PRINTED DAILY, DY P. DELAUP. 81. Peter-Riveel, between Bourbon & Roy

PRIDAY, DECEMBER 5, 1828.

STATE LEGISLATURE. House of Representatives. [Atting of Wednesday, Becember 3, 1824.]

The committee named to examine the petition made by some citizens of Baton Rouge, to dispense John Smith with the time prescribed by law to obtain the age of majority, reported favode 2760 rably: second reading for to-morrow. A member from St. Helena, presented an act to regulate the mode of Elections in said parish: second reading for to-morrow.

Mr. Waggaman, presented a petition stres et le tirage de 4, donne 17,550 billets. Il signed by a great number of merchants. y sura 34 lets avec trois des numéros sertis, 828 and captains of vessels and atrambonts arec 2 des mentres sortis, et 6072 avec un scule praying for the nomination of a Notary ment. Post determiner le sort des 17,556 bil- who will be exclusively employed in horse grenadiers, the battalien of Ver- dition is not a hostile one—that it is des lets, 27 huméros, depuis I jusqu'à 27 seront mis dans la rose l'un après l'antre, et l'on en tirera 4. maritime transfertion, such as passing Le billet syant les les. 2d. et 3e- sumérus sortis arts concerning losses and dantages of médiatement, et dans l'ordre du tirage, sum all kinds, incidental to foreign and do ssoon mestic navigation—referred to a special sommittee composed of Messrs. Wagman, Shepherd and Duralde.

The committee to whom had been referred the petition praying for the emancipation of G. C. Y. Oakum, corted favorably a second reading to-morrow.

The Committee of Euroliments re perted as duly enrolled the act for d pensing J. M. Evans with the time prescribed by law for obtaining the age of

majority; the house adopted the report The speaker communicated a report concerning the funds of the Public School of the parish of East Piliciana-referred to the Committee on Public In-

A message from the Senate request ed the concurrence of the House in a resolution proposing that a committee composed of members from both houses be named to visit the Poydras Asylum and report thereon: Messrs. Morgan and - were named on the part of the Senate—the House adopted this resolution, and named Messrs. Winfree, Landry and Thomas, on said commis-

A discussion then took place concerning the adoption of the report made by the committee named to examine into the rules and regulations of the House several amendments were adopted.

Mr. Johnson then proposed that the

sanction of the House a resolution, the guard sustained their post with which in accordance with the report of firmness, and assisted by the soldiers of the committee named on that subject leclared the election of Mr. Lalande to he inconstitutional and illegal, and con sequently pull.

After a short discussion, this resolution was put to the vote, and of 50 memhers present it appeared that 29 voted for the adoption, and but I for its rejection—the resolution was consequent- prison of Gen. Mr. Burthe, who proposed said resolation stated that he would wish the dis- for the defence of the city and the pur- FTHE SUBSCHIBERS have formed a l'atnorcussion on said subject to be deferred suit of the traftor; here they were joinuntil another day, as there were at that ed by the Liberator, who was received moment but few members present—the equest was granted.

We have received no gazettes by the late arrivals—but rumour states that Santa Ana having left a strong garrison at Peroce, advanced with his main army as far as Ojaca where he was receive ed as a Liberator. The troops sent against him were awaiting cannon to besiege Perote. Consequently the first arrivals will probably bring us some very important information concerning the state of affairs in that country.

Baltimore, Nov. 10 .- Flour still high. er. Flour was sold from the stores on Gibraltar, whence she sailed on the 10th Saturday at 89 25, and holders were asking towards the close of the day \$10 per barrel, and quite indifferent whether they sold at that price. It is therefore evident that the market is dar from being with increased violence. Thirty or for- they fail to do so their accounts shall be settled, and the intelligence by the Leeds, at New-York, from London, ter class of the inhabitants had all left lection according to law. which we publish this morning on the the town, and were boarding in the ships

not much doing. Bread has also taken a very long quarantine. a considerable rise, unleavened as it is, and the article full high for the price of Sour.

. [From the Borota Gazette, Sept. 18.] Conspiracy against Colombia and the past had meditated the destruction of the Republic and its guardian effected a most atrocious attempt in the night of the 25th inst. The garrison of this cigas, and a brigade of artillery. The conspirators succeeded to bribe this brigade, and to make it the nucleus of already semoved by the treaty of Alextheir operations: In pursuance of their plads which had been concerted in a secret meeting, held as 8-o'clock of the same evening, a part of the artillery was to attack the palace, another part the berrack of Varghs, and another the grenadiers. Those intended to attack Vargas, were to be subdivided, and to libesate Gen. Padilla, in order to place him et the head of this paricidal undertak-

In consideration of the distance as well as of its own importance, it was palace. This was done by the commanding officer (comendante) Carrijo, Horment, Elorentino Gonzales, captain Lopez, and Weneslao Quillawar, who conducted and led the assassins. Horment, himself, mortally wounded three sentinels, and, accompanied by others, he ascended the upper apartments, where, notwithstanding his youth, i., Andres Harra, orderly-officer of the Li berator, fought with signal valor, until he was disabled by the cet of a sabre in his right hand. The assailants succeeded to penetrate auto the cabinet of his Excellency, who dame out to meet them;

The attack on these barracks had subsist on a kind of Mr. Johnson then presented for the siece of ordnance against the gate; but Morea is laid waste by fire. the same batallion, who from the upper windows fired upon the aggressors with some of the little amunition which they had, beat back the contributes, took their cannon and pursued them in all Brig Lallah Rookh, Full rion, Laguira, master-
