SUPREME COURT

Reprimand

July 31, 1950

In regard to a case of status ("Bun" No. 2, 1950, Tokyo High Court) brought against MATSUSHITA Yusaburo, Judge of the Summary Court and Judge, ruling has been rendered as follows:

"Bun" No. 2, 1950

Decision

Address: No. 1, Shimoya, Yamura-machi, Minamitsuru-gun, Yamanashi-ken

The Accused: Judge & Judge of Summary Court
MATSUSHITA Yuzaburo

As we received the plea of disciplinary punishment to the Abovementioned accused from Kofu District Court, we decide as below to hear the statement of the accused.

Main Text

We give a warning to the accused.

Reasons

The accused has been nominated judge and judge

of summary court on Apr. 14, 1948 & appointed as a judge of Yamura Summary Court & Kofu District Court (Yamura Branch.)

The accused participated in the mediation case about institution of a pathway as a chief mediator, that case was "Yu" No. 8 of Yamura Summary Court, and the declarant of it was GOTO Shogo and the other party were MOCHIZUKI Naotsugu, KOMIYA Tokumitsu, and on May 4, 1949, when he called the 3rd meeting of the mediating committee in Yamura Summary Court with other mediators MORISHIMA Kojiro, KOMIYA Toshiro, TOMIYAMA Matsuzo. The attendance of that meeting were GOTO Yoshiaki, deputy of the declarant GOTO Shogo, and KOMIYA Shoji, deputy of other party KOMIYA Tokumitsu and AMAMIYA Sadatsugu who was allowed to attend as he was the person concerned. And yet, both the above mentioned GOTO Yoshiaki and KOMIYA Shoji were not permitted to attend as the deputy or did not present even a letter of attorney. After all, each principal of party to the suit did not attend, in spite of it, as the conference took shape among the abovementioned deputies and the person concerned, the accused considered that the case was finished after a compromise was effected among all persons concerned. And the accused made AMANO Shuichi who was a court clerk, (present is an assistant court clerk) to write a wrong protocol that all abovementioned persons concerned attended on that day and the compromise was effected among them all, besides, even when he signed his name on this protocol, he overlocked this error and did not make him correct.

The reasons that the accused finished the case among all persons concerned in spite of the absence of the other party, is that the accused regarded AMAMIYA Sadatsugu as the deputy who attended on May 4. That is to say, the person concerned AMAMIYA has a warehouse side by side with Mochizuki on this debatable ground, and as they have a common interests, AMAMIYA was allowed to attend as the interested parties and he spoke as if he is a representative at every conference of committee, and especially when MOCHIZUKI Sumi, the wife of MOCHIZUKI Naotsugu, attended to the 2nd conference as a deputy of her husband on Apr. 18, 1949, and she assumed such an attitude as she asked the conclusion of the case to AMAMIYA and she said she would not attend to the next meeting. By the abovementioned reasons, the accused regarded AMAMIYA Sadatsugu as a deputy of MOCHIZUKI Naotsugu.

But, the accused neither took measure to investigate whether AMAMIYA was entrusted with that case as a deputy by MOCHIZUKI, nor advised to present a letter of attorney to each persons concerned who did not attend to the meeting. And yet the court clerk AMANO did not attend to the 1st and 2nd meeting of this case and attended for the first time to the 3rd meeting on May 4 when mediation articles were concluded. And, as the court clerk heard only mediatino articles from Judge MATSUSHITA and other mediators, he misbelieved that all persons concerned attended there, and did not ascertain who attended that day. But regarding this, rather Judge MATSUSHITA ought to explain to be able to write a correct protocol. In spite of it, Judge MATSUSHITA did not do this and besides, as he did not look enough through that protocol, he overlooked that error. At the result of it, the wrong protocol has been completed.

The abovementioned facts are recognized by these articles as below: —

1. The statement of the accused in this court on July 26, 1950;
2. The note of the protocol dated May 4 of the documents about mediation case regarding institution of a pathway which is "Yu" No. 8 of Yamura Summary Court of 1949;
3. Testifying protocol of MOCHIZUKI Sumi, MOCHIZUKI Naotsugu, GOTO Shogo, AMAMIYA Sadatsugu, KOMIYA Toshiro, MORISHIMA Kojiro, TOMIYAMA Matsuzo, AMANO Shuichi and MATSUSHITA Yuzaburo in those documents of Kofu District Public Procurators' Offie No. 1577 of 1950 regarding obstruction of performing public duty, fraud, aiding and abetting of counterfeit of public documents and abusement of authority;
4. The note of report dated June 28, 1950, from the Head of Kofu District Court KAWAKITA Masatoki to the President of Tokyo High Court KOBAYASHI Shunzo and attached note that the Head of Kofu District Court heard from Matsushita Yuzaburo, AMANO Shuichi and MORISHIMA Kojiro;
5. The note of report dated July 15, 1950, from the Head of Kofu District Court KAWAKITA Masatoki to the President of the Tokyo High Court and attached copy of report dated July 14, 1950, from judge of Kofu District Court to the Head of the same Court.

Then, we investigate whether those facts of the accused are professional infringement of judges' duty or not. When judge attends to the conference of mediation as a chief mediator, he must investigate whether all persons concerned attend or not. And if the attendants are deputies, judge must investigate whether they are allowed to attend as deputy and the letter of attorney is presented or not. When there are some defects, it is his reasonable duty to take measure to complete it, and if necessary to ascertain about the presentation of the right of representation.

In spite of absence of the persons concerned themselves, (and especially regarding MOCHIZUKI Naotsugu, even deputy did not attend to the conference of mediation on May 4, 1949), the accused considered AMAMIYA Sadatsugu as his deputy and regarded that mediation was finished thoughtlessly. This is negligence of care. And that the accused signed his name thoughtlessly on the protocol without revision of the error is also negligence of professional care.

And these facts fall under the infringement Court Organization Law No. 49, that is to say, the infringement of judges' professional duty.

Therefore, we decide as main text to give a warning to the accused applying No. 49 of the Court Organization Law and No. 2 of the Judges' Status Law that is the Law No. 127 of 1947.
