十一、本人の役員就任當時その勤務した財閥會社と財閥又は財閥直系會社との間に役員としての就任についての事前承認を必要とする旨の取極の有無

無

(一) 明文の取極の有無

有り

(二) 本人の役員としての就任の事情の詳細、特にその就任につき財閥又は財閥直系會社が關與した事實の有無

理由書

私は日本紙業株式會社に於て庶務課長及總務部長として勤務した經驗に徴しても、私が日本紙業株式會社の役員候補者を指名して來ることは殆ど稀有の事に屬していた。私の役員就任に當つても日本紙業株式會社の役員會に於て、私を財閥の代表的人物として特に保善社から指名したものとは考へていない。當時の社内の順位からみても私は當然役員に推薦される位置にあつたのである。

日本紙業社内に於ては何人も私を財閥の代表者と看る者はない。終戰後亀有工場長に就任する時にも從業員側に異議がなかつたのを見ても、此事は明白である。

11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

THE ARRANGEMENT EXIST IN WRITING.

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

FROM MY EXPERIENCE AS HEAD OF THE GENERAL AFFAIRS DIVISION AND HEAD OF THE GENERAL AFFAIRS SECTION, THIS SHOWN THAT THE YASUDA HOZENSHA HAS SELDOM NAMED THE CANDIDATES AT THE ELECTION OF OFFICERS OF THE JAPAN PAPER INDUSTRY CO., LTD. (NIHON SHIGYO K.K.) DESPITE OF THE AGREEMENT ON PERSONEL APPOINTMENT.

MY SITUATION AT THE INSTALLATION WAS THAT THE OFFICERS' MEETING OF THE COMPANY RECOMMENDED ME AS QUALIFIED AND THAT I WAS ELECTED TO A DIRECTOR AT THE GENERAL ASSEMBLY OF STOCKHOLDERS.

I DON'T THINK I WAS NOMINATED FROM THE HOZENSHA, THE ZAIBATSU COMPANY, AS THE REPRESENTATIVE PERSON OF ZAIBATSU. I WAS THEN AT THE POSITION TO BE RECOMMENDED AS AN OFFICER IN VIEW OF THE ORDER IN THE COMPANY.

NO ONE IN THIS COMPANY REGARDS ME AS A REPRESENTATIVE OF ZAIBATSU. THIS FACT IS PROVED THAT EMPLOYEES DID NOT OPPOSE MY INSTALLATION AS HEAD OF THE KAMEARI PLANT AFTER THE WAR.

Mr. Tetsu Katayama,
Prime Minister.

Sir,

Application for approval under Article 6, paragraph 1, item 2 of the Law No. 2 of 1948

I hereby submit this application for your approval of the fact that I am not an appointee falling under Article 6, paragraph 1, item 2 of the Law No. 2 issued in 1948 as per the particulars fully stated in the accompany papers.

Yours obediently,

J. Ueda

   Jireich Hiraiwa

   Date of birth: June 13, 1889

   Age: 51 years

2. Address of the applicant:

   848 2-chome, Kameari-machi, Katsushika-ku, Tokyo

3. Name and address of the Zaibatsu Associate Company with which the applicant is affiliated and the present office he holds in this Company:

   (a) Name of the Company:

   (b) Address of the Company:

   (Temporary Office: 21 1-chome, Kanda-Jimbocho, Chiyoda-ku, Tokyo)

   (c) Present office he holds:

   Director and Chief of Kameari Plant

4. Reason asking for approval:

   From my exprience as Head of the General Affairs Division and Head of the General Affairs sectien, this shown that the Yasuda Hozensha has seldom named the candidates at the election of officers of the Japan Paper Industry Co., Ltd. (NIHON SHIGYO K. K.) despite of the agreement on personel appointment.

My situation at the installation was that the officers' meeting of the company recommended me as qualified and that I was elected to a director at the General Assembly of the Stockholders .

I don't think I was nominated from the Hozensha, the Zaibatsu Company, as the representative person of Zaibatsu. I was them at the position to be recommended as an officer in view of the order in the company.

No one in this company regards me as a representative of Zaibatsu. This fact is proved that employees did not oppose my installation as Head of the Kameari Plant after the war.

