CARTER'S LITTLE LIVER PILLS
 never fail. Purely vegetable—act surely but gently on the liver.
 Stop after dinner distress—correct indigestion; improve the complexion—brighten the eyes.
 Small Pill—Small Dose—Small Price

Ottawa, March 27.—The Easter holiday will extend from March 28 to April 9, according to a motion adopted by the House of Commons yesterday afternoon. The Senate adjourned last Friday till April 11.

FARMERS BANK SHAREHOLDERS

4,000 Farmers, Ranchers and Fruitgrowers in Canada Hold Stock

Ottawa, March 27.—Nearly 4,000 persons designated as farmers, ranchers and fruit growers in Canada were registered as shareholders in Canadian chartered banks in 1922, according to a report tabled in the Commons yesterday by the Minister of Finance. The number of farmer shareholders by provinces was as follows: British Columbia, 92; Alberta, 216; Saskatchewan, 747; Manitoba, 839; New Brunswick, 65; Nova Scotia, 245; Ontario, 1,188; Prince Edward Island, 38; and Quebec, 465. A total of 18,872 farmers paid income tax to the Federal Treasury in the year 1922, and of all the provinces, Saskatchewan led last year with 5,560. Ontario came next with

TO FRAME EMPIRE FOREIGN POLICY

Prime Minister of Australia Says Early Empire Conference Needed

Tariff An Issue in Australian Federal Politics
 Special to The Times
 Melbourne, March 26.—"Britain can no longer speak for the whole Empire in foreign policy," said the new Australian Premier, Stanley M. Bruce, in an important statement in Adelaide, South Australia, dealing with the relations of the Dominions to the Mother Country.
 "When Britain alone had to bear the whole burden of defence," he said, "it was right that she should frame the Empire's foreign policy, but now things have changed. The foreign policy of the Empire must be one approved and supported by the whole Empire and not by one part of it."
 "At present the Empire has not a common foreign policy, nor has a common scheme of defence for it. It has been drawn up, and it is impossible, and unless it is remedied it will constitute a grave menace to the stability of the Empire."
 "For these reasons the Government is convinced that an Imperial Conference must be held at the earliest possible date and we must ensure that Australia is fully and adequately represented at it."
 Mr. Bruce's statement is regarded as a reply to the arguments used in the Canadian House of Commons during the discussion of the Lloyd George memorandum to the Dominions dealing with the Turks and Gallipoli.

WOMAN SUFFERED FOR MONTHS

Weak and Nervous. Made Well by Lydia E. Pinkham's Vegetable Compound

Webbwood, Ont.—"I was in a very weak and run-down nervous condition, always tired from the time I got up until I went to bed. Sleep did not rest me at all. My sister recommended Lydia E. Pinkham's Vegetable Compound to me and others told me about it, but it was from my sister's advice that I took it. It did not take long until I felt stronger, headaches left me and my appetite came back to me. I am a farmer's wife and have many things to do outside the house, such as milking, looking after the poultry, and other chores. I heartily recommend the Vegetable Compound to all who have the same trouble I had, for it is a fine medicine for women."
 Mrs. LOUIS F. ELASSER, Hillcrest Farm, Webbwood, Ont.

ANOTHER NERVOUS WOMAN FINDS RELIEF

Port Huron, Mich.—"I suffered for two years with pains in my side, and if I worked very much I was nervous and just as tired in the morning as when I went to bed. I was sleepy all the day and didn't feel like doing anything and was so nervous I would bite my finger nails. One of my friends told me about Lydia E. Pinkham's Vegetable Compound, and it helped me so much that I soon felt fine."
 Mrs. CHARLES BRIDGER, 501-14th St., Port Huron, Mich.

THROUGH CANADA AND VISITING WINNIPEG, VANCOUVER, VICTORIA.

