## NARBERTH REPUBLICANS TO SUPPORT F. W. STITES

Last Tuesday evening there was a large and enthusiastic gathering of Republican supporters of Hon. Fletcher W. Stites, candidate for Congressional honors in the Eighth District of Pennsylvania, at Elm Hall, to refute the infamous and persistent attacks on his character by the Grundy-Scheidt crowd. These representative citizens of Narberth expressed their disgust at the low, pot-house politician methods adopted by the Watson Campaign Committee to besmirch the character and record of our honored friend and neighbor, and to refute the misstatements with which their circular letters fairly reek.

A. J. Loos was elected chairman, and Rev. W. Scott Nevin, D. D., secretary, of the meeting. Rev. Harry M. Chalfant, of the Anti-Saloon League, who was largely responsible for the selection of Mr. Stites as candidate for the Pennsylvania Legislature three years ago, was present. These gentlemen and others made strong speeches in support of Mr. Stites as a candidate for Congress, and in refutation of the misstatements in the Watson campaign literature.

A committee of five was appointed to draft a letter in reply to those sent out by the Watson Committee. This letter was accepted by the meeting as expressing its sentiments, and was signed by everyone present. Copies were circulated on Wednesday for additional signatures and many more obtained. We quote the letter in full as follows.

"Narberth, Pa., May 7, 1918.

"The Henry W. Watson Campaign Committee, Norristown, Pa.:

"Gentlemen—In view of the fact that numerous letters from your committee have been addressed to the citizens of Narberth, we, a group of representatives of aforesaid community, in meeting assembled, have decided to make joint reply to your communications.

"The purpose of your various letters seems to be an attempt to win votes for the Hon. Henry W. Watson by attacking the character and reputation of our fellow-citizen, Hon. Fletcher W. Stites.

"Frankly, we do not like your method. It was 'Made in Germany.' We are astounded beyond measure that any group of men living in the Commonwealth of Pennsylvania in this year 1918 should resort to the tactics of the Hun, and should attempt to win their point by flooding the district with poison letters, aiming thereby to assassinate the good name of an honorable and able opponent.

"We remind you that we are living in a democracy, and not under the rule of the Kaiser. In this free country, and in this Congressional district, Mr. Watson has an absolute right to be a candidate for Congress, and none but a coward would attempt to defeat his purpose by resorting to methods now being used by your committee. We claim for Mr. Stites the same fair and gentlemanly treatment that has been accorded Mr. Watson ever since he first sought this high office.

"Two years ago Mr. Stites became a candidate for the Legislature at the urgent request of a body of citizens of this community who are interested in progressive and humanitarian legislation. They judged of his fitness by the splendid work he had done for civic betterment in our own community and the reputation he had established for personal integrity. At the primary election, notwithstanding he was opposed by two popular and able opponents, he polled 87 per cent. of the Republican vote of Narberth. So spoke his neighbors.

"We point with pride to his record in the Legislature. He went on record for all legislation that was good, and against all that was bad, regardless of faction. Seeing that this district is in need of a new representative in Congress, and that Mr. Stites meets all the requirements, we invite you to watch the Narberth vote on May 21."

## IMPORTANT CIVIC ASSOCIATION MEETING

Friday Evening, May 17

President Joseph H. Nash has called a meeting of the Civic Association for Friday evening, 8 o'clock, at the Y. M. C. A. The directors are requested to meet at 7.30, immediately before the general meeting.

At the general meeting, matters of great moment to all interested in civic affairs will be presented. A number of committees will be appointed, and the question of awards for best gardens will be discussed.

Among other matters, the care of vacant lots will be considered. A plan for zoning or districting the borough will be presented. Neighborhood groups will be suggested for co-operative effort in doing civic work.

Every director should be on hand to make this meeting a success. Other Narberth organizations are invited, as matters will be discussed that are of vital interest to every resident, from the standpoint of health, cleanliness and beauty.

## SPECIAL NOTICE

Owing to the prevalence of measles in Narberth, the schools will be closed for at least the balance of the week. The authorities have stated that many of the cases are quite severe, and children, therefore, must keep as much as possible to their homes, and not congregate in public places. Parents are cautioned to see that the utmost caution be observed that children are not allowed to communicate with any of those under quarantine.

