattle and Vancouver, the bride wearing a handsome brown velvet coat with fur collar and brown velvet hat. Upon their return Mr. and Mrs. Walker will reside at Bamberton. The bride was one of the most popular young ladies of the district and of gifts from her many friends. Mrs. Walker and daughter, of Vancouver, attended the wedding.

The charges against A. F. Proctor and Philip Handley were remanded for hearing.

## AGRICULTURAL BODY TO GET FAIR GRANT

Finance Committee Approves \$5,000 Grant Towards Exhibition Costs

The much-discussed \$5,000 exhibition grant will be handed over to the B. C. Agricultural Association by the City Council immediately, members of the Civic Finance Committee announced to-day. The committee decided yesterday that the Association should be allowed the grant without further delay.

The Council agreed to a \$5,000 grant early this year on condition that no betting was allowed at the "fall fair." On this condition the Agricultural Association refused the grant, but later racing plans were quashed by the Oak Bay Council. In view of the poor attendance at the fair, the Association now needs the grant, the Finance Committee was told yesterday.

"Committee members do not doubt that the Council will accept their recommendation in favor of the grant."

The Rev. C. Westwood of the Divine Healing Home, Vancouver, will address the members and friends of the Guild of Health in the Cathedral schoolroom on Wednesday evening, at 8 o'clock. Mr. Westwood will be at the headquarters, 1126 Richardson Street for consultation on Wednesday morning from 10:30 to 12:30, and the secretary will be in attendance to give information.

A meeting of the executive of the G. W. V. A. will be held in the club rooms, Bastien Street, commencing at 7:30 o'clock this evening. A number of very important matters will come before the executive.

## CONSIDER WATER LEGISLATION FOR GREATER VICTORIA

Legislation which would create a water board to control water services all over the Saanich Peninsula will be drafted at a meeting of the Greater Victoria Committee executive to-night. A general meeting of the committee will be held next week to consider water legislation and other matters connected with the Greater Victoria scheme.

**CYCLISTS APPEAR.**

Charged with riding bicycles on the sidewalk of the Johnson Street bridge, six offenders were each fined \$5 in the city police court to-day, including Joseph Baldwin, George Ibbister, H. Bronnan, Charles Fear, Dick Chew, and Arthur Emerson.

John Pallen was fined \$15 for placing ashes, too near wooden partition. The C. & A. Taxi Service, Ltd. were fined a like amount for the same offence. Allen A. Calwell appeared in person, and stated no fire had been lighted on his premises since last winter. The presence of ashes within three feet of a wooden partition was an infraction of the law, he was told.

Richard Jackson, charged on remand with failure to stop in rear of

## SINGLE TAXERS LOSE DEBATE

### Kiwanis Club Entertained by Taxation Arguments

Deciding the matter solely on the merits of the debate, Kiwanians at their luncheon to-day at the Dominion Hotel, decreed that single tax was not the best method of taxation for the City of Victoria, the decision being arrived at by a vote of the membership after hearing J. B. Clearhue, M. P. P., and H. G. Hinton for single tax, and Alderman Reginald Hayward and W. G. Gaunce against the system.

**Case For Single Tax.**

"The imposition of a tax on improvements would result in deterring tourists becoming permanent residents. All of Victoria's modern buildings have been built during the past twelve years under the single tax system, and the single tax certainly stimulates building, while tax of improvements is an injustice and a hindrance to healthy development," Harold G. Hinton declared.

"The present financial situation is due to a set of circumstances and not to the single tax," said the speaker.

"A man should not be taxed for doing the things for which he should be applauded," said Mr. Hinton, who also asserted that taxing improvements meant higher rentals.

"A proper system of single tax handled by men of experience will bring prosperity to Victoria," Mr. Hinton concluded.

**Alderman Hayward.**

"The single tax is not only unfair, but it is unjust," said Alderman Hayward, who referred to the findings of taxation commissions in Manitoba and elsewhere to show that expert investigation supported his contention that there should be an impost levied on improvements if a fair system of taxation were to be carried out.

"The single tax is unsound in theory and impossible in practice. It is impossible to assess a tax on land without rating the buildings thereon," Alderman Hayward declared.

"Vancouver during the boom days benefited on single tax but had times when it was forced to broaden the single tax overboard and broaden the taxation system," he said.

"Victoria found herself in a similar position to that of Vancouver, and the City Council decided to revert to the equitable and just system of taxation of improvements, the speaker stated."

**J. B. Clearhue.**

"That Victoria has never enjoyed all the heralded virtues of single tax for the simple reason that the assessor in assessing properties include the value of the improvements in his valuation of land holdings," was J. B. Clearhue's contention.

Though speaking in favor of a single tax, Mr. Clearhue said he and his brother speaker were not single taxers. "But it would be a poor lawyer who could not speak to both sides of a question, and convince his hearers as to the merits of both," he added.

"We have been taxing improvements right along, only under another name. Land is assessed at a value 300 times greater than its true value. You will never stop land reverting to the city by placing a tax on improvements," said Mr. Clearhue.

**W. G. Gaunce.**

People with money were not investing it in real estate in communities where the single tax system held, W. G. Gaunce told the members. "They had too much sense to do that when they could readily see that there was a steady increase in taxation and likewise a steady decrease in taxon values."

"These investors would much rather invest their money in gilt edge securities and Government bonds, bearing a good interest and without fear of any decrease in the value of the original investment."

"We will never have a fair tax until every man pays into society according to his earnings, until he pays into society according to what he takes out of it," was the sum and substance of Mr. Gaunce's argument.

Percy Scourrah, President of the Rotary Club, was a guest at to-day's Kiwanian luncheon, and complimented the Kiwanians on the splendid work they were doing in the city.

Mr. Clearhue reminded the members of the Armistice Ball which will be held under the auspices of the nurses and the military.

The report of Councillor Hewlett and Municipal Clerk R. F. Blandy on the convention of the Union of B.C. Municipalities was received by the Oak Bay Council in regular session last night. The report was laid over for consideration at a later date. Certificate to a six sale property at Lot 24, Map 1135, was ordered sold at its upset price of \$65.45.

Requests for the improvement of Heron Street and Margate Avenue were referred to the works committee.

A request from the Victoria Rugby Union for better grandstand facilities at the Oak Bay Park will be answered by the Council.

## POULTRY DEALERS BRING CIVIL SUIT

Claim for Damages for Alleged Breach of Contract to Supply Eggs

The hearing of the B. C. Poultrymen's Co-operative Exchange versus Gray opened in the County Court to-day before His Honor Judge Lampman. The claim is for alleged breach of contract whereby the defendant, Miss Hill, the plaintiff poultry dealer, failed to supply practically the entire output of her poultry ranch to the local offices of the plaintiff company. The contract carried a penalty clause of five cents on every dozen eggs disposed of commercially otherwise, outside of a limit for home consumption. The claim is for unstated damages for alleged breach of contract. H. A. Maclean, K. C. appears for the plaintiffs, and R. H. Pooley, M. P. P., with N. W. Whittaker for the defendant.

**BLIND PAY VISIT TO FINE ART GALLERY**

On Saturday afternoon an interested group of visitors composed of Victoria blind were entertained at the Fine Arts Gallery in response to an invitation issued some time back by W. J. Dart through The Times. After an hour's discourse Mr. William Trant, on behalf of his colleagues, thanked Mr. W. J. Dart, saying they had followed his lucid descriptions with great pleasure.