1. Name of the applicant:

Jiroich Hiraiwa

3. Reason asking for approval:

As I fall under any of the following 4 facts:

(i) That the applicant is not a mumber of the Zaibatsu family concerned, nor a spouse, parent, son, daughter, brother or sister of any member on the same family register, nor a spouse of either of these persons.

(ii) That there was no agreement entered into between the company in whose officer's office the applicant was installed and the Zaibatsu concerned or any company directly affiliated with it necessitating a previous approval of the latter for such installation.

A formal agreement was entered into between them. However, our understanding was that the literal application of this agreement was not necessary for it was a well-estavlished practice of our company to report to the Zaibatsu on the decisions reached at the meeting of the board of directors and to submit them to the shareholders' general meeting for consideration regardless whether such decisions obtained ex post facto approval or not.

(iii) That during the tenure of the officer's office the applicant was not empowered to act equally to no had practically the same or stronger controlling influence with the highest representative officer.

(iV) That the applicant was not holding concurrently more than 4 offices of the Zaibatsu companies affiliated with the Zaibatsu concerned.

On 31 July 1931 he entered the service of and was elected standing director of the Japan Paper Industry Co., Ltd. on the special desire of the company to avail of his service as a person well-versed in paper pulp, as well as in English, in virtue of his position as manager of Goshi Kaisha Toyo Shokai, General Agents in Japan for the British Columbia Pulp and Paper Company of Canada. Question: "During your terms of office as Standing Director or Director of our company did you know that there were arrangements between our company and the Yasuda Hozensha in regard to personnel matters and other controls? Or do you acknowledge that, even though such arrangements existed, they were practically a dead letter?"

Answer: "I know that were arrangements, but at the same time it was a fact that in the case of our company these arrangements were a dead letter."

Question: "Do you think that during your terms of office as Standing Director or Director you received the impression that pressure, interference, compulsion, etc. were exerted in the negotiations between our company and the Hozensha? Or do you think that our company paid little regard to the Hozensha and acted freely without any restraint, such that in the election of our officers there was no instance where the decision of our company was changed by the Hozensha, and that it was not thought necessary to obtain the sanction of the Hozensha in respect to their election especially?"

Answer: "There was no pressure, interference or compulsion on the part of the Hozensha. There was no instance where the company's decision in respect to the election of officers was changed. As for myself, I believed it best from the standpoint of management to decide according to the company's own wishes in respect to the election of its officers."

Question: "Do you think that during your terms of office as Standing Director or Director our company was subjected to some sort of inconvenience or restraint in the selection of officers because of the arrangements with the Hozensha?"

Answer: "Our company was never subjected to any such inconvenience of restraint."

Personal statement.

I had been one of the directors in this company at the time from August 16th 1943 to July 1946, consequently I come under the regal interpretaion within the Article 3 of the Law for Termination of Zaibatsu Family Control. But as shown in the attached personal record, I joined the Nihon Asaito Co. Ltd. situated in Kanuma-town, Tochigi Prefecture, in November 1916, and continues the service after the company's amalgamation by the Teikoku Seima Kaisha Ltd. (later renamed as the Teikoku Sen-I Kaisha Ltd.) On account of my merit in business, I was selected from the employees to succeed the director Mr. Koichi Shimokobe, who was also promoted from the employees resigned upon the termination of his office and my appointment was made effect on the August 16th 1923 (kindly refer to the attached documents). My appointment had nothing to do with the Yasuda Zaibatsu but it was due to the necessity of this company.

It was said that there was the agreement as to the appointment of directors between the Yasuda Hozensha and this company, but my appointment was exceptional case. I was simply selected from the employees to fill up the vacancy of the director who was promoted from the employees and resigned, and not due to the recommendation by the Yasuda Zaibatsu. I have never joined and held any executive position in other company but this company. And I have not related in blood to any of the Yasuda Zaibatsu Family, nor have I any relative among that family. On July 1946 I resigned the director of the Teikoku Sen-I Kaisha Ltd. and then was appointed to the president of the Ueda Tekkojo Co.Ltd. As explained foregoing, I am not an executive personal of the Zaibatsu.

