1. Use link in chat
2. Existing editors select 'log in', new editors select 'sign up'

The screenshot shows the Outreach Dashboard for the 'Kensho Impact-a-thon - Edit-a-thon' event. The page features a top navigation bar with links for 'Training', 'Documentation', and 'Report a problem'. A language selector is set to 'en', and a 'Log in' button is visible. Below the navigation, the event title is displayed, followed by a sub-navigation menu with 'Home', 'Editors', 'Articles', 'Uploads', and 'Activity'. The main content area is titled 'Hello!' and contains the following text: 'You've been invited to join Kensho Impact-a-thon - Edit-a-thon. To join the course, you need to log in with a Wikipedia account. If you don't have a Wikipedia account yet, sign up for one now. Your username can be as anonymous — or as personally identifying — as you wish. (Shared accounts are not allowed.)' At the bottom of the main content area, there are two buttons: 'Log in with Wikipedia' and 'Sign up with Wikipedia'.

# Wikipedia

What exactly is it, anyway???

Wikimedia, is the global community of contributors to Wikimedia Foundation projects. The movement was created around Wikipedia's community, and has since expanded to the other Wikimedia projects.

- Wikipedia, a web-based encyclopedia
- Wiktionary, a dictionary
- Wikibooks, educational textbooks
- Wikinews, news articles
- Wikiquote, a collection of quotations
- Wikisource, a library of source texts and documents
- Wikiversity, educational material

- Wikivoyage, a travel guide
- Wikispecies, a taxonomic catalogue of species
- Wikimedia Commons, a data repository of media like images, videos and sounds.
- Wikidata, a common source of data, also accessible by the other projects

# What is Wikipedia?

---

Wikipedia is a multilingual, web-based, **free encyclopedia based** on a model of **openly editable content**. It is the largest and most popular general reference work on the Internet. [Wikipedia] is supported by the Wikimedia Foundation, a non-profit organization which operates on money it receives from donors.

# Wikipedia: Reliable sources

---

Articles should be based on reliable, published sources. If no reliable sources can be found on a topic, an article should not exist.

## Reliable sources

per WP guidelines

- Published scholarship (print or online)
- News organizations
- Vendor and e-commerce sources (Can be used to verify awards won, album length, etc.)
- Biased or opinionated sources (Only when trying to report the existence of one side of a topic, debate, etc.)

## Unreliable sources

per WP guidelines

- Questionable sources. (Those with a poor reputation for checking the facts or with no editorial oversight)
- Self-published sources including websites\*
- Primary sources\*
- Social media sites including LinkedIn

\* These can be added to external links section, but should not be cited

## Sojourner Truth [edit source]

A B-class article from Wikipedia, the free encyclopedia

**Sojourner Truth** (/soʊˈdʒɜːrnərˌtruːθ/; born **Isabella "Belle" Baumfree**; c. 1797 – November 26, 1883) was an American **abolitionist** and **women's rights** activist. Truth was born into **slavery** in **Swartekill, New York**, but escaped with her infant daughter to freedom in 1826. After going to court to recover her son in 1828, she became the first **black** woman to win such a case against a white man.

She gave herself the name Sojourner Truth in 1843 after she became convinced that God had called her to leave the city and go into the countryside "testifying the hope that was in her".<sup>[1]</sup> Her best-known speech was delivered extemporaneously, in 1851, at the Ohio Women's Rights Convention in **Akron, Ohio**. The speech became widely known during the **Civil War** by the title "Ain't I a Woman?", a variation of the original speech re-written by someone else using a stereotypical Southern dialect, whereas Sojourner Truth was from New York and grew up speaking **Dutch** as her first language. During the Civil War, Truth helped recruit black troops for the **Union Army**; after the war, she tried unsuccessfully to secure **land grants** from the **federal government** for formerly enslaved people (summarized as the promise of "forty acres and a mule").

A **memorial bust** of Truth was unveiled in 2009 in Emancipation Hall in the U.S. Capitol Visitor's Center. She is the first African American woman to have a statue in the Capitol building.<sup>[2]</sup> In 2014, Truth was included in *Smithsonian* magazine's list of the "100 Most Significant Americans of All Time".<sup>[3]</sup>

# Additional Challenges

---

Barriers to article creation include:

- Lack of access to editing training
- Limited secondary sources due to limited coverage of women's accomplishments
- Absence of freely-licensed images

Solutions include:

- Increasing outreach to new editors through workshops and edit-a-thons
- Publishing verifiable information about women from all eras
- See Project Rewrite

## VisualEditor

'Edit' button

VisualEditor is a "visual" way of editing Wikipedia that does not require editors to learn wiki markup. Until Visual Editor, editors had to learn wiki markup to make most edits.

VisualEditor works like a word processor. While is simpler to use, the Source Editor can be more effective for some tasks.

## Source Editor

'Edit source' button

Source editor uses Wikitext, also known as Wiki markup or Wikicode, which consists of the syntax and keywords used by the MediaWiki software to format a page.