## WEDNESDAY LEAGUE GAMES TO-MORROW

Two Matches Will Be Staged, Showing Off Talent of All Four Clubs  
Weiler's Will Stack Up Against Garrison and Bays Play Fritz's

Wednesday footballers will put on a full card to-morrow afternoon for the first time this season. They held their opening game last Wednesday when the Hudson's Bay sprang the surprise of the day by defeating the Garrison in a hot tussle. To-morrow the four teams in the Wednesday Football League will get into action. The games arranged are as follows:  
Hudson's Bay vs. Fritz's at the Royal Athletic Park  
Weiler's vs. Garrison at Beacon Hill.

This will mark the initial appearance of Fritz's and Weiler's in league games. Weiler's played an exhibition game two weeks ago against the Garrison, and was defeated. Fritz's eleven was gathered together to round out a four-club league, and it is reported that this club is strong enough to give some of the other teams some mighty good tussles before the season closes.

**Keen Competition.**  
Weiler's walked off with the Penderay Cup, emblematic of the Wednesday League championship last year, but there are many who contend that they will not be so successful this season. The Garrison are concentrating all their soccer talent on this one championship and will be formidable opponents for any club while the Hudson's Bay last week demonstrated that they will make the going hard for all the teams that stack up against them. The Bays owe much of their success to the work of Jimmie Allen, their fleet centre-half-back, who is the leading player in that position in town.

Fritz's eleven has not been tested as yet, but those who have seen the boys practicing claim that they have some likely looking material that will be able to furnish good competition. Both games will start sharply at 2:45 o'clock.

The following players are asked to turn out for Fritz's: Barber, Clarke and Anderson, Boden, Woods, Sherwin, Dobbie, Erskine, Sharcott, Robbins, Clarke, Kennedy, White, Gibson, Muir and Rhodes.

**HANDICAP WINNERS TO SECURE PRIZES**  
Interesting Ceremony at the Opening Dance of Elks' Swimming Club

A pleasing feature of the opening dance of the Elks' Amateur Swimming Club being held in the Elks' Hall to-morrow night, will be the presentation of the cups won by the various members in the series of handicap events run off at the club's quarters at the Gorge during the past summer. The successful competitors who were awarded at the top of the handicap ladder and earned the right to the possession of the valuable prizes are: Ladies 50 yards handicap, Miss Bernice Maywood; men's 50 yards handicap, Jimmie Muir; boys' 50 yards handicap, Master Wood; and the fancy diving from 10 feet board, Dave Barclay.

The presentations will be made by A. T. Weight, president of the club. The trophies were generously donated by Kenneth Ferguson, Exalted Ruler B. F. O. E. of the city; R. C. Ross, of the Elks' Swimming Club; O. A. Macdonald, of the Elks' Club, and A. T. Weight.

Each piece of silverware is of a very attractive design and will be prized very highly by the fortunate owners. The past season was the first in the history of the swimming club that handicaps were attempted, and by the success of the events they promise to be a feature of the club's Summer activities in the future. Great credit is due to E. Worth and E. Stock for the successful manner in which the races were conducted. Everything is in readiness for the club's opening dance, the first of a series of seven to be held on the second Wednesday of each month during the Winter season. The committee in charge of the affair promises something unusual and they guarantee a good time to all who attend. The affair is strictly invitational, particulars of which can be obtained by telephoning the club's secretary, J. Stewart, 491.

**QUOITS**  
On Saturday at the Willows the game between the president and secretary was won by the former after a hard fight. The secretary's team made the winners go all the way and are to be congratulated on their play against their more experienced opponents. On Saturday, October 21, a special handicap will be staged. There will be a gold medal for the first prize, also a runner-up medal. Entries will be taken until the day of the game.

## John McGraw With the Squad That Won the Third World's Baseball Championship for Him With Ease

Bottom row, left to right: McQuillan, McPhee, Bancroft, Blume, Cunningham, Groh, King, Rawlings. Second row, left to right: Young, Nehf, Stengel, Jennings, Manager McGraw, Coach Dolan, Gaston, Smith, Frisch. Third row, left to right: Meusel, Johnson, McGuire, Ryan, Hill, Jess Barnes, Virgil Barnes, Robertson, Snyder. Fourth row, left to right: Bigbee, Shinnars, Jonnard, Kelly, Scott.

### PITCHED BEST GAME

"DEACON" JOHN SCOTT  
New York, Oct. 10.—The five pitchers who twirled the Giants to their second successive world's series championship, allowed an average of 1.76 earned runs, as compared with an average allowance of 3.35 earned runs by the five Yankee pitchers, according to official pitching records for the series made public today. John Scott, who shut out the Yankees in the third game of the series, easily ranked as the most effective of the Giants staff.

Aside from Sam Jones, who worked only two innings, Waite Hoyt led the Yankees with an average of but 1.12 earned runs.

### BIG LEAGUE TEAMS WILL TOUR ORIENT

**George Kelly on Squad to Sail from Victoria; To Boost Game in Far East**

New York, Oct. 10.—At least three members of the New York Giants world's champions, and three of the New York Yankees, the losing team in the series that ended Sunday, will participate in the tour of the Orient that has been organized to further the growth of baseball beyond the Pacific.

### ISLAND TEAMS LAND TWO FAMOUS SOCCER PLAYERS OF CHAMPS

Calgary, Oct. 10.—Calgary football fans bade farewell with much regret to Sammy Gough and Fred Foster, two members of the Hillhurst Club, Dominion, provincial and Calgary soccer champions, when they left last night for British Columbia. Gough will go direct to Cumberland, while Foster may locate at Nanaimo. Both boys are farmers in this district, and with harvesting over they have a free hand until next Spring, so that they intend to pass away the Winter kicking the ball on the Pacific coast.

### LADIES WILL PLAY FOR GOLF LAURELS

**Victoria City Championship to Be at Stake; Qualifying Round on October 30**  
A tournament open to all lady golfers resident of the city of Victoria whether members of local clubs or not, will be held at the links of the Colwood Golf and Country Club for the Beggs Motor Company Cup, the holder of which bears the title of Victoria City Lady Champion. The qualifying round will be played on Monday, October 30, the first eight ladies to qualify for championship final. There will be in addition as many flights of eight as entries warrant.

### P.N.A. TRACK MEET TO BE HELD HERE

**V. I. A. A. Will Conduct Outstanding Athletic Event Here Next Summer**

The championships awarded at the annual meeting of the Pacific Northwest Association which was held at Spokane last Saturday are as follows:  
Outdoor swimming, Olympian A.C., Seattle.  
Indoor swimming, Seattle Crystal Pool and Multnomah A. C., Portland.  
Track and field, Vancouver Island A. C.  
Boxing and wrestling, Multnomah A. C.  
Water polo, Vancouver Island A. A. Handball, Spokane A. C.  
Men's basketball, left open for Gonzaga University.  
Ladies' basketball, Vancouver Island A. A.  
Pacific Coast swimming championships, ladies' 50 and 880 yards to Vancouver Island A. A.