Attached documents :-

1. The certification, regarding my appointment to the director.
2. The statement regarding the actual facts for the appointment of executive personels.

Certificate

Mr. Ushinosuke Kimura was appointed as director of the Teikoku Sen-I Kaisha Ltd. at an ordinary general meeting of stockholders of August 16th, 1943. Since Mr. Koichi Shimokawabe who retired on expiration of term and revealed no intention to renew his term had been an ex-employe director, it was considered desirable to seek a director from among employes. At the same time in consideration of the fact that Mr. Shimokawabe had come from business concerns, the board of directors came to a decision to nominate Mr. Kimura who was the Keijo Branch Manager for the successor. No recommendation of the Yasuda Hozensha participated in his appointment, but his case was merely reported to the Yasuda Hozensha.

I certify that the above statement is correct.

The actual facts for the appointment of the executive personels.

I firmly believe that the appointment of the executive personels were conducted under the conditions and circumstances as explained in the following:-

1. This company had the arrangement as to obtaining sanction about certain business matters from the Yasuda Hozensha by presenting a memorandum, but this company, by its business nature, had been under the control of the military authority during the war, the matter for obtaining the Hozensha's sanction became the matter of formality. This practice had been applied also in event of appointment of an executive personel. Except Zengoro Yasuda, Torazo Kawaji and Seiichi Iwamura who were recommended and appointed by the Yasuda Hozensha, all other executive personels were selected and appointed on the sole reason from the business nature of the company itself or the technical nature, and most of whom were promoted or joined as the result of the negotiations for the amalgamations, consequently the appointment of executive personels had become the matter to be decided by the company itself in the late years, and the Hozensha's sanction had been given without any interference, whatsoever from their side.

Since the year of 1941, the Hoseneha's control over us became extinct not only in the monetary but also personal matters, and it isn't erroneous statement to say that the Yasuda Hozensha had not power of control over the appointment of executive personels during the war time and post-war years.

On the 1st of the November 1945, the Yasuda Hozensha had cancelled the regulation regarding the obtaining sanction by presenting the memorandum from the subsidiary companies under their control. This cancellation was the result of the alteration of the article of the association passed at the general meeting held on Oct. 25rd 1945, by the members of the Yasuda Hozensha and the result had made clear regarding the abandonment of the control over the subsidiary companies, thus even in the formality for obtaining the sanction from the Yasuda Hozensha became unnecessary.

2. The regulation and principle for the appointment of the executive personels.

This company had no written regulation and principle for the appointment of the executive personnels, but during the pre-war years the executive personels were selected and appointed by the Yasuda Hozensha. However, from the years(1940-1941), the general opinion having become prevalent for appointing the employees to the directors and responsible positions, and moreover having been essential to appoint to the directors, the technicians with long service, and personels with characteristic experiences, because of such a reason that there was almost no adequate personels as our executive officer in the linen industry of Japan, owing to the fact that the industry was almost operated by our company. Such appointment become in the recent years the unwritten regulation and principles.

Since the year of 1921 there were 42 executive personels, of whom:-

appointment by affiliation, or transfer, 10 personels

appointment by promotion from the employees, 12 personels

and for those above mentioned appointment, it was not necessary to obtain the sanction by memorandum from the Imperial Household prior to the appointment.

3. During the war, the business of this company was under the military control and the appointment of executive personels was of consultative nature with the military authority, seeking their advice and sanction as the customary practice.

4. Most of the present executive personels of this company are those who were requested to take office by the unanimous resolutions, passed at the meetings of the chiefs(of the sections and departments) and also of the representatives of the employees' trade union, when the president and other five directors had resigned in February of 1947 in accordance with the Purge Law.

They were as follows:-

Chairman	Okajiro Tsukagoshi
President	Yoshihiko Suzuki
Senior Managing Director	Torizo Yamada
Junior Managing Director	Hisao Hara
" " "	Jiro Nagano
Director	Susumu Suwa (promoted from staff)
"	Shigeyo Imura (")
"	Fuku Kubo (")

At the time of appointment, Hara and Nagano were requested to become Junior Managing Director by the employee's resolutions.

however, Yamada alone was made Junior Managing Director, and on the 20th August at the board of the directors' meeting it was decided that Yamada was appointed to Senior Managing Director, Hara, Takahashi, Nagano and Takagi to Junior Managing Director.

