11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

None

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

No 1. The case of the auditor of Mitsui Real Estate Co., Ltd.

When I assumed the above office on February 17th 1944, Mitsui Honsha was not founded yet and Mitsui Somotokata was in charge of coordination of affiliated companies. Owing to the charactor of their duties it was necessary to appoint most prominent figures within Mitsui Zaibatsu to the officials of Mitsui Somotokata. Consequently the high ranking employees of Mitsui Somotokata had little probabilities of becoming its officials. But such employees were well qualified to be officials, if they should work in the affiliated companies. Therefore in order to treat them fairly it was considered necessary to give them some titles of officials.

Now, Mitsui Real Estate Co., was at that time a small company with its capital of ¥ 3,000,000 and its main business being superintending of buildings. A few active officials were sufficient for the management of that company. In order to fulfil the formalities of an independent company, however, it was necessary to have some more officials of perfunctory nature.

A few active officials were sufficient for the management of that company. In order to fulfil the formalities of an independent company, however, it was necessary to have some more officials of perfunctory nature.

Under such circumstances Mitsui Somotokata appointed perfunctorily its high ranking employees to the officials of Mitsui Real Estate Co. while they continued to hold their active position in in Mitsui Somotokata, thus serving the purpose of giving them titles officials. Therefore their titles of non-active directors and auditors were perfunctory and they were not accompanied by any corresponding duties.

In order to substantiate above fact I list hereunder names of all the high ranking employees of Mitsui Somotokata together with their titles of officials in Mitsui Real Estate Co. as of February 16th 1944, which was the day before I assumed the office of an auditor of Mitsui Real Estate Co.

My assumption of the office of an auditorship in Mitsui Real Estate Co. on the next day, namely February 17th 1944, meant simply that I was rewarded with a title of an official same as my colleagues. It was an auditor of perfunctory charactor without any mission invested by Mitsui Somotokata.

The above fact is testified by the attached certificate by Koike, the Managing Director of Mitsui Somotokata and at the same time the Chairman of Board of Directors of Mitsui Real Estate Co., who had the power of deciding all the personnel matters. (Refer to the attached Document No. 1. and No. 2)

For your reference, just as they say that executive clerks rule in Mitsui, the actual power of making decision in personnel matters as well as in general management was in the hand of the managing director, although the person who held the top position in Mitsui Somotokata was President Takakimi Mitsui. The same condition prevailed in Mitsui Honsha (there were certain number of managing directors under President Takakimi Mitsui.)

No. 2. The case of the auditor of Toyo Rayon Kabushiki Kaisha, Ltd.

As proposed to me by Yosaburo Ito, President of Toyo Rayon Kabushiki Kaisha, Ltd. to become an auditor fulfilling the vacancy caused by resignation of auditor Saba in November 1944, I accepted to assume the office of an auditor of the company in as much as it was of nominal charactor and without recompense.

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 775012

At the time I was an employee (the chief of Accounting Section) of Mitsui Honsha. Same as a rule in any other company, Mitsui Honsha had a regulation prohibiting in principle its employee to have a position in other companies. For this reason I took this matter up with my superior for an approval. (Refer to the attached Documents Nos. 7 and 8.)

(Remarks) The functions and duties of the chief of Accounting Section of Mitsui Honsha.

It is generally believed that the chief of the Accounting Section was in charge of financial aids and investments by Mitsui Honsha to its affiliated companies. This was not true, however. The above matters were in the hand of the chief of Business Section. The Accounting Section handled only the process of executing such financial aids and investments (such as acquirement of fund, receiving and delivering of notes and bills, cash and securities) which were already decided upon by the higher level of the company.

It is clearly proved by the fact that it was stipulated in the article 13 of business regulations of the company, which were actually carried out strictly as they were written.

The above fact is substantiated by the documents of the company. (Refer to the attached Document No. 17.)

No. 3. The case of the director of Mitsui Real Estate Co., Ltd.

Mitsui Honsha, of which I was an employee (I depended the livelihood of my family entirly upon my earning from Mitsui Honsha), decided in early part of November 1945 to desolve itself in accordance with a directive of Allied Powers. President Takakimi Mitsui announced the decision on November 8th 1945. And at the same time we employees were urged by him to look for the other jobs. Thereupon I sought for my new job in Mitsui Real Estate Co. I became a director of the company on December 6th by recommendation of Shiro Sasaki President of the company.

For your reference on the same day Yugo Naruse, Managing Director of Mitsui Honsha was requested to resign from the directorship of the company. Thus the renunciation of controlling influence of Mitsui Honsha over the company, which was actually in effect since

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 775012

the middle of October , was materialized in formality.

The above facts prove that a prior approval of Mitsui Honsha, which was a Zaibatsu company, was already not required for my acceptance of the office at that time. And the fact that I did not really request such prior approval was confirmed by the attached Documents Nos. 11 and 13, a certificate by Shiro Sasaki, President of Mitsui Real Estate Co. at that time and a certificate by Takakimi Mitsui, former representative of Mitsui Families respectively. (Besides the above Documents refer to the attached Documents No. 9, a copy of official gazette of Mitsui Honsha, No. 10 a certificate by Mitsui Honsha and No. 14 another certificate by the same company.)

