Carnival Is Big Success With First 'Big Mac' Contest

Sponge throwing, Big Mac eating, and big stuffing were among the many activities of Friday, September 29, the day of the Homecoming Carnival.

Many students got some revenge as they threw sponges at teachers at the yearbook-sponsored sponge throw or hit the lever that dipped teachers into a tank of cold water at the athletic department's African Dip.

A pep session followed the carnival.

Several contests in addition to the standard class competition were conducted during the pep session.

Juniors won the "stuff the bug" contest by squeezing 23 of their smallest classmates into Mr. Pelley's Volkswagen.

There were two Big Mac contests, both of which were won by teachers. Mr. Marty Hessler was able to eat the most Big Macs, and Mr. Mike Frederick managed to down two in the fastest time.

Drama, Choir Give Students 'Scrooge' For Christmas

This year's fall musical was "Scrooge", based on Charles Dickens' "A Christmas Carol". It was the story of Ebenezer Scrooge whose miserly manner spoiled everyone's Christmas until he was visited by three spirits, who changed his terrible disposition.

The musical was different in that the regular pit orchestra was substituted with a reel-to-reel tape.

Stage director for the play was Mrs. Pam Anderson. Music director was Mr. Gene Raymond, and student director was junior Mike Klass.

Students who participated in the play said they enjoyed the experience and made some of the following comments: "It's been fun . . . I liked going to rehearsal and seeing all my friends . . . The laughter and applause made all the work worthwhile."

Student Participation Is Great As 60's Day Returns

Knee-length skirts and love beads flourished in the wardrobes of many MHS students on March 23 as FHA, with cooperation from Student Council and Drama Club, presented "60's Day."

"Terrific, Super, Great!!!" were the comments of Miss Sherry Spencer, FHA sponsor, concerning the event as a whole. "Student involvement and participation made the whole thing work; everyone's enthusiasm was what made "60's Day" a suc-

cess.

The highlight of the school day was a convocation. Students participated in special contests including hula-hoop, twist, and pass-the-apple, and were entertained by such groups as the Beatles, Smothers Brothers, and the Electric Banana Band. Those attending the dance later that evening were treated to some live entertainment: "The Gnad Brothers Blues Band" and Mr. Tony Lawrence with a drum solo.

Musical 'Anything Goes' plays to over 1200 people

Cole Porter's musical, ANYTHING GOES, was presented to enthusiastic crowds of young and old on May 4 and 5. Senior Nancy Sterrett played the part of "Reno Sweeney," an evangelist turned nightclub singer. Mike Klass and David Strohmeier were her "co-horts in crime," "Billy Crocker" and "Moonface Martin."

The play took place on the *U.S.S. Americana*, a ship which was sailing for England. Along with Gina Williams as "Bonnie" and Lori Hickerson as "Hope Harcourt," the plot thickened into utter chaos.

Highlights of the production included Jay Willis' hilarious characterization of "Sir Evelyn Oakleigh" and the reunion of "Bertha Harcourt" and "Bernard J. Whitney" played by Kathy Pearson and Jim Davee in the final scene.

“A Night to Remember” is a gambling success.

In the wee hours of the morning on May 14, many Mooresville High School students wearily dragged fatigued bodies from the gymnasium disguised casino where post prom activities were coming to a close. Conveying the theme, “A Night to Remember,” parents of Juniors worked diligently to convert the gym into a casino, Las Vegas style, complete with blackjack dealers, pin ball machines, roulette wheels, and various other casino type games.

Those attending the post prom won “money” to purchase items at the teller’s cage, Entertainment was by no means in short supply with WNAP disco DJ, Magic Mitch, spinning latest tunes for everyone’s dancing pleasure.

Prizes were also distributed including: gift certificates, hair dryers, auto accessories, a cooler, an AM-FM 8-track player, and a black and white television.

SENIORS

The Class of '79 entered the halls of MHS for their final year. The class was led by president, Mike Curry; vice president, Eric Strohmeyer; secretary, Julie Bivin; and treasurer, Nancy Sterrett. The seniors were sponsored by Mrs. Sue Stewart and Mr. Robert Grosskreutz.

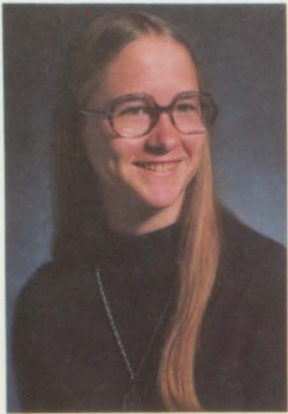

The student council sponsored several dances throughout the year. Roe Wright was student body president, while David Newcomer, Bryan Hadlock, Carl Goldsberry, and Danny Shaw represented the senior class.

The first major project for the seniors was the building of their float, "Victory, How Sweet It Is." The float placed second in both the homecoming and Martinsville parade. Many seniors can look back on this year as a year of great expense.

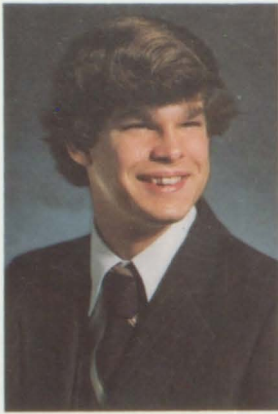

The Class of '79 ordered paddles, graduation announcements, and caps and gowns, and prepared for the day they all had been waiting for — GRADUATION!

“Speeding” through 1978-79 . . .

JUNIORS

Mr. Hall lends a hand at the concession stand during a basketball game.

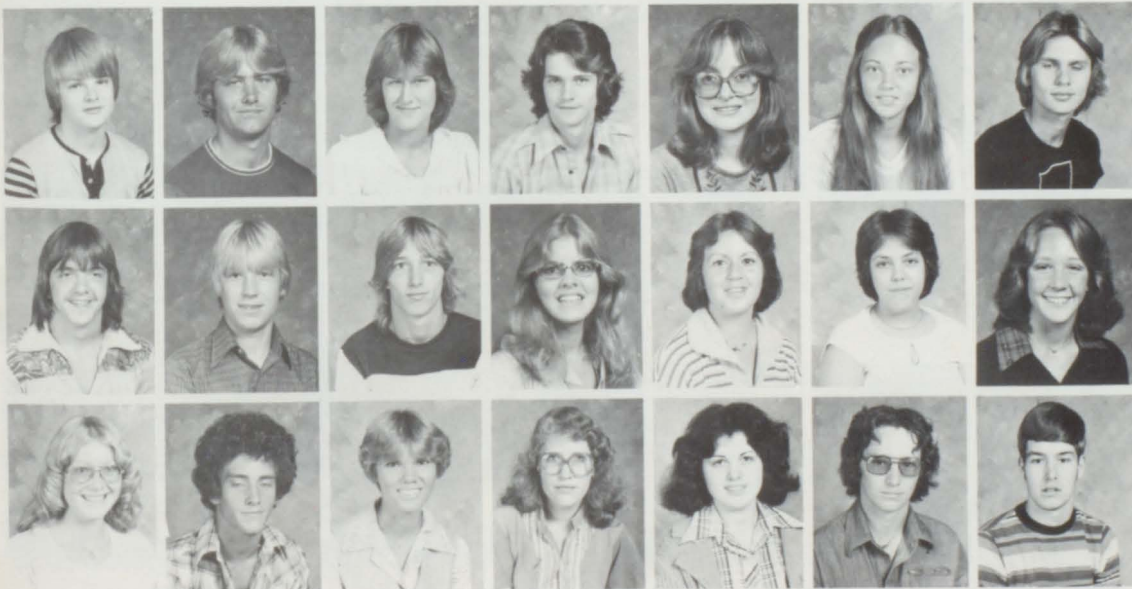

The word which best described the Class of 1980 was “competitive.” As Juniors, they swept float competition at Homecoming and The Fall Foliage Parade. The Martinsville victory netted \$500 for the class.

Competition between one another helped the Juniors to earn \$11,000 from magazine sales. The profits helped to finance the Prom.

Four Juniors proved their ability to beat the competition by winning the race for class officer positions. Jeff Bullman, president; Angie Walls, Vice-President; Carrie Bantley, Secretary; and Amy Baldwin, Treasurer; led the class through the 78-79 year.

Probably the most spirited competition was the rivalry between the Juniors and the Seniors. The classes yelled at pep sessions, painted signs, and built human pyramids to beat the opposition for that coveted spirit stick.

The sponsors leading this explosive class were Stan Hall and Sue Squires.

SOPHOMORES

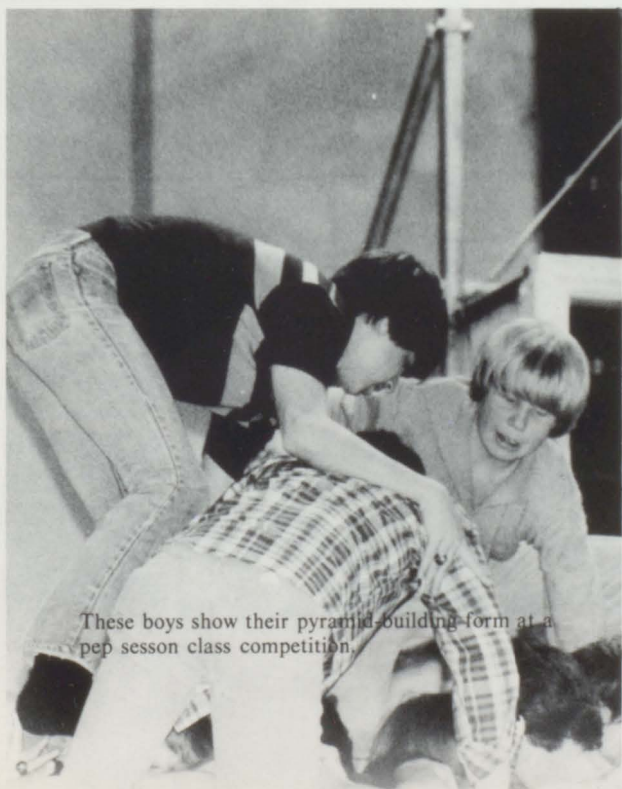

Tending to the crops, and the Sophomores are class sponsors Mrs. Judy Wade and Mr. Rick Oprisu.

The Class of '81 was led through their sophomore year by a "corny" bunch of officers. Left to right are: Greg Roberts, Jeff Norris, Marcia Wright, and Lori Hudley.

All systems were go as the class of '81 zoomed into the year by earning their way to the tug-o'-war finals during Homecoming festivities. Competing in the float contest was another highlight of the Sophs' Homecoming participation. The arrival of long-awaited class rings again put the Sophomores in the spotlight. Their success was continued as the Sophomore girls captured the honor of being Mooresville's first girls' powder-puff champions. The voices of the class of '81 gave the upperclassmen quite a bit of competition at the pep sessions throughout the year. This year's Sophomore class was enthusiastic, ambitious, and extremely competitive. They had a GREAT year at MHS!

FRESHMEN

August 28 the doors of MHS opened and the class of '82 entered a new world full of surprises and challenges to be experienced.

The class of '82 experienced a challenge never to be forgotten, the building of their first float which placed third. Next, the Freshman ladies found themselves out on the football field and placed third after an upset over the Seniors. On the basketball court, the Freshman guys were all smiles after winning the first Freshman Mid-State Conference Title at MHS.

The Freshman class, sponsored by Jim Bradshaw and Marty Hesler, can proudly say they have successfully accomplished many challenges during their first year and are looking forward to their future years at MHS.

Pulling along the freshman class are: Sandy Caine, president; Bruce Macy, vice-president; Teresa Brock, secretary; and Steve Smith treasurer.

Piep makes All-Stars; plays Kentucky

For the first time in girls' athletics, Mooresville had an All-Star, Beth Piepenbrink. Beth, known as "Piep" to her friends, competed with ten other girls against the Kentucky All-Stars in a two game series.

Beth didn't become a good player overnight. She practiced many long hours "shooting the ball" with her family, friends and team-

mates. She definitely stood above her competitors, especially in the height department as she measured in at six feet.

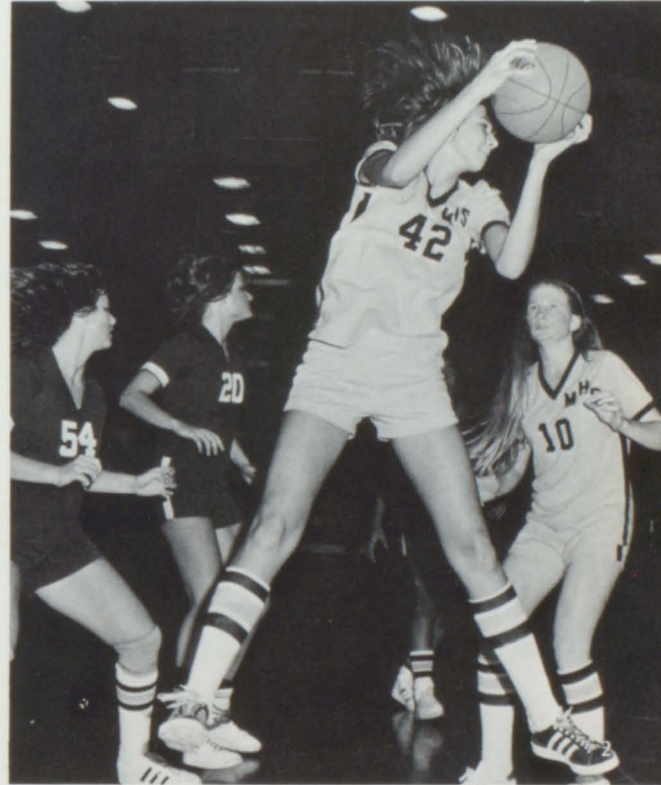

"Piep" has had many accomplishments in her basketball career. She started all four years on the team and led the squad in scoring and rebounding her junior and senior year.

In her sophomore year, she made the all-conference

team.

In her junior year, she added to her all-conference award the honor of being honorable mention all-state. Finally, in her senior year, Beth was not only all-conference and all-state but was named as a member of the All-Star team.

Next year, Beth plans to attend Butler and play both volleyball and basketball.

1. All-Star — "Piep."

2. Beth shows the rebounding style that made her an All-Star.

Gridders go 5-5; rebuild for next year

"We played a completely different type of football," said head coach Denny Pelley about the 1978 varsity football season; the team had its ups and downs and came out with a 5-5 record. Part of the reason for this year's record, compared to the 10-2 record of last year was that the schedule was upgraded to include Terre Haute South, a tough AAA

team, and Ritter, the 1977 state A champion.

Unlike the previous teams, the '78 team emphasized the passing game and was led by Wayne Watson, who set a school record with 35 receptions.

Chosen to the All Mid-State team were: Watson, Joe Copeland, David Newcom-

er, Bob Carter, and Mike Johnson. The team finished 3rd overall with Copeland receiving the MVP for backs and Newcomer receiving the MVP for linemen.

Pelley looks toward next season with optimism because of the youth of this year's team.

