RESOLUTION requiring the Secretary of State to compile and print, once in every two years, a register of all officers and agents, civil, military and naval, in the service of the United States.

*Resolved, by the Senate and House of Representatives of the United States of America, in Congress assembled, That, once in two years, a Register, containing correct lists of all the officers and agents, civil, military and naval, in the service of the United States, made up to the last day of September of each year in which a new Congress is to assemble, be compiled and printed, under the direction of the Secretary for the Department of State. And, to enable him to form such Register, he, for his own Department, and the Heads of the other Departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, in their respective Departments, including clerks, cadets, and midshipmen, to be made and lodged in the Office of the Department of State. And the said lists shall exhibit the amount of compensation, pay and emoluments, allowed to each officer, agent, clerk, cadet and midshipman, the State or country in which he was born, and where employed.*

2. *Resolved, That the Secretary of the Navy subjoin to the list of the persons employed in his Department, the names, force and condition of all the ships and vessels belonging to the United States, and when and where built.*

3. *Resolved, That five hundred copies of the said Register be printed; and that, on the first Monday in January, in each year when a new Congress shall be assembled, there be delivered to the President, the Vice-President, each Head of a Department, each member of the Senate and House of Representatives of the United States, one copy of such Register; and to the Secretary of the Senate, and Clerk of the House of Representatives, each ten copies, for the use of the respective Houses; that twenty-five copies shall be deposited in the Library of the United States, at the Seat of Government, to be used like other books in that Library; and that the residue of the said copies be disposed of in such manner as Congress shall, from time to time, direct.*

4. *Resolved, That, for the information of the present Congress, such Register, as aforesaid, be prepared and distributed as aforesaid, on the first day of its next session.*

APPROVED, April 27, 1816.

#### RESOLUTION respecting the Biennial Register.

*Resolved, by the Senate and House of Representatives of the United States of America, in Congress assembled, That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution, passed on the 27th of April, one thousand eight hundred and sixteen, there shall be included a correct list in the next Register, of all printers of the laws of the United States, subsequent to the 30th of September, one thousand eight hundred and thirty-one, to the 30th of September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers within the period aforesaid, in any way employed by Congress, or by any Department or officer of the Government, with the compensation allowed to each, designating the Department or officer causing the printing to be executed; and that said Register shall contain a correct statement of all allowances made by the Postmaster General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract, and the sum as additional allowance. And to enable the Secretary of State to comply with this resolution, the several Heads of Departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists, and the matter thereby required to be added, to be lodged in the office of the Department of State, as is directed in other cases, by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.*

\* *Note by the Collector.*—I am in doubt in what manner to state the compensation of the Collector and Deputy Collector at Ellsworth. My own emoluments arising from the office are \$681 58, out of which I have paid for the services of the Deputy Collector \$239 62. Mr. Herbert has also within the year been employed seventeen days as inspector exclusively, for which he has received from the Government the sum of \$51. †For 1841.

\* Legal fees when employed—not employed during the last year, nor since his appointment.

† My salary is \$784 24 per annum.

REMARKS.—I took charge of the collector's office in this district on the 22d of August, 1843. At that time Samuel Ledyard was in office as deputy collector, but how long he had held the place, I have no means of ascertaining by any papers left in the office by my predecessor. There are several other persons who have officiated as deputies during a part of the past year, one of whom is dead, and the others removed or resigned, but I have no means of knowing how long they were employed, or what compensation they received. If it is important to know how long Samuel Ledyard had held the office, previous to my appointment, it must be obtained from my predecessor.