PETITION FOR RE-EXAMINATION OF NOT BEING Seiichi Kawazoe
AN OFFICER AFFILIATED WITH ZAIBATSU

June 1948

To Mr. Hitoshi Ashida

The premier of the Cabinet

Petitioner: Itsuro Inouye

Present address-799 Unanecho, Setagaya-ku,
Tokyo-to

Present occupation-President of Mitsui
Real Estate Co., Ltd.

I. General outline of petition

As I was, and am currently, in the offices, as stated below, of Zaibatsu's direct affiliate companies as prescribed in the Law Regarding Exclusion of Influence of Zaibatsu Families, I submitted a Petition for recognition of not being an officer affiliated with Zaibatsu in accordance with the stipulation of Art. 6, Item 1 and Art. 7, Item 1 of the Law, and I received a decision of "disapproval" against it. I, therefore, hereby petition for re-examination as stipulated in Art. 22 of the Law.

1. An auditor of Mitsui Real Estate Co., Ltd.
From Feb. 17, 1944 to Dec. 6, 1945

2. An auditor of Toyo Rayon Kabushiki Kaisha
From Oct. 24, 1944 to Nov. 24, 1945

3. A Director of Mitsui Real Estate Co., Ltd.
From Dec. 6, 1945

(Installed in the office of Executive Director Oct. 25, 1947, and the office of the President May 15, 1948.)

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 3(D) OR (E) NNDG # 775012

II, Grounds for the petition

Inasmuch as I notice that the decision of "disapproval" against my previous petition is because of that the fact of my having been in sheer nominal offices of auditor of the said two companies only for the sake of formality was not admitted as a fact, in other words, the decision was based on misunderstanding of basic facts, I submit for your perusal following testimonies, attached hereto, to prove the fact, and explain the actual state of exercising my duties in the below.

I appeal for your acknowledging from testimonies and the explanation as well the fact that I was entirely a nominal officer as stated in the testimonies and not endowed with any capacity to act like an officer affiliated with Zaibatsu, and I petition for revoking the decision of "disapproval"

Explanation of actual state of my exercising duties

I. The case of the auditor of Mitsui Real Estate Co., Ltd

As stated in the column for circumstances under which I took the office, viz. Item 2 of No. 11 of personal questionaire, I assumed, as a matter of formality, the perfunctory title of an auditor of the company. I never went to the company office for daily work, (I had no desk for my use in that office), and I did nothing except to put my seal as a matter of formality on statements of accounts and to attend as a matter of formality the meetings of stockholders and meetings of officers. (As a matter of fact there was no need of my attending these meetings, but unlike in the case of Toyo Rayon Kabushiki Kaisha as stated below these meetings were held in the same building in which I took my principal occupation,

and, therefore, I was forced to show up for the sake of courtesy.) I never made motion at such meetings of stockholders. (When it became necessary for an auditor to make a motion, Mr. Soichi Umeda, Standing Auditor, or Mr. Susumu Hasumi, a senior auditor, did it.) As the main business of the company was, and is renting building rooms and there was no new questions to take up, there was very few subjects requiring formal resolutions and most of the time was used up by reports and general conversation. And furthermore those meetings of officers were always attended by, as a director of the company, a standing executor of Mitsui Somotokata, later Kabushiki Kaisha Mitsui Honsha, Ltd., (Masatora Koike until June 21st 1945 and after that Yugo Naruse). He was in a position to state effectively opinions as a representative of Zaibatsu company. Therefor I beleave it will be easily understood by outsiders that it was not necessary and there was no room for me who was his subordinate to make a motion or an action of such nature as considered that of an officer affiliated with Zaibatsu. As a matter of fact such authority was not given to me and I gurantee that I did not speak or act in that way. And in order to prove the above fact I attach hereto testimonies, by Mr. Masatora Koi who was the Standing Executor of Mitsui Somotokata, the Executive Director of Mitsui Honsha and the President of Mitsui Real Estate Co., Ltd., and by Mr. Yugo Naruse who was Executive Director of Mitsui Honsha, Director of Mitsui Real Estate Co., and by a number of other officers at that time. (Refer to attached documents No. 1 to No. 6)

II. The case of the auditor of Toyo Rayon Kabushiki Kaisha, Ltd.

I, who was a perfunctory auditor without recompense as stated in the column regarding circumstances under which I took the office,

namely Item 2 No. 11 of personal questionaire, did not go to the company's office during the one year of my service and I never attended the monthly meetings of officers of the company. I fixed my seal as a matter of formality on statements of accounts required by regulations. (At that time there was Tatsu Naruse as a auditor who assumed the office before I did.) (Refer to the certificate, Document No. 7, by Toyo Rayon Kabushiki Kaisha, Ltd. attached hereto.) Therefore it is not necessary to say that I did not speak or act in anyway to be considered as if I was an officer affiliated with Zaibatsu. And in order to confirm this fact I attaced hereto a certificate, Document No. 8, by Mr. Yosaburo Ito who was the President of the company at that time.