The foregoing letter was circulated outside of the meeting and a large number of signatures obtained. Many more would have been glad to sign, but the letter was sent to the printer, as copies will be sent to about 250 workers in Bucks County, and 400 in Montgomery County, connected with the Anti-Saloon League. These will be accompanied by a personal letter from Rev. Henry M. Chalfant, editor of the American Issue, the official organ of the Anti-Saloon League, which has a circulation of upwards of 25,000 in Pennsylvania.

## HONOR FLAG, SERVICE FLAG AND STARS AND STRIPES

Fine Suggestion by William S. Horner and Walton M. Wentz

Messrs. Horner and Wentz have had on their thinking caps, and have evolved a brilliant suggestion regarding the proper and effective display of our various flags. Mr. Horner thought that a borough service flag should be displayed for our boys, in addition to the Stars and Stripes and honor flag, now displayed on the tennis grounds, by courtesy of the Narberth Tennis Association.

Unfortunately, the flags are not as clearly seen in that location as might be, and a survey of the possibilities by Messrs. Horner and Wentz resulted in the suggestion that a sufficiently heavy wire should be strung from the maple tree in front of the postoffice to Mr. Fiedler's pine tree, from which the borough could suspend the Stars and Stripes, flanked by the honor flag and the service flag.

Our citizens are asked to look from

the car windows, as trains approach Narberth from the city, or leave for the city, towards the north side, and they will see a fine, clear open space, splendidly adapted for such a display. Passengers on all trains, looking in that direction, could not fail to see the three flags, and all of our people, when going to the postoffice, would see these beautiful emblems of Narberth patriotism and loyalty. Suspended from a wire, they would always float free, and every star could be seen.

It would not be expensive to string the wire and purchase the additional flag. Mr. Edwin P. Dold, associated with Messrs. Horner and Wentz, would make a fine committee to collect small subscriptions from many individuals, and to attend to the carrying out of the plan, if it meets popular approval.

What say you, fellow citizens?

## BIG BASEBALL GAME ON DECORATION DAY

Tennis Nine to Meet Narberth Baseball Club in Great Contest for the Benefit of the Red Cross—Keep the Date Open

Editor Our Town:

Where is, or what has become of, that combination tennis-baseball nine that was going to play the Narberth B. B. Club?

Anxious Reader.

Very well, Anxious Reader, if you insist, we'll tell you.

"The combination tennis-baseball nine," as you call it, is rapidly working into condition, and the great game will be played on Decoration Day morning, Thursday, May 30, on the grounds adjoining the Narberth School.

And there are the very best reasons why everybody in Narberth should reserve Decoration Day morning for this big event. First, the game will be played for the benefit of the Red Cross, than which there is no more worthy agency, especially right at this time, when every possible dollar is needed, and when every dollar contributed to the Red Cross means the alleviation of suffering for some young man—maybe one of our own Narberth boys—over there in France.

In the second place, it's going to be "some" baseball contest, and make no mistake about that! What, can tennis players play baseball? You can bet your sweet life they can, as the old professor in English literature at Harvard used to say. And anyone who doubts this statement is going to wake up to a big surprise. Take Bert Simpson, for instance, who in addition to managing, directing, working and cultivating a garden—as the Cub has already observed, is also known to have pitched a game of baseball or two in the past! It is rumored that Bert will do the twirling for the tennis nine, aided and abetted by Ralph Hall, who is still remembered and feared by the batters in the old Tri-State League.

But, tut, tut, we're committing a serious breach of etiquette, for we haven't said a word about Captain-

Manager Jim McKell, who starred in the Iowa State League a few years back, before he began drawing pictures for the Satepost and other well-known periodicals.

And how about Thorny Grugan and Bob Pattison and Bill Henderson, and our President of Council, Bill W. R. D. Hall, who has promised to dig out of the family trunk the Red and Blue stockings he wore on Franklin Field in 189—, 189— and 189—!

Yes, sir, there's going to be some baseball game on the school grounds on Decoration Day morning, and you want to be there.