The officers elected for 1923 were as follows: President, Harry Burdick; Spokane: vice-president, Earl Fry, Seattle; secretary-treasurer, T. M. Dunn, Portland; registration committee, D. Wakeman, Portland; chairman, Judge W. W. Zent, Spokane; Earl Fry, Seattle. Championship committee to have charge of all sanctioned meets of P. N. A.: T. Morris, Dunsmuir, Portland; Earl Fry, Seattle; Ed. Ferris, Spokane, and Wm. H. Davies, Victoria. This committee was appointed to eliminate the protests which have been made in the past in regard to various meets. Three of the above committee will attend all of the different championship events to be staged during the year. Board of managers: T. M. Dunn and A. D. Wakeman, Portland; H. Burdick and E. Ferris, Spokane; Judge Zent, Spokane; Wm. Mulligan, Gonzaga; Earl Fry, Seattle; W. H. Davies, Victoria; H. Bahnes, Spokane; J. Armenia, McKay, C. McIntyre, Morning, Idaho; E. Goodwin, Portland.

Victoria was the unanimous choice for the 1923 annual meeting.  
The protest of the Multnomah Club entered as a result of the water polo game played in Victoria in August which was won by Victoria was upheld. Protests entered by Seattle against the way the P. N. A. gala was conducted here were thrown out.

**LADIES WILL PLAY FOR GOLF LAURELS**  
The ladies' monthly boxer competition of the ladies of the Colwood Golf and Country Club will be held on Thursday next.

### GETS VERDICT OVER SHADE.

Boston, Oct. 10.—Eddie Shevlin, of Roxbury, last night was awarded the decision over Dave Shade, of California, after a fast ten-round bout here. Shevlin had the better of six rounds, three went to Shade, while one was even. The men are welterweights.

### LADIES' GOLF AT COLWOOD.

The ladies' monthly boxer competition of the ladies of the Colwood Golf and Country Club will be held on Thursday next.

### BLUENOSE SHOWS HEELS TO RIVALS AND WILL DEFEND CUP IN FISHERMEN'S RACE

Halifax, Oct. 9.—Bluenose, international champion last year, will defend the title for the Nova Scotia fleet at Gloucester October 21 and 22, against the United States challenger, it was assured today, following a meeting of members of the Nova Scotia racing committee and captains of the vessels now here for the province championship.

It was decided that although the Nova Scotia series was not over, the Bluenose had amply demonstrated on Saturday and yesterday that she was the fastest vessel on all points of the wind and in all kinds of weather and the logical representative at Gloucester. The skippers seemed to think also that, owing to the light winds which made it impossible to finish to-day's race, it will be unfair to keep the Bluenose in Halifax to finish the series. It was stated last night to be very likely, however, that to-day's contest would be allowed to close the races, regardless of the wind.

### Aseltine Will Play With Millionaires

A local boy who played with the Saskatoon Hockey Club last Winter, will perform at Vancouver this coming Winter.

Lester Patrick, manager of the Arlacroats, admitted this morning that Aseltine has agreed to come to the Coast this Winter and that he will perform with the Millionaires.

Aseltine was signed by Vancouver last Winter but did not think he was ready for Coast company and secured permission from Frank Patrick, president of the P. C. H. A., to perform with the Saskatoon club in the Western Canada League. Aseltine received his baptism in the pro-ranks there and now figures that he is ready for the Coast fray.

### LADIES WILL PLAY FOR GOLF LAURELS

The ladies' monthly boxer competition of the ladies of the Colwood Golf and Country Club will be held on Thursday next.

### BOYS' RUGGERS TO PRACTICE.

A practice of the J. R. A. A. Rugby players will be held in the J. R. A. A. club house this evening at 8 o'clock. A full turnout is requested.

## YANKEES WILL GET JACKED UP ALRIGHT

Discipline Planned for Ruth, Meusel and Others Who Failed in Series  
Critics Panning Yankees for Miserable Showing; Condemn Star System

New York, Oct. 10.—The Yankees, as a result of their awful showing in the world's series, are to get a rare old-fashioned whipping next season. From well-informed quarters the report is persistently repeated that Ruth is to be given stiff discipline. He was almost a total failure in the world's series, at least so it was felt, though he did make a pretty show in Sunday's game that enabled a Yankee runner to score later. Not only his work in the world's series, but for the constant tub of hot water in which he stepped himself all this season is the Bambino to be punished, according to these reports.

Similar stories predict something in the air for Bob Meusel, who was Ruth's partner in exile in the fore part of the season, when they were kept out of the game for flouting the authority of Commissioner K. M. Landis. Some critics assert that Meusel was very indifferent throughout the world's series.

**Yankees Are Panned.**  
One critic writing of the Yankees has the following to say:  
"The Yankees ran bases with all the dumb folly of a scoreless high school team. They loafed and lagged and got into panics. They failed to run out hits. They did everything that a ball club should not do and one individually, they have one of the greatest aggregations ever gotten together. The Yanks in this series just ended proved that money cannot buy players to win a world series. They proved that no matter how much money one pays for players, the players don't make a winning ball club."

**Ruth a Failure.**  
"As to Babe Ruth, he hit in the neighborhood of .118 for the series. Towards the last of the affair the Giant pitchers were serving them up to him as though he were just a ball player and not such a good one as Babe. Which recalls a remark made to me recently by a man who is an authority on American League affairs. 'Ruth is making himself out of baseball,' he said.

"The series is over and the answer is plain. The individual star system doesn't pay. The Yanks played it and lost. They lost at a club and their greatest individual star failed to hit as high as the temperature in Yuma on a hot day during the season because Giants won and they lost. Every man man runs the Giant club, every man jacks them every hour of the twenty-four on every day of every week that the season is under way."

**CAJADIAN BASEBALL FOR CANADIANS IS SLOGAN IN MONTREAL**  
Montreal, Oct. 10.—Joe Page, president of the Eastern Canada Baseball League, announced today that his organization will make a determined fight against Frank Chance putting an International League team in Montreal, as if it is reported he intends doing.

Page says the slogan for the fight will be "Canadian Baseball for Canadians," and he expects to form an eight-club Canadian league with Canadian players only.

### LADY BASKETBALLERS ORGANIZE FOR SEASON

An important meeting of the Victoria Ladies' Basketball League will be held to-night at 8 o'clock in the Y. W. C. A. All teams which are considering entering the league this season are asked to have representatives present at the gathering, when discussion on prospects for the coming basketball year will take place.

### BOY CHESS MARVEL GIVES LASKER HIS MOST TRYING GAME

New York, Oct. 10.—A seven-hour match between Edwin Lasker, of Chicago, western champion, and Samuel Rzeschewski ten-year-old chess prodigy, which ended without a decision, proved the most interesting game of the third day of the ninth American Chess Congress yesterday. The Chicagoan said it was the hardest game of his career. It will be played off Wednesday.

## GIANTS AND YANKS GET SOFT EARNINGS

Giants Pull Down About \$1,000 Per Game, Lasting Two Hours

New York, Oct. 10.—The New York Giants and Yankees to-day had received their share of the world's series money. The Giants split \$111,289 into 25 shares, \$4,451 each, while the Yankees divided their total \$4,192 into 25 shares of \$167.68 each. The Giants proportioned the money among themselves and no announcement was made as to which players received full shares. Regulars with the team throughout the season received full shares, but if the team folded last year's president, each player as Hugh McQuillan and John Scott, who joined the club in mid-season, would get only half portions. Twenty-five players on the Yankee roster received full shares. It was announced, while a twenty-sixth portion was divided as follows: Trainer Woods, a half share, \$1,499; Coach Frank Roll, \$500; Groundkeeper Phil Schenk, \$500; Mascot Eddie Bennett, \$300; Manley Lawelyn, pitcher, \$127.