(Additional remark)

I attended the meetings of officers of Mitsui Real Estate Co., as a matter of formality, whereas I did not attend even once a meeting of officers of Toyo Rayon Kabushiki Kaisha. This was owing to the fact that the meetings of the former company were held in the same building in which I served daily, but those of the latter company were held in Ishiyama plant, Shiga Prefecture.

III. The case of the director of Mitsui Real Estate Co., Ltd.

As Mitsui Honsha was organized in March 1944 this company was named as one of its direct affiliate companies and placed under its supervision. But since about the middle of October 1945 when it was made clear that the dissolution of Zaibatsu was an important item

of the policy of occupation of Japan by the allied countries, Mitsui Honsha ceased its function of a holding company. In accordance with the directive of November 6th 1945 by the Supreme Commander of Allied Powers, it decided the procedure of its dissolution and at the same time it announced to its affiliated companies the relinquishment of its controlling power. (Refer to the attaced copy of company's gazette, Document No. 9, of Mitsui Honsha dated November 8th 1945.) So far as Mitsui Real Estate Co., Ltd. was concerned, this measure had been already in practice since the middle of October of the same year. Yugo Naruse, Executive Director of Mitsui Honsha, who was a director of the company representing Mitsui Honsha, tendered his resignation from the directorship of Mitsui Real Estate Co., Ltd. And it was accepted at the meeting of stockholders of December 6th of the same year.
Thus the measure was expressed in tangible form. (Refer to the certificate, Document No.10, by Mitsui Real Estate Co., Ltd.)
The above fact is fully described in the column regarding circumstances under which I took the office, viz. Item 2 of No.11 of personal questionair. And as regard to Mitsui families, inasmuch as they entirely the control over companies of which they were stockholders to Mitsui Somotokata, and did not directly extend their controlling power (it was for this reason that Mitsui Real Estate Co.,Ltd. was designated a direct affiliate company of Mitsui Honsha, Ltd,) I thought it would be easily understood, in view of the fact that the directive of Nov. 6th 1945 for dissolution of Zaibatsu had prohibited Mitsui families and Mitsui Honsha to give any instruction to their subsidiary companies, that under such social circumstances the families did not try anew to exercise their cotrolling power over affiliate companies taking advantage of renunciation of function by Mitsui Honsha. Therefore at the time of my assumption of office on December 6th 1945 the

company was operated materially and formally without consultation with Mitsui Honsha or Mitsui families. The company was practically free from the influence of Mitsui Zaibatsu. Hence it was not necessary for my assumption of office to obtain a prior approval of Mitsui Honsha or Mitsui families, which as a matter of fact was not acquired. And therefore I need not to say that it was not necessary for me, while I was in office of a director of the company, to speak or act as if I was a Zaibatsu affiliate officer and that as a matter of fact I did not do so. Inorder to substanciate the above statement I submit materials for your consideration by describing hereunder the actual state in exercising my duties.

1. From the time of my assumption of office (on December 6th 1945) until the end of September 1946 I was merely an non-active director. I usually did not go to the company's office. I did not attend to the company's business. I only presented myself to the meeting of officers as a matter of formality.

2. Between October 1st 1946 to April 23rd 1947, as a chief of Facilities Section of the company, viz. practically as a member of the staff of the company, I went to the office daily and devoted myself in supervision and management of policing of premises and such welfare facilities as dining rooms, medical institutions, play grounds and recreation clubs which the section was in charge of. But I did not participate in the management of the company as a whole.

3. I resigned from the post of chief of Facilities Section on April 23rd 1947 and again became a plain non-active director.

4. I became a managing director on October 25th 1947 by the result of mutual election among directors and the President on May 15th of

this year. Since then I was in charge of management of the company. (Refer to the certificate, Document No. 11, by Mr. Shiro Sasaki, the former President of Mitsui Real Estate Co., Ltd.)

III. The grounds of petition in pursuant to paragraph 1 of article 7 of the Law, which was stated in the petition for recognition of not being an officer affiliated with Zaibatsu submitted previously. Since I fall into the category of persons specified in Article 3, Par. 2, Item 2 of the Law regarding exclusion of influence by Zaibatsu families as I assumed my present position of a director of Mitsui real Estate Co., Ltd. on December 6th 1945, I file my petition for your recognition of the fact that I am not an officer affiliated with Zaibatsu for I satisfy all the points specified in item 1 to item 4 of Article 7 of the Law as described hereunder.

1. I have nothing to do with the persons designated in Art. 7, Par. 1, Item 1 of the Law (Refer to the attached copy of my family register, Document No. 12.)