8. All-conference receiver Wayne Watson evades his Whiteland opponent and gains more yardage.

Future looks bright for pioneers

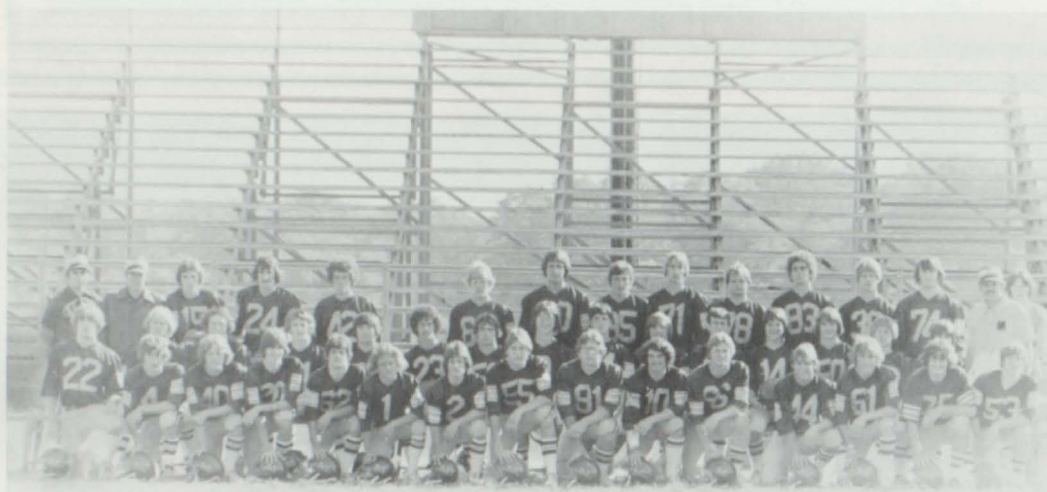

The Mooresville reserve football team ended its season with a record of 5-3. After losing the first two games, the team won five games in a row showing their character, determination and will to win. 'Those qualities helped turn what could have been a disastrous season into a very profitable and successful year,' said

coach Steve Hilligoss. First year coach Hilligoss was assisted by Joel Beebe.

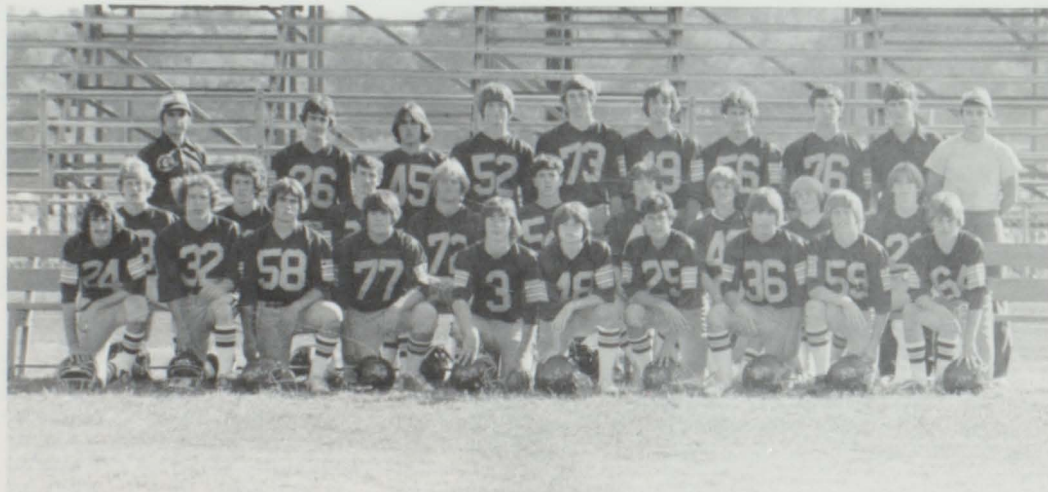

Leading the team on the field was fullback Steve Cohen with 37 points. Right behind Cohen with 36 points was Sophomore Tom Byrnes. Other standouts on the reserve team were tackles, Steve Langle and Greg

Roberts, and linebacker, Steve Wubben.

The experience gained by these players and the determination they showed throughout the season can only give Mooresville football fans confidence in the continuing success of Pioneer football.

Success sums up Frosh season

"This is the most rewarding season I have ever had," stated Coach Greg Silver. The team started out slowly but came back and won five and tied one of their last six games.

Coaches Greg Silver and Bob Ruble tried everything they knew to provide the missing piece that the team needed at the beginning of

the season.

After coming up with what they needed and the confidence that was needed, the team had an exciting season. Providing some of the excitement were captains Steve Fines, David Duke, and Larry Long. Bob Corbin led the team in scoring followed by fullback Keith Owens.

The highlights of the year were the win over Speedway and coming back to win five games after losing two. This was the biggest group of freshmen Mooresville has ever had.

When asked about the future Silver said, "Good things will be happening."

8. Vinnie Smith and Jim Gross show the strain of running after finishing the Morgan County meet.

Harriers 2nd in Mid-State

This year the Cross Country team "ran" up a record of 8-4 in dual meets, 2nd in Mid-State, which is MHS's highest placing, and a 6th in Sectionals out of 32 teams. Mooresville also placed a disappointing 2nd at Morgan County.

The pack of Brett Scott and John Greagory and the pack of Vinnie Smith, Bruce Law, and Jim Gross helped Mooresville have a successful season. The 6th runner,

Rodney Walker, and the 7th runner, Darwin Stannard, came through for the team at very crucial times.

Mooresville had its first female runner, Carin Neitzel, who was also the first female runner at Mid-State.

Many people ask the runners what they think about when they run. Vinnie Smith's answer was, "Going home and eating Twinkies." Bruce Law's comment

about the year was, "We worked hard, but it was fun." Brett Scott summed up the year, "It was a good year; We'll do better next year."

Individual accomplishments were: fastest time, Brett Scott 12:59; fastest freshman, Eric Grubb; all-Conference, Brett Scott; Most improved, Jim Gross; and MVP, Brett Scott.

Tennis Team gains experience

The Varsity Tennis Team, led by Seniors Carl Goldsberry, David McCorkle, and Danny Shaw, finished second in the Mid-State Conference and second in the sectional to end the season with 11 wins and 11 losses.

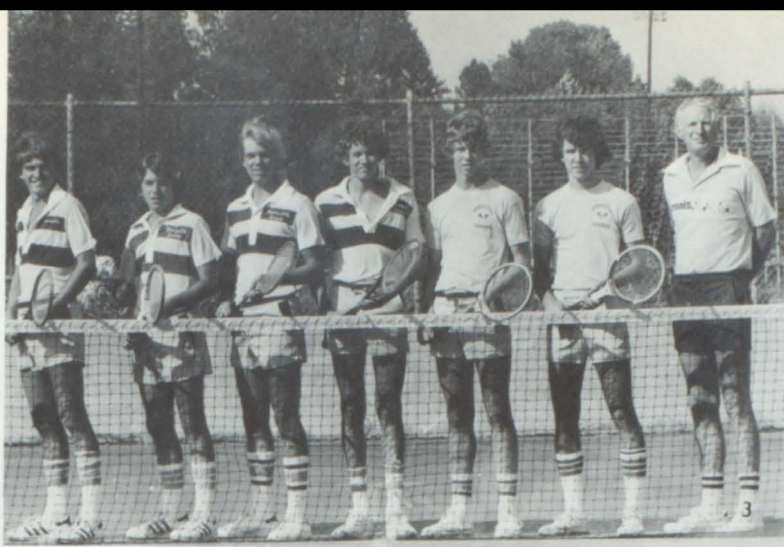

Coach Peters knew the team's major weakness — experience.

The team played many ranked teams and competed

well against Bloomington South. "We had to play to get experience, and this usually meant losing to better teams," replied Peters. For the first time in years, Goldsberry won the Mid-State number one singles for MHS. Mike Habig, in his first year on varsity, won the number three title. Kevin Witt played number two most of the season in addition to teaming up with Mike Swinney in number

one doubles for several exciting matches. Scott Shaw competed at number one doubles and later moved up to number two singles. The team of Danny Shaw and David McCorkle provided exciting and competitive matches throughout the season.

The players gained experience this season to build a bright future.

Volleyball has strong 11-4 year

Coach Rosie Murdock and Assistant Coach Joe Johnson must have had the ingredients for a winner. This year the volleyball team finished with an 11-4 season record and a 4-3 conference record. With a win over their first opponent, Beech Grove, the girls proved they

performed well under pressure.

Highlights of the season were big wins over Brownsburg, Tri-West, and Whiteland, all of which were very competitive teams. Individual highlights included Dee Ann Ramey's 15 straight points.

Most valuable player for the team was Lee Ann Hadley and most improved was Theresa Brock. Next year Murdock will depend on leadership from this year's underclassmen Amy Allen, Toni Mayfield, Dee Opel, Dee Ann Ramey, and Jenny Gershanoff.

Varsity advances to Regional

The Pioneers showed that it was going to be a winning season by defeating Monrovia and Conference foe Speedway in the season openers. With a starting line-up of Fred Settle, Bob Carter, Tim Sheridan, Kevin Witt, and Wayne Watson, the team went on to

compile a record of 16-9. After tucking a winning season under their belts, MHS won Sectionals by defeating Plainfield, Brownsburg, and Danville. The Pioneers went on to defeat Clinton Central in the opening game of the Regionals. In the final game, the Pioneers lost a

hard-fought contest to Crawfordsville by 4 points. Coach Stanley, in his first season as varsity coach of MHS, was happy with how the team performed. Tim Sheridan said, "As a new coach that made it a lot tougher, but he just knew how to coach us and that's what counts!"

Reserve has winning season

The 78-79 reserve basketball team jumped to a good start by successfully defending the Mooresville reserve tourney crown.

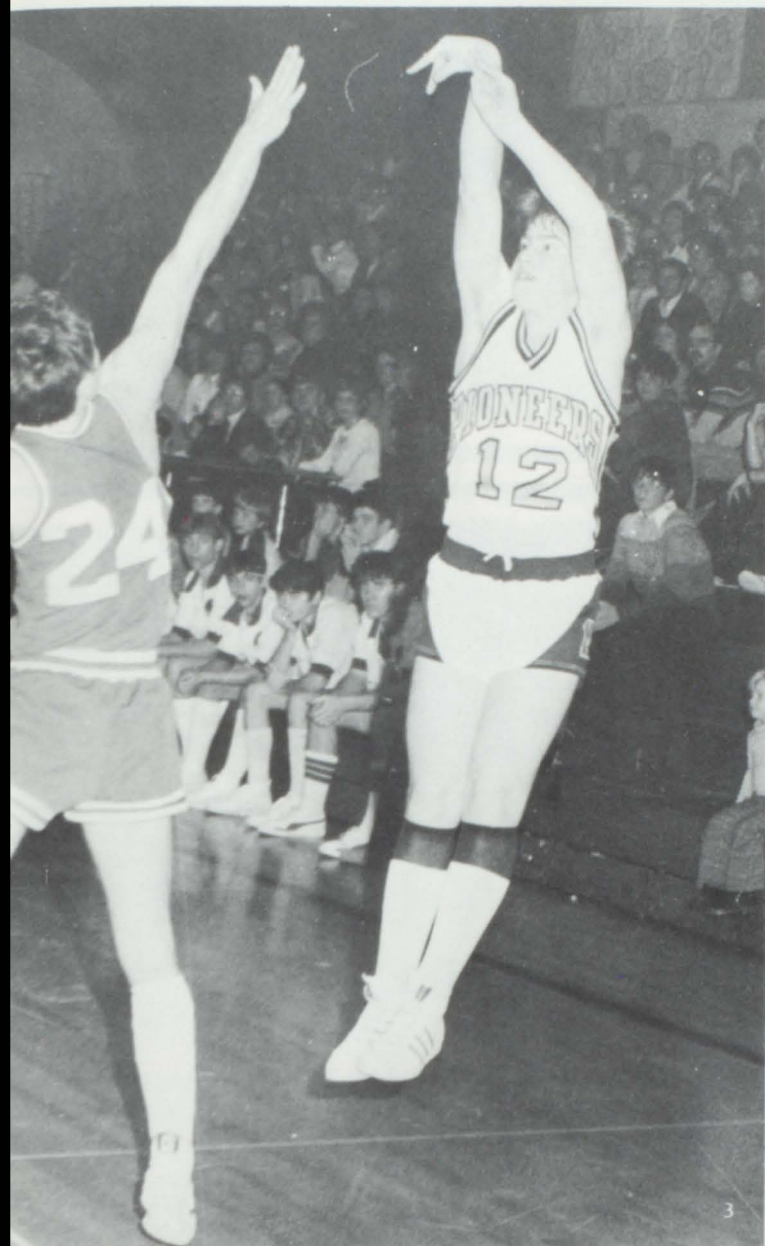

Led by Mark Rutledge with 174 points, Danny Holmes with 75 rebounds, and Bruce Macy with 11 assists, the Pioneers compiled a winning record of 13-7.

Coach Whitaker, in his first season with the JV, maintained the winning tradition at MHS. In 3 years of coaching at Mooresville, 2 at the jr. high, and 1 at the high school, Coach Whitaker more than proved his ability as coach.

Whitaker said, "It was a

very enjoyable year; I liked working with Coach Stanley and Coach Pope, and I'm looking forward to next year."

Mark Rutledge summed up the year saying, "He made us realize the advantages of team ball."

Freshmen are Mid-State champs

"They've got the same potential that this year's varsity did as Freshmen," said Coach Riley of the 78-79 Freshman team.

Following the pattern they had set in 8th grade, the Freshman squads both completed good seasons.

After a competitive sched-

ule, the A squad consisting of Ed Cunningham, Bob Corbin, Mike Swinney, Eric Grubbs, Steve Smith, Bruce Macy, and Paul Wingate, stacked a record of 17 wins and 1 loss.

The B squad consisting of Vince Hodshire, Steve Fines, Mike Grubbs, Scott Pelance, Charlie Dabney,

John Swisher, Kirk Witt, and Jack McGuire compiled a 5-6 record.

Breaking the team into two squads, gave more kids a chance to play according to Coach Riley.

6. Steve Dooley displays the determination that enables him to become the first freshman to capture a Mid-State Conference title.
7. Sectional Champ Tim Kimmel concentrates on his opponent during Regional competition.
8. Demonstrating his pinning ability, Sectional Champ Terry Willaims equals the record for receiving pins in every dual meet.
9. A moment of triumph for state finalist Kelly Caruso after he pins his way to State is apparent.
10. Sectional Champ Steve Harris attempts to reverse Wiley of Bloomington North during Regionals finals.
11. Going for a fall, Mike Norton uses his wrestling instincts.