## ENGLISH BOXER QUILTS; FRENCHMAN IS CHAMP

London, Oct. 10.—Charlie Ledoux, the French fighter, last night made Tommy Harrison, the English bantamweight champion, quit in the eighteenth round of a 20-round bout at Hanley. The fight was for the bantamweight championship of Europe.

## HALF-PAY FOR WIN

HUGH McQUILLAN  
of the Giants who handled the Yankees one of their defeats in the series. McQuillan and Scott, the two bantamweights that came back and made baseball history, joined the Giants in mid-season and may only draw down a share of the world's series money between them. The Giants raked last year that players who came to them in mid-season would only receive half a share of the split in the Giants share of the gate receipts. However, as Hugh and "Deacon" John won games they may get a whole share apiece.

## SAINTS OPEN THEIR SEASON WITH A WIN

St. Andrew's, Last Year's Ladies' Champions, Defeated Christ Church  
The first ladies' basketball match of the season was played last night in the Trades' Hall Gymnasium, when a large crowd gathered to witness the game between St. Andrew's and Christ Church' senior girls. These two teams always put up a fast exhibition, and last evening's game was even more speedy than usual. The score was remarkably large, both teams doing some excellent shooting, the final count being 24-15. Melville did some rapid-fire work for St. Andrew's early in the game, scoring 8 points. Kathy Wellburn and Florrie Gates started a rally for Christ Church, and almost tied the score several times. The score at half time was, St. Andrew's 10, Christ Church 7.

## HOOPER DID NOT MAKE A GENERAL CHALLENGE

Duluth, Minn., Oct. 10.—Walter M. Hoover, world's sculling champion, to-day denied he had issued a challenge to all comers to row at the American Legion athletic meet at New Orleans.

## NO HUNTING

## ROYAL VICTORIA

A drama of the Great Northwest, where big men accomplish things in a big way, has been transferred to the screen in the form of "Kindred of the Dust," an Associated First National attraction produced by Raoul A. Walsh, and which will be the attraction again to-day at the Royal Victoria Theatre.

Peter B. Kyne, the famous novelist, wrote the story, and the sterling cast is composed of Miriam Cooper, Ralph Graves, Lionel Belmore, Bessie Waters, W. J. Ferguson, Carolyn Rankin, Pat Rooney, John Hedeman and Bruce Guerin.

Miss Cooper has a particularly sympathetic role as "Nan of Sawdust Pile," the name bestowed upon a piece of land created along the Columbia River in the State of Washington by the refuse of a huge saw mill, and which has been settled by squatters.

Among these is Nan's grandfather, a retired petty officer of the American navy, who has fallen upon evil days. Despite their poverty, Nan makes the best of things, doing her part in earning a daily living, and hoping in the bottom-most part of her heart that some day she may be able to cultivate the pure, singing voice with which nature had endowed her.

Romance develops between the destitute maiden and Donald McKay's son, the son of the owner of the saw mill, but parental interference wrecked their hopes for a time. Many years passed before they were reunited, as Donald lay dangerously ill in bed.

Producer Walsh has made a high-

## AMUSEMENTS TO-DAY

Royal—"Kindred of the Dust."  
Dominion—"Manslaughter."  
Columbia—"Man of Zanzibar."  
Capitol—"Pink Gods."

By effective picture out of "Kindred of the Dust" and it is meeting with universal success.

## DOMINION

In spite of the fact that there were no photographs to record the dress and customs of the masses during the years of the decadence of the Roman Empire, Cecil B. DeMille has faithfully reproduced a scene of the barbarian invasion of Rome in his latest Paramount picture, "Manslaughter," which is being enthusiastically received all over the country.

The episode alluded to is a brief historical outback, but it depicts vividly the arrival of Algric's hordes in the Eternal City.

Leatrice Joy, who is one of the principals of the modern portion of the story, is the hostess at a lavishly beautiful Roman bacchanal which is interrupted by Thomas Meighan in the role of the leader of the Goths.

A strikingly realistic gladiatorial combat is one of the many interesting features of the bacchanalian entertainment. Although the episode required more than a week to film and kept nearly 7,000 persons employed.

Men!  
Just try this  
Once

—Produces a copious  
lather—which quickly  
—softens the beard  
—and gives a smooth,  
easy shave.

## MEN MEN

"And afterwards  
the 'Mennen Tal-  
cum' for Men."  
It doesn't show."

It will occupy the screen for only a few minutes. It is used to point a powerful lesson and serves to draw a comparison between ancient Rome and modern America.

The story deals with a young American girl of wealth who is a speed maniac and who is the cause of the death of a motor policeman. The district attorney who prosecutes her, loves her, but he believes that the only way to save her from herself is to punish her. She goes to prison and when he calls upon her, she treats him with contempt. He dissipates and later when the girl is released, she is the means of reforming him. The two are united after many thrilling incidents transpire.

The cast is practically all-star and embraces many of the best known players of the Paramount Stock company. The picture, which is the attraction at the Dominion Theatre, is one of the finest Cecil B. DeMille creations—and it should prove a record breaker at that house.

## COLUMBIA

Take down your map of the world, or your old geography and look at the East Coast of Africa. If you look a while you will find Zanzibar. Probably nowhere else in the world is there gathered such a polyglot population. Men of all shades and every race from the Orient and the Occident, mix with the ebony sons of Africa. Along the sun-baked, highway men of every trade, some men without any calling, walk slowly, as if the effort were too much. In the harbor, swinging lazily to and fro, are the masts of a straggling fleet of steamships, more than a hundred ships, hailing from nearly all the world's great ports. In Zanzibar, only ten degrees from the line that represents the earth's most torrid stretch, 250 civilized whites sizzle in a blast furnace that is populated by 250,000 men of every shade and race.

A gripping motion picture which will tell you more about it called "The Men of Zanzibar," starring William Russell. This Fox production, based on Richard Harding Davis' engrossing romance, is the feature attraction at the Columbia Theatre again to-day.

## CAPITOL

"Upsizing" her old schoolmates and friends. This is what Anna Q. Nilsson, Paramount player, was accused of when she returned to her old home in Sweden after sixteen years absence. During that time she had become a star of the screen.

Miss Nilsson plays an important role in "Pink Gods," the Penrhyn Studios production in which Bebe Daniels and James Kirkwood are featured, which is now showing at the Capitol Theatre. Raymond Hatton also is in the cast.

## THE PLAYHOUSE

If any recommendation is required for the show being presented at this popular theatre this week one need only step for a moment outside and listen to the riot of laughter going on inside. The audience has increased in size as the show progressed last week and Saturday night hundreds were turned away. When a number is recalled for the fourth time it is a foregone conclusion that it is pleasing the audience, and as this is the case with several numbers in "The Bing Boys," no further proof of the approval of the show is necessary.

In Ernie Petch and Reginald Hincks are found two performers that make the revue a perfect riot of laughter whenever they are on the stage, and as one or both of them are on the stage nearly all the time, things are never allowed to drag.