2. All the stocks of Mitsui Real Estate Co., Ltd. had been owned by Mitsui families since its establishment (on July 15th 1941) until July 31st 1947. (The date of surrender of their voting right to the Holding Company Liquidation Commission was May 31st 1947.) But Mitsui families did not directly exercise their cotrol on management and personnel affairs. They entrusted it to Mitsui Somotokata (Mitsui Honsha, Ltd. after March 1st 1944). Furthermore just as they say that rule by executive clerk is Mitsui's tradition, the real command was held in the hands of managing directors of Mitsui Somotokata or Mitsui Honsha, Ltd. Therefore Mitsui families were stockholders in name only. The appointment of officers of the company used to be as a

customary practice preceded by an approval of Mitsui Somotokata or Mitsui Honsha, Ltd. But since the war ended and in accordance with the directives of Allied Forces and social circumstances, Mitsui families and Mitsui Honsha, Ltd. renounced on and after Nov. 6th 1945 their controlling power over affiliated enterprises. On November 8th they announced it to insiders and outsiders. Thereupon the management of the company both in formality and practice became perfectly free from the contril of Mitsui Zaibatsu. Therefore after November 8th 1945 the appointment of officers of the company were actually decided by president of the company without previous approval of Mitsui families or Mitsui Honsha, Ltd.

My assumption of directorship of December 6th 1945 was of cource not preceded by such approval. (Refer to the certificate , Document No.13, by Mr. Takakimi Mitsui, the former representative of Mitsui families, the certificate, Document No. 14, Kabushikikaisha Mitsui Honsha,Ltd. And the certificate , Document No. 11, by Mr. Shiro Sasaki, former President of Mitsui Real Estate Co.,Ltd. all attached hereto.)

3. The stipulation of Art,7, Par.1, Item 3 is not applicable to me.

4. The officers of companies affiliated with Mitsui Zaibatsu which I assumed concurrentry are only two posts, namely an auditor of Mitsui Real Estate Co., Ltd. and an auditor of Toyo Rayon Kabushiki Kaisha, Ltd. (Refer to the certificate, Document No.15, by Kabushiki Kaisha Mitsui Honsha,Ltd. and the certificate, Document No. 16, by Mitsui Real Estate Co., Ltd. attached hereto.)

I hereby testify that:

When Mitsui Real Estate Co., Ltd. was established July, 1941, I was in the office of a standing executor of Mitsui Somotokata; and Mitsui families, the shareholders of the former company, entrusted Somotokata with supervision over that company and appointed me the Chairman of the company without renouncing my position in Somotokata as a standing executor. I decided to manage the company only by myself as the Chairman and the standing Director unlike other Mitsui's direct subsidiary companies, because it was a small company of the most passive nature among Mitsui's interests with main line of business of renting building rooms. But, in order to keep up with legal formality and to honor managing staffers of Mitsui Somotokata with officer titles in balance with officers and staffers of other affiliatory companies, I gave department managers and sub-managers of Mitsui Somotokata titles of plain directors or auditors of Mitsui Real Estate Co., keeping their position in Somotokata intact. I, of course, did not allow them to participate in managing the company. Mr. Itsuro Inoue was appointed an auditor of the company Feb. 17, 1944, holding his status in Somotokata unchanged; and that was a case of the formula as stated in the above. His name was only formally listed on the end of the names of auditors; and there was no intention to assign him any duty of actual management or liaison with Somotokata. I, therefore, took the duty of supervising the company as before, keeping the offices of a director of

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 3(D) OR (E) NNDS # 175012

Mitsui Real Estate Co. and a standing executor of Mitsui Somotokata (later Mitsui Honsha) concurrently, though I resigned the Chairman of the Board of Directors of the former company on the said day. There was no need of giving Mr. Inoue any appointed task, and he was simply a formal auditor. When I resigned the director June 21, 1945, Mr. Yugo Naruse, Executive Director of Mitsui Honsha, took the office of a director of Mitsui Real Estate Co. in stead of me. That was because Mitsui Honsha never gave any special duty to Mr. Inoue. It was really a practice of Mitsui Honsha not to give such duty to a staffer.

(Additional Remark)

Mr. Inoue's Petition for recognition of being not an official affiliated with Zaibatsu has not been approved. If it was because the fact that his office of an auditor as stated in the above was nominal has not been considered, it is quite regrettable. The fact that Mr. Inoue's office of an auditor was nominal is well-known by all people concerned.

I hereby testify that:

When Mr. Masatora Koike, Executive Director of Mitsui Honsha, resigned June 21, 1945 the office of a director of Mitsui Real Estate Co., Ltd., which he occupied concurrently as a representative of Mitsui Honsha, I, Executive Director of Mitsui Honsha then, took concurrently the office of a director of Mitsui Real Estate Co., Ltd., in stead of him representing Mitsui Honsha. I was on the duty of liaison between the two companies; and, therefore, Mr. Itsuro Inouye, an Auditor then, had no such duty and was only a formal existence.