And if there are any members of the Narberth Tennis Association who would like to get in the game, but who haven't been out for practice, Captain-Manager McKell will be glad to hear from you, or see you, every clear Tuesday and Thursday afternoon after 5 o'clock on the grounds at the school.

## THE DRIVE IS ON

U. S. Government War-Savings Stamps, May 12-18

This is pledge week. When the solicitor calls at your home please be prepared to fill out the card pledging the amount you aim to buy before the end of the year. Please help all you can, as the time allotted to the committee is short and the territory is large.

Saving to the point of being a little inconvenient is a new phase of life to the average American, but we will emerge a thrifty nation rather than an improvident one, as we existed prior to our entrance into this great conflict.

## F. H. HARGES MOVES TO VALLEY FORGE

F. H. Harges, who has been a resident of Narberth for about twenty years, moved Tuesday to a farm at Valley Forge. Mr. Harges has taken a lively interest in the affairs of the borough in years passed, having been a councilman for several years and as such was chairman of the Highway Committee. He gave much of his time to the interests of the town. He made many warm friends, who regret his departure from Narberth, where he has resided so long.

### EDITORIAL

This is the last issue of Our Town, prior to the primary election of May 21. Again we urge every voter to attend to this duty. As a loyal, patriotic citizen, no one can conscientiously omit it. It is the most important act of the day.

Our readers are asked to post themselves fully on the War Chest campaign, beginning next Monday. Prepare yourselves to give the one day's income out of every month for the ensuing year. It is as little as we can do to back up the boys at the front. Every dollar will be wisely spent.

This is a non-partisan publication, but when there is a division within party lines we always advocate the faction that "fights fair." We have no sympathy for the faction that resorts to lies and mud-slinging, such as has consistently characterized the methods of the supporters of Candidate Watson. The villainous letters that have sought to defame our honored fellow citizen, Fletcher W. Stites, we condemn in the strongest terms. To endeavor to connect Mr. Stites with the Fifth ward outrages in Philadelphia is as low-down a piece of political trickery as was ever devised. Those who believe the defamatory lies circulated regarding Mr. Stites are either woefully ignorant and easily fooled, or they willfully close their eyes to the truth. From the many expressions of disgust we have heard in Narberth, we have no doubt that Mr. Stites will be vindicated in his home town by an overwhelming majority over his opponent.

To the Editor of Our Town:

The numerous letters from the Henry W. Watson Campaign Committee to the Republican voters throughout the district were, no doubt, designed and sent out to mislead and arouse a mistrust in the minds of the people against our worthy townsman, Hon. Fletcher W. Stites, and his associates. This so far as Narberth is

concerned is wasted energy, but fellow Republicans, these letters have stirred up our indignation; let us therefore come out to the primary election on May 21 and back up our faith in Mr. Stites by giving him one hundred per cent. of our enrolled Republican vote.

Respectfully,  
 Wm. D. Smedley.

### ECHO ANSWERS

Harassed by letters, coming fast and thick from Gang committees, inspired by Old Nick, Assailing Fletcher Stites, beloved so well, I sought the wildwood glen, where echoes dwell. To Echo, that shy, elusive, ever-truthful minx Who even solves the riddles of the Sphinx, I called aloud, in accents high and clear, "Will the election help the cause of beer? Will it be won, or not, by Adam Scheidt?" And Echo answered quickly, "Not by a dam Scheidt!"

A. J. L.

To the Editor of Our Town, Narberth, Pa.

Remembering the exceeding courtesy of Mr. William T. Harris when he built next to my former home and at the time of my husband's death, I cannot let pass unnoted the facetious remarks made by "The Cub" in the current issue of Our Town.

Although we all enjoy the Cub's quips, this surely should be an era of constructive, not destructive criticism.

Mr. Harris came to Narberth when the town was deteriorating, and had the astuteness to see that large houses were a drug on the market. By building small ones, which sold at once, he was the incentive to other builders, and it is largely to him that the town owes its present size.

He has enabled numberless desirable people to live in a delightful suburb—people who have filled your churches, augmented your borough's income and voters, and been the real workers in the civic life.

It was these people who helped win the town its honor flag.

If Mr. Harris' brilliant coup at the flag-raising had netted but \$1000 for our cause, it would have merited the highest respect and commendation.

