DRG Refinement with Diagnostic Specific Comorbidities and Complications: A Synthesis of Current Approaches to Patient Classification

Final Report

This report was prepared under cooperative agreement numbers 15-C-98930/1-01 and 17-C-98930/1-02S1 between the Health Care Financing Administration and Yale University. Robert B. Fetter was the Principal Investigator and Jean L. Freeman was the Co-Principal Investigator. The views and opinions expressed in this report are the contractor's and no endorsement by HCFA is intended or shall be inferred. The Project Officer for this grant was Harry L. Savitt, Office of Research and Demonstrations.