TESTIMONY

June 21, 1948

I hereby testify that:

I am conversant with the matter of appointment of officers of Mitsui Real Estate Co.,Ltd. viewed from the side of Mitsui Somotokata as well as from the side of the said company,because I was the Executive Director, the Chairman of Board of Directors, and the President of Mitsui Real Estate Co.,Ltd. consecutively since the establishment of the company until Oct. 25, 1947, and also had offices in Mitsui Somotokata and Mitsui Honsha. And, further, I was prompted to the Chairman from the Executive Director of Mitsui Real Estate Co. on the same day of Feb. 17,1944 as Mr. Itsuro Inoue took the office of an auditor of the same company. I, therefore, explain the circumstances under which Mr. Itsuro Inoue was appointed an auditor of Mitsui Real Estate Co., Ltd. and the fact that his office was nothing but nominal.

Mitsui Real Estate Co., Ltd. was originally a section of Mitsui Gomei Kaisha (dissolved end of Aug. 1940, being merged in Mitsui Bussan Kaisha) and seceded from that company to become a small company with an authorized capital of ¥ 5,000,000 for the purpose of managing real estates, mainly Mitsui Buildings on a lot in Muromachi, Nihonbashi. Thanks to the scarcity of renting rooms at present caused by war damages the company has been more or less recognized by the public, but the company was not known even by many of Mitsui people at the time of establishment. Mitsui Real Estate Co., Ltd meant little to Mitsui Zaibatsu

who gave their main weight to the management of those powerful enterprises as Mitsui Bussan Kaisha, Mitsui Minig Co. and others.

The above mentioned fact was reflected on very simple management of Mitsui Real Estate Co. which was controlled by the President, the Executine Director, and Director occupied by the Standing Executor of Mitsui Somotokata. The other officers were nominally put on the list of officers, and had not actually anything to execute unlike what the name of offices indicated. Such situation offered to Mitsui Somotokata some means of ventilation for stagnant phase of personnel administration among the staffers of department manager and sub-manager class, and Somotokata tried to keep dignity of these men by giving titles of officer of Mitsui Real Estate Co., Ltd.

All the executive officers of Mitsui Somotokata were, as a usual practice, kept by representatives of (or those who had career in) Mitsui's influential direct subsidiary companies, and members of the staff of Mitsui Somotokata were not usually installed in the executive officers of Mitsui subsidiary companies. And, therefore, personnel of department manager class of Somotokata had almost no place to be promoted to. Under such circumstances the post of officers of Mitsui Real Estate Co., were given to department manager class men of long service for the purpose of maintaining their dignity. They, however, had no duty to carry out for Somotokata as stated in the forgoing. Mr. Inoue was the only one among managing staffers left without a title of officer

who gave their main weight to the management of those powerful enterprises as Mitsui Bussan Kaisha, Mitsui Minig Co. and others.

The above mentioned fact was reflected on very simple management of Mitsui Real Estate Co. which was controlled by the President, the Executine Director, and Director occupied by the Standing Executor of Mitsui Somotokata. They, however, had no duty to carry out for Somotokata as stated in the forgoing. Mr. Inoue was the only one among managing staffers left without a title of officer

of Mitsui Real Estate Co., Ltd.immediately before Feb. 17, 1944 when he accepted the office of an auditor. It was because there had been no vacant officer-post in Mitsui Real Estate Co. after he entered Mitsui Somotokata from Mitsui Bank. The first vacancy was made when Mr. Fukuda, the Standing Auditor then, was promoted to the Standing Director Feb. 17, 1944, and Mr. Inoue was listed on the end of auditors' names. But, as it was only a nominal appointment, he was not installed in the office of the Standing Auditor, which was assumed by Mr. Soichi Umeda, Auditor then. Mr. Inoue, therefore, had nothing to do but to put his seal on the statements of accounts or the like, even which was a matter of formality, having no say on them because the Standing Auditor did the job. Such being his position, much less, he never touched the actual management of the company. The company was run by a director representing Mitsui Somotokata (Mr. Masatora Koike), the President (myself), and the Standing Director (Mr. Shinobu Fukuda), and Mr. Inoue meat nothing but formality.

Both of Mr. Itsuro Inouye and myself filed petitions for recognition of not being an officer affiliated with Zaibatsu, and both received decisions of "disapproval," I will not submit any further petition because I think it not groundless for myself who participated in the management of Mitsui Real Estate Co. as an executive director, but I think it really regrettable for Mr. Inouye who, I know, was literally a nominal officer, unlike myself. Mitsui Real Estate Co. is now in much difficulty of management, and is confronted with the problem of disposing of entire stocks of the company which are held by Mitsui families. According to the development of the problem, there is a fear that Mitsui Buildings might go into the hands of some undesirable speculators. In that case bad consequences would happen upon the tenants of Mitsui Buildings such as F.T.C. , S.C.L.C., H.C.L.C., and Financial Institutions, e.g. the Teikoku Bank, Mitsui Trust Co., Central Mutual Life Insurance Co., and other public and private institutions; and, therefore, the progress of the problem is arresting much attention. The officers of the company who have to deal with the problem are only Mr. Inouye (the President at present) and two others, who are holding the offices of department manager concurrently; further more Mr. Inouye is the only one who had career in financing which is essential for coping with the problem. From this point of view, too, I am much worried about the result of his Petition for re-examination. I sincerely hope the decision shall be made judged from the reality of his career, instead of external appearance.