Respectfully state that I have been notified by the publication that I would be classified as the executive personal related to the Zaibatsu under the Clause II, No.1 of the Article 3 by the Law for Termination of Zaibatsu Family Control, however I present this petition for your kind reconsideration, with the attached personal statement, proving that I have not been related to the said Zaibatsu.

Presonal Statement.

As I come under the regal interpretation within Clause I, from No. 1 to No. 4 of the Article 7 of the Law for Termination of Zaibatsu Family Control, as explained in the following, I do not come within the meaning of Zaibatsu executive.

1. I have not related in blood to any of the Yasuda Zaibatsu Family nor have I any relative among that family.
2. As shown in the attached personal record, I joined the Nihon Asaito Co. Ltd., Kanuma town, Tochigi Prefecture in 1918 and continued the service after the company's amalgamation by the Teikoku Seima Co. Ltd (later renamed as the Teikoku Sen-I Kaisha Ltd.) On account of my merit in the business I was selected from the employees to succeed the director Mr. Koichi Shimokobe, who was also promoted from the employees and resigned upon the termination of his office and my appointment was made effect on the 16th. August 1923. This indicates itself that my appointment had no relation with the Yasuda Hozensha. Though I understood that there was the agreement as to the appointment of the directors between the Yasuda Hozensha and this company, however my appointment was exceptional case and simply the repetition of the method regarding the selection of successor among the employees for the vacancy caused by resignation of Director Mr. Shimokobe, who selected from the employees. From the above fact, my appointment was not due to the recommendation by the Yasuda Hozensha, and it was merely a matter of formality so far as the Yasuda Hozensha was concerned.
3. I held the position of Director and Branch Manager, and the powers in management and control were not more than those of Junior managing directors.
4. At any time I have not any additional position related to the Yasuda Zaibatsu.

Certificate

Mr. Ushinosuke Kimura was appointed as director of the Teikoku Sen-I Kaisha Ltd. at an ordinary general meeting of stockholders of August 16th, 1943. TO : Mr. Hitoshi Ashida, Prime Minister.

SUBJECT: Application under Par.2, Art.8, Zaibatsu Family Dominating Power Elimination Law.

1. Purport of Application:

Jingo Kurihara, Director of Fuji Industrial Co., Ltd., on whom we previously submitted an application dated 1 Feb. 1948 (See attached copy) under Art. 6 of Zaibatsu Family Dominating Power Elimination Law, was notified on 16 April 1948 to be purged as a Zaibatsu officer, and we hereby submit an application under Par.2, Art 8 of the Law for extension of his office till 9 April 1949.

2. Reason for Application:

A. Present Condition of Fuji Industrial Co., Ltd.

(1) Policy of Company:

Our company is principally engaged in liquidation as well as reorganization by properly disposing of its property while preparing for establishment of new companies which will have no connection at all with the Zaibatsu in line with the economic democratization, pursuant to the SCAP Memorandum (See attached copy).

(2) Contents of Company's Business:

a. Disposal of Property:

Money raised by property disposed of according to the above stated principle is appropriated to repayment of debts and shares as well as to disbursement of necessary expenses. Out line of disposable property as well as disposed property is shown in the following. The property necessary for establishment of new companies is not included.

Item	Disposed Property tsubo	Value(yen)	Disposable Property tsubo	Value(yen)
Land	1,520,000	13,000,000	6,450,000	63,459,000
Buildings	100,790	60,064,000	345,200	274,000,000
Materials		97,501,000		574,000,000
Securities				13,543,800

Remarks: Securities include our shares in our subsidiaries. Their paid-up value is ¥ 73,257,700, and book value ¥ 102,746,700. All the securities are transferred to the Holding Company Liquidation Commission who will take care of their disposal.

The capital shares of the Fuji Ind. Co., Ltd. amount to ¥ 50,000,000, which will be sold to the employees.

Our loans to other companies amounted to ¥ 71,238,000 in June 1946 and ¥ 67,923,600 in Feb. 1948.