Now more than ever we need men of his ability and leadership—let us encourage him to further effort by appreciation.

(Mrs.) Alice J. Carter,  
 5151 Wayne avenue, Germantown, Pa.

### WAR LIBRARY BOOKS

Up to last week, only 666 books had been sent to the secretary of our Y. M. C. A., to be forwarded to soldiers and sailors, at the front, in training camps or on shipboard.

A small number of persons contributed these books—perhaps not more than 25 or 30 individuals. Some contributed a hundred or more, others 50 or 25. It can readily be seen that there has been no general response to the appeal.

There are between 700 and 800 homes in Narberth. In many of these homes there are books standing neglected on the shelves, that are not needed. They will not be read again, while thousands of our boys would be only too glad to have them.

Once more we appeal to you to take the time to select suitable books for this service and send them without further delay to Secretary Bowen, of the Y. M. C. A.

These are days when most of our waking hours should be spent in thinking what we may do to help those who are fighting for us. When a suggestion like this comes to you, do not delay, but act on it at once, and then get busy on the next. It is the least we can do.

### SPECIAL NOTICE TO SUFFRAGISTS

An important meeting will be held on Monday night, May 20, at 7:30 o'clock, at the home of Mrs. William B. Goodall, 108 Dudley avenue. Every member is urged to be present.

You haven't given so far, only loaned your money—bear that in mind. This is pledge week.

## CUB'S WEEKLY LETTER

To the Editor of Our Town:

As I stood at the corner of Narberth and Woodside the other day, my attention was arrested by something at the upper end of Woodside near the Executive Mansion, which I am rather at a loss to describe. At first I thought it was a signaling device of some kind, but as the object moved in only a horizontal direction instead of the usual up and down heliograph motion, I saw I was mistaken. The one feature that stood out clearly was the number 699 emblazoned in large letters on a white background. I decided to investigate and as I got closer to the mystery I found that the number mentioned was stenciled on the back of a pair of white navy trousers and in those trousers reposed the manly and graceful form of our worthy Burgomaster. It seems that he was pushing a lawnmower, good patriot that he is, and when I asked "for why" the rig and the meaning of the mystic 699, he blushed and declined to reply.

I know the figures do not represent the price of the pants, as our all-wise Burgess never was stung to the extent of \$6.99 without getting more than a mere pair of white ducks in return. I can easily believe that our Chief Magistrate was one of the renowned Six Hundred of Balaklava fame, but for the remaining ninety-nine I am at a loss to account—he surely wasn't one of the Ninety and Nine mentioned in the Bible. Possibly he has performed some deed of valor and is too modest to admit it and this may be responsible for the remarkable insignia which is causing all the mystery.

And that sets me thinking—yes I think once in awhile. Talking about mysteries, whatever became of that famous Narberth Plan we used to hear so much about? I subscribed for the First Liberty Loan on the strength of the money I was going to save on my grub under the benefits that were promised. You know the terrible threat was made that if Narberth didn't adopt the idea we were to lose the opportunity of becoming world famous as the place of origin of this bright and noble scheme, so we hastened to take it up, after waiting several months to find out what it was all about.

Have you seen Frank Zantmayer in his light Sunday suit? That boy is getting very sporty and the first thing we know he will be wearing a straw hat. "Cub."

loaned to the Y. M. C. A. a beautiful oil painting which will be hung in the lobby, where it will greet the eyes of all who enter the building.

It's a mistake to think you are helping the Government if you leave your Liberty Bond coupons reposing in the depository. If you want your Government to have the use of that money invest in War Stamps. Pledge now.

Prisoners of war are entitled to receive and send letters, money orders and valuables, as well as parcel post (not exceeding eleven pounds) when intended for international mail, free from all postal duties. One parcel a month.

Each member of every household should sign a pledge card to buy at least one War Stamp—the plan is for each individual to purchase \$20 during the year 1918. There are seven and one-half months to go. How many will you buy?

The 690 books given our boys in the service included several large lots, such as 130, 100, 85, 50, etc., which does not show the fullest co-operation of the large number of homes in Narberth.