The facts about the circumstances under which Mr. Inouye

assumed the office in question and about whether he was a nominal officer or not shall be reserved for the testimonies by Mr. Masatora Koike, Standing Executor of Mitsui Somotokata and Director of Mitsui Real Estate Co., then, who decided that appointment and by Mr. Shiro Sasaki who was promoted to the Chairman from Executive Director at that time. I, however, hereby testify, as Executive Director of the company at the time when Mr. Inouye was in the office of an auditor, that I could find no words or deeds of Mr. Inouye as if he were an officer affiliated with Zaibatsu.

I was in the highest responsible position of Mitsui Somotokata as the Chairman when Mr. Itsuro Inouye assumed the office of an auditor of Mitsui Real Estate Co.,Ltd. without refraining the post of the Manager of Finance Department of Mitsui Somotokata. I, however, had entrusted the matter of appointment of less significance like Mr. Inouye's case to Mr. Masatora Koike, Standing Executor (concurrently the Chairman of the Board of Directors of Mitsui Real Estate Co.,Ltd.), who decided and carried out the matter at his discretion.

The fact that the office of an auditor taken by Mr. Inouye was only nominal can not be better proven then by testimony given by Mr. Koike.

The fact

By the resignation of an auditor, Mr. Saba, in November 1944, it became necessary to suppliment an auditor. In order to comply with the formality, I called upon Mr. Itsuro Inouye without remuneration for that post, who was an employee of Mitsui Honsha at that time. This situation, namely that he was an auditor in name only in order merely to fulfill formalities, would be clearly endorsed by the fact that he never appeared in the office of the company during that one year while he was an auditor and also by the fact that he was not present even once at monthly meetings of the board of directors . And while Toyo Rayon Kabushiki Kaisha was a indirect affiliate company of Mitsui, the liason between Mitsui Honsha and the company was undertaken by myself as I was the president of the company and also former managing director of Mitsui Bussan Kaisha, Ltd. He was neither entrusted with such mission, nor had any discussion in such matter.

ADDITIONAL STATEMENT TO MY PETITION
FOR RE-EXAMINATION FOR NOT BEING AN OFFICER AFFILIATED
WITH ZAIBATSU

To Mr. Hitoshi Ashida
The Premier of the Cabinet

July 3, 1948

Petitioner: Itsuro Inouye
President of Mitsui Real Estate Co.,Ltd.

I hereby beg to insert to the place indicated additional statement as stated below in my petition for re-examination for not being an officer affiliated with Zaibatsu.

I. The place to be inserted to

At the end of "The case of an auditor of Mitsui Real Estate Co.,Ltd. " in the paragraph of " Actual state of my exercising duties" in " II. The grounds of petition".

II. Additional statements

The fact that my office of an auditor was nothing but nominal and was given to me for honoring with a title is veryfied by attached documents Nos. 1-6, but I further state following points in order to help your judgement.

1. Since Mitsui Somotokata designated Shiro Sasaki, manager of planning dept., as the President, Shinobu Fukuda, former manager of finance dept., as the Executive Director, Soichi Umeda, Sub-manager of planning dept., as the Standing Auditor respectively to have them to deal with daily business, and had influential Masatora Koike, standing executor, to join the board of directors as a director representing Zaibatsu, there was no need of sending any more officer for special duty.

2. When Masatora Koike, as stated in the above, resigned the office of a director June 21, 1945, Yugo Naruse, standing executor of Mitsui Honsha, assumed the office of a director of the company in lieu of Koike. If I were an officer representing

Zaibatsu, it was useless to install Naruse to that office.

3. I took the office of an auditor at the same time as when a vacancy of the office of standing auditor was refilled, which was caused by the promotion of Shinobu Fukuda, standing auditor, to the executive director. If I had been assigned to any special task. I would have been placed in that vacancy of the standing auditor. As it was, Soichi Umeda took the office of the standing auditor, and I was added to the end of auditors.

4. There were five staffers of Mitsui Somotokata, like myself, who kept simply nominal offices of the company as of the day just before my assumption of the office. This is stated in the column of " details of circumstances under which I assumed the position of official ", in detail.

5. My former post of the manager of finance dept. of Mitsui Somotokata (later Mitsui Honsha) might give an impression that I did some job in relation with financing. But as stated in " The case of an auditor of Toyo Rayon Kabushiki Kaisha " in the column of " details of circumstances under which I assumed the position of official " of personal questionaire, the matter of financing and investments to subsidiary companies was not within the jurisdiction of Finance Dept,; and as a matter of fact the loan of the company from Mitsui Honsha was never increased or decreased since my assumption of the office. The loan was granted to the company when it was separated from Mitsui Bussan kaisha (changed name to Mitsui Honsha 1944) with a long term, and I was in Mitsui Bank at that time (July 15, 1941) and naturally had nothing to do with the transaction about the loan.