Out of our 35,000 machines, 33,000 machines are designated for reparations and we are responsible for their safe keeping.

b. Establishment of second companies:

We are preparing for establishment of new companies in accordance with the basic principle prescribed by the SCAP Memorandum and in pursuance of the provisions of the Enterprise Reconstruction and Readjustment Law. Fourteen of our plants will be independently set up as new companies. The property which is needed for establishment of new companies is excluded from disposition and invested in kind in them. Such property totals ¥ 201,200,000, including ¥ 42,776,300 of fixed assets and ¥ 158,423,700 of floating assets. At present in each of our plants there are the production sections as well as the liquidation sections, and the production sections which will be developed into new companies are mostly producing machines and instruments for agricultural, fishing, domestic and other peaceful purposes.

c. Employees:

At present the employees in our liquidation section number 3,000 while those in the production section number 6,500. The employees in the liquidation section are expected to be absorbed as far as possible by the production section. This absorption will be continued till after establishment of new companies.

d. Our disposable property amounts to such a large sum of money as mentioned above that proper and fair disposal of our property has a great influence on the reconstruction of the national economy, while the healthy growth and development of our new companies will be the matter of a great significance for recovery of the national economy.

FUJI INDUSTRIAL COMPANY, LIMITED
INDUSTRIAL BANK BUILDING
MARUNOUCKI, TOKYO

B. Duties pursued by Director Jingo Kurihara in our Company:

Mr. Kurihara was appointed Director of our company in accordance with SCAP Memorandum, AG 095, dated 29 June 1946, and has since been engaged in pursuit of our object of business as mentioned in the foregoing, and he has been especially in charge of disposal of materials as well as safe keeping of reparations machinery.

Our materials to be disposed cover various kinds of metal materials, electrical materials, oils and fats, paints, cars and carriers, ships, goods in process, tools, implements, textile goods and other miscellaneous goods and their total value amounts to about ¥ 570,000,000.

Proper and fair disposal of materials as well as strict safe keeping of reparations machines is of utmost importance from the national point of view, and as stated above our materials cover a great variety of goods including those especially used in aircraft manufacturing. To pursue such disposal, therefore, abundant practical experience as well as excellent technical knowledge is required, and Mr. Kurihara, with his twenty years' experience in the aircraft industry as well as excellent technical knowledge, is the fittest man to take charge of such disposal. As, moreover, our materials are kept in dispersed plants, and the purpose of controlling these plants for such useful purposes as mentioned above, we need such man of character and ability as Mr. Kurihara , who enjoys the confidence of the employees and is indispensable for the execution of our difficult business.

It can be seen from what we have stated in the foregoing that Mr. Kurihara is an indispensable person in the execution of our company's business and not to be replaced with another.

C. Conclusion of Disposal of our Materials:

Disposal of our property is expected to be concluded by the end of 1949, and the major part of our materials will be disposed of in about a year's time during which period Mr. Kurihara's continuation of office is earnestly desired.

I was appointed auditor of Nakajima Aircraft Co., Ltd. with its establishment in Dec. 1931. (formerly Nakajima Aircraft Works), and remained in the post until Oct. 1935.
(a) Circumstances of assumption
The Nakajima Aircraft Works was reorganized and incorporated into a joint-stock company in Dec. 1931, and the member of Nakajima family, who were shareholders, and those, who made great effort for the development of the company were appointed officials of the new company.
I was elected auditor for the service which I had rendered to the company in the department of technique and production for many years.
At the time of establishment of the company the officials were as follows:
Those other than member of Nakajima family, Nakajima Kiyoichi, Nakajima Kimihei, and Nakajima Monkichi were elected from among the staff employees in technique, production, account and other division.

FUJI INDUSTRIAL COMPANY, LIMITED
INDUSTRIAL BANK BUILDING

President & Director	Nakajima Kiyoichi
Director	Nakajima Kimihei
"	Tamaki Yoshinosuke
"	Sasaki Kakuji
"	Nakamura Hiromasa
"	Hamada Otohiko
Auditor	Sakuma Ichirō
"	Kurihara Jingo
"	Nakajima Monkichi

(b) Circumstances after assumption

My nominal holdings were 200 shares (out of total 400,000 shares), and I was only an ordinary auditor. After my assumption of office, I was chiefly supervising the production department as chief of the manufacturing section of Ōta Plant.