## What is the War Chest?

It is a Community Fund—in this case a Five Counties Fund—providing money for approved War Relief

### For how long?

For one year—it is expected. You give once to the War Chest, and you are probably through for that year.

### What area will the War Chest represent?

Five Counties: Philadelphia, Montgomery, Delaware, Chester and Bucks.

### What is its advantage?

It takes the place of constant money-raising "drives" and "campaigns" for war relief purposes: they are concentrated in one War Chest campaign.

### Will it include "Liberty Loan" and "War Saving Stamp" and "Thrift Stamp" campaigns?

No. Those are investments: not gifts for war relief.

### But, other than those, will there be no "drives" for war-relief contributions?

No. The War Chest will take their place.

### What other advantages has it?

It saves you from constant calls: it protects you from possible unworthy war-relief schemes: it insures your money going where it is most needed for war relief.

### Then it is like my bank account upon which I draw when I want money?

Exactly. The war-relief organizations draw upon the War Chest. When an approved war relief activity is in need of funds it does not conduct a "drive" or "campaign" as now: it will apply to the War Chest.

### What activities, for example, will be entitled to share in the War Chest?

Such war activities as are endorsed by the President of the United States, the Secretary of War, the Secretary of the Navy or are approved by the Board of Directors of the War Welfare Council. These activities include among others:

- The American Red Cross.
- The Y. M. C. A. War Work Council.
- The Young Women's Christian Association.

- The Knights of Columbus.
- The Young Men's Hebrew Association.
- The Commission on Training Camp Activities of the War and Navy Departments.
- The Salvation Army.
- The Boy Scouts of America.
- The Community Recreation Service, together with similar national and local approved war-relief activities.

### Will this not require careful decision?

It certainly will. Each war-relief activity will be carefully investigated before any money is given from the War Chest.

### Regardless of race, creed or color?

Absolutely. The only point recognized will be the worthiness of the object and its application to war relief.

### Who decides on this?

The Board of Directors of the War Welfare Council.

### Who comprises this Board?

- The officers are:
- E. T. Stotesbury, President.
- Joseph R. Grundy, Vice-Pres't Bucks County.
- H. A. Beale, Jr., Vice-Pres't Delaware County.
- Percival Roberts, Jr., Vice-Pres't Montgomery County.
- William C. Sproul, Vice-Pres't Chester County.
- Drexel & Company, Treasurer.

### What is the War Welfare Council?

An organization for which a charter has been applied under the laws of the Commonwealth of Pennsylvania.

### Who are the members of the Council?

Every contributor to the War Chest. Each member will be entitled to one vote at all meetings of the Council.

### How can I contribute to the War Chest?

By pledging a definite sum each month for one year.

THE FIVE COUNTIES WAR CHEST FILLED BETWEEN MAY 20th AND MAY 27th MEANS NO MORE WAR RELIEF DRIVES IN THIS COUNTY THIS YEAR

berth which have from 10 to 100 or more books doing nothing more than catching dust.

We are better fit to assume the arduous duties thrust upon us at these times if we occasionally obtain a little recreation and diversion. The latter may be had if you attend the card party and dance on Friday evening, May 24, in Elm Hall. Tickets, 75 cents. Smith's Orchestra. Come and enjoy yourself.

The May meeting of the Narberth Branch of the Woman Suffrage party was held on Friday afternoon at the home of Mrs. Charles W. Young. Mrs. W. M. Gehman addressed the meeting instead of Mrs. George Wobensmith, who was prevented by illness from being present. The meeting was well attended and questions of interest were discussed.

Would it not be quite an advertisement for Narberth if Council would have the signs on Montgomery and Wynnewood avenues read like this: Montgomery avenue, Narberth, or Wynnewood avenue, Narberth. Automobileists passing through "The Year Round Home Town" would then know where they were, and it would help keep Narberth on the map.

Walter M. Burkhardt, of 100 Maple avenue, has been notified by the Government Bureau of War Life Insurance, at Washington, that the offer of his legal services to that department has been accepted. Mr. Burkhardt will leave for Washington on or about June 1 to assume the duties of the responsible position to which he has been appointed.