However as the necessity of the expansion of its organization and rational management of the company was keenly felt, seeing from the situations, I came to a conclusion that it would be most reasonable and ideal to be affiliated to Kyodo Gyogyo Kabushiki Kaisha which was doing the same fishing industry as the above company.

This Hōrai Suisan K. K. was affiliated to Kyodo Gyogyo K. K. on September, 1934, which was again affiliated to Nippon Suisan Kabushiki Kaisha on March, 1937 and I assumed the position of the Director of the latter company.

There was no facts that Nissan Zaibatsu was concerned in approving my assumption of office.

Subject: Application For Re-screening

To : Prime Minister, Mr. Hitoshi Ashida

From : Junji Hayashi, 26 Kasumi-cho, Azabu, Minato-ku, Tokyo

In accordance with Article VII, Elimination of Controlling Power of Zaibatsu Families (Zaibatsu Dōzoku Shihairyoku Haijohō), I filed an application for recognition as a non-Zaibatsu officer. Under date of 8 June 1948 the application was turned down and I received notice thereof on 18 June. Inasmuch as I believe that there is an error in the basis of the decision, I hereby beg to apply for re-screening in accordance with Article XXIII of the above Law.

Reasons

In Article III of the said Law, there is a stipulation to the following effect ----- By "Zaibatsu officer" in this law is meant an officer of a Zaibatsu company whose appointment or discharge was under the controlling influence of the said Zaibatsu, and, who representing the interest of the said Zaibatsu, has participated in the management of important business in the said Company ---------.

In the following paragraphs, I shall endeavour to prove that I am not a Zaibatsu officer in the sense of the stipulation in Article III of the Law.

(1) Circumstances Under Which I Was An Officer Of The Horai Suisan Kabushiki Kaisha and Then The Nippon Suisan Kabushiki Kaisha

As set forth in the individual investigation report, I first engaged in the management and operation of trawling in Formosa as my own personal enterprise. Through the necessity to expand the business, and also deeming it more advantageous to reorganize the enterprise into a corporation, I formed in July 1927, the Horai Suisan

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NND# 713012

Kabushiki Kaisha with a capitalization of ¥ 1,000,000.00 and assumed the post of Managing Director. In this capacity, I headed the corporation as the representative director. The officers of the corporation were as follows:

The Horai Suisan Kabushiki Kaisha

37 - 197 Shosento, Keelung, Formosa.

Name	Post	Date of Appointment	Date of Retirement
Junji Hayashi	Managing Director	18 July 1927	31 Aug. 1934
Fukuju Maue	Standing Director	" "	" "
Naoki Imai	Director	" "	" "
Masuji Mandai	Auditor	" "	" "
Shigeji Matsuda	"	" "	" "

Name of Stockholder	Number of Shares Held
Kyodo Gyogyo Kabushiki Kaisha	18,000
Junji Hayashi	800
Keizo Tamura	400
Kosuke Kunishi	200
Naoki Imai	200
Shizuo Hishida	100
Masuji Mandai	100
Shigeji Matsuda	100

I assumed the post of Managing Director of the Horai Suisan Kabushiki Kaisha in order to safeguard the foundation of my business career I had laid myself as an individual operator. In other words, I was merely protecting my own rights and interest. It is to be noted that the majority of the shares (18,000 out of the 20,000) were owned by the Kyodo Gyogyo Kabushiki Kaisha and there existed no relation

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 113012

whatsoever between the Horai Suisan K.K. and the NISSAN with respect to capital. The major portion of the capital of the Kyodo Gyogyo Kabushiki Kaisha was owned by Mr. Ichiro Tamura and here again, there was no relationship with the NISSAN in respect of capital.

I first accepted a post, as an officer, of the Nippon Suisan Kabushiki Kaisha under the following circumstances. The abovementioned Kyodo Gyogyo Kabushiki Kaisha transferred its business to the Hōyō Gyogyo Kabushiki Kaisha (capital ¥ 600,000.00) in July 1934. At the same time, the Hōyō Gyogyo Kabushiki Kaisha increased its capitalization to ¥ 2,000,000.00. By the participation of NISSAN capital at this time, it further increased its capital to ¥ 10,000,000.00 and became the new Kyodo Gyogyo Kabushiki Kaisha.

In Aug. 1934 for the purpose of rationalizing its enterprise, the Horai Suisan Kabushiki Kaisha was merged into the Kyodo Gyogyo Kabushiki Kaisha and I assumed the post of Director (Torishimariyaku) in that Company.

In March 1937, the Kyodo Gyogyo changed its name and became the Nippon Suisan Kabushiki Kaisha.

In my report of individual investigation appended to the application for recognition, there is an omission and error with reference to my going to the Nippon Suisan K.K. from the Horai Suisan K.K., the circumstances in which the Kyodo Gyogyo K.K. came to exist and the dates pertinent thereto. These inaccuracies are due to my misrecollection and I wish to rectify them. Regarding these corrections, I beg to request that reference be made to the appended certifications by Mr. Keizo Tamura who was President of the Kyodo Gyogyo Kabushiki Kaisha at that time.

