Northfield Knife Company,

MANUFACTURERS OF ALL KINDS OF

PEN AND POCKET

CUTLERY.

NORTHFIELD, CONN.

Northfield, Conn., March 1st, 1869.

Dear Sir:

In presenting you with our new "Illustrated Catalogue," we would respectfully invite your attention to the following facts in regard to the goods manufactured by us.

All our goods are manufactured throughout on our own premises, subject to our own supervision, and from the best quality of materials to be procured; all blades being forged by hand from the finest quality of English Steel, manufactured expressly for this purpose, and of our own importation.

Nearly all the workmen employed by us in each department, are experienced and skilled, most of whom have had many years experience in the most celebrated establishments of Europe, and whose services we have in many instances been able to secure only by heavy expenditure.

Our Company is one of the longest established as well as most extensive producers of **POCKET CUTLERY** in the United States, and our facilities for making a superior quality of goods are unsurpassed.

Guaranteeing all our productions of superior quality and finish, and respectfully inviting your patronage,

We remain,

Yours, very truly,

**NORTHFIELD KNIFE COMPANY.**

All orders or communications addressed to us as above, will receive prompt attention.