The music is not neglected for comedy, either, as this revue contains some of the most delightful song, duet and concerted numbers ever offered here. Miss Eva Hart as the leading lady is particularly charming and her singing is greatly appreciated. "The Bing Boys" will be the feature attraction for the coming week, commencing Wednesday night at 8.30 sharp.

## HAROLD LLOYD FEATURE.

"Grandma's Boy" lives in Blossom Bend, one of those slow towns where the Tuesday morning Express arrives Wednesday afternoon. Monday's train gets out of the way! Harold Lloyd is "Grandma's Boy," and his grandma is Mrs. Anna Tyson, a dear old lady 79 years old. Mildred Davis is the boy's sweetheart.

All the humorous, thrilling and amazing troubles that "Grandma's Boy" encounters in five reels were concocted by Hal Roach, Sam Taylor and Jean Hevez, who conspired to make this Lloyd's funniest and greatest comedy. Fred Newmeyer directed it, and H. M. Walker contributed his own particular brand of humor in the subtitles.

In other words, all the brains and force that contribute toward making the Harold Lloyd comedies that Hal Roach produces for Associated Exhibitors, the best comedies in the world were behind "Grandma's Boy" with 100 per cent effort. The Dominion Theatre is happy to announce that Harold Lloyd's newest comedy in five parts will be shown next week, commencing Monday.

### THE PLAYHOUSE

If any recommendation is required for the show being presented at this popular theatre this week one need only step for a moment outside and listen to the riot of laughter going on inside. The audience has increased in size as the show progressed last week and Saturday night hundreds were turned away. When a number is recalled for the fourth time it is a foregone conclusion that it is pleasing the audience, and as this is the case with several numbers in "The Bing Boys," no further proof of the approval of the show is necessary.

In Ernie Petch and Reginald Hincks are found two performers that make the revue a perfect riot of laughter whenever they are on the stage, and as one or both of them are on the stage nearly all the time, things are never allowed to drag.

The music is not neglected for comedy, either, as this revue contains some of the most delightful song, duet and concerted numbers ever offered here. Miss Eva Hart as the leading lady is particularly charming and her singing is greatly appreciated. "The Bing Boys" will be the feature attraction for the coming week, commencing Wednesday night at 8.30 sharp.

HAROLD LLOYD FEATURE.

"Grandma's Boy" lives in Blossom Bend, one of those slow towns where the Tuesday morning Express arrives Wednesday afternoon. Monday's train gets out of the way! Harold Lloyd is "Grandma's Boy," and his grandma is Mrs. Anna Tyson, a dear old lady 79 years old. Mildred Davis is the boy's sweetheart.

All the humorous, thrilling and amazing troubles that "Grandma's Boy" encounters in five reels were concocted by Hal Roach, Sam Taylor and Jean Hevez, who conspired to make this Lloyd's funniest and greatest comedy. Fred Newmeyer directed it, and H. M. Walker contributed his own particular brand of humor in the subtitles.

In other words, all the brains and force that contribute toward making the Harold Lloyd comedies that Hal Roach produces for Associated Exhibitors, the best comedies in the world were behind "Grandma's Boy" with 100 per cent effort. The Dominion Theatre is happy to announce that Harold Lloyd's newest comedy in five parts will be shown next week, commencing Monday.

# GILLETT'S LYE

Comparatively few people realize to what extent Gillett's Lye can be used to advantage in every home. For instance, with one can of Gillett's Lye and five and a half pounds of lard or grease, ten pounds of good hard soap can be made. Use one tablespoon Gillett's Lye in gallon of water for cleaning and disinfecting refrigerators, sinks, garbage cans, tiled floors, baths and toilets.

Useful for over 500 purposes.

## REGISTRATION SHOWS SLOW MOVEMENT

### Public Not Yet Awake to Value of Household Franchise

An increase over last year in the number of people checking up their names and addresses on the civic voters' list is reported at the City Hall. This tendency is a most desirable one, as it serves to eliminate difficulties which otherwise may occur on election day. Notice of any change in address since last year should be given at the City Clerk's office.

While registrations are coming in but slowly this is attributed, to some extent, to the fact that last year a record number of people registered, with the result that they do not have to take the declaration again this year, payment of the two-dollar road tax being sufficient to keep their names on the voters' list.

Some people are under the impression that the Victoria-Calgary Civic Interest Contest will be decided on the number of registrations. This is not the case, the total vote at the December elections being the figure upon which the score will be based, but in order to insure the vote it is necessary that the voters' list be built up first. The winner of the contest will be the city with the largest total vote in proportion to the population.

## G.A.U.V. TO MEET HERE NEXT YEAR

### Annual Convention of B. C. Command Is Held

The next convention of the Grand Army of United Veterans will be held here. The convention at New Westminster on Sunday so decided.

When an employer is forced to pay a Chinaman as much as a white man, the Oriental problem in British Columbia will be solved. This was the thought back of a resolution passed by the convention, demanding the establishment of a minimum wage for men.

The convention was held in the Exhibition Board rooms, and was called to order by President D. Grant, with J. A. Johnson secretary. Delegates were present from many parts of the province, who were given a hearty welcome to the Royal City by President Jack of the New Westminster command.

An invitation from the Colony Farm was read, and accepted during the afternoon. The treasurer's report showed the command in good financial standing. Several changes were made to the constitution.

Many encouraging reports were read from the different localities. Membership is rapidly increasing, and new branches are being formed.

Dominion Delegate Vincent gave an exhaustive and interesting report of the Dominion convention held recently at Niagara Falls, and was given a hearty vote of thanks.

Officers for the coming year were elected as follows: President, D. Grant, New Westminster, re-elected; 1st vice-president, F. Eyre of South Vancouver; 2nd vice-president, Chas. Ure of Burnaby; 3rd vice-president, P. Crouch of Victoria; secretary-treasurer, J. A. Johnson, Burnaby; Tyler, R. Jack, New Westminster; legal adviser, J. P. Hampton, Bole, of Vancouver; directors, Comrades Wallace, Sterling, Glenwright, Houston, Palmer, Vincent and Sutton.

A banquet at the Green Grill and a trip to the Colony Farm were enjoyed by the delegates present.

A report on the convention from Victoria delegates is expected at the meeting of the G. A. U. V. this evening.

## FINDS LEPERS HERE IMPROVING

### One Man Cured and Others Rapidly Regaining Health at D'Arcy Island

Dr. J. D. Page, of the Dominion Department of Health, during a visit to the city Sunday, inspected the leper colony at D'Arcy Island, accompanied by Dr. Chester Brown, medical officer in charge of the William Head quarantine station.

"All patients under treatment at D'Arcy Island are improving perceptibly," Dr. Page declared on his return from the colony. "The treatment we are giving is showing appreciable results, and we are keeping in touch with the great leper colonies of the world so that we may put to use the very latest discoveries in the treatment of the disease. We are applying the most modern methods of treatment known, and these methods are improving all the time."

Treatment of D'Arcy Island patients has been so effective that one man has been totally cured of the malady there and has been released, Dr. Page said. Others are improving so rapidly that Dr. Page expects that they, too, will be released eventually.

Chinese who, up to a short time ago, were the only people at D'Arcy Island, are quite happy there, Dr. Page found. They are well fed, well housed and have little to do.

One white man, a native of Central Europe, also is at the colony now.

Dr. Page inspected the quarantine station yesterday. He is leaving for Seattle to-day.