"Revelation" is a stupendous picture drama, a worthy vehicle for the genius of the great Nazimova. The story, adapted from Mabel Wagnall's novel, "A Rose Bush of a Thousand Years Ago," is a gripping romance of love and peace with echoes of the great war. The thrilling drama will be shown at the Palace Theatre, Ardmore, on Wednesday afternoon and evening. Mme. Nazimova will be seen in no greater production in the world of photodrama!

The Women's Liberty Loan Committee are again at it on the War Savings drive. Please help them in every way possible, as their faithful and untiring work during the past month is deserving of every consideration from you. This is the only women's committee in Lower Merion township who have been willing to assume this added responsibility. The campaign opened with six \$1000 pledges. Our quota in round figures is \$50,000. Help us to go over the top. Pledge now.

## A DRIVE FOR PLEDGES

An Organized Effort to Carry Montgomery County Over the Top in the Sale of War Savings and Thrift Stamps

The Government wishes to enlist every man, woman and child of the nation in War Savings service. To accomplish this it is necessary to secure the active co-operation of the churches, schools, Boy and Girl Scouts, fraternal and professional societies, civic organizations, labor organizations and every other organization of men and women loyal to the flag to help in the sale of War Savings Loan.

When an individual buys War Savings Stamps he enlists in the production of the nation, thereby supporting and backing up the fighting division. Our boys are now fighting on the "front of freedom" in Belgium and France. The daily casualty lists tell the melancholy story of their heroic sacrifices to vindicate the rights of American citizens and to make the world safe for free people. With these boys giving their last full measure of devotion to freedom, it must not be—it cannot be—that we, who are far away from the battle lines, shall fail in the performance of our duties here.

During the week of May 13 to 18 your letter carrier will leave at your place a pledge card. It is not an appeal for a payment at this time. It is simply asking you how many War Savings Stamps you will buy between now and December 31, 1918. The committee in charge would greatly appreciate it if you will kindly sign the card before May 18, returning it through the carrier, or leaving it at the postoffice.

To obtain definite pledges of thrift and support of the Government from patriotic Pennsylvanians is the object of Mr. Cassatt in designating the week of May 13-18 as "Pledge Week."

During that week a house-to-house canvass of the forty-eight counties east of the Alleghenies will be made to secure pledges to buy certain amounts of War Savings Stamps throughout the year.

Postmen, Boy Scouts, Girl Scouts, men and women volunteers to the number of thousands will take part in the campaign to obtain these pledges. The quota for the forty-eight counties is \$115,000,000 and Mr. Cassatt hopes that when "Pledge Week" is over the cards sent in from the counties will show that more than the necessary amount has been pledged.

FitzJones—Did you go to the revue last night, Percy?

De Brown—No; I attended a sleight-of-hand performance.

FitzJones—Where?

De Brown—I went to call on Miss De Smithe, and offered her my hand, but she slighted it.

## WOMEN'S COMMUNITY CLUB NOTES

The last regular meeting of the official club year was held on Tuesday, May 14, in the community rooms. The meeting proceeded with the annual business meeting—reports of officers and committees. Following this came the unanimous election of officers for 1918-19, the results being as follows: President, Mrs. C. P. Fowler; vice-president, Mrs. C. W. Young; corresponding secretary, Mrs. Edward Batchelor; recording secretary, Mrs. H. A. Jacobs, and treasurer, Mrs. Edgar Cockrill. At the close of the business session the meeting was placed in the hands of Mrs. A. B. Ross, chairman of food conservation and production, who had arranged to have Miss Bliss, of State College, again bring to the attention of the members some facts pertaining to the present and future food situation, a problem that is ever with us and would continue to be still a very important one, even though the war ended tomorrow. Miss Bliss was a most enthusiastic and interesting speaker and laid particular stress on the value of vegetables in our diet, and pointed out that through the great canning interests that swept the country last year and made it generally possible for people to have their own canned vegetables that the health of the individual was much better with the advent of spring than during the preceding years. Can! Can! Can! must be the housewife's slogan for the next three months or more. It is just as important a part of our war work in season as any other so-called war activity. Men on the fighting line must be fed, and fed well in order to do their share, and it behooves us all to preserve all the excess production not only in our homes, but in any canning centre in our midst, and thereby release for overseas the foods that may be more easily transported and are more vital to the soldiers.