In the United States he will visit New York and San Francisco. He is riding an Australian-made bicycle, wearing Australian clothes and carrying everything in his outfit "made in Australia." He hopes thus to advertise Australian products.
 A Memorial
 Sydney University is planning a memorial building to the memory of Lawrence Hargreaves, inventor of the flying machine, who died July 6, 1915, shortly after his own flight in several exploration expeditions in Papua and afterwards turned his attention to aeroplanes. In 1944 he made his first monoplane, which flew by means of compressed air. Later he used steam for his models, all of which were uniformly successful.
 Then he invented a motor which his ideas being borrowed by Hiram Maxim for his flying machines. He also invented a three-cylinder engine which revolved around a stationary shaft—a type of engine now actually in use in aeroplanes to-day. Some of his aeroplanes he gave to Munich, Germany, as a gift. No notice was taken in Australia of his work.
 The Wright Brothers have acknowledged Hargreaves' intentions as giving them the ideas they needed to make flight in heavier-than-air machines possible.
 Divorces
 Australia has been making records in divorce cases ever since the war. No fewer than 100 suits are down for hearing in the Sydney divorce court this term. In Sydney last year over 1,000 divorces were granted and in Melbourne nearly 500. The proportion is nearly as great for the rest of Australia.
 Automobile and Death
 Because he bought a motor car, Andrew Coventry, a resident of Armidale, New South Wales, became firmly convinced that he would die before the year was out. He did.
 He was not afraid of accident, but he said that both his brothers at different times had bought cars and both of them died within a year of the purchase. He believed this would be his own fate, he said, but he yielded to the entreaties of his family.
 He enjoyed the car for about six months. Then he took ill and died within a week.
 Egypt and Australia
 Discovery of boomerangs in the tomb of King Tutankhamen in the Valley of the Kings at Luxor, Egypt, forms a link with Australia and shows, say leading Australian archaeologists, that Egyptian culture spread not only to Asia but across the Pacific. A mummy of an Australian aboriginal now in the Sydney Museum affords evidence on the point. The method of mummification bears close resemblance to that of the early Egyptians.
 The mummy was found on Darnley Island in 1914 and studied by Dr. G. Elliot Smith, the well-known Egyptologist. He says that the method of removing the brain and the viscera as well as the use of masks and small stone images undoubtedly points to an Egyptian origin. As mummies dealt with similarly have been found in India and East Africa and the boomerang is now known to have been used in Egypt in early times, the link in the chain of evidence indicating that aboriginal customs in Australia had their origin in the dim past of Egypt's history now being unravelled to the world are considered to be fairly complete.

MANITOBA RURAL CREDIT SYSTEM IS CONTINUED

Winnipeg, March 27.—Manitoba's rural credit system will continue to operate. Premier Bracken announced in the Legislature last night, speaking in the budget debate. The Government purposes to make the scheme self-supporting and borrowers will be called upon to pay the full cost of loans. This will probably mean a small increase in interest rates.

VANCOUVER ELEVATOR

Ottawa, March 27.—Answering a question in the House yesterday afternoon, Hon. J. A. Robb, Minister of Trade and Commerce, stated that the terminal elevator at Vancouver handled 13,098,660 bushels of grain during 1922. Of that amount, 13,098,088 bushels was wheat. Total receipts of the elevator were \$171,273.02 and total expenditures \$73,868.39.

Headaches From Bright Colours
 The Toxic and Laxative Effect of Laxative BROMO QUININE Tablets soon relieve a Headache caused from a Cold. The box bears the signature of E. W. Grove. Be sure you get BROMO. (Adv.)

NOTHING WRONG WITH VICTORIA

A few crepe hangers and dispensers of gloom kindly volunteered to inform me that Victoria was "bad—very bad; no 'pep,'—no ambition." That people couldn't buy, because there was "no money to buy with!"

If any of those discouraged souls had a look into

CATHCART'S

during the past two days they must have changed their minds, perhaps taken courage, for neither times nor towns look bad when people buy like they're doing here. Store crowded every hour in the day! Good shoes at a low price is the reason, and everybody PAID CASH.

Many folks whom we were unable to serve, and who tried to serve themselves got the impression that only shoes displayed on racks and tables were on sale, but that's WRONG. The racks and tables hold only short and broken lines, and are but a small item in the sale, for every shoe in the store is ON SALE at prices that are really and genuinely reduced—not in cents, but DOLLARS.

Come back again, let US serve you. Take plenty of time and get what you want at the price you want—

IT'S HERE!

Sale continues all this week and next

(C. W. SHIVELY) for

Great Breakfast Dish

Stewed raisins—delicious energizing, ironizing food.
 Practically predigested. Also a fine natural laxative. Make it regular and get the best results.
Stewed Raisins
 Cover Sun-Maid Seedless Raisins with cold water and add slice of lemon or orange. Place on fire, bring to a boil and allow to simmer for one hour. Sugar may be added but is not necessary, as Sun-Maid Seedless Raisins contain 75 per cent natural fruit sugar.

