ATTORNEY AT LAW  
247 WYOMING AVE.  
KINGSTON, PA.

Feb. 21, 1920.

Mr. H. H. Shepard, General Sup't,  
D.L. & W. R.R. Co.,  
Scranton, Pa.

Dear Sir:

Following our conference held at your office yesterday, I herewith, on behalf of my client Mr. Frank Martz of Plymouth, Pa., make application to purchase a small strip of ground about 150' along your right-of-way at Plymouth, Pa., adjoining the property of Mr. Martz. This property is located opposite the Dodson Mines and appears upon the map which your Engineer, Mr. Mosier, had at the conference.

Mr. Martz is very desirous of securing this small strip of ground for the reason that he intends entering the business of manufacturing truck bodies and desires to erect a building for said purpose on the piece of ground referred to.

He at present owns the adjoining property and has erected thereon a very large garage and machine shop.

He is also a very large patron of your road, receives large consignments of freight by carload lots, which is unloaded at the switch located at this property.

If you decide you will not sell this property, we would be glad to lease it for a term of years with permission to erect the building above referred to.

We would thank you for favorable action at an early date for the reason if this property can be secured it is Mr. Martz' intention to immediately make arrangements for the erection of the building.

Yours very truly,

RRV:P