Mr. Hoover has stated that the home canning saved the food situation this last year.

The club has arranged a schedule whereby the members and friends will be responsible for the work at the Ardmore canning centre one day each week during the canning season. Ten per cent. of each day's output will be donated to the soldiers and sailors who are already on our shores convalescing. Your efforts will as a result of the above arrangement serve two purposes.

If you would like to offer your services for the canning centre on any Friday during the summer months, phone Mrs. A. B. Ross, Narberth, 1654-W. She will gladly take your name. The above should especially appeal to the mothers of the boys in camp or "over there," as they may some day be the recipient of your own efforts.

Members of the Woman's Community Club will please note that our meetings will be continued during the summer months for the purpose of doing Red Cross work.

So please be prepared to do this work every other Tuesday afternoon as an organization. This should in no way interfere with the other days you contribute to this work as an individual.

Conservation means the fullest possible use of all resources for play, study, work and war. Don't waste those idle books. Send them to the camps and ships through the local Y. M. C. A.

## A. C. Shand, Sr., Organizes Narberth War Chest

At a dinner tendered by Mr. Alexander C. Shand, Sr., chairman for Narberth of the War Chest organization, to those who had been asked to serve on the local committee, a formal organization was effected for Narberth, as follows:

A. C. Shand, Sr., chairman; A. J. Loos, vice chairman; Hon. Fletcher W. Stites, vice chairman; Charles V. Noel, treasurer; H. C. Gara, secretary; Mrs. C. P. Fowler, chairman Woman's Community Club; Mrs. D. D. Stickney, chairman Ladies' Auxiliary, Y. M. C. A.; Mrs. Fletcher W. Stites, chairman Red Cross Society; Miss Mzie J. Simpson, Red Cross Society.

The guests greatly enjoyed the genial hospitality of the host and hostess of "Douglas Gardens," and spent a most delightful evening.

At the business meeting that followed, the organization, as above noted, was effected. The method of collecting for the War Chest was thoroughly discussed, and in view of the wonderful success of the ladies in the campaign for sale of the third Liberty Loan Bonds, it was decided that the actual soliciting for pledges be done by ladies, leaving the mechanical and clerical work to be done by the men.

The Wednesday evening services of each of Narberth's four churches have been turned over to the War Chest local committee which has requisitioned speakers representing the following organizations:

The American Red Cross, the Y. M.

C. A. War Work Council, the Y. W. C. A. War Work Council, the Knights of Columbus, the Young Men's Hebrew Association, the Commission on Training Camp Activities of the War and Navy Departments, the Salvation Army, National Jewish War Relief, the Boy Scouts of America, the Community Recreation Service, together with similar national and local approved war-relief activities.

These will all be interesting meetings and very important and informative.

There will be no collections or solicitation for funds at these gatherings—be sure to attend the meeting in your own church or the one in the church nearest your home, as it has been arranged that every meeting will hear, at sometime during the hour, from each of the representative speakers.

The speakers will be Messrs. Rahlilly, Stevenson, Hausman and Durbin. Each of these speakers will speak for ten minutes at each of the four churches, Catholic, Presbyterian, Baptist and Methodist on topics connected with the War Chest.

The territory of Narberth has been enlarged to extend to Lancaster avenue on the south, and to the Schuylkill river on the north, including Gladwyn, and to City Line, including the west side of Wynnwood avenue.

The committee will doubtless meet again on Saturday evening of this week, for further discussion of details of the campaign, which will begin on May 20, and continue to May 27, inclusive.

## CARD PARTY AND DANCE

Friday Evening, May 24th, at Elm Hall

The Woman's Community Club of Narberth will give their annual card party and dance on Friday evening, May 24, at Elm Hall. Bridge and "500" will be played, and prizes given. Cards from 8 to 10 P. M. ## NARBERTH HIGH SCHOOL DEFEATS DARBY H. S.

Narberth High School baseball team won its fifth straight last Tuesday, defeating Darby H. S., 6 to 4, in another loosely played game at Darby.

After each team had scored three runs in the first, with the aid of the other's errors, Narberth forged ahead in the second with two more and was never headed.