Sun-Maid Raisins

After Every Meal

WRIGLEY'S

"A bite to eat—a bit of sweet!"
 After a substantial meal, the children naturally want to top off with a bit of sweet. Give them WRIGLEY'S, the great Canadian Sweetmeat.
 It combines the enjoyment of sweet with many BENEFITS. It cleanses the teeth, removing food particles that lodge in the crevices. It neutralizes the acids of the mouth, soothes the throat, and lastly—
 WRIGLEY'S helps the stomach by supplying saliva to aid in digestive work.
 Made clean, kept clean, sealed tight in a wax-wrapped package.

The Flavor Lasts
FOR THE CHILDREN

BANKRUPTCY ACT TO BE AMENDED

P. F. Casgrain's Resolution in Commons Was Withdrawn

Ottawa, March 27.—Arguments for and against the maintenance of the Bankruptcy Act were heard in the House yesterday afternoon and on a resolution by P. F. Casgrain, Liberal, Charlevoix-Montmorency, Que., that the act should be amended or abrogated.
 Opposition to the act came mainly from Quebec French-speaking members. There were claims that the act had staged a commercial tragedy in Quebec—a tragedy in which the actors were the assignee, the trustee, the registrar, the creditors and the judge.
 Uniform Law
 Sir Lomer Gouin, Minister of Justice, urged, on the other hand, that the social and economic needs of Canada demanded a uniform law of bankruptcy. Were the act repealed, Sir Lomer was confident an agitation would be started to place another bankruptcy act on the statute books.
 He further intimated that an amending bill would be brought down this session.
 As to the farmers being excluded from the operation of the law, he could not see why the benefits of a bankruptcy law should be limited to merchants and manufacturers. As a French-Canadian trustee, it would be easy to find a way to furnish them.
 He suggested that the Dominion law might be amended by the inclusion of the good features in the Quebec law.
 Withdrawn
 Mr. Casgrain sought to gain his motion by striking out the word, "abrogated," but was informed that he could not amend his own motion, and a little later the discussion ended by Mr. Casgrain withdrawing his resolution.
 During the discussion A. Boucher, Liberal, Yamaaska, Que., asserted that some trustees under the Bankruptcy Act were making more money than Ministers of the Crown.
 Improvement
 W. A. Boyd, Conservative, South Simcoe, Ontario, heartily approved of the Bankruptcy Act, but believed there was room for improvement in it.
 S. W. Jacobs, Liberal, George Etienne Cartier, Division of Montreal, said the "heavy" tax by the members from Quebec sounded as though they had been written in the office of that Nationalist sheet Le Devoir, which opposed this act as the thin edge of the wedge to impose the English law on the Province of Quebec.
 Mr. Jacobs said he would rather see the act completely repealed and abrogated than made to apply to all Canada except Quebec. What was good for Quebec was good for the rest of Canada.
 Condemning the Bankruptcy Act as "unjust and vicious," J. J. Denis, Liberal, Joliette, Que., said the legislation was entirely unsuited to conditions in Canada.

Victoria Daily Times

TUESDAY, MARCH 27, 1923
Published Every Afternoon (Except Sunday) by THE TIMES PRINTING & PUBLISHING COMPANY, LIMITED.

THE INCOMPARABLE SARAH.

The divine Sarah is no more. In her death the world has lost one of the most remarkable women of her time, art one of its most commanding exponents and the mimic realm a sovereign who had reigned without rival for more than half a century.

CONGRATULATIONS TO "THE PROVINCE."

Congratulations to The Vancouver Province upon the twenty-fifth anniversary of its entrance into the daily newspaper field of British Columbia.

NOT REQUIRED YET.

If the City of Victoria could boast of a population of two or three hundred thousand those energetic gentlemen in blue who have been waving white truncheons for several weeks past would be extremely useful for the direction of traffic.

MERCHANT AND FARMER MEET.

Meetings between the business men of Victoria and the farmers of the community surrounding this city and district cannot fail to produce good results. This day's gathering under the auspices of the Chamber of Commerce should be one of many such conferences at which the trials and tribulations, successes and hopes, of an active producing district may be aired for the benefit of all concerned.

STEADILY IMPROVING.

Although this country is still deep in the depths of the railway wood, it is gratifying to learn that the trading details for 1922 will reveal a tangible improvement. An operating surplus of at least \$3,000,000 is anticipated and expectations point to a reduction of \$15,000,000 in the total deficit for last year.