Grapplers send four to state

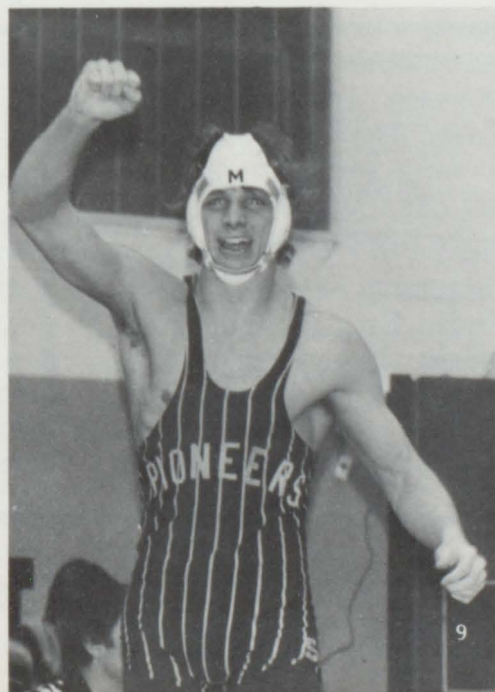

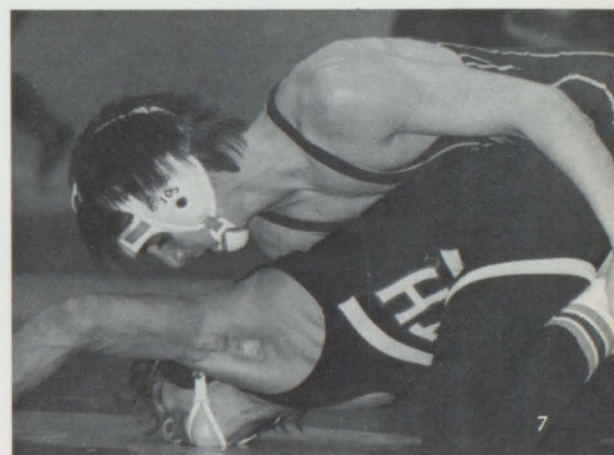

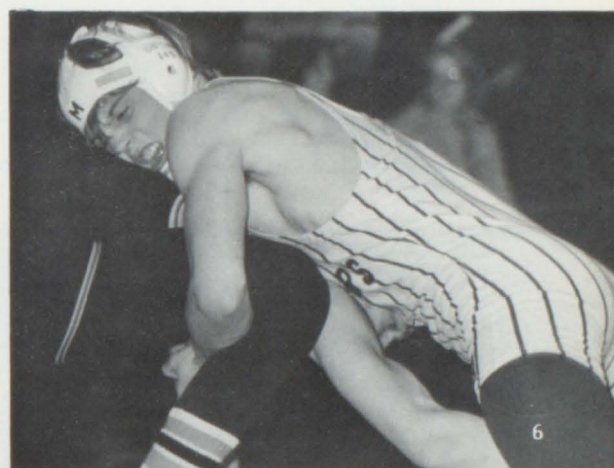

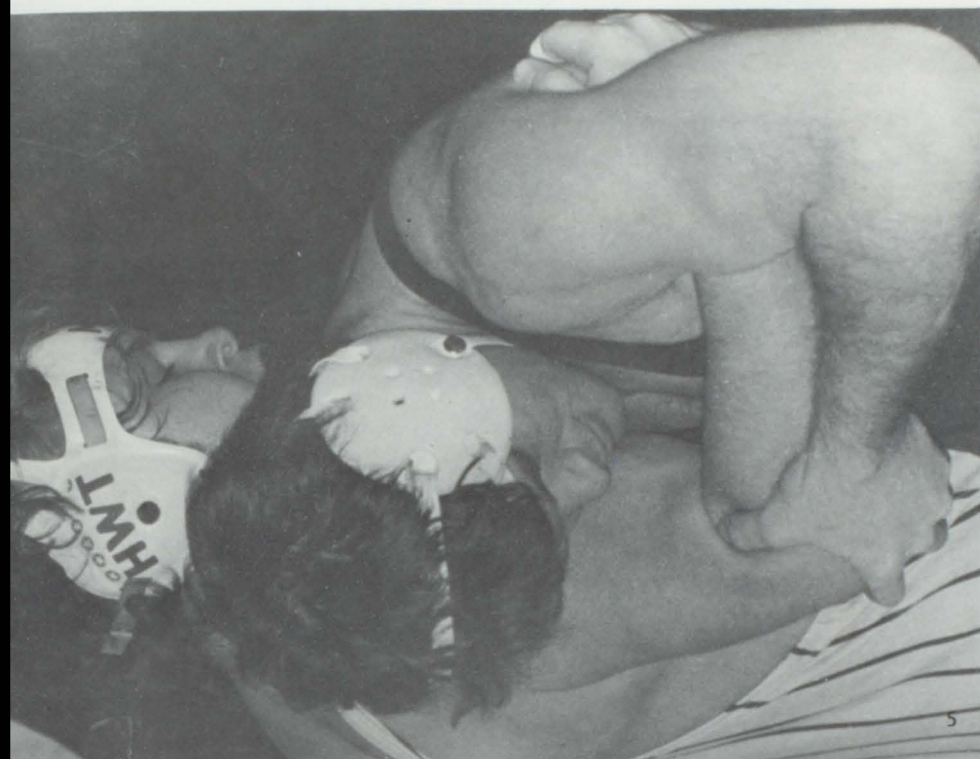

At the beginning of the year, Coach Qualitza said, "This is going to be a rebuilding year." It took five tournament trophies, a record of 11-0, his 100th dual meet victory, four state qualifiers, plus numerous

team and individual records to convince Qualitza the season was much like others at MHS — a definite success.

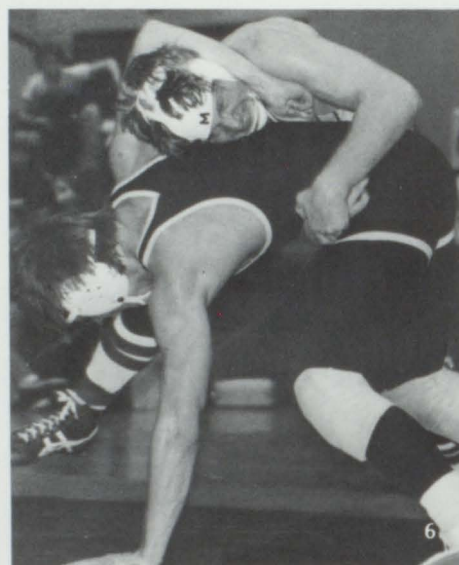

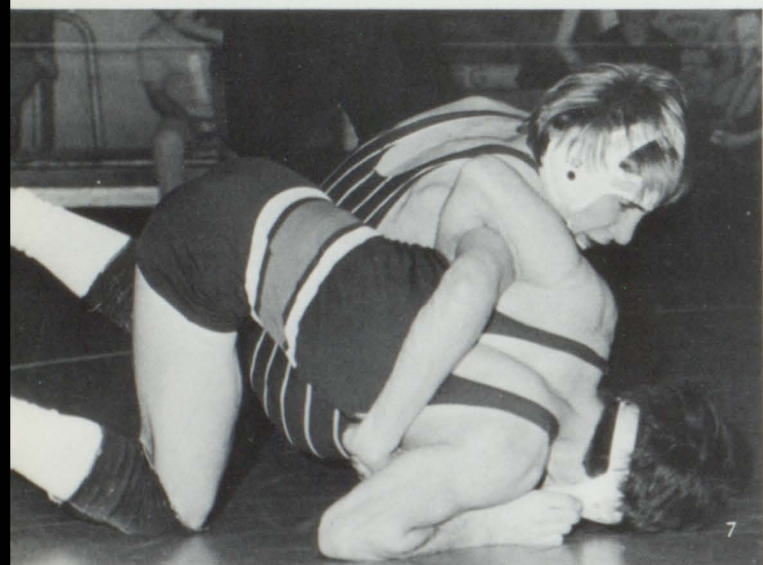

No one expected us to be in contention this year," explained Qualitza, "but we

were able to equal last year's performance. We did the unexpected!"

In addition to records, trophies, and team championships, there were many individual moments on the mat. Sophomore Greg Roberts

upset the 155 lb. number one seed from Beech Grove 6-5 in the semi-final round of Mid State Conference. Senior Steve Harris faced two-time state champion Jay Wiley in Regional competition and lost by a close 6-5 score.

Expectations at state tournament time soared as four

Pioneers advanced to the finals. They eventually had to settle for less than number one, this time a seventh place team finish.

Disappointments at state included Greg Davidson's 3-0 defeat in an exhausting overtime bout. The brothers Caruso, junior Kelly at 126 lbs., and senior co-captain

Scott at 132 lbs., both lost in the semi-final round. Each came back in consolations to place third. After defeating the eventual state champion in the two weeks prior to finals, senior heavyweight Kevin Simmons lost the bid for the state title when he lost to the runner-up in the semi-final round.

2nd Brownsburg Invitational

Reserve and Frosh prove competitive

The Freshman wrestling team had a successful dual meet record of 9-2 and placed 2nd in the Brownsburg Invitational with two champions, Bobby Duke and Tim Ellington. Throughout the year many of the frosh were pulled up

to compete at the reserve level as well. Frosh coach, Bob Ruble, said, "It was good experience; they wrestled against sophomores and juniors and won! That speaks for itself."

A new voice was heard yell-

ing moves on the reserve mat this year with Marty Hesler taking over as assistant coach. The reserves posted a 5-1-1 dual meet record, took 2nd in the Mid-State Conference, and 4th at Bloomington South and Warren Central tourneys.

20-1 season shattered at Semi-State

Coach Joe Johnson's Lady Pioneers compiled a 20-2 record, and for the fourth consecutive year won sectional and regional titles.

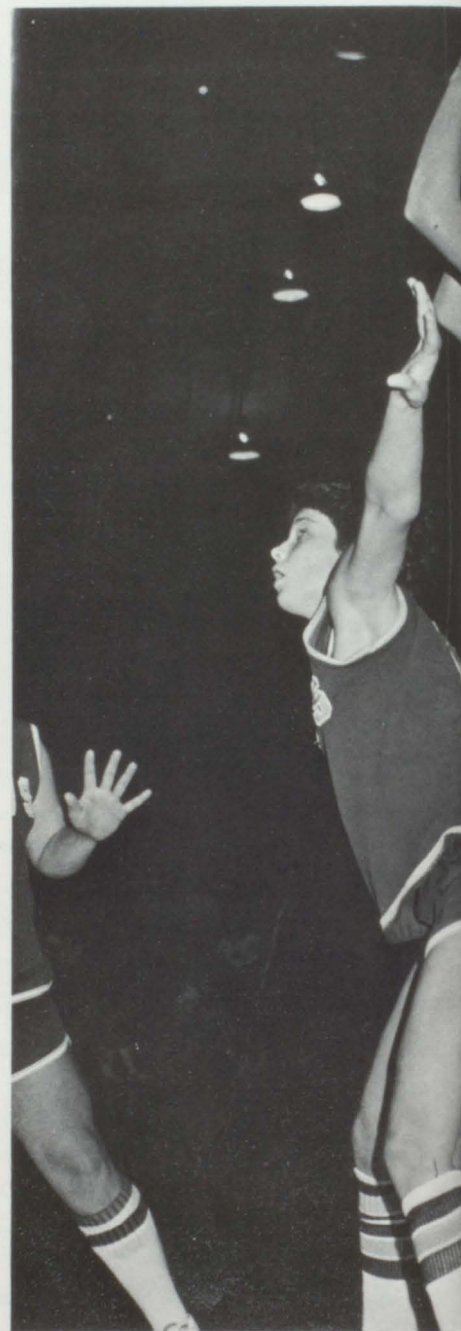

The team was led by senior co-captain Beth Piepenbrink with a 14.2 point aver-

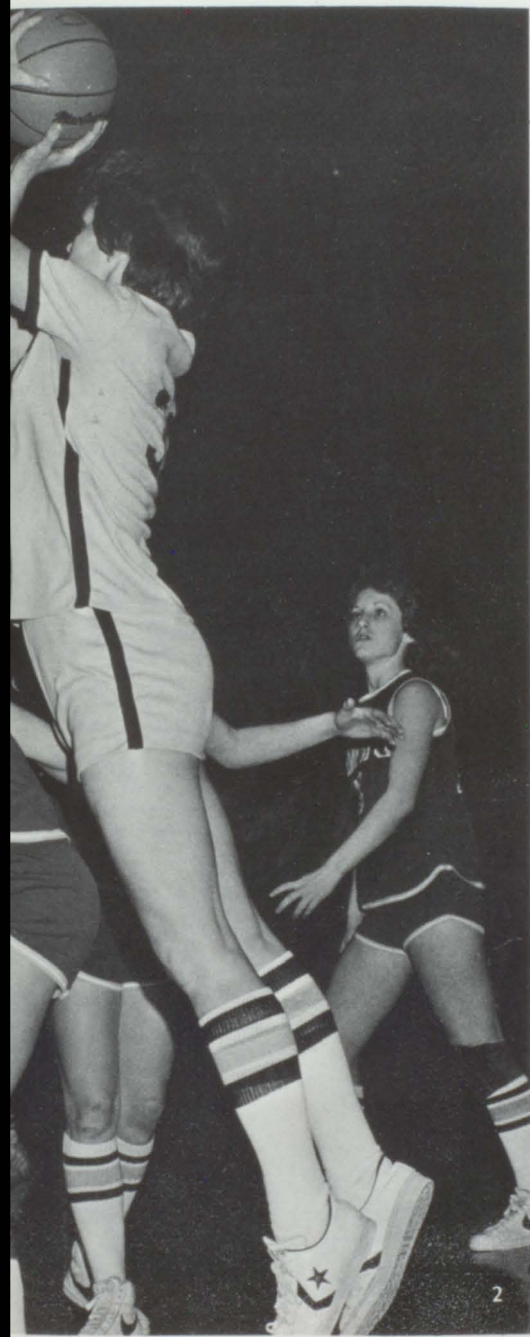

age per game and a total of 315 rebounds for the season. Other outstanding performers were Becky Whitney with a 12 point average and 212 rebounds, Dee Ann Ramey with a 11.8 point average and 86 steals (which was the team high) and LeeAnn

Hadley with a 7.8 average. Debbie Mohr, who suffered a serious knee injury midway through the season, had an 11.8 scoring average. Piepenbrink received the MVP award while Toni Mayfield received most improved player.

1. Senior Debbie Mohr puts in another basket for the lady Pioneers.
2. Senior Becky Whitney goes high over her opponent for two more points.
3. Senior All-Stater Beth Piepenbrink shows her winning form as she scores again.
4. Lee Ann Hadley shows just how intense girls' basketball really is!
5. In Semi-State competition, Dee Ann Ramey scores a basket against Southport.
6. Junior Toni Mayfield carefully lets the ball go out of bounds.
7. In her first year of competition, foreign exchange student, Maria Rosén, grabs a rebound.
8. Two defensive standouts, Dee Ann Ramey and Lee Ann Hadley, steal the ball away from their Southport opponents.
9. Some team members celebrate after one of their many victories.

Reserves 11-6; future looks bright

The Mooresville reserve girls' basketball team followed the winning tradition with a 10-6 record this year. Leading the team in scoring were: Amy Allen with a 5.6 scoring average, Denise Opel with a 4.2 scoring

average, and Jean Cox with a 4.3 scoring average. Sandy Caine led the team in rebounding with 119 rebounds.

About next year, Coach Joe Johnson said, "I anticipate

another good year next year if the girls coming up will work over the summer and want to do well. I think they are anxious to prove that they too can show their abilities."

Frosh inexperienced in only 2nd year

The Mooresville Freshman girls' basketball team, under Coach Larry Goldsberry, finished the season with a 1-5 record. According to Coach Goldsberry, "The record really doesn't show how good the team was."

The team began practicing in October and didn't have their first game until February. Goldsberry said, "Game experience is just as important as practice."

this year was Cheryl Gregory with 50 points. Jean Cox and Sandy Caine each scored 24 points while Cox led the team in rebounds with 29.

Gymnasts enter intermediate level

Starting the season off slowly and improving as the individuals became stronger in their routines, the beginning and intermediate gymnastic teams, coached by Judy Lasley, ended their season with records of 0-6 and 2-2 respectively.

Coach Lasley, using this as a building year for the Pioneer gymnasts, had Michelle Arthur leading the way. Four other individuals

moved up from beginning to intermediate level, meaning all five girls had to learn new routines for a more competitive level. Coach Lasley said performing new routines did not stop the Pioneer gymnasts from competing. She also felt the girls adjusted from beginning to intermediate "real successfully."

Debbie Peters, who was one of the five girls who moved

up, was asked what was on her mind when she was performing. "I try to keep my mind on the routine and what comes next. It takes total concentration."

Although no gymnast qualified into regional competition this year, MHS is assured of a lot stronger and more competitive gymnastic team in the near future.

Track is 9-5; Jerin makes regionals

The track season started in February with practice again being hampered by snow. As March approached, about seventy boys were out for the team.

