1. The financial statement submitted by 1st Lt Waclaw A. Tamaszewski, current theater officer in account No. J16-448 is believed to be in order.

2. Inasmuch as higher headquarters do not contemplate replacing Lt Tomaszewski, leaving this headquarters with but two commissioned officers, both of which are currently serving in all command, administrative and related capacities it is felt that a civilian should be authorized as theater officer.

3. This organization is almost exclusively civilian in personnel and must rely on civilians of officer rank to serve in capacities and accept responsibilities commensurate with their ratings. Army Regulations do not preclude the appointment of civilians to any position of responsibility and trust. (AR 35-6520)

4. The continuance of the theater is most important as it is the only recreational facility readily available to the members of this organization.

SUBJECT: Sixteen (16) MM Film Circuit

TO: Commanding Officer
Fukuoka MG Team
APO 24-4
ATTN: Theater Officer

1. The 16mm film circuit in Kyushu serves twenty-three scattered units. The movies presented on this circuit represent the total amusement and relaxation available to many of these isolated detachments.

2. It is vital to the success of the circuit that each unit make the most determined effort to forward film to the next point immediately following a performance. Liaison should be firmly established with each local RTO. Contact should be maintained between units by telephone. Under no circumstances will film be delayed in reaching the RTO. It is desired that the Division Theatre Officer be advised immediately by telephone of any delay in shipping.

3. One copy of FEC MPS Notification Reports Control Form GSS-Ot will be forwarded to Division Special Services, Hqs 24th Infantry Division, after each showing.

1. It has been brought to the attention of this office that the 16mm feature "The Accused" (Para) which was shown at your organization on 8 and 9 May 1949, was due at this Exchange on 15 May 1949 and has not been received, this date.

2. It is requested that subject be forwarded in the most expeditous manner, as there are other outfits scheduled to show this feature.

3. If subject cannot be located, request tracers be initiated, should results prove negative, request a Board of Officers be formed to affix responsibility.

4. It has also been noted that the teature "GRAND CANYON TRAIL" shown at your organization 29 and 30 May 1949, was returned this office in a Signal Corps film container. It is requested that proper case be returned as this is the property of the Film distributor and your organization is being held accountable.

SUBJECT: Late Film Delivery and Receipt of Incorrect Film Case

TO: FEC Motion Picture Div, Hq 8th Army Special Services Section, APO 343

1. The 16mm feature "The Accused" (Para) was received by this unit 12 June 1949 and not 8 May as stated in par. 1, basic communication. A check of the daily and weekly reports from this unit filed in your office would have indicated that subject film had not been received by this unit. "The Accused" will be forwarded 14 June 1949.

2. The feature "Grand Canyon Trail" was shipped in the same container in which it was received. There are no film containers available at this unit, either Signal Corps or otherwise, and nothing would be gained by substitution if they were available.

3. A further check of the daily and weekly reports from this unit filed in your office will indicate that the feature "Snake Pit" scheduled for 4 June 1949 has not been received by this unit. When and if this film is received, it will be forwarded the day following receipt.

4. In the future, request that tracers for lost features be originated from your office to all units on the circuit in an attempt to determine which unit is responsible for the loss. When the responsible unit has been determined, a request for a Board of Officers should then be forwarded to that unit. Because Kagoshima Mil Govt Team is the last organization on the circuit, it seems to be the belief of your office that this unit is responsible for all misuse, mistreatment, and loss of film committed any place on the circuit.

SUBJECT: Report of Audit of Theater

TO : Commanding Officer, Kyushu Mil Govt Region,
Hq & Hq Det., APO 24-5

1. In compliance with letter, Hqs I Corps, APO 301, subj: "Audit of 16 mm Theaters" dtd 5 March 1949, a complete audit of the funds of the Nagasaki Military Government Team Theater was made; for the period 8 December 1947 (opening date of theater) to 11 March 1949.

