AUTOMOBILE BUYER SAVES \$164 THROUGH STATE FARM PLAN

"I compared finance and insurance costs BEFORE I bought my new car. Through the State Farm Bank Plan my agent saved me \$164.00 over the first rates I'd been quoted." (One of many actual cases.)

The Bank Plan offers you two proven money-saving methods for car buying: *Low-cost financing* through a nearby bank and *low-cost preferred-risk insurance* rates. Get your own figures on the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.