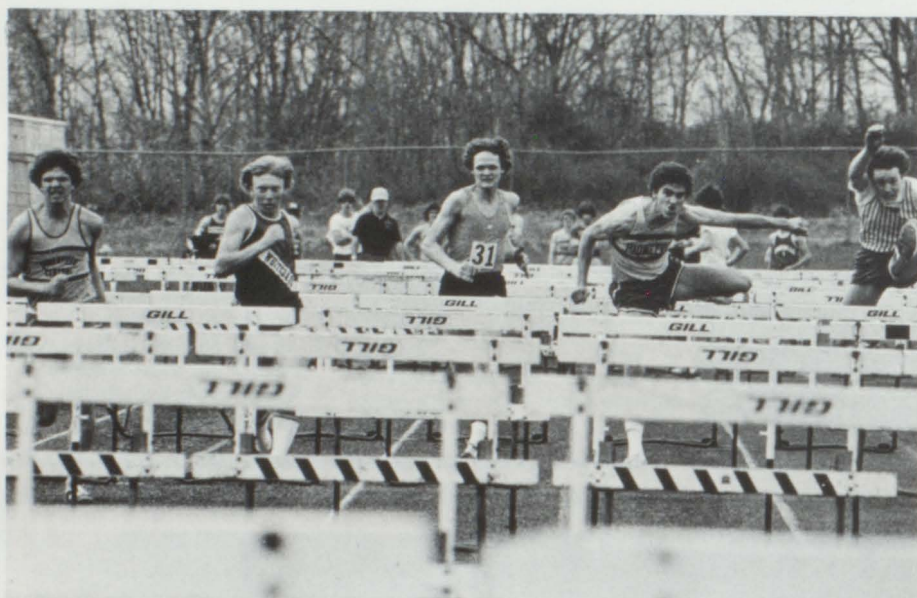

The Pioneers' first competition came in mid-March at the I.U. Relays. They opened their season with losses to Greenwood and Martinsville. At that point

the team put things together with consecutive wins over Plainfield, South Putnam, Danville, Monrovia, and Speedway. After two close losses, the Pioneers finished strong with wins over Avon, Park Tudor, Indian Creek, and Center Grove.

The squad finished third in the Blue-Gold Relays, fifth in Pike's Relays, and fifth in

the Mid-State Conference. Mid-State was highlighted with a victory by the 880 yard relay team.

In the sectional meet at Bloomington, the 880 relay team finished a strong third, and the mile relay team finished fourth. John Jerin advanced to regional competition with a fourth in high hurdles.

Frosh 2nd in Mid-State

The Reserve Track Team ended the season with a 3-2 record winning over Greenwood, Plainfield, and Speedway.

The Freshman Team, which doubled as the Reserve only finished 1-5 for the season, but Coach Stan Hall believed it was a rewarding one explaining that while

the team did not have depth there were many strong individuals.

In the Mid-State Conference Meet, the Freshmen made a comeback by placing second well ahead of other teams. In that meet David Duke won both the pole vault and high hurdle events.

In addition, the mile relay team of Tim Ellington, Eric Grubb, Eric Fuller, and Bruce Macy placed third; and the 880 relay of Steve Gregory, Mike Grubbs, David Ellis, and Larry Long was second.

Pioneer nine are champs

"It was a season of records," said Head Baseball Coach Greg Silver about the 1979 Varsity Baseball Team.

Certainly the team had a great deal to be proud of: a Whiteland Invitational championship, Mid-State Conference championship (with an undefeated mark), most season wins (22), and a sectional title.

There were also individual re-

ords including Wayne Watson's hot batting average of .514. Senior co-captain Jim Stonebraker became Mooresville's winningest pitcher with 19 career wins and a perfect 9-0 season record in addition to most strike out for a season with 114 and Indiana All-Star.

Silver attributed the success of the team to the way they pulled together and especially

praised seven senior lettermen: co-captains Mike Curry and Jim Stonebraker, Dave McCorkle, Eric Strohmeyer, Andy Wingate, Kent Barger, and Wayne Watson.

A definite highlight of the season was avenging an earlier 2-1 loss to sixteenth ranked Martinsville in sectional competition 9-3 to advance to the Bloomington regional.

Freshmen begin with 7 wins

The Freshman Baseball Team had a very successful 7-4 season under the direction of Coach Joe Johnson.

The team's only conference loss came at the hands of Center Grove in a close 2-0 battle.

Wins included a double header over rival Martinsville, Green-

wood, the Boys School, Woodview, Chatard, and Franklin.

Bob Corbin had the team's highest batting average hitting .500 for the season. Dave Fortner, Kris Jones, and Brian Hacker had averages higher than .400 with .438, .429, and .417 respectively. The team's batting average was .287.

Four pitchers were used

throughout the season: Dave Fortner, Jack McGuire, Brent Bible, and Dewayne Pennington. Of the four, Dave Fortner had the best pitching season with four wins and no losses. Jack McGuire had one win and no losses; Brent Bible had one win and two losses; and Dewayne Pennington had one win and no losses.

Reserves have 18-3 season

If the Reserve baseball season results are any indication of the future of Mooresville baseball, as it usually is, fans and coaches have a right to be optimistic.

Reserve Coach Wayne Johnson's group posted an impressive 15-3 record, losing only to Bloomington North in a double header 12-6 and 6-4 and to

conference foe Beech Grove in a close 8-6 game.

Offensively the team outscored its opposition 139-67, and box scores reflected defensive strength as well.

It is interesting to note that the team had a home field advantage only three times as 15 of their 18 games were played

away.

Scott Shaw had the highest batting average with a .471. Roger Harding led in RBI's with 20; and Dave Fortner was the leader in stolen bases with 13.

Pitching statistics saw Gary Lighter at 7-1, Jack Craft, 4-1, Jack McGuire, 3-1, and Ted McCoy 1-0.

1. Jim Stonebraker pitches his way to a 10-0 season and an Indiana All-Star spot.

McQueen is Mid-State medalist

Although rainy weather eliminated several matches during the 1979 golf season, the team finally managed to complete 14 rounds perfectly dividing their win-loss record at 7-7. According to Coach John Riley, the highlight of the season was undoubtedly the individual accomplishment of num-

ber one player Billy McQueen, who was medalist at the Mid-State Tourney.

Disappointments for the team made up of four seniors, three juniors, and one freshman, included the fifth Mid-State conference and eighth Sectional placings. Riley believed

the team could have placed in the top three of both events.

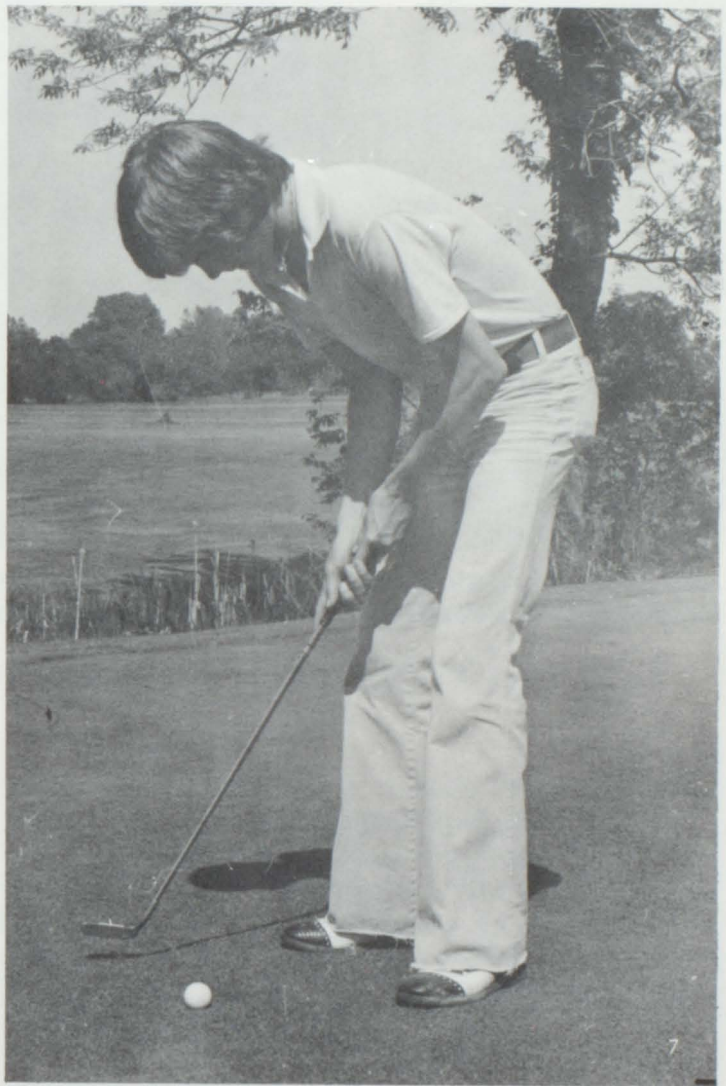

The team's wins included matches against Martinsville, a first time ever accomplishment for a Mooresville Golf Team, Monrovia, Northwest, Greenwood, Cascade, White-land, and Decatur Central.

Girls break four school records

The 1978-79 Girls' Track Team, consisting of 38 girls, finished with a 4-7 season.

"They were a lot better than their record showed," said coach Dale Graves, "we had a lot of improvements."

This year's record breakers were: the 880 medley relay team of Debbie Clark, Jennie Gershanoff, DeeAnn Ramey,

and Gayle Spillman with a time of 1.58.

In the 440 yard run Gayle Spillman with a time of 62.5 also qualified for Regionals, as did Caren Neitzal in the 880 yard run with a time of 2.41.7, and in the mile run Cherry Fazel with a time of 5.54.5.

This year's team placed 5th in the Mid-State Conference and 11th in Regionals.

"Mr. Graves and the girls were real easy to work with," said assistant coach Mrs. Terry Crowe. "We worked hard, but we had a lot of fun. I think the team will do better next year."

"They had a good attitude and worked hard," said Coach Graves. "I'm looking forward to next year."

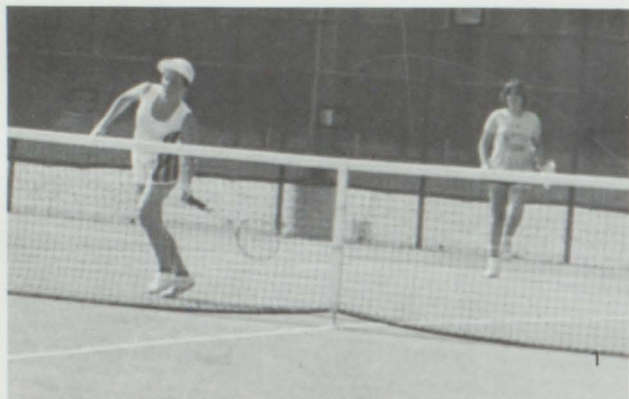

Tennis gets first individual titles

Uncertain of what to expect, new coach Jim Whitaker took control of the Pioneer Girls' Tennis Team, and helped lead them to a 7-6 season record, along with many individual championships.

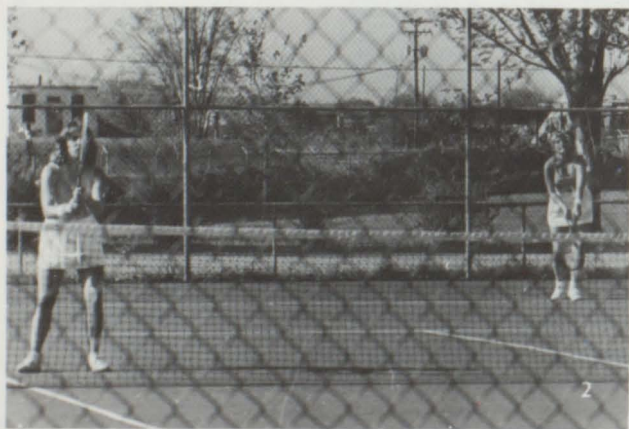

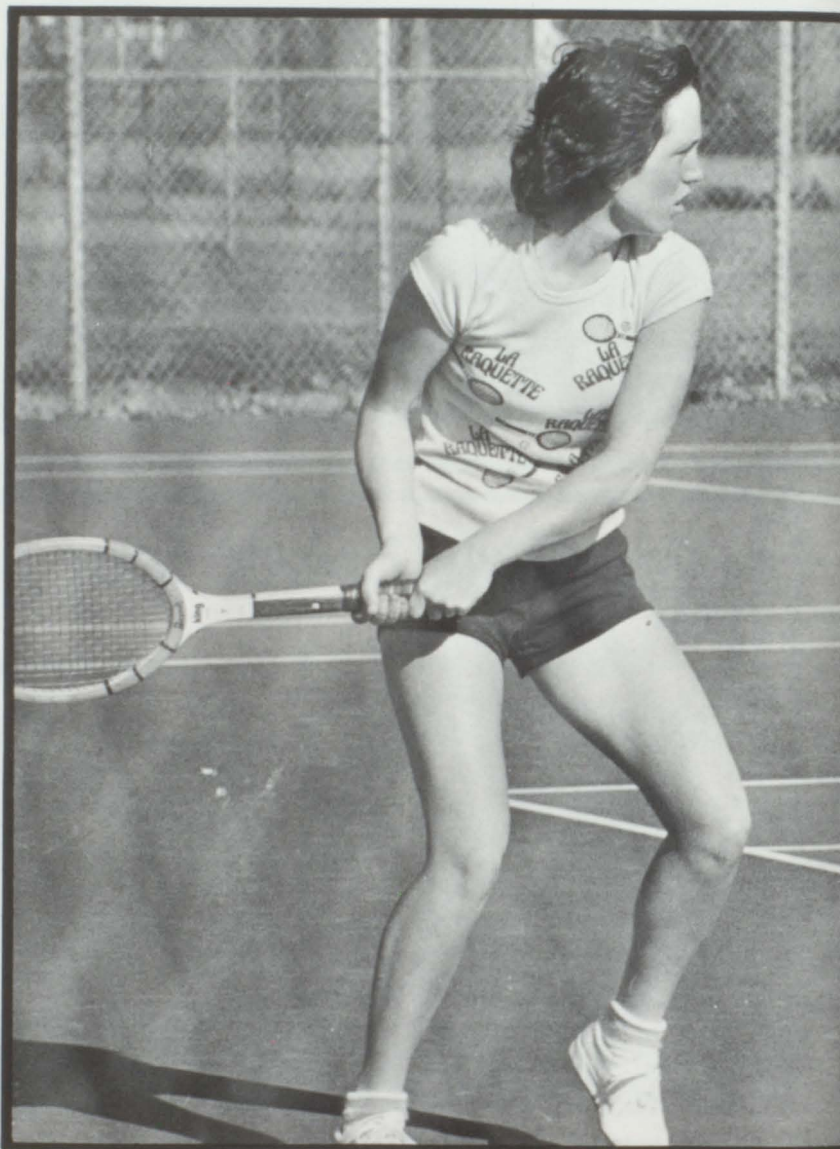

LeeAnn Hadley won the #2 singles title to help gain the team a 3rd place finish at the Bloomington Tourney. The team had much luck once again at the Mid-State

Conference, placing 2nd all around, and for the first time, there was a Pioneer title, the #2 doubles team of Tami Sells and Lori Hadley. Debbie Mohr and Jana Ramey defeated both Greenwood doubles teams to receive a sectional title, but this win still left the team in 2nd place. Coach Whitaker expressed his feelings about the season saying, "I really

did not know what to expect, but I am pleased as to their season record and tourney finishes." About the team's future Whitaker said, "The returning letter people will have a tough time filling the shoes of our Seniors, but the girls have good potential, and with a lot of practice they should be looking forward to another good season."

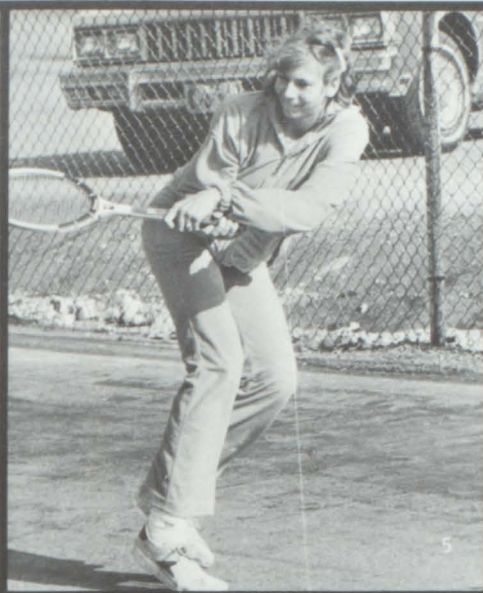

1. Playing the net well, is a "must" for sectional champions Debbie Mohr and Jana Ramey.
2. Mid-State Conference champions, Tami Sells and Lori Hadley, begin another point.
3. "Hud's" backhand leads her to many victories.
4. Angi Walls puts another winning serve across the net.
5. #1 player Beth Piepenbrink plays deep court for this return.
6. Becky Connel makes contact with the ball with a forehand stroke.
7. Very excited about their sectional championship, Jana and "Moh" look forward to the regionals.