2. The result of the audit is a follows:

a. FEC Motion Picture Service, on returned financial statement, indicates that it did not receive $16.35 ($0.15 for cost of money order not included) for week of 2 April 1948 and $13.35 ($0.15 for cost of money order not included) for week of 16 April, however this team has Postal Money Order receipts #59518 for $16.35 stamped by Post Office as purchased on 17 April 1948, and #59520 for $13.25 stamped as purchased on 17 April. Another money order for $13.25, #59520, for 9 April, also purchased on 17 April, was received by the FEC Motion Picture Service. A statement by the Theater NCO was made to the effect that all three money orders were mailed in the same envelope; letters have been sent by this team to clarify the matter but returned financial statements indicate that the FEC Motion Picture Service as of March 1949 retains its claim that the money is still due. Efforts have been made to trace the money orders, thru the Post Office Dept., but have resulted in failure.

b. Receipts of money orders for the following dates are missing from the Nagasaki Theater file:

16 Jan 1948 - $10.40
23 Jan 1948 - $ 5.00
23 Apr 1948 - $14.25
30 Apr 1948 - $20.95

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

BASIC: Ltr, Nagasaki Mil Govt Team, subj: "Report of Audit of Theater", dtd 22 March 49.

However returned financial statements indicate the receipt of the above amounts by the FEC Motion Picture Service.

c. With the exception noted in paragraph a above, various small errors which have been made, have balanced against each other as of 4 February 1949. During week of 12 February 1949 there were 4 errors (shortages) made amounting to a total of $ 1.00. At the time of this audit these effors have not been corrected. Therefore the Nagasaki Military Government Team Theater owes the amount of $1.00 to the FEC Motion Picture Service.

d. Certificate "I certify that in my opinion, subject to the foregoing comments, the statements contained herein fairly present the financial conditions of the Nagasaki Military Government Team Theater for the period of 8 December 1947 to 11 March 1949".

Report of Audit

1. Date .14.March.1949..

2. Station ..Nagasaki.Military.Government.Team..APO.24-E.....
3. Theater Officer ..James.B..Creighton..Capt..Inf.....
4. Period Audited from ..10.February.1949.to.11.March.1949.*.....
5. Date of performance of audit ...14.March.1949.....

6. I certify that I have examined the records of the above fund in accordance with the procedures prescribed in TM 14-1008, 3 June 1946, and have personally counted the cash and verified the admission tickets on hand and in my opinion, subject to the comments and exceptions cited in this report, the weekly financial statement attached hereto correctly presents the position of the fund of the ..Nagasaki Mot Pict..... theater fund and that the fund has been operated in accordance with the provisions of GHQ, Circular 87, 14 August 1947.

7. Appended to and made a part of this report are the following:

a. Schedule of comments and recommendations.

b. Schedule of value of tickets delivered.

c. Reconciliation of theater accounts.

d. Weekly Financial Statement as at ...11.March.1949.....

e. Schedule of cash on hand and value of tickets on hand.

* This fund has never been previously audited. The theatre was opened, 9 December 1947. Although the audit of the period 10 Feb. - 11 March 1949 showed no major errors, returned financial statements and spot checks of the period 9 Dec 1947 - 10 Feb 1949 indicate numerous errors which necessitate thorough audit of the fund. Such an audit will be made and submitted. It is estimated that with anticipated difficulties the audit should be complete 26 March 1949.

Dear Major Vestal:-

Further to my letter of February 24, and for your information, I enclose herewith a cutting from a Miyazaki paper which advertises a double feature silent program with a notorious cast. I understant that the cast is well known to the Japanese police although I do not know if the pictures are objectionable or have been censored.

Also a report giving the names of silent pictures shown in Oita and Miyazaki prefectures.

Thanking you for your cooperation.

Very truly yours,

Major Vestal

Dear Major Vestal:

While on an inspection trip of our theatres in North Fukuoka, Oita and Miyazaki, I was informed by our exhibitors, that many theatres were showing silent Japanese pictures with stories revolving around the ancient feudal ideas of the samurai and his retainers.

These theatres were invariably packed with students and the laboring class. You will agree with me, that such pictures are contrary to SCAP's objective of eliminating mediums which encourage feudalism. I have also been told that these pictures have questionable censor certificates. I feel sure that you are not aware that the exhibition of such pictures are taking place in Kyushu.

We are endeavouring to secure a list of silent pictures for your information, which have been exhibited in the towns we visited. In public interest, I am of the opinion that all silent pictures produced pre-war should be banned particularly, the "samurai" kind. There are enough of Japanese pictures produced post-war to satisfy the present theatrical consumption.

We feel sure you will give this matter some consideration.

Yours truly,

/s/ E. Hoshimi
