PLEASE READ BEFORE ORDERING

Our stock is all true to name, and guaranteed to arrive in a growing condition. We will cheerfully replace any that prove otherwise, if notified promptly.

We never substitute, unless directed, and will promptly refund the money for any order or part of order we are unable to fill.

We pay all delivery charges and must request payment in full before order is shipped. All orders will be shipped about May 1, unless otherwise requested. Please write your name and address plainly. Order early and avoid disappointment, as some varieties may be sold out if you wait.

Full cultural directions with each order, if requested. We do not grow green plants as they do not give satisfaction. If you do not see listed what you want, write, we may have it but failed to list same. Quotations on any popular variety. Any new varieties will be furnished at the prices quoted by the originators.

We have Dahlias in collections at \$1.00, \$2.00, \$2.50, \$3.50 and \$5.00 per dozen, our selection, all labeled, except \$1.00 collections, all different as long as stock lasts. The best buy in the catalog for the money, and the only way for one who is not familiar with Dahlias to buy, or you may pick your own collection, as follows: 12 of any one priced Dahlia, for the price of 10. For example 12 25c Dahlias for \$2.50 and etc. All different. All one kind. Or as many of the different kinds as you wish. If your order amounts to \$2.00 or more you may select an additional 20% in roots from this list. That is if your order amounts to \$5.00 you would be allowed an additional \$1.00 worth free.

OUR RECENT INTRODUCTIONS

Hoosier Glory, I. D. (1935)—Another new break in the ever changing type of the Dahlia, both in bush and flower formation. Bush dwarf and rounded, about 4 feet and resembling a Hedge or a Boxwood plant. Blooms are the new Chrysanthemum type, and the color is a very brilliant, firey red.....	\$10.00
Hoosier Superba, I. D. (1935)—A pleasing shade of delicate pink. Not a dead color as is general with most light pinks, but a very lively and sparkling pink. Long cane stems, and a bloom, that although it is old and ready to throw away, never sheds its petals. An excellent cut flower	10.00
Hoosier Nights, I. D. (1934)—Color, as the name implies is almost black, being a deep velvety maroon red. This Dahlia, though classed as an informal decorative, is of the new Chrysanthemum type, something new and unusual. Large flowers on long cane stems and a very tall bush. Truly a novelty.....	7.50
Hoosier Radiant, F. D. (1934)—This monster bloom fairly glistens, both in the sun and under artificial light. Color, bright golden apricot with copper shading on the outer edge of the petals. Excellent cut flower on very long stems, also fine for exhibition.....	5.00
Hoosier Triumph, I. D. (1934)—A pure clear yellow, without any traces of other coloring, either shadings or markings, as with most yellows. Large flowers of good keeping qualities on nice stems.....	3.50
Mrs. Ada Peters, F. D.—Salmon pink with golden center and rays, or flashes of gold running out through the salmon, resembling the setting sun. A sport of Jersey's Beauty, and a good one	1.00
Mrs. Austin Hough, I. D.—If you can picture a Jane Cowl the color of the old Dahlia Mrs. I. De Ver Warner, you have a very good description of this monster. Color light Phlox purple50
Virginia Dunn, F. D.—White, each petal bordered with deep rich lavender, very beautiful. You cannot go wrong on this one. The leading lavender with our cut flower trade.....	.75