Wins outnumber losses in '79

Students couldn't help but review 1978-79 athletically without remembering many successes. Many of the school's teams were ranked by AP and UPI polls and both teams and individuals won numerous titles.

The purpose of these pages is simply to preserve a few of the candid moments of winning and losing and record coaches' philosophies.

"Winning represents the individual's efforts. If someone is willing to make sacrifices, then winning should be their reward."

Dan Havens

"I could have a losing season as far as wins and losses but still have a winning year."

Randy Qualitza

"Tradition means a lot, but you have to pay the price to

win."

Denny Pelley

"If they lost every game but played the best they could, they would still be winners."

Joe Johnson

"Whether you want to win or lose is perceived. Mooresville kids pressure themselves to win."

Joe Stanley

1. Coaches Qualitza and Hessler celebrate with Bloomington Semi-State Champions.
2. The relay team chalks up another one.
3. Joni Perry comforts Debbie Mohr after one of the girls' few disappointments — a loss to conference foe Center Grove.
4. Coach Joe Stanley gives Assistant Don Pope his turn at cutting down the net at Brownsburg and seeing his pep session prediction come true.
5. David McCorkle congratulates Tim Stewart for a homerun against Whiteland that sews up the conference championship for the Pioneers.
6. The team celebrates a conference championship.

Cheerleaders spark enthusiasm

The cheerleaders had a busy year as they supported many successful teams. Both varsity and reserve cheerleaders began the year during the summer when they attended the Dynamic Cheerleader Association camp at Weslyn College.

At the camp the squads received the "most spirited" award ranking above 36 other squads. In addition, the squad competed in many contests, including Greenwood, Morgan County, and Indiana State Fair. The girls placed first in

the Morgan County contest.

Members of the varsity squad were: Debbie Allison, Joni Perry, Amy Baldwin, Carrie Bantley, Marla Dunham, Darci Hadley, Rhonda Opel, and Chris Baldwin.

Reserve, Frosh also generate spirit

The Freshman cheerleaders also began work early in the year when they attended a National Cheerleader Association camp at Vincennes University. The reserve squad assisted the varsity at sectionals, which they enjoyed very much.

The varsity squad showed their appreciation by presenting corsages.

Members of the reserve squad were: Debbie Peters, Angie Walls, Lori Young, Lori Hadley, Sherry Long, Jill McClan-

ahan, Elise Smitherman, and Marcia Wright. Members of the Freshman squad included: Kelly Akers, Kelli Burns, Kim Erny, Laura Fry, Karan McCorkle, Shelly McCory, Susie Piepenbrink, and Natalie Wright.

Kokomo Invitational Charleston Invitational District State Uniform Kokomo Invitational Charleston

Field show and concert seasons bring firsts as band competes in school, state events

The Pioneer band kept busy all year. Marching season began with a trip to Michigan City on July 1 to march in the city's annual parade and to view a drum and bugle corps contest. For recreation, the band members swam in Lake Michigan, but a change in the weather left many swimmers shivering on the beach. August 6, the band was a participant in the Old Settler's Parade, followed by the Homecoming parade in September and the Martinsville Fall Foliage parade in October.

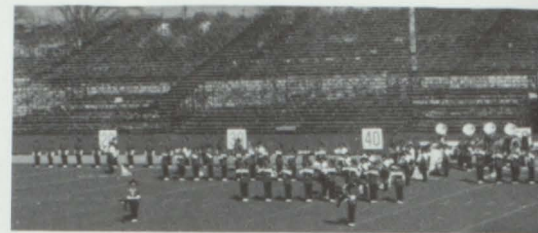

Beginning in early August, during which time the band attended camp at Manchester College, and continuing throughout the fall months, the Pioneers practiced diligently, always looking toward the forthcoming contests. September 31 was the Kokomo Invitational with the band placing 5th in Class A. Jackie Even captured the "best drum major" award.

The members returned home victorious from the Charleston Invitational with a 1st place trophy

in Class AAA small, scoring 87.5 from a possible 100 and becoming the ninth best band competing that day. Placing 2nd overall in Class A, the band was only 5 points behind Anderson in district competition at Lebanon. An amazing 33.2 of 35 points put the band ahead of all the other bands in playing points.

The 1st division rating advanced the Pioneers to state competition at Terre Haute on October 28, where the band took 13th place from 27 of Indiana's top bands. Long time rival, Martinsville, placed 16th, 5.4 points behind the smiling Pioneers. About the scores, director Gerald Weber said that they were, "a little disappointing. The scores were a little lower than we'd thought compared to district. We'll just have to try harder next year."

The largest number of Mooresville band students in the history of the instrumental department participated in district solo and ensemble contest at Decatur on February 3. There were 21 soloists and 3 ensembles bringing

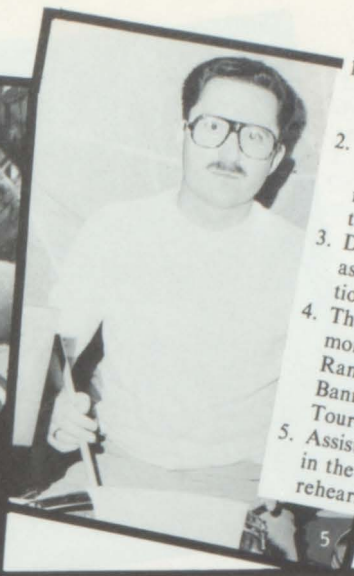

home 14 1st place ratings. Paul McKinney was the only soloist to qualify for state competition. Concert band contest on April 28 at Greenwood was the band's last competition of the year. They received 1st place rating in group II.

In addition to competition, the band played at pep sessions, ball-games, concerts, and graduation. The dance band also performed during the year.

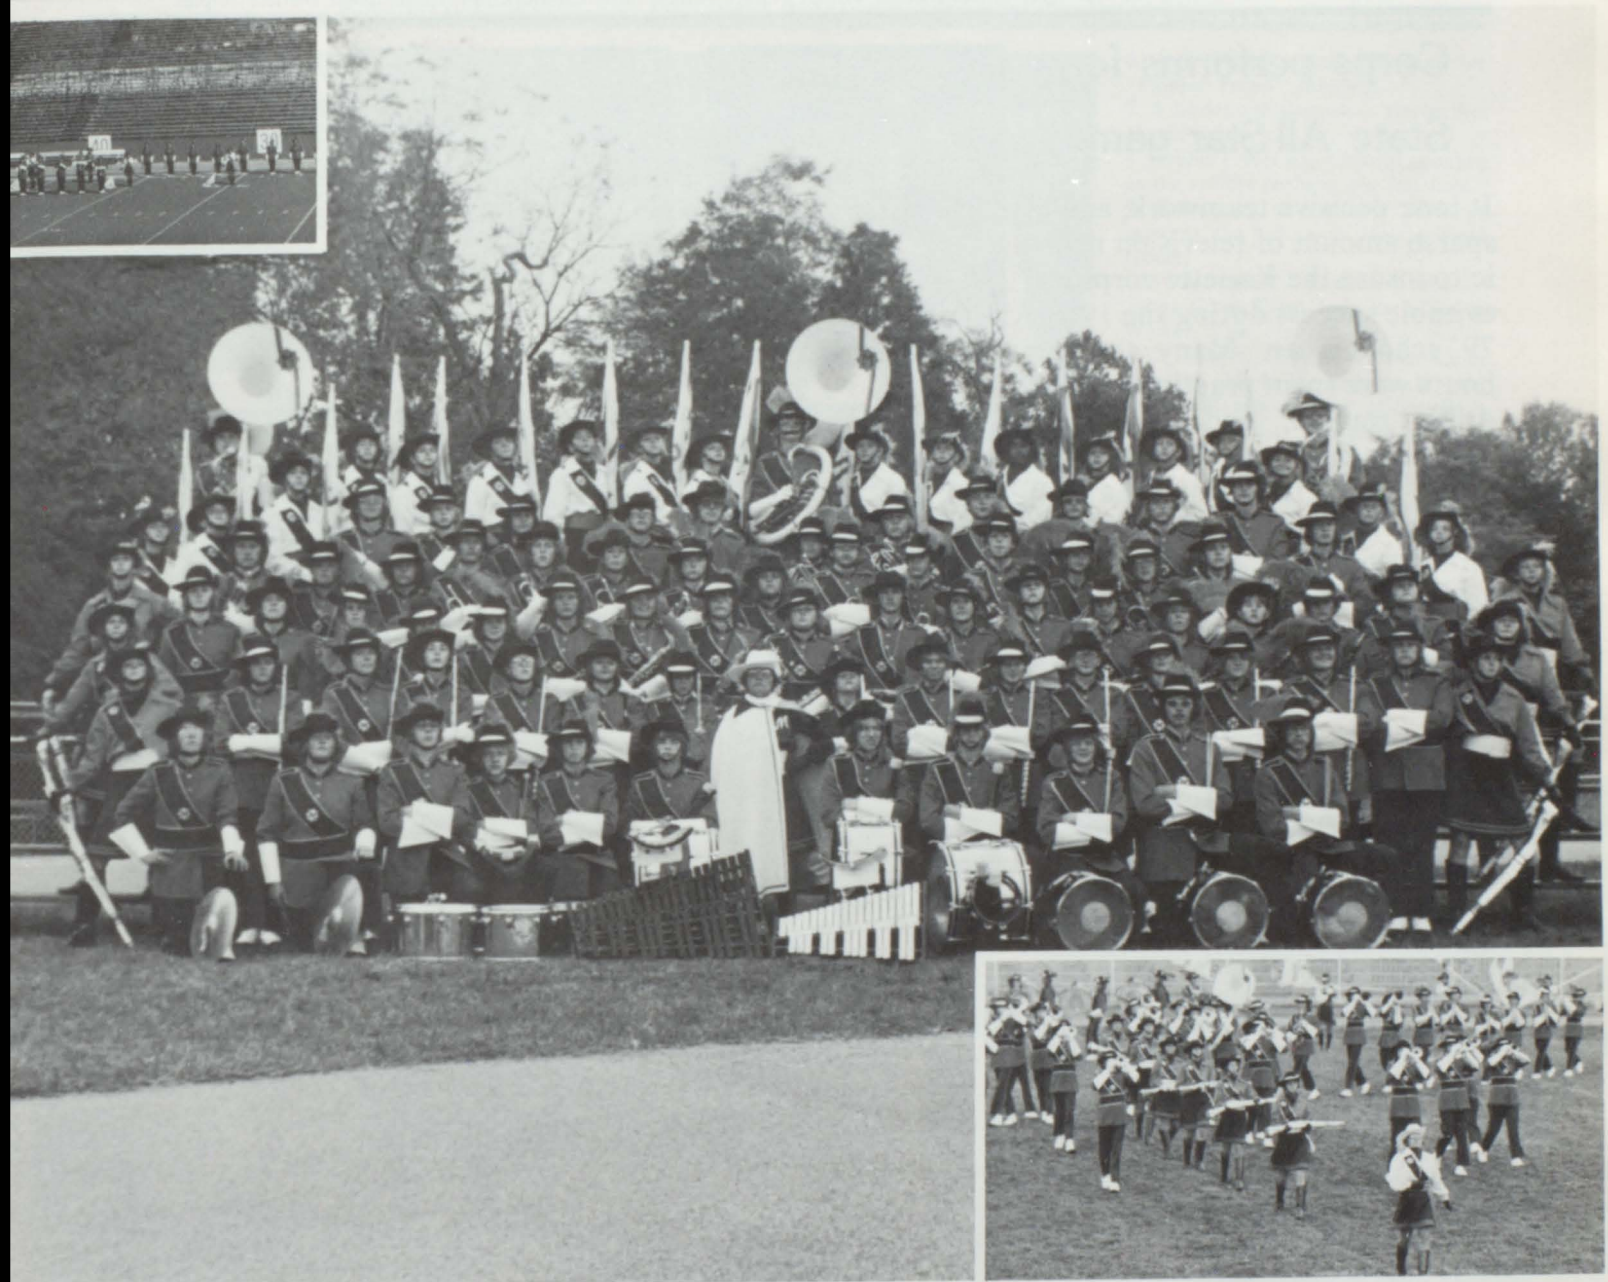

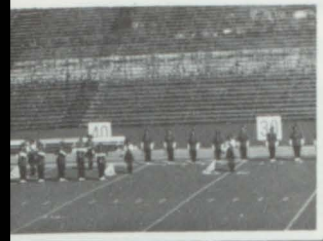

The band parents association supported the band throughout the year by cheering, altering uniforms, and selling elephant ears at a WIRE picnic at Raceway Park.

Mr. Weber summed up his feelings for the year saying, "Through continued hard work, we've grown and progressed during the year."

It took decisive teamwork, and a sparse amount of television magic to insure the Kadette corps inevitable success during the 1978-79 school year. Many tedious hours were spent practicing basic drills, routine, and clockwork precision. It all paid off. Because of the corps' television premiere at the Mooresville-Brownsburg girls' basketball game, they were asked to present their floor show at the Girls' State Basketball Finals at Hinkle Field House. It wasn't long before Mrs. Peggy Weber's "synchronized 24" were called upon once again for the Indiana-Kentucky All-Star game at Market Square Arena.

The corps made a name for itself on the field as well. A plaque was brought home from Kokomo for the "Outstanding Auxiliary", and at Charleston both flags and rifles place second by one point. Peggy Weber excitedly said of her corps' future, "One never knows, there's always the N.C.A.A. finals ..."

Success and recognition come easy for four talented MHS choirs

Director Gene Raymond stated that this was his "strongest varsity choir ever!" The year started out well with the presentation of "Elijah" with Roy Samuelson. The Christmas Concert followed and the Christmas on the Circle. Individual members participated in solo and ensemble at Decatur. Combined with Spotlighters for contest at Greenwood, the choir brought home the very first 1st a Mooresville choir had received in 20 years. Baccalaureate wrapped up varsity choir's successful year.

"There are few girls' swing choirs in the state of Indiana that can match the enthusiasm, the class, and the musical finesse of this group" Gene Raymond said of Sugar -n- Spice now in its second year of existence. Sugar -n- Spice began its performance season at the Waverly P.T.O. meeting, followed by performances at Armstrong, the Legion Hall, Foxcliff Country Club, the Circle, Countryaire Manor, the City Market, graduation and for the Chamber of Commerce. Sugar -n- Spice received a 1st division rating in group 1 at solo and en-

semble contest, but lost a 1st at state by one point. Raymond took the girls to Paramount Pizza Palace to celebrate their busy year.

In addition to the performance of "Elijah", the Christmas concert, Christmas on the circle, and baccalaureate, the Cadet Choir provided background vocals for the fall musical "Scrooge". Director Raymond was very proud of the Freshmen, saying, "I've had a lot of strong individuals, but never so many in one group!" They proved him right at organizational contest at Greenwood by being the first cadet choir in the history of the school to receive a first division rating.