## FORESTERS' OPEN COURT AT LANTZVILLE

### Eighty-seven Charter Members of Court Nanoose

The Vancouver Island District Ancient Order of Foresters, instituted a new Court at Lantzville last Saturday. The new Court, now known as Court Nanoose No. 952, starts off with a membership of eighty-seven. D. C. R., Bro. P. Barry, of Cobble Hill; J. D. P. C. R., Bro. A. E. Greenwood, of Victoria; S. C. R., Bro. J. Hutchinson, of Ladysmith; District Secretary, Bro. George Andrews, and District Treasurer, Bro. A. R. Colby, of Victoria, were the installing officers.

The occasion was a festive one, there being several hundred visiting members present from Courts in Nanaimo, Ladysmith, Wellington and Cumberland. A ladies' Court is now in process of formation, and it is anticipated it will be instituted before Christmas.

Following are the officers elected and installed in the new Court: C. Simister, J. P. C. R.; J. G. Fisher, C. R.; R. Hindmarsh, Treasurer; Geo. A. Carter, Secretary; P. Hindmarsh, S. W.; J. Tully, J. W., H. Leass, S. B., and A. Vansickle, J. B.

## VANCOUVER ISLAND News

### "HARD TIMES" DANCE A SUCCESS

Times Correspondence.  
Chemainus—The Chemainus Baseball Club held a very successful "hard times" dance in the Recreation Hall, Chemainus, Howard Brothers' Orchestra supplying the music. Old clothes were in order, and some were certainly very old. At 11.30 p. m. the doors were locked, and it was announced that the "house was pinched." Then the dresses were judged, and any who looked at all prosperous parted with some of their wealth by way of fines. Any jewelry was out of order, and silk stockings were very much "taboo." Prizes were given for the most "hard up" looking costumes, and Miss Vera Bonnell certainly deserved the beautiful vase she won. Her dress was made of gunny sacks, she wore disreputable old shoes, and her hair was tied with a piece of hemp. T. McEwan won the men's prize, looking a veritable tramp.

The supper was in keeping with the times, and every one enjoyed the pork and beans (without any pork) bread and butter, coffee and cake, the basketball team doing the necessary waiting.

The dance was well managed, and the 200 people there had a most enjoyable time until 4 a. m.

### BUNDOCK GOLF CUP CONTEST

Times Correspondence.  
Duncan—Results to date in the Dundock cup competition now being played on the Cowichan Golf Club links are as follows:  
D. Robertson beat W. B. Powel.  
H. F. Prevost beat J. S. Robinson.  
F. Lomas beat W. R. Young.  
J. G. Somerville beat C. W. O'Neill.  
B. Hope beat L. H. Helen.  
C. H. Dickie beat G. Cunningham.  
Dr. Kerr beat B. Gilmour.  
H. W. Dickie beat F. Hoey.  
C. C. Ward beat G. R. Grieve.  
G. G. Share beat G. W. Hilton.  
W. L. B. Young beat W. B. Harper.  
W. Funnell beat A. H. Peterson.

### LADYSMITH SCHOOL WON SOCCER GAME

Times Correspondence.  
Duncan—A well contested soccer match was played on the Cowichan Cricket and Sports Club grounds on Saturday afternoon between the Ladysmith School and the Duncan School, resulting in a win for the former by 2 goals to 1.

R. F. Workman, of the staff of the Canadian Bank of Commerce, Duncan, has left for Vancouver on his annual furlough.

### PREACHED IN SIDNEY.

Times Correspondence.  
Sidney—Francis Williams, National Secretary of the Boys' Work of the Brotherhood of St. Andrew, of the United States, preached at St. Andrew's on Sunday evening. There was a large congregation to hear Mr. Williams, who used to be a lay reader here some time ago.

### WOOD CHARGE DISMISSED.

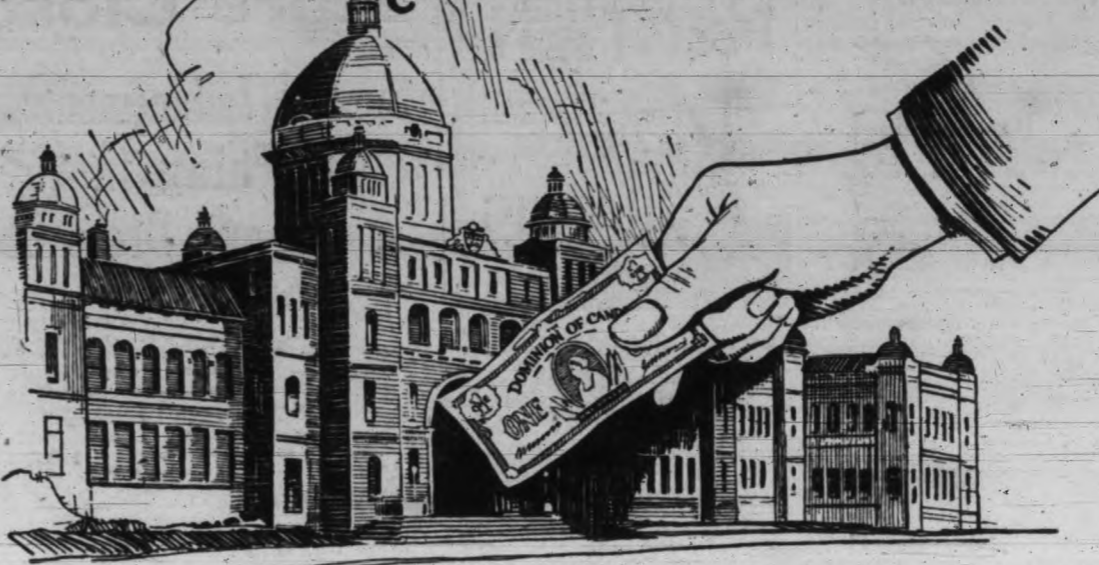

Times Correspondence.  
Sidney—in the Court House, before J. J. White, Judge of the Peace, Charles Vim, a Chinaman, was up on Monday morning on a charge of theft of wood from the Sidney Mills, Ltd. Lin Quin acted as interpreter. J. T. Taylor, assistant manager at the mill, brought the charge, which was dismissed owing to want of corroborative evidence. Vim received a severe warning to leave the wood alone. In future notice regarding removal of wood will be posted up in the mill in Chinese as well as English.

### FINES IMPOSED.

Times Correspondence.  
Sidney, Oct. 10—George McEwan was brought before J. J. White, J.P., this morning on a charge of failure to produce a hunting license when called upon to do so. He was fined \$10 on this charge. Another charge also was brought against him of shooting duck out of season. He was also fined \$10 for that offence. The charges were lodged by Game Warden Carey.

The man who can enjoy what another man owns is as rich, in a way, as if it were his own.

# Your Right as a Purchaser

WHEN purchasing any article of merchandise you, as purchaser, are entitled to know what happens to your money. Who gets it? Where does it go? Are you through paying when you have paid? As a citizen you hope to participate in the country's prosperity when it is prosperous. Whether you like it or not you must carry your share of the burden of depression when hard times set in. Every day's unemployment costs you something just as certainly as it distresses the man who is unemployed. Not only is the productive capacity of the unemployed man wasted, but his actual maintenance is subtracted from the public wealth.