A wonderful running catch of Dickie's terrific drive by centrefielder Colison robbed him of a sure home run.

## NO GYMNASIUM CLASSES

After May 15 is the decision at which the Y. M. C. A. directors arrived after giving this matter full consideration. This is, of course, only a summer measure. The possibilities for out-of-door sports are so many in Narberth during the summer that indoor exercise is not only unnecessary but should be discouraged. Mr. Emmett's fine work as physical director has been appreciated by all attending the various classes. Until influenced by the warm weather, the attendance was especially good, considering the fact that when Mr. Emmett took hold of the work the winter was partly gone.

Those who have been helped by Mr. Emmett's work this past season will look forward with pleasure to an early start next fall, and to encourage the class director should make it a point to sign a non-participating neighbor up for next season. Don't wait for the fall announcements—Do it now.

## FETE FOR THE OVERSEAS HOSPITALS

The "Fete au Profit des Hopitaux d'Outremer" will be held on Thursday at Woodcrest, Radnor, estate of Mrs. Charles A. Munn. The tickets, which are \$2 for adult and \$1 for children, include many special features. Annette Kellermann, Mrs. Vernon Castle, French players from New York, and other artists of note. There will be a war hospital demonstration arranged by the Women's Medical College.

## SUFFRAGE NEWS

It is the duty of all suffragists to give a few hours on Tuesday, May 21, to work at the polls. This very important election must not be neglected and a special meeting will be held on Monday at 7.30 o'clock at the home of Mrs. William B. Goodall, 108 Dudley avenue, to arrange for the work on Tuesday. All members of the Suffrage party are urged to be present and to reserve at least an hour on Tuesday for poll duty.

Y. M. C. A. membership still going up. Now 274. Keep boosting. If you are not a member, investigate and join. If you are a member, secure your neighbor's membership.

## Y. M. C. A. HONOR ROLL

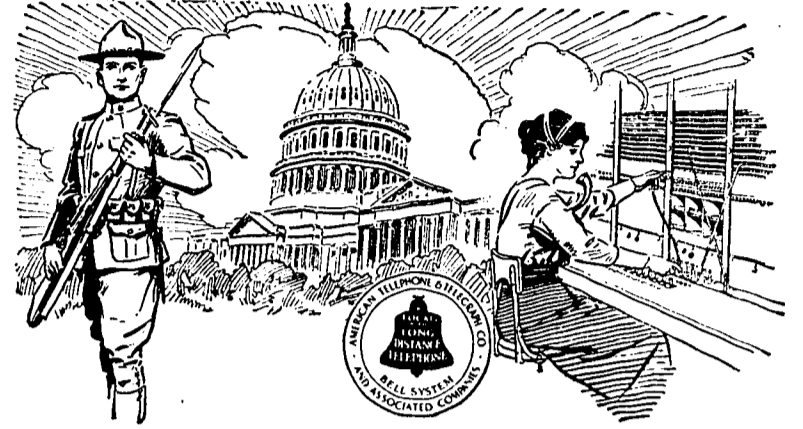

As noted in the last issue of Our Town, those members who are serving in the U. S. army or navy at the time of their membership expirations have been continued as members for the ensuing year. This will be a continuing policy and will work automatically, providing the secretary is notified when a member enters the service.

## Guardians of the Nation

Danger and disaster make us realize how efficient is the telephone operator. Always at her post to protect life and property, there are countless instances of her steadfastness in emergency.

But it takes day-by-day devotion to the ordinary task to make the heroine in times of stress.

In peace or war 100,000 Bell Telephone operators "man" the country's switchboards, rendering a faithful and honorable service. More than 12,000 specially trained operators are meeting the Government needs today.

Surely the telephone operator is worthy of our deep consideration, for upon her in no small measure depends our success in this mighty struggle.

## LET GEORGE DO IT

He is THE WAR CHEST. And he is the only one that will do it in this county this year. All the War Relief Organizations must come to him for funds—The Red Cross, The Y. M. C. A., The Knights of Columbus, The Y. W. C. A.—all of them. He collects for them all at one time. Bang! from May 20th to May 27th, and War Relief drives are over in this county for a year! Doesn't that sound good to you?

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