Dressed in black, gray, and maroon, complete with silver vest chains and red silk roses, the Spotlighters reserved a "touch of class" as they enthralled audiences with their song and dance routines. Many hours were spent in front of the choir room mirrors practicing choreography, facial expression, interpretation, and sharing a few laughs. Aside

from the regular concert calendar, the "Spots" exercised their talents at over 20 engagements, including the elite Woodstock Country Club. Totally impressing the judges at district and state solo and ensemble contest, two perfect scores were brought home from each, as well as numerous solo and ensemble honors. Graduation marked a tearful goodbye as the '78-'79 Spots per-

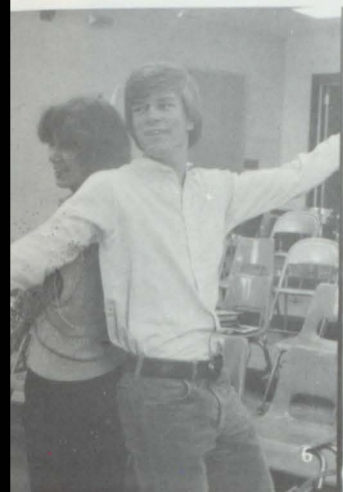

formed together one last time. Amid caps, gowns, and tassels, their voices carried memories to the class of '79. Gene Raymond smiles about his talented 17. "This group's personality will be unequaled — they're super kids!"

The French Club had a fun year, beginning with the annual crepe sale. The Halloween party followed, then the Christmas party, including French carolling through Mooresville. Midyear the club changed sponsors from Mrs. Brenda Roach, who moved to Bloomfield, to Miss Sherry Forbes fresh out of Purdue University. Miss Forbes directed the group in its construction of a French ski lodge for the International Fair.

The illustrious leaders of French Club for the '78-'79 school year were: Laura Gajderowicz, president; Elaine Cox, vice-president; Shari Riegel, secretary-treasurer; Donna Young, recreations leader; and Mike Klass, recorder.

The American Field Service was very busy this year, since the club sponsored four foreign exchange students. They were: Eli Cohen from Israel; Farzin Komeili, Iran; Alfonso Fernandez, Costa Rica; and Svetlana Rubakovic, Yugoslavia. MHS also had two Youth for Understanding students: Maria Rosen from Sweden, and Kimmo Haapalehto, Finland.

The activities of the club were ill-fated this year — the trip to King's Island was cancelled due to illness, and the annual McCormick's Creek trip was called off due to the weather. The AFS did manage to have a few parties, though. They had Christmas, pizza, and swimming parties.

Drama Club presents varied productions

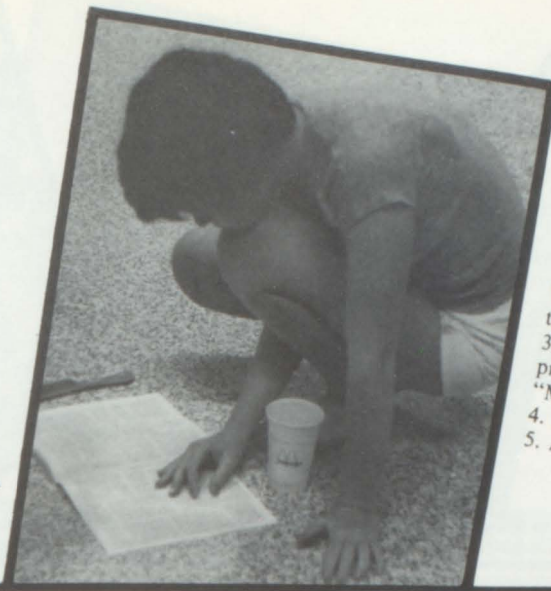

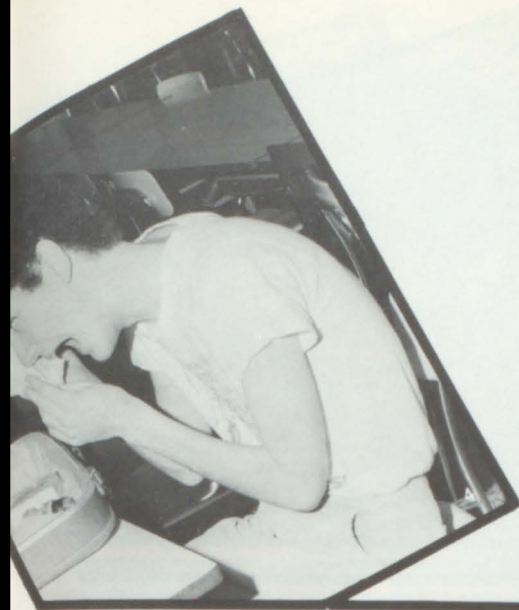

Senior club member Jeff Brinkmann summed up the purpose of Drama Club when he said it gave people the chance to "experience theatre and survey their capabilities."

For the second year in a row, the group, under the direction of Mrs. Pam Anderson, produced musicals both semesters — "Scrooge" and "Anything Goes." In addition, they presented many skits and plays.

A comedy, written and directed by junior Mike Klass titled "The Force and I" was performed for the high school student body. Senior Jim Stewart directed "Seven Brides of Dracula" for the group's "Halloween Happening" at Newby Gymnasium.

Members and sponsor stayed after school many hours during the school year and according to Sophomore member Eddy Moore, "It (Drama Club) took up a lot of time, but it was worth it."

"Lease a Yard" is big Science Club event

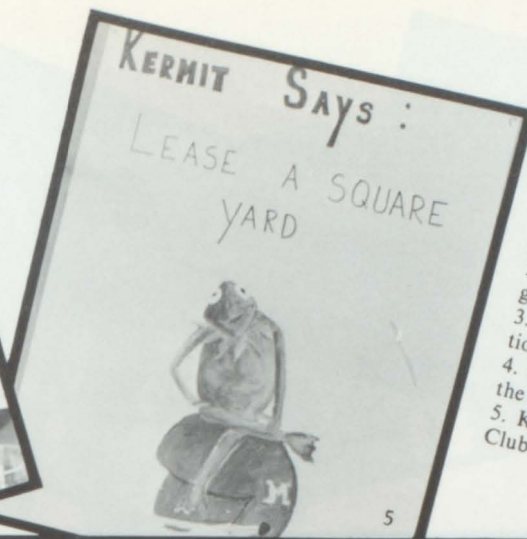

This year, like past years, Mr. Hubert Alexander was the sponsor for Science Club. Although the Science Club did not take its annual field trip, it was an active organization. During football season, the club members leased square feet of the football field to students, faculty, and businesses of Mooresville for one dollar. At the last home football game, a big pep session was held where the leasers were allowed to stand on their temporary property.

On Wednesdays during activity period, members did experiments. Electricity, light, heat, and dissection were analyzed and discussed.

The group was led by Mike MacKenzie, president; David Newcomer, vice president; Marisa Free, treasurer; and Julie Bivin, secretary.

The PULSE staff once again managed to meet deadlines and produce thirteen news magazine style publications for the 1350 students at MHS.

Special accomplishments included a supplement produced during Semi-State week to promote spirit and publicity for the Girls' Basketball and Wrestling Teams,

and two successful attempts at four-color production.

Awards for the year went to Polly Phillips, Most Valuable Staff Member; Joni Perry, co-editor, Mike and Type; and Eric Strohmeyer, co-editor; Gold Key. Mike Klass recieved special recognition for his contributions.

Donning the title of "Miss," and dressing with an air of authority, the MHS Cadet Teachers entered elementary school classrooms to try their hand as "teacher."

It was a role they soon grew used to. Being a school marm had its moments — sticky fingers, cray-

ICE students attend classes, work, extracurricular activities

Interdisciplinary Cooperative Education is "Correlated class room working with on-the-job training," said Mr. Goldsberry director of ICE. The students are also required to attend three classes before going to work. Besides their on-the-job training the students also participated in a few jobs at school: selling

doughnuts, orange juice and milk before school, a jacket sell, and operating the bookstore.

The group also had a few entertaining activities including a King's Island trip paid for by their doughnut sales and a Christmas party. At the end of the school year, the students had

an Employer-Employee banquet which was to recognize the 17 businesses which participated in ICE.

ICE was led by president, Dara Hadley; vice-president, Melinda Robinson; secretary, Theresa Bean; treasurer, Dean Mayfield.

The purpose of Fellowship of Christian Athletes, much like Lettermen's Club, was to promote good sportsmanship and provide an opportunity for the members to share common interests.

Once each month, the group met at one of the member's homes. One Sunday per month, the members attended a different church in the community. They even helped with special services at some churches.

The community's Ministerial Association provided money for four of the group's members to attend a one-week FCA camp in Eastes Park, Colorado.

This year's group was sponsored by Mr. Dale Graves and led by Eric Strohmeier, president; Joe Copeland, vice president; and Mike Curry, treasurer.

Future Farmers of America was one of the most active organizations with activities year round. Activities included a fruit and seed sale, a young McDonold's farm at Northwood Elementary, a pancake breakfast for the faculty and administration, a parent-member banquet, a superstars day, and farming 50 acres of land around Mooresville.

The dairy judging team placed 10th in an area contest. In November, five members traveled to Kansas City for the National FFA Convention where Marcia Neitzel played in the FFA's National Band.

During the summer a few members went to a leadership camp at Trafalgar and a state convention at Purdue University where two members received their Hoosier Farm Degree. FFA was led by president, John Gregory; vice-president Tom Baily; secretary Jennie Gershanoff; treasurer, Rob Adams; sentinel, Tim Griffith, and sponser, Mr. Gaylord Cole.

A new organization this past year which picked up on the winter sport of skiing was the Ski Club, mainly cross-country skiing. For a new club, the Ski Club got off to a good start, having 20-25 members, boys and girls alike.

The skis and poles needed to cross-country ski could be rented inexpensively which made it possible for most of the members to go to Michigan City on an overnight skiing excursion which both club sponsors, Mr. Mike Frederick and Miss Sherry Spencer at-

tended and participated in the activities of the club. The Ski Club's president was Steve Leap. Steve said that "if you like the outdoors, you'll like this club." There is a possibility of the club being the Travel Club next year.

Mr. Rick Oprisu and Mrs. Mary Lee Bowman sponsored the school's Soccer Club. The group was organized during the 1977-78 school year but didn't have any games scheduled until the 1978-79 season.

The coed team, which consisted of 26 members played two

scheduled games against Perry Meridian. They lost the first game by a 7-2 score but rallied in the second to hold Perry to only two goals and lose by only one point.

Since the Soccer Team was not funded by the Athletic Department, the members had to

pay for their own uniforms. Facilities for the team consisted of the front lawn where they practiced twice each week. Despite the meager beginning, Mr. Oprisu predicted that in a very short time soccer would become an IHSAA sport.

Office Education Association, a club for students interested in the business area, was led this year by Mr. Stan Hall and student president, Debbie Ford. Other officers were: Nyla Fleener, vice president; Michelle Bleckel, secretary; Veronica Heald, treasurer; Debbie Allison, historian; and Beth Newhouse, news reporter.

The club was particularly known for its school/spirit in the form of sign painting. At one pep session an OEA sign extended around the gym floor.

The club had many activities including: Halloween and Christmas parties, a trip to the Indianapolis zoo, several visits to Countryside Manor Nursing Home to see their "adopted grandparents," dinners at Pizza Hut and Red Lobster, a breakfast for the teachers and administration, and OEA district and state contests.

First place winners at OEA District contest were Michelle Bleckel in General Clerical II, and Jenny Calton, Job Interview II.

The purpose of Bible Study at Mooresville High School was to give the students an opportunity to associate and study the Bible. Discussion was mainly on how the Bible is instructing and guiding teenagers to more fruitful and meaningful lives. Sharing of ideas and different viewpoints were welcome. The club was sponsored by Mr. Bob Ruble.

Administrative jobs vary; all are important

The administration at Mooresville High School had many responsibilities including counseling students, maintaining the operation of the school, and scheduling academic, extracurricular, and athletic events.

Mr. Kendall Keller, who served as principal of MHS for six years and guidance counselor for the last seven chose 1979 as his retirement. Required courses increase communication skills

The English Department offered several variations of the standard grammar, literature, and composition studies in 1979 including an exciting new course in creative writing taught by Mrs. Terry Crowe.

As students reviewed the year Freshmen remembered an emphasis on nouns and verbs and Sophomores were impressed with the assignment of the novel, *Lord of the Flies*.

Juniors worked particularly hard diagramming sentences, and Seniors were continually challenged with themes, research papers, and an attempt to understand Shakespeare.

When asked why students were required to take English, Department Chairman Albert New said, "So people can't misunderstand them."

Mathematicians formulate numerous problems

The Math Department, headed by Mr. Robert Grosskreutz, provided a challenge for many students. Along with the typical Math classes, Mr. Grosskreutz held a class before school during the first semester to inform students about the growing field of computer programming. Students usually started out taking Basic Math, General Math, or Algebra I and worked up to classes such as: Algebra II, Geometry, Trigonometry, Unified I & II, and Analytical Geometry. Mr. Lee Musgrave left after the first semester and was replaced by Mr. John Nannery. Students both learned to use Mathematics in practical, daily work as a preparation for further education.

Social Studies informs many of worldly events

The always-popular area of Social Studies also gave students a diversified list of courses from which to choose. In addition to required courses of Civics, U.S. History, Government, and Economics, there were several electives available.

World History and World Geography focused on the world's background and the happenings which took place around us. Sociology concentrated on the study of society and its values. Psychology acquainted students with the study of human behavior. International Relations analyzed current social, political and economic needs of the different countries in the world. Current Problems introduced students to social problems, and Family Living helped them understand the realities and responsibilities of being an adult.

Science students excell in many different fields

The Science Department of Mooresville High School offers many ways for students to get acquainted with science and related fields. Students are offered such classes as: General Science, Biology, Chemistry I & II, Physics, Geography and Oceanography, and Astrology and Meterology.

Head of the department, Mr. Hubert Alexander, said, "It is my feeling that we are able to meet the general needs of most students of Science. Although our facilities for teaching Chemistry and Physics are quite adequate, we must continue to upgrade these areas as well."

Vocations encourage “learning by doing”

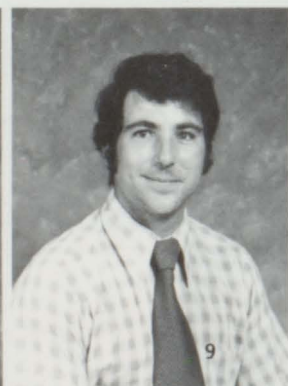

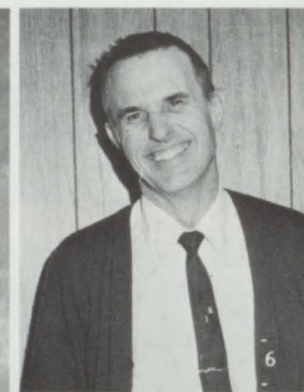

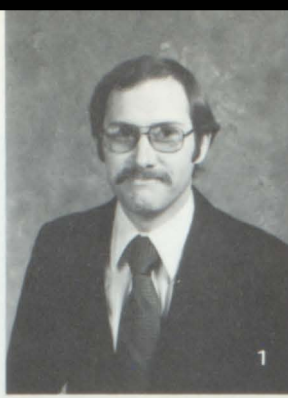

Industrial Arts enrollment continued to increase as a new class was added to the previous six. Mr. Kelly Maxfield, Department Chairman, said that the primary objective of each course in the department was to get students acquainted with industrial work.