(2) Director (Oct. 1935 to Mar. 1945)

Resigned auditor in Oct. 1935, and elected director, staying in the post until Mar. 1945.

(a) Circumstances of assumption

I was chief of the manufacturing section in addition to auditor as stated in the foregoing, but in Oct. 1935 I quitted the post improperly placed and was elected director for the reason that I was well-experienced in the department of technique and productive activities.

(b) Circumstances after assumption

The president had actual control over administration of the company's business, and so I had no special control over it, being only a technical adviser. By consecutively assuming the offices of manager of Ōta Plant, Vice-superintendent of Oto Manufactory, chief of the same, and chief of Utsunomiya Manufactory, I was only useful as technical and productive expert. My nominal holdings were 200 shares (out of total 400,000 shares) from 1931 to 1938, and 393 shares (out of total 1,000,000 shares) from 1938 to 1945.

(3) Particularity of Nakajima Aircraft Co., Ltd.

Though originally Nakajima Aircraft Co., Ltd. was established by the Nakajima family, its expansion was made in compliance with the inevitable necessity of the national demand, being essentially different from such as contriving to secure a position in business world by utilizing the accumulated wealth of one's own. The fact that the Nakajima Aircraft company was supplied with more than 2,600,000,000 yen of loan by the Government, while its own capital was 50,000,000 yen (30,000,000 yen of it was loaned by the Nakajima family), shows that the company was more like a state operated enterprise than Zaibatsu company.

I was only a technical official in this company, whose character may well be understood from above.

2. Auditor of Nakajima Aerometal Co., Ltd. (Nov. 1939 to Aug. 1941)

When Tanashi Forging and Casting Plant (maker of airplane engine parts and materials), a branch plant of Tokyo Manufactory of Nakajima Aircraft Co., Ltd., was reorganized and incorporated into Nakajima Aérometal Co., Ltd. independent of the manufactory, I was elected auditor and remained in the post until Aug. 1941.

(a) Circumstances of assumption

At the time of the establishment of the company the officials were as follows.

President & Director	Nakajima Kiyoichi
Director	Nakajima Kimihei
"	Nakajima Monkichi
"	Takeuchi Takeo
Auditor	Sakuma Ichirō
"	Kurihara Jingo

Of those officials Nakajima Kiyoichi, Nakajima Kimihei, Nakajima Monkichi were elected representatives of shareholders, Takeuchi Takeo person who had rendered great service to the company, and Sakuma Ichirō and I well-experienced persons in the sphere of technique and production.

(b) Circumstances after assumption

As the post was additionally and nominally held post, while I was director of Nakajima Aircraft Co., Ltd., I had no actual influence over the company.

Nakajima Aerometal Co., Ltd. was of nature as peculiar as that of Nakajima Aircraft Co., Ltd. as stated in the foregoing.

3. Director of Fuji Industrial Co., Ltd. (July 1946 to Present)

Nakajima Aircraft Co., Ltd. was reorganized into Fuji Industrial Co., Ltd., changing the articles of association and the company name on 27 Aug., 1945, and I was appointed director of the company on 10 July, 1946 and has been remaining in the post to present.

(a) Circumstances of assumption

I became director of the Fuji Industrial Co., Ltd. on 10 July 1946, and, in compliance with the SCAP Memorandum to the Japanese Government (See accompanying Copy), I have been engaged in liquidating the Fuji Industrial Co., Ltd. as a Zaibatsu company, by disposing of its property in a fair and proper way from the national point of view, and in preparing to establish new corporations that will have no connection with the Zaibatsu family (The Nakajima), in line with the principle of economical democratization, and specially in supervising the proper disposition of stocks by my technical knowledge and long experience in Nakajima Aircraft Co., Ltd.

(b) Circumstances after assumption

After I was appointed director of the company, I have been chief of the 2nd Liquidation Section and superivising the disposition of stocks, under the circumstances of assumption above-mentioned, I have no relation or connection with the Zaibatsu family.

4. I have no family relationship with any person designated as a Zaibatsu.

Commending the above to your kind attention.

Yours faithfully,

Kurihara Jingo
Director