By wisely directing your purchases you can do much to eliminate unemployment in the community in which you live. When the article you purchase is gasoline or any of the other products of petroleum, it is well to remember that the money spent for Imperial Oil Products stays right here in British Columbia, where a very large percentage of your dollar goes directly into the hands of employees who are citizens of British Columbia, enjoying good wages, reasonable hours, regular employment under fair conditions, who are bringing up families in homes of the kind British Columbians should inhabit and whose purchasing power per capita is away above the average in this or any other country.

When you send your gasoline dollar speeding on its way it is well to remember that Imperial employees are full-fledged citizens who assume their full share of the costs and responsibilities of citizenship. Almost all of them are Imperial stock holders and home owners as well as employees. Under the terms of their employment they are protected by sick benefits, group insurance, annuities for time-expired men. In life and in death, in sickness and in health they are self-sufficient and self-sustaining. When you buy the products of their hands and brains, you have paid in full. There is no aftermath of taxes for old men's homes or indigent institutions for any of these. You can rest easily in the assurance that you have spent your money in a direction that will help to make British Columbia prosperous.

The products these men create have no superior in the petroleum world to-day. Imperial Polarine Motor Oils, Imperial Premier Gasoline, Imperial Royalite Coal Oil, Imperial Distillate, are at the very top of their class. You serve yourself doubly when you choose Imperial Products—You get dependable products and you promote local prosperity.

# TIMES DAILY PICTURE PAGE

## ORPHANS OF THE FIRE

They saved their bedding all right—but not their parents. These two little refugees who were found wandering about the ruins of Smyrna were taken on board the hospital ship Maine, which carried them to the British colony at Malta.

## TRAGEDY FOLLOWED IN WAKE OF SMYRNA OCCUPATION

The lives, homes and hopes of thousands in Smyrna went up with these flames. All through the night frantic screams of the terror-stricken inhabitants, hemmed in by the fire on one side and the water on the other, could be heard on board the allied warships anchored in the bay. But little could be done to stay the fury of the onrushing flames. By the time they were spent, thousands were homeless, many were dead and property damage mounted into the millions.

## JUST BEFORE THE FIRE

When the Turkish cavalry came patrolling down the quayside into Smyrna, the woman on the right started flag waving. Little did she dream that her home would soon be in flames. Perhaps she felt secure in the presence of the allied warships anchored in the harbor. This is one of the latest photos taken of Smyrna before the great fire.

## Wilson As He Looks Today

Here is the latest photograph of Ex-President Woodrow Wilson, taken while the former executive was enjoying an afternoon auto spin. The picture was snapped from another car traveling at 30 miles an hour.

## RADIO NEWS REPLACING "TICKER"

**By Nea Service.**  
New York, Oct. 10.—The familiar noise of the stock exchange "ticker" is going from the broker's office. It is being supplanted by radio.  
It is the latest innovation for brokerage offices. It is eliminating unnecessary noise, much the same as typewriter concerns are gradually but effectively eliminating the click of the typewriter.  
And, the broker who has installed it, says it is saving time. For instance, in former days when the ticker was relied upon, the board boy had to go to the ticker, read it, then chalk up returns. Now he chalks each return as he gets it—via a receiving set.  
Radio has passed out of the fad class and is a very useful article. It has been so demonstrated in numerous ways. This is just another use, although one of the latest.  
Besides being very useful in the broker's office, it also proves a source of entertainment for those awaiting stock quotations and current prices.

SCENE OF ONE OF NEWEST USES FOR RADIO—BROKER'S OFFICE IN WALL STREET.

**GOVERNMENT JOBS OPEN**  
U. S. Civil Service Commission announces it will conduct an examination soon to fill a vacancy as junior radio engineer. Successful candidate will be assigned to service at Camp Alfred Vahl, N.J.

**FIFTY-FIFTY**  
"Do you claim to know all about finance?"  
"No," admitted Farmer Cornassel. "I'm free to confess some of us farmers who talk about finance don't know any more about the subject than some of the financiers who talk about farming."

## FOR CHILDREN THE SANDMAN STORY FOR T-O-N-I-G-H-T

### MR. FOX TAKES A TUMBLE

Old Mr. Fox was hungry. It had been some time since he had eaten chicken or duck for his dinner, and now that the sun was shining warmly he felt sure that some member of those families would be out, even though there was snow on the ground.  
So he went over the hill toward the farmhouse, and just as he came to the top he happened to see Madam Duck waddling down the path from her home.  
"She is too tough," thought Mr. Fox. "I don't want her unless I can't get anything else. Now I wonder where she lives, for I am sure she must have some ducklings that would please me—very much."  
So Mr. Fox began to look about and spied just under the hill the little house where Madam Duck's children were peeping through the window.  
Putting on his very sweetest smile, Mr. Fox walked toward the house.  
"Good morning," he nodded pleasantly. "You should be out this fine day."  
"Mother told us not to go out," said the ducklings. "She said old Mr. Fox might be around and carry us off to his home in the woods and eat us for his dinner."  
"Your mother's an old quacking goosin'," mumbled Mr. Fox.  
"What did you say?" inquired the ducklings.  
"I said that was a funny story your mother told you," fibbed old Mr. Fox. "I saw Mr. Fox running toward home with Mr. Dog at his heels, so he won't be around here. You are perfectly safe"—which was another fib, but that did not trouble old Mr. Fox.  
"I saw a sled at the top of the hill," he said, going close to the window to make sure the ducklings were nice and plump. "And if I were you youngsters I would run out of the back door and take a slide over the bend before your mother comes back. She won't mind, now you know that Mr. Fox will not be around."  
And then those naughty ducklings

disobeyed their mother and put on their mittens and caps and ran to the top of the hill where the sled was and got on.  
Mr. Fox had run down the hill to cross the pond and be there waiting on the other side when the sled arrived there with five nice plump ducklings, but his well-laid plans which often go awry, this one did for Mr. Fox.  
He was going down the hill but the

sled with the ducklings went faster than he expected it would, and just when he was half-way down it hit Mr. Fox knocking him off his feet and, luckily for these five naughty, silly ducklings, they tumbled off the sled.  
Down the hill rolled Mr. Fox and behind him the sled, and when he struck the frozen pond at the bottom the sled hit Mr. Fox, giving his head such a bump that the one thing he saw was stars.  
"It must be night," thought Mr. Fox as he picked himself up and rubbed his head in a dazed way, but Mr. Dog, running toward him, barking loudly, soon brought Mr. Fox to his senses and he started off faster than he came.  
Madam Duck flapped her wings with horror when she heard what had happened. "You silly little things, that was old Mr. Fox himself," she said.  
And because he did not eat them, those five silly ducklings wondered if anyone so nice and pleasant as Mr. Fox could do anything as wicked as their mother said he did.