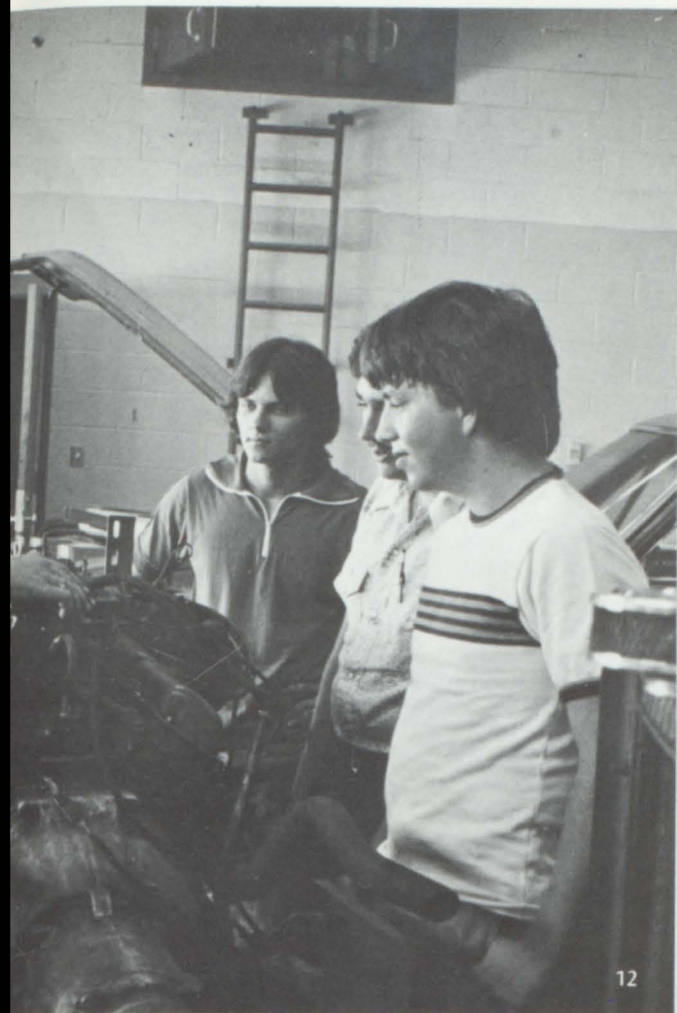

In the introductory course, students had an opportunity to experience each of the other six basic courses: Drafting, Graphic Arts, Woods, Metals, Automotives, and the new course, Electricity.

Home Economics classes included Consumer Education, Foods and Nutrition, Textiles and Clothing, Housing, Family Management, and Interpersonal Relationships.

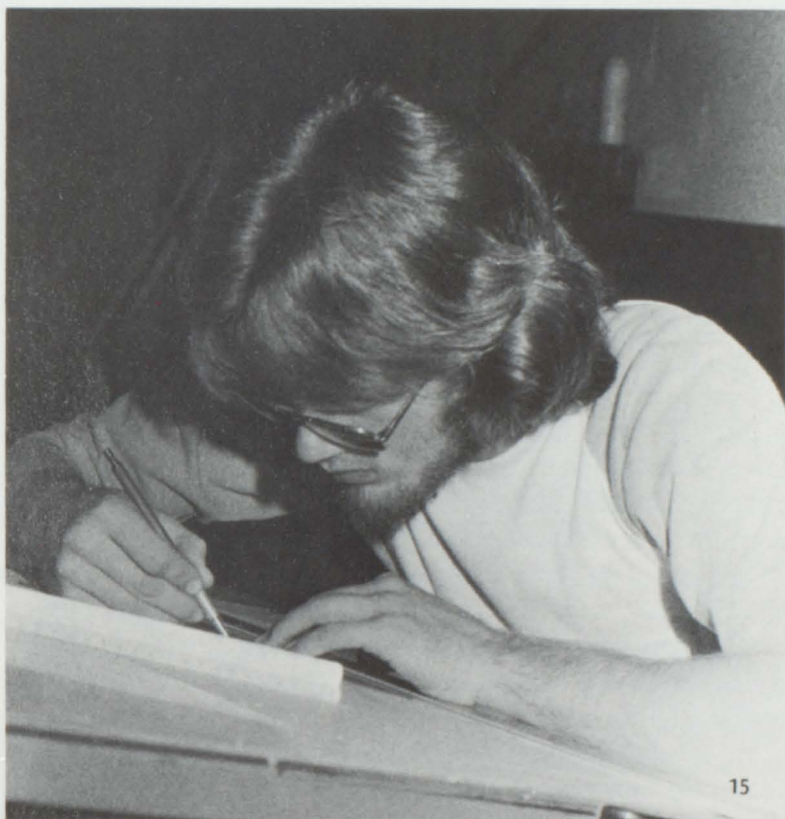

There were four levels of Agriculture with each concentrating on a specific area.

1. Kelly Maxfield — Department Head, Introduction to Industrial Arts, Advanced Metals, Advanced Auto, Electricity.
2. Randy Qualitza — Woods, Driver Education.
3. Lezette Harrington — Home Economics, Advanced Foods, Housing.
4. Wayne Johnson — Introduction to Industrial Arts, Basic Drafting, Mechanical Drawing, Architectural Drawing.
5. Paula Ringo — Special Education.
6. Gaylord Cole — Vocational Agriculture I-IV.
7. Marty Hesler — Introduction to Auto I & II.
8. Sherry Spencer — Child & Family Development, Consumer Education, Beginning and Advanced Clothing, Textiles.
9. Karl Brown — Introduction to Industrial Arts, Graphic Arts, Advanced Woods.
10. Rick Oprisu — Introduction to Metals, Advanced Metals.
11. Doug Mock — Building Trades.

14. The Building Trades class works hard on the construction of this year's house.
15. Senior Kenny Berwick shows how tedious drafting can be.

Business courses prepare for immediate job entry

Mrs. Aloha Landwerlen, Business Department Chairman, said the main objective of the Business Department was "preparing students for immediate job entry."

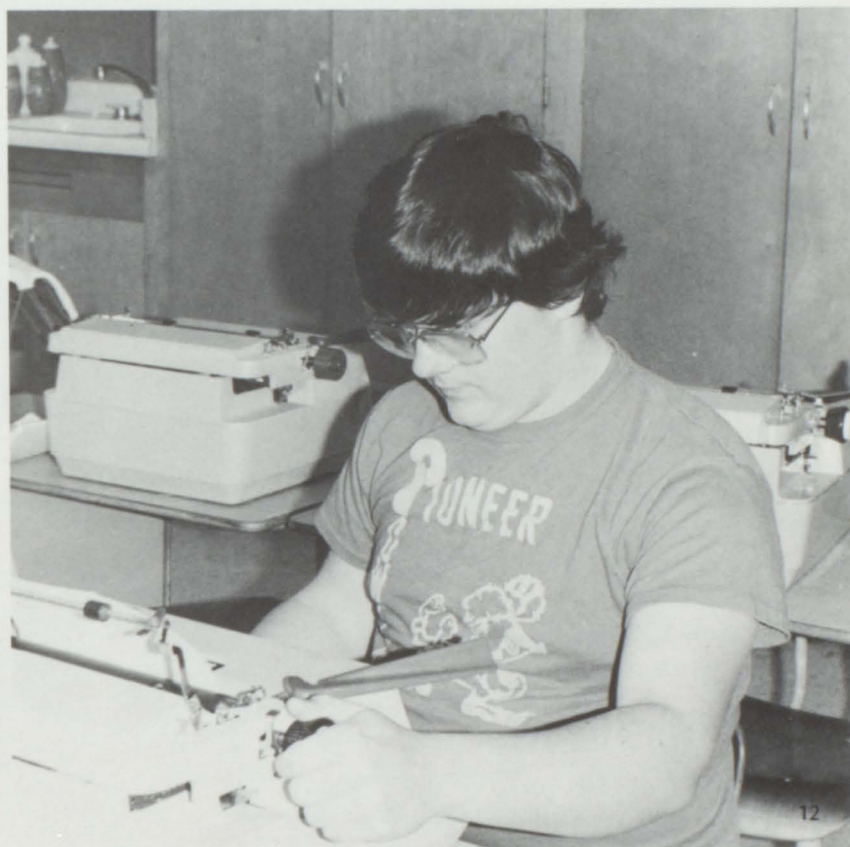

Courses offered in an effort to prepare the students included: General Business, a freshman course, Record Keeping, Typing I and II, Business Law and Sales, Accounting I and II, Shorthand I and II, Office Machines and Procedures, which consisted of writing letters, filing, and using the telephone, and Intensive Lab, a two-hour course which offered students both simulated office experience and actual working experience outside of the classroom.

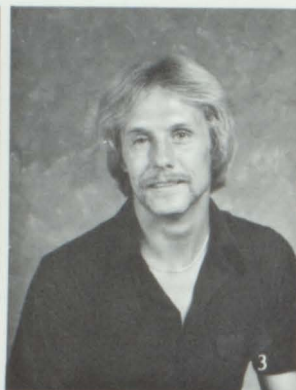

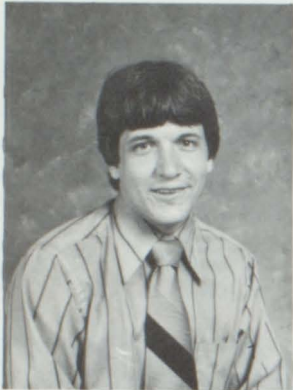

Certainly business students agreed with Mrs. Landwerlen that the wide range of course offered "a little bit of everything."

1. Aloha Landwerlen — Department Head, Typing I, Shorthand I & II.
2. Mike Frederick — Introduction to Business
3. Steve Hilligoss — Typing I, Office Procedures.
4. Joe Ash — Typing I, Accounting I & II.
5. Larry Goldsberry — ICE, Clerical Records, Business.
6. Peggy Saylor — Typing I, Recordkeeping.
7. Judy Wade — Shorthand I, Typing I & II.
8. Stan Hall — Office Procedures, Business Lab.

9. Joe Ash tangles with an unruly machine during his typing class.
10. Senior Kim Topie focuses her attention on her Shorthand.
11. Various expressions of puzzlement cross the faces of second year typing students.
12. Junior Dale Ruch is determined to finish his typing assignment.

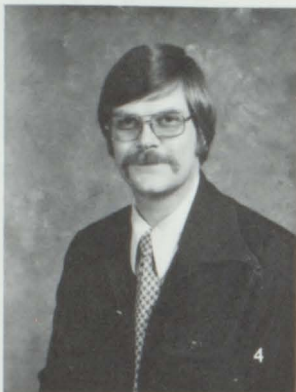

Practical courses promote student interaction

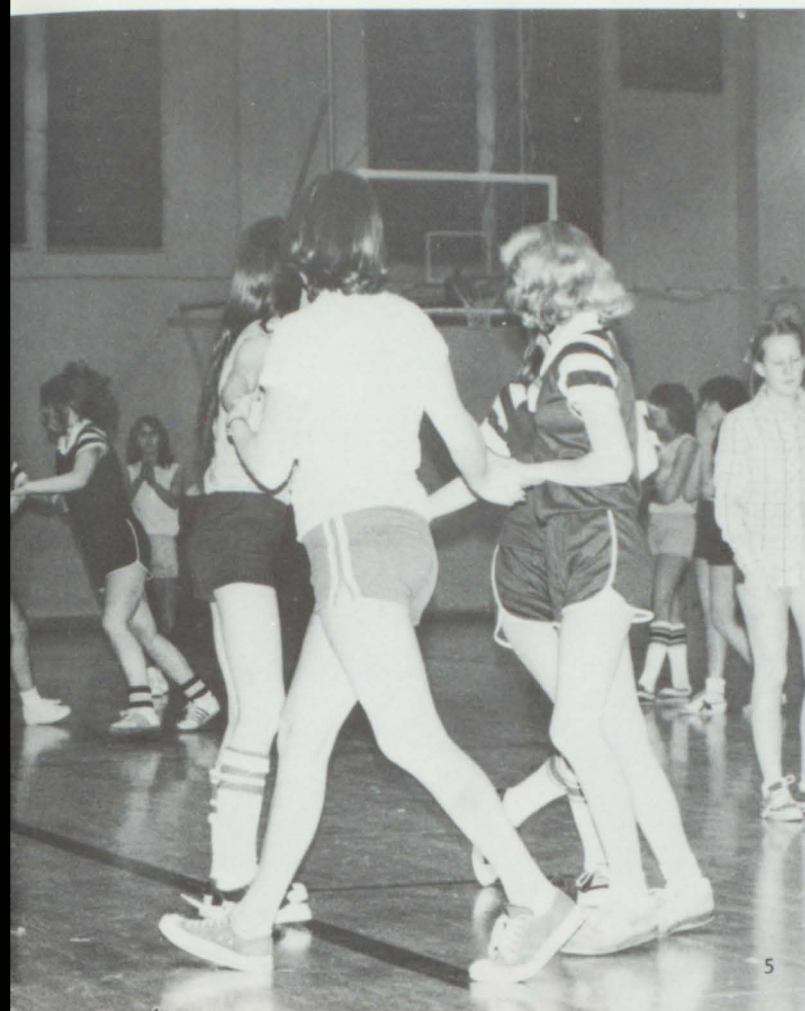

A very popular one-semester course was Driver Education, which was taught during the summer as well as the regular school year.

Driver Education students were instructed in city driving, highway driving, parallel parking, and when possible, poor weather conditions. To pass Driver Education students had to successfully complete thirty hours of written work and six hours "behind the wheel."

A one semester course required for all Freshmen and Sophomores was Physical Education. This year's classes in Physical Education provided the opportunity for students to master skills in volleyball, bowling, scooter relays, and dancing. In addition, co-ed classes offered tennis, softball, archery, and square dancing.

Offering information from "Aardvark" to "zygotes" the library was a place where students could find resources for varied assignments or a break from the routine of classes. Mr. John Robertson, librarian, said he hoped "to provide a place for research and relaxation."

8. Christina Lloyd hesitates before climbing into the driver's car.
9. Mr. Gregory shows Steve Wubben where his lungs are.

MHS breaks language and culture barrier

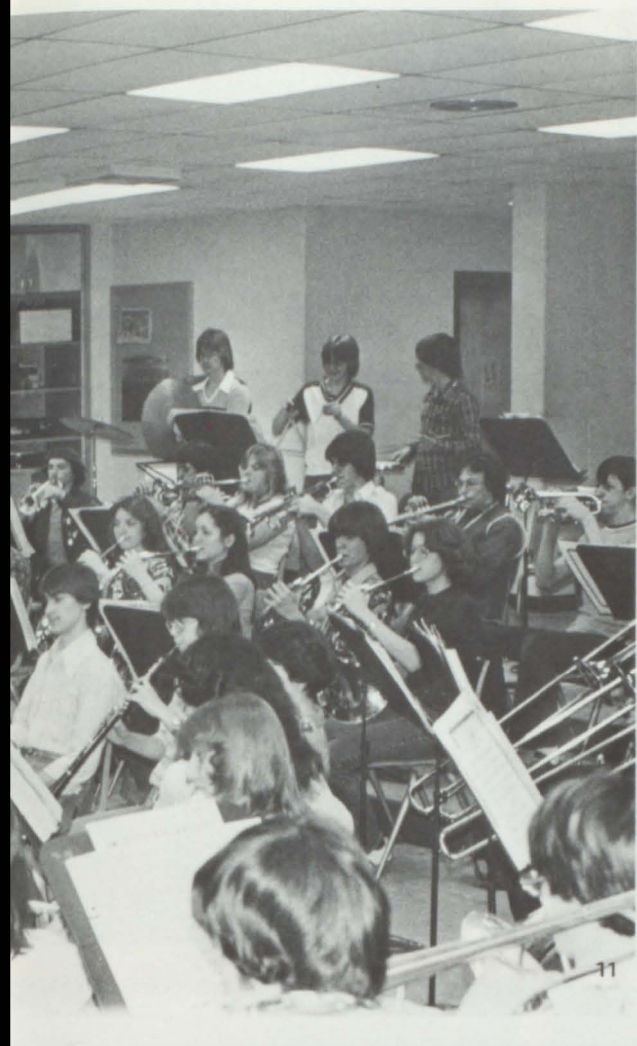

The "arts" at MHS gave many talented students, a chance to put special abilities, hobbies, and interests to use.

In the Language Department, French, German, and Spanish were offered to encourage students to learn to communicate and understand people from other countries.

The biggest activity of the department was the very successful Language Fair, a two-day event in which a trip abroad was provided to the other high school and some junior high students by language students who decorated the mini gym as other countries and shared some of the food, entertainment, and culture of those countries with everyone who obtained a passport.

Music continued to be a combination class-activity with both choir and band students participating in many school and community activities in addition to many state contests.

Many provide services necessary to school

Among those people who are rarely thanked for their efforts but sorely missed if they are absent are the secretaries, treasurer, nurse, custodial staff, bus drivers, and cooks who provide the many valuable services necessary to the operation and maintainance of a high school.