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 775012

(2) Circumstances In Which I Assumed The Post Of Director (Torishimariyaku) Of The Kyodo Gyogyo Kabushiki Kaisha (Later To Become The Nippon Suisan Kabushiki Kaisha)

The events leading up to the formation of the Kyodo Gyogyo Kabushiki Kaisha (Nippon Suisan Kabushiki Kaisha) are as mentioned in a foregoing paragraph. At the time of this formation, all the Directors of the Horai Suisan Kabushiki Kaisha automatically became Directors of the Kyodo Gyogyo K.K. Thus as a natural course of events, I, too, became Director of the Kyodo Gyogyo K.K. No positive sanction either by the NISSAN or by a company connected directly with the NISSAN figured in my assuming this post.

(3) Circumstances Under Which I Carried Out My Duties As A Director Of The Nippon Suisan Kabushiki Kaisha

Between March 1937 and Dec. 1942 as a Director of the Nippon Suisan K.K., I held the following posts:

1. Chief, Taiwan Business Office (March 1937 - Oct. 1938)
2. Chief, Trawling Department and concurrently
   Chief, Western Business Office (Oct. 1938 - Dec. 1942)

In view of the fact that I was posted in Keelung and then in Tobata and since the Head Office of the Company was in Tokyo, I did not attend all the Directors' meetings. Consequently, I was almost always not consulted on matters of importance. Even on the very few occasions I attended such meetings, I did not bring up any important matter. (Vide Certification of Mr. Keizo Tamura, who was then the President).

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 775012

(4) Circumstances In Which I Assumed The Post Of Managing Director Of The Teikoku Suisan Tosei Kabushiki Kaisha

The Teikoku Suisan Tosei Kabushiki Kaisha was established in Dec. 1942 in accordance with Imperial Ordinance #520. Upon its establishment, I entered the Company as Chief of the Planning Division and was given the post of Director. I attributed my casting from the Nippon Suisan K.K. at this time to the fact that I was neither persona grata nor considered one of the NISSAN family.

In Nov. 1943 the Teikoku Suisan Tosei Kabushiki Kaisha increased its number of Managing Directors from one to three. I became one of the three. At that time, I resigned from the post of Chief of the Planning Division and assumed the post of Chief of the Business Division. In this post, I remained until the virtual dissolution and reorganization of the Company in Dec. 1945.

Beginning with the Horai Suisan K.K., then the Nippon Suisan K.K., and finally with the Teikoku Suisan Tosei K.K., I served as an officer. However as previously mentioned, this was but a natural sequence of the development of my enterprise. I served as an officer due primarily to maintain my rights and, secondly by virtue of the fact that my experience in this field of industry suited my employees. I am of the firm conviction that I have never participated in any important conduct of business as a representative of any Zaibatsu interest in the sense of Article III of the Law in question.

C E R T I F I C A T E

I hereby confirm that during his tenure of office (from 1 March 1937 till 25 March 1942) as a Director (Torishimariyaku) of the NIPPON SUISAN KABUSHIKI KAISHA, JUNJI HAYASHI held the posts of

(1) Chief, Taiwan Business Office
and
(2) Chief, Trawling Division
and concurrently
Chief, Western Business Office.

Due to the fact that he served in Keelung and Tobata during the above period, he took no part whatsoever in the important policy formulation or decisions of the Company (Head Office in Tokyo). Even on the occasions he attended the meetings of the Board of Directors, he never made any important statements.

C E R T I F I C A T E

I hereby confirm that the major part of the capital of the KYODO GYOGYO KABUSHIKI KAISHA, which owned the majority of the shares (18,000 out of the 20,000) of the HORAI SUISAN KABUSHIKI KAISHA, was owned by Mr. Ichiro Tamura and in point of capital, there existed at the outset no relationship with NISSAN.

The circumstances under which the HORAI SUISAN KABUSHIKI KAISHA first came into relationship with the NISSAN in point of capital were as follows:

> In July 1934, the HORAI SUISAN KABUSHIKI KAISHA transferred its business to the HOYO GYOGYO KABUSHIKI KAISHA (capitalisation: ¥600,000.00). Increasing its capital to ¥2,000,000.00 at the same time and upon the capital participation of NISSAN, the HOYO SUISAN K.K. became the KYODO GYOGYO KABUSHIKI KAISHA with a capitalisation of ¥10,000,000.00 (ofwhich ¥8,000,000.00 were owned by NISSAN).

The HORAI SUISAN KABUSHIKI KAISHA was absorbed and merged into the KYODO GYOGYO KABUSHIKI KAISHA in Aug. 1934 and it was here <u>for the first time</u> that its relationship with NISSAN in point of capital was established. Without exception, all the officers of the HORAI SUISAN K.K. <u>automatically</u> became officers of the KYODO GYOGYO K.K. As a result of the change of name, the KYODO GYOGYO K.K. became the NIPPON SUISAN KABUSHIKI KAISHA in March 1937.

Formerly President,
