b. Who Writes the Articles Teachers, students and members of PTA

14. Audio Visual Aids and Use of Records They utilize records in music and physical training. Appreciation of educational movies is encouraged. Wall-newspaper is made by students and put on the wall.

15. Health, Sanitation & Physical Education A part-time doctor (twice a year), a part-time nurse (three times a month). They have a complete physical examination once a year and measurement of weight once a month.

16. Teachers' Union: No. of Teachers who are Officers 1

Projects Teachers' Union is active in in-service training of teachers.

17. PTA Members 300 Meeting per Term General meeting once a year and temporary. Committee meeting once a month.

a. Projects They are interested in contents of education, economic condition and school discipline.

b. Organization 1 president(parent), 2 vice-presidents (parents), 21 counsillors (parents and community people), 2 clerks (teachers), and 14 class committee in each class.

18. Good Features of School Organization

They have no special good feature yet except having new buildings.

19. Undesirable Features 1. Lack of visual aids, space for playground, library, science laboratory and auditorium. (They can use primary school's auditorium when they want).

2. No in-service training.

20. Recommendations 1. Establishment of book-shelves or a library, science room and auditorium. Enforcement of in-service training of teachers and consideration on 5-days a week system.

2. Systematic in-service training should be given once a week at least. 3. Student participation should be encouraged through systematic organization. 4. Constitution of student government should be made so that scope of responsibility between faculty and pupils should be clarified. 5. General meeting of PTA should be given frequently and periodically.

6. Food and toy collection should be well informed to pupils so that parents will be able to be interested in this field.

School Inspection Report

1. Name of School Nokami Lower Secondary School Date 17 ~~Jan.~~ Feb 49'.

2. Location Oaza Okinono, Nakanokami Village, Kaiso-gun Prefecture Wakayama

3. Name of Principal Kenji Ueda Head Teacher Isagi Yokoyama

4. Number of Teachers: Men 10 Women 2

5. Number of Pupils: Boys 189 Girls 195

6. Number of Class-rooms 8 Laboratories 0

   Home Making-Rooms 0 Cooking-Rooms 0

   Gymnasiums 0 Auditoriums 0

   Playgrounds No playground

7. Core Curriculum Specify General subjects.

8. In-service Training: Yes V No -

   Projects All teachers' meeting: once per ten days for 4 hours on educational psychology, course of study, teaching technique, audio-visual education, core-curriculum, co-education, safety education, student government and health and sanitation. Demonstration: once a month.

9. Class-room Procedure Lecture, discussion and free study.

10. Student Government: Boys 189 Girls 195

    a. Projects Pupil discipline.

Committee in each class: 6 officers in charge of 6 departments (planning, cultural, physical training, health & sanitation, safety education and equality for education). Outside school student government: 9 district student government, 1 teacher is in charge of outside school student

b. Organization Method Used government. Meeting: once per week.

Council: 54 members. Meeting: once a week. All officers are elected by pupils. 1 teacher is in charge of student government.

11. Guidance Program Specify Student government is in charge of pupil discipline under teachers' guidance.

12. Pupil Discipline and % of Attendance Last Month 93.5%

Pupil discipline has been improved. No big problem at present.

13. Newspaper: How Often Published Monthly How Many 1

a. Type of News Pupild compositions and teachers' essays.

b. Who Writes the Articles Teachers and pupils.

14. Audio Visual Aids and Use of Records Records, radio, charts and pupils' best works on the wall.

15. Health, Sanitation & Physical Education No health clinic, no school nurse, complete physical examination: once a year. Lessons on physical training and health and sanitation: 3 hours per week. No school lunch.

16. Teachers' Union: No. of Teachers who are Officers 3

Projects Elevation of teachers' cultural standard.

17. PTA Members 516 Meeting per Term General meeting:
once a year. Committee meeting: once a two months.

a. Projects None

b. Organization Culture, leadship, facilities, health and sanitation
and treasure committee.

Election:

18. Good Features of School Organization 1. Consolidated school for two villages.
2. Well fufnished visual aids. 3. Pupils' seem to be interested
in class work. 4. They already have a plan fof student government.
5. Well systematized in-service training programs.

19. Undesirable Features 1. Frequency of general meeting of PTA.
No project.

20. Recommendations 1. General meeting of PTA is desirable to be held
once a month if possible with definite projects. 2. Student Govern-
ment is being properly conducted with the constitution of student
participation. Buraku (ward) student government is undesirable ffom
the standpoint of sectionatism . 3. In teaching Japanese language,
a teacher in charge had students learn spelling without teaching how
to read at first.