Hopefully, they realize that one of the reasons they are often taken for granted is because they do such a good job. If not, let it be said in the 1978-79 WAGON TRAILS, "Everyone pictured on these two pages was appreciated for the job he did."

SPRING TO ME

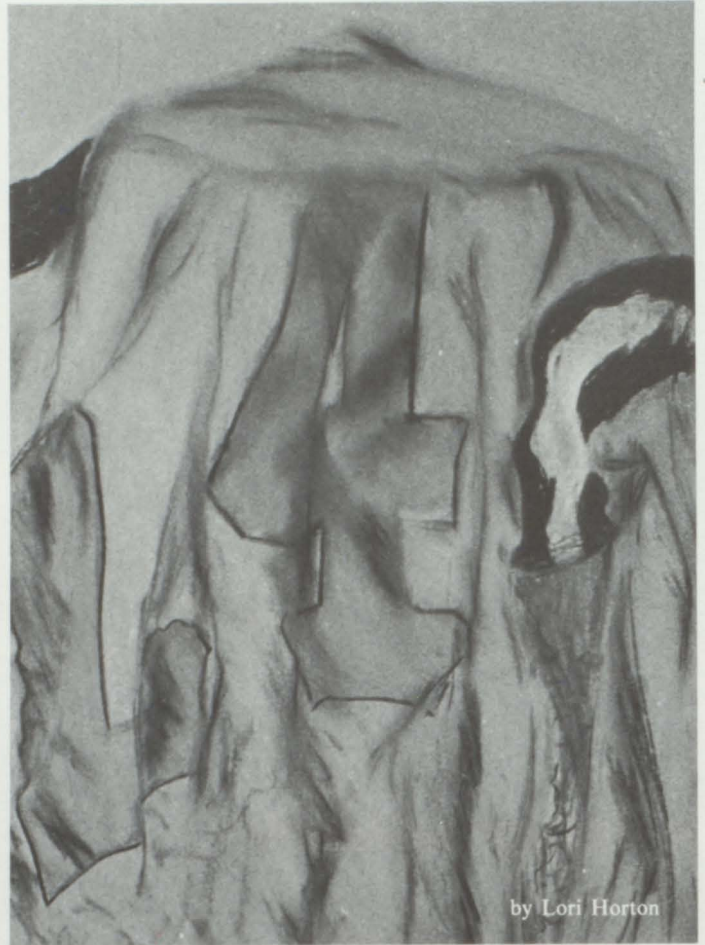

Spring to me means rainy days,
Morning walks in a misty haze.
Kites stuck way up in the trees,
A blustering, flustering evening
breeze.

Spring means the shedding of
winter clothes,
Children's sniffles from a runny
nose,

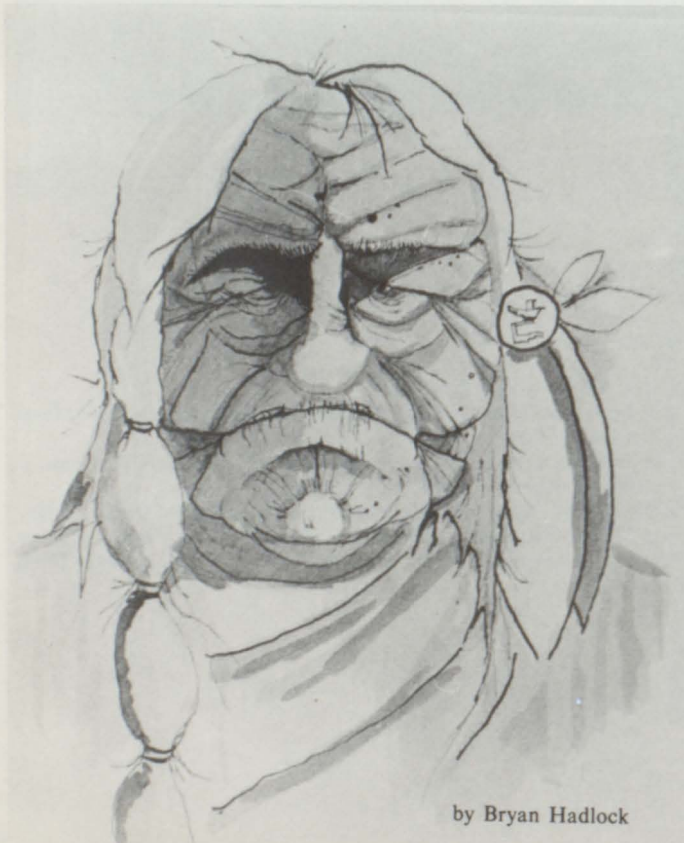

Happy smiles out in the rain,
Bicycles, tricycles running
again.

Through dark puffy clouds
trickles the sun,
Time for children, time for fun.
Spring to me is not a beginning,
Just another cycle of
the season's spinning.

BELIEVE

If you'll remember always
There's no goal you can't achieve
If you'll try hour very hardest
And above all else believe
Believe that you're a person
Who has something good to give
Believe that you can make this world
A better place to live
If you'll believe you're needed
And that others like you too
Then you're sure to find there's nothing
In this world you cannot do.

"Cindy"

ONLY MISERY WILL DO

Fallen tears and broken hearts
Written to please the world
For only sadness will
Satisfy the hungry ears
Someday may all the earth
Cry for happiness
But as for now
Only misery will do.

Arlene Franks

TIME

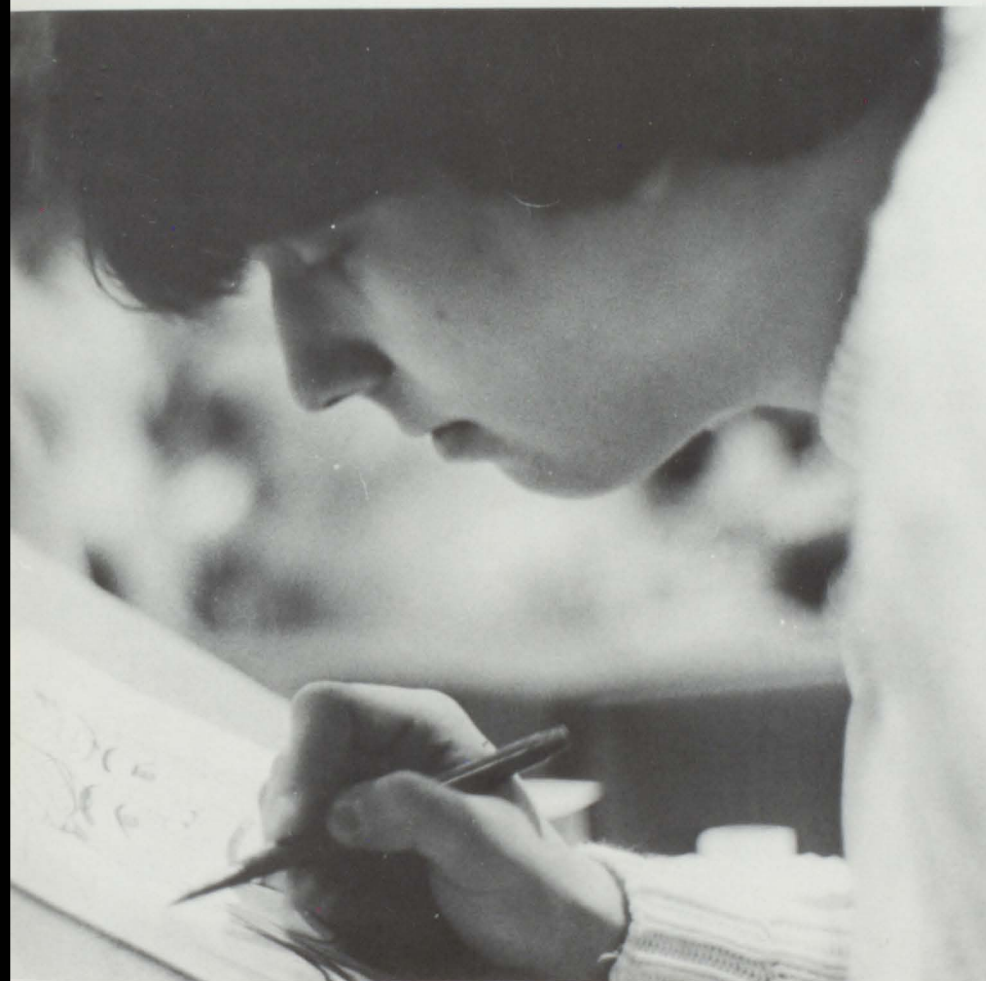

As time passes on ...
As the leaves turn ...
As the songs change ...
As we grow older ...

I hope as we change and as
Time changes, you will never
Let me completely leave
Your heart, for you will
Never leave mine.

And if by chance, you go
Away and forget me, maybe
We can once again meet.
Somewhere, sometime, someday
When we are older and more
Experienced ... we can once
Again share beautiful
Moments together, in each
Others arms ... For a life
Time ...

In ever lasting ...
Eternity.

Betty Ditton

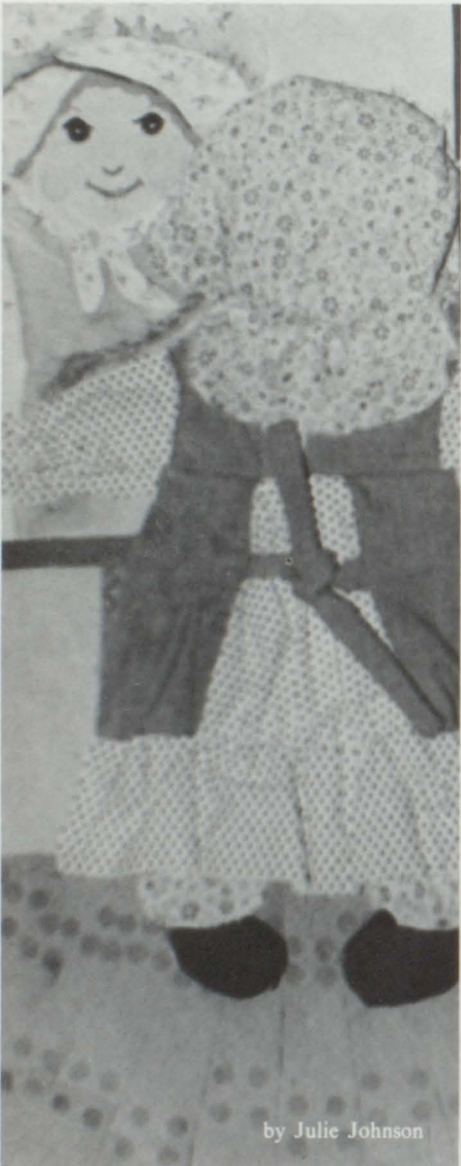

I wish
for a world
Where hatred harbors not
And for blooming lillie fields
Unspoiled by man's intollerance.

“US”

There's a special kind of closeness
that only two people know,
That begins with honesty and trust
and deepens as you grow,
There's a special little things,
The laughter, smiles, and quiet talks
that being together brings,
There's a special kind of comfort
in knowing you're always there,
To back me up, to cheer me up,
to understand and care —
Of all the treasures life may bring
yours will mean the most
And whether near or far apart
our love will hold us close.

Susan L. George

One night some time ago
When time had no meaning
And the sounds were of silence
And death had no garden

There arose such a silence
From out of a grove
That made the madmen
Unusually coy

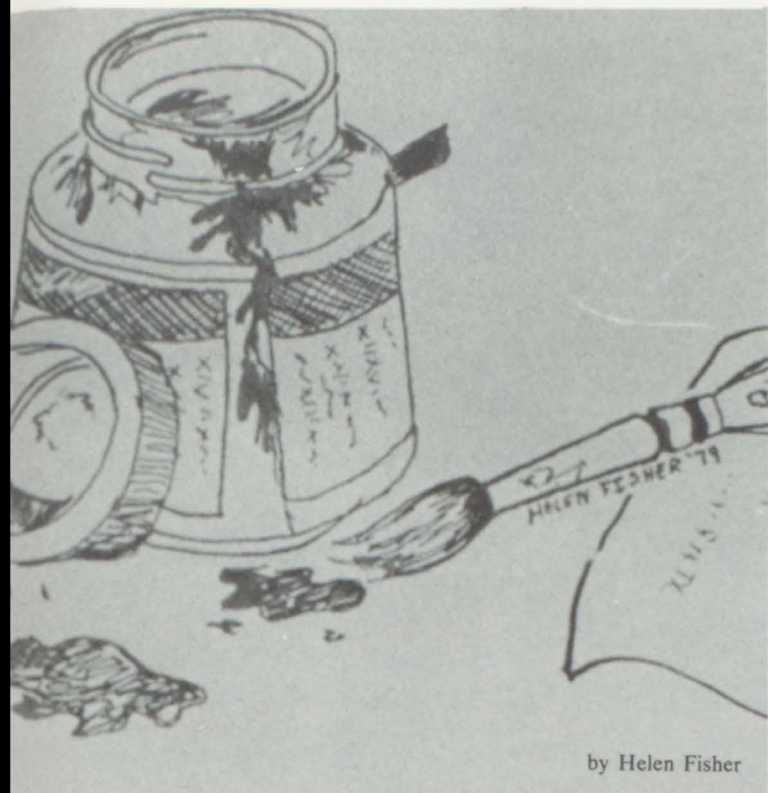

They could not scream
They could not cry
And then by and by
After time said good-bye

All was so quiet
Unusually silent

Death he has met
Most face to face
And all must come to him
And fall at his feet.
For none is so bold
As the one who is as
Old as time itself.

THESE I HAVE LOVED AND HATED

These I have loved . . .

Quiet mornings; summer days;
 Beautiful flowers; ocean waves;
 Warm sand oozing between my toes,
 Light rain which caresses my cheeks and nose;
 Bright colors and deep hues of blue,
 Fuzzy little bears and babies that coo;
 And even little children who say, "I love you.";
 Deep secrets which are entrusted to friends;
 Singing and dancing until the night ends;
 Drawing pictures and finishing them in time;
 And snow, light snow . . . (and not having to rhyme!)
 Food which when eaten will not increase pounds;
 Soft beds to sleep in with no creaking sounds;
 Beautiful mornings and grass wet with dew;
 Puppy dogs barking, and kittens that mew;
 Sun in the summer, and the heat that it brings;
 Yellow baby clothes, and engagement rings,
 The feeling of freedom one has without school;
 Refreshing myself after tennis in a pool;
 Tests that are called off and themes not due;
 Homework not given and quizzes not, too;
 Furry little animals which God made for man;
 Hot days on which one has a boyfriend fan,
 One while she sunbathes and gets a good tan;
 Spring, Winter, Summer and Fall;
 (With only four seasons one chooses them all!)
 Cozy warm blankets and a good book to read;
 Having someone else plan something and not have to lead;
 Thoughts that linger on my mind,
 Of someone who is sweet, gentle and kind.
 Who is this, the one thought of?
 He is a man, the man one loves.
 Yes, these and more are things I have loved . . .

Things that I have hated:

People are one;
 Those, at least, who do not like fun:
 Also those with no ambition;
 And who are full of superstition;
 People who are incompetent and say, "I don't care."
 Either sex which cares not for their hair;
 Meanness to animals, and creeping underwear;
 (I know how to write, but hate to in pairs!)
 Greediness in mankind which will end our world;
 Too much humidity and hair that will not be curled;
 Noisy libraries where music is played aloud;
 Fads and wierd fashions that follow the crowd;
 Big girls who act as if they were babies;
 Also those girls that do not act as ladies;
 Receiving obscene comments in a phone call;
 Or picking up the phone and hearing nothing at all
 Sales on dresses the week after they are bought;
 Actions of girls who smoke after they are caught;
 Ugly boys that want one to date;
 These are a few of the things that I hate!
