VOLUME 2 NUMBER 47

Washington, Thursday, March 11, 1937

PRESIDENT OF THE UNITED STATES.

THE WHITE HOUSE,
Washington, February 20, 1937.

THE HONORABLE, THE SECRETARY OF THE TREASURY,
MY DEAR MR. SECRETARY:

By authority of subdivision (f) of section 337 of the Tariff Act of 1930, you were, on November 9, 1936,¹ requested to forbid entry into the United States, except under bond provided for in said section 337 (f), of cigar lighters patented in United States Letters Patent Nos. 1986384, 2002845, and Des. 96639. This order was predicated on the recommendation of the Tariff Commission. Since that time the Tariff Commission has conducted a hearing² in the investigation, during which hearing it was disclosed that Design Patent No. 96639 is the subject of pending litigation, and that, in ruling on a motion for a preliminary injunction concerning such patent, the United States District Court for the Southern District of New York denied the motion and expressed the view that the patent did not meet "the test of invention indicated by the more recent authorities."

In view of the serious doubt concerning the validity of such design patent, it does not appear equitable to continue in force that section of the exclusion order predicated upon it. I accordingly modify the above-mentioned exclusion order of November 9, 1936, and request that pending completion of the investigation you continue to forbid entry into the United States of cigar lighters patented in United States Letters Patent Nos. 1986384 and 2002845. Imports of such lighters will, of course, be entitled to entry under bond prescribed by you in accordance with section 337 (f) of the Tariff Act of 1930.

Very sincerely yours,

[SEAL] FRANKLIN D ROOSEVELT