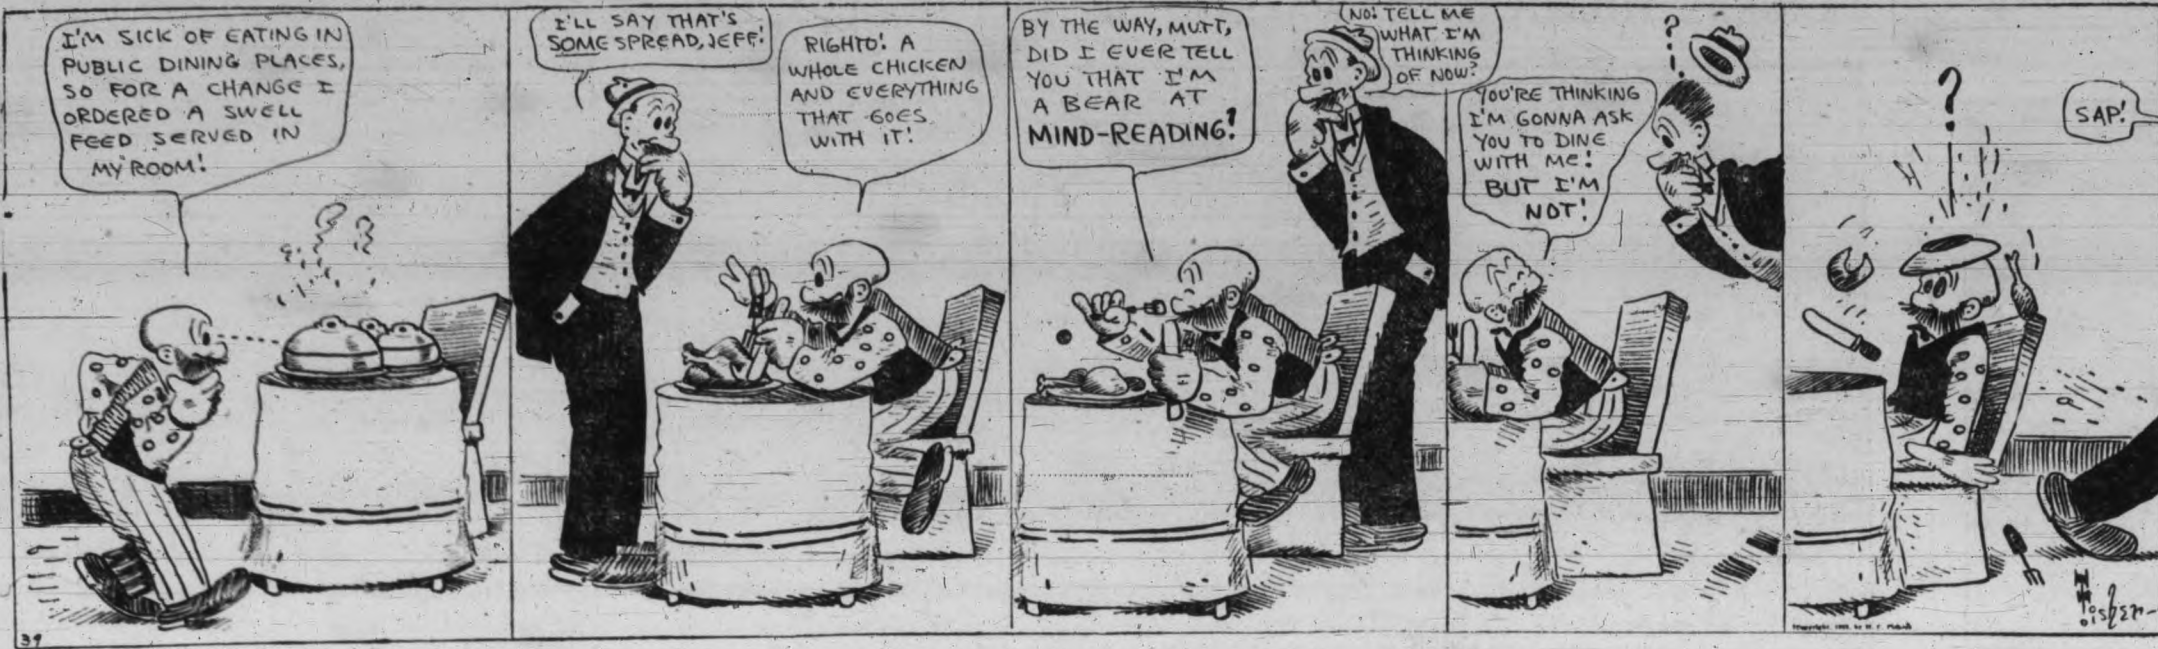

## Guess What

Leader of the Ku Klux Klan addressing his followers? No, the veiled statue of Edmond Burke, British friend of the American colonies, which will be unveiled at Washington, Oct. 12.

**TO-DAY'S TRADING IN WINNIPEG MARKETS**

Winnipeg, Oct. 10.—The little outside news on the local wheat market was contained in a hearing to-day and an untraded day and closed 1/2 to 3/4 up from yesterday's closing quotations.

There was active trading during the first half-hour of the session in cash wheat, but the offerings were easily absorbed and the market became quiet. Northern sold early at 1 1/4 over the October price, while No. 2 Northern was 3/4 cent under the future cash market, with all and without feature. Coarse grains continued dull in the future market, although prices held firm. Inspections totaled 2,411 cars, of which 2,181 were wheat.

Wheat—No. 1 Northern, 1 1/4; No. 2 Northern, 1 1/4; No. 3 Northern, 1 1/4; No. 4 Northern, 1 1/4; No. 5 Northern, 1 1/4; No. 6 Northern, 1 1/4; No. 7 Northern, 1 1/4; No. 8 Northern, 1 1/4; No. 9 Northern, 1 1/4; No. 10 Northern, 1 1/4.

**LIQUOR SEIZURE FOLLOWED ARREST**

**\$30,000 Worth of Liquors Taken in Vancouver**

Vancouver, Oct. 10.—The liquor warehouse of Hons & Brooks, 225 Keefer Street, was raided by Liquor Board inspectors yesterday afternoon and liquor valued at \$30,000 confiscated. The raid resulted from investigations following the arrest of Fred Summers at Burnaby on Monday morning, when inspectors allegedly purchased liquor from him, afterwards seizing his new automobile and nineteen cases on a charge of illegal sale.

While searching for liquor the inspectors found documents giving information as to Summers' source of supply.

**BELIEVED WOMAN IN VANCOUVER SHOT AT CLOSE RANGE**

Vancouver, Oct. 10.—That Mrs. Robert Law, of Calgary, who was shot last night in Stanley Park, was shot from behind at close range, is the opinion of Dr. J. D. Neville, who attended the injured woman.

George McKenzie, who was detained in connection with the affair, was released to-day.

Mrs. Law has a fighting chance for recovery, according to hospital authorities.

**FOUND DEAD.**

Toronto, Oct. 10.—In a little room heated by a gas burner, C. H. Hahnford, 44, an employe printer, was found dead last night at his home. Death, it is thought, was due to asphyxiation.

Warm Wool Mixture Combinations, high neck style, with long sleeves, ankle length. All sizes, including our sizes. Price \$3.95

Knit Underwear, First Floor

**Do You Know?**

That a question recently issued to thousands of college women asking what they read brought out the fact that the majority per cent read the store advertisements?

**Do You Know**

what this means to you, Mr. Merchant?

**It Means**

That the modern young woman not only knows what she wants and when she wants it, but she knows, and is still learning, where to get what she wants.

The young girls just entering college learn to read the store advertisements from the seniors and by the time they graduate they will know where to get what they want.

The graduates, entering into business or home management, will still read the store advertisements. They are efficient, time and labor-saving hunters, those youngsters, and if you want them for your own you'll have to show them that you have what they want when they want it—and also, that they want what you have.

Big thing, isn't it, what these young folks are reading!
