

Human Development Index in Latin America in 2013

“The mission of the Human Development Report Office (HDRO) is to advance human development. The goal is to contribute towards the expansion of opportunities, choice and freedom. The office works towards this goal by promoting innovative new ideas, advocating practical policy changes, and constructively challenging policies and approaches that constrain human development. The office works with others to achieve change through writing and research, data analysis and presentation, support to national and regional analysis and outreach and advocacy work.”
 -United Nations Development Program
