

**MANIPAL UNIVERSITY
JAIPUR**

Established under the Manipal University Jaipur Act (No. 21 of 2011)

Dear Mr. Shingare

Greetings from Manipal University Jaipur,

Phi Phenomenon is the Research Society of Manipal University Jaipur, that aims to develop the research culture in our University and the surroundings as we believe that research leads to the establishment of new knowledge and encourages students to think in varied and creative ways.

Manipal University Jaipur faculties and students have a remarkable reputation among the research endeavors across our nation. Our efforts are directed towards motivating the students into planning their careers in a way that contributes to the various research domains.

It would be an honor to invite the Wikimedians of India technical user group for organizing the eminent Wikipedia Edit-a-thon in collaboration with Manipal University Jaipur. Your help in gaining access to support, expertise, and promotion of the event, along with your assistance in attaining acquaintanceship of active Wikipedia Editors and Research Experts to assist the new editors can lead to a successful event.

It is a privilege to associate ourselves with your virtuous organization, and this exemplary project and event by Wikipedia. We are excited to make it a success and contribute in endeavoring knowledge to the community.

Thanks, and Regards,

Dr. Gaurav Kataria

Phi Phenomenon Faculty Coordinator

Assistant Professor

Department of Chemical Engineering
