File: NLS-1098

Date: 16 September, 1950

TO : Chief of Kanto Civil Affairs Region

FROM : Chief Custodian of Nishina Kogyo K.K.

SUBJECT: Application for Approval of Payment from Government Funds for guard in Designated Reparations Plant.

We Nishina Kogyo K.K. (Code No. 26-30), 849, Yoshida, Nagano-shi, Nagano Prefecture, have received a notification from Nagano Prefectural Government that in compliance with Memorandum KMDI 386.3 Kanto Civil Affairs Region dated 17 August 1950, number of guard in our plant should be increased to four (4) to be paid from our plant funds. Up to 15 June 1950, number of guard in our plant were three (3) out of which two (2) guards have been paid from the reparations funds and one (1) was from the plant funds.

We are willingly to increase number of guard following the Memorandum, however, according to our understanding two (2) out of abovementioned four (4) will be paid from reparations funds while the remaining two (2) from our plant funds for the following reason.

1. We have now 191 items of stored reparations machines and equipment (point: 15963) out of 231 items in total (point: 18,585.5) which percentage not in use is 86%.

2. From our understanding 14% of the equipment in use are not key items of the central fascility of our plant as stated in Item (2) Paragraph 7C, Memorandum CPC/RP 387.6 dated 2 June, 1950.

3. Because less than 30% of the equipment in our plant is in use, our request is presented to your Headquarters considering our case will come under Item (2) Paragraph 7C, the same Memorandum above.

We ask for your kind consideration of the above stated condition and approval of this application.