NOTE AND COMMENT

There are numerous official and unofficial reminders that Spring has arrived. An American aviator has just flown 233.87 miles an hour and thus has created another speed record. It almost takes one's breath away to think about it.

OUR CONTEMPORARIES

IN THE NAME OF SPORT. London Advertiser:—Sparrow shooting contests are advertised in Montreal. It is time people moved on from this sort of "sport." Trap shooting at clay targets gives the crack-shots of the good all the sport they need.

NEWS IN BRIEF

The social arranged by the Young Ladies' Liberal Club for to-morrow evening has been postponed until Wednesday, April 4.

Charged on remand in the Provincial Police Court yesterday with cruelty to animals, Stanley Carlow, farmer of Langford, was acquitted. The defendant proved that his left orders for the feeding of cattle that were neglected in his absence.

At the regular meeting of the Y. M. C. A. Triangle Club to-night at 8.15 o'clock T. W. Cornet, of the Victoria High School, will speak on the subject of "Education on a large scale." Attendance is anticipated. Supper will be served prior to the programme.

Alderman George Sangster's proposal that the city cease paying union wages on the Johnson Street Bridge was turned down by the City Council last night, so that City Engineer F. M. Preston could report on the matter.

ASKS COMPLETE REFORESTATION OF WATERSHED

Woodward Would Cut Timber Gradually, Making Annual Revenue of \$20,000

That the city inaugurate a vigorous policy of reforestation at Sooke Lake so as to renew the whole watershed there over a period of sixty years is the proposal which Alderman E. S. Woodward has laid before members of the City Council. Alderman Woodward is busy getting data on the scheme from city officials now so that he may press the suggestion at the Council's next meeting.

The idea is to cut down the timber in a small area every year and allow the second growth to get a chance to develop. Alderman Woodward explained to-day that he proposed to cut an acre of timber every year and create a revenue of \$20,000 a year from the city. He is informed by forestry experts in addition, that every six years all the timber in the watershed would be renewed.

Alderman Woodward said the City Engineer's Committee, headed by F. M. Preston, who has charge of the Sooke Lake waterworks system, would make a full report on his reforestation scheme immediately.

MINSTRELS EXPECT FULL HOUSE AGAIN

Kiwianians Ready for Final Performance; Club Told of Darkest Africa

Another full house will greet the Kiwanian Minstrelsy when they appear for the last time on the stage of the Pantages Theatre to-morrow night, according to the people who are going to the Kiwanian Club at its luncheon in the Dominion Hotel to-day. All arrangements for to-morrow night's performance are complete now and a final rehearsal will be held to-night, it was announced. Kiwanians who are managing the show are to be raised by the minstrels for the Jubilee Hospital.

H. Masters, who spent many years as a missionary in the darkest interior of Africa, entertained the Kiwanian Club to-day with a lecture on his experiences among the ignorant native tribes. He told of a six-month journey into northern Rhodesia from the coast, and of strange customs of the people who he and his associates were attempting to educate in the ways of civilization. Since 1916, when he first went to Africa to preach, he had improved very greatly as a result of the building of the Cape to Cairo railway. A number of interesting facts and pictures were used to illustrate Mr. Masters' talk.

Lift Off with Fingers

Wong Chung Quong, Acquitted Twice, Awarded Costs

That the Crown, in the matter of appealing from decisions of the lower courts in criminal matters was not exempt from the necessary preliminary steps that applicants must take in order to have an appeal heard, was held by Mr. Justice Murphy in the Supreme Court Chambers, to-day.

His Lordship gave effect to a former decision by R. C. Lowe for the respondent Wong Chung Quong, in overruling the hearing of a stated case, in which the Crown was the applicant.

Wong Chung Quong was twice tried in the police court in connection with the theft of an automobile last year. On the first occasion the accused was convicted and the conviction was later quashed by the County Court. The Crown bringing a second charge in the police court, that charge was dismissed.

In the present instance the Crown appealed by way of case stated from the second acquittal of the accused. Mr. Lowe held the Crown had not entered its recognizances, and provided security for the appeal. The application was dismissed with costs. C. H. O'Halloran appeared for the Crown.

WINS RACQUET TITLE.

London, March 27.—C. C. Pell, of New York, amateur racquet champion of the United States, defeated Edgar W. Edwards, Jr., of the U.S., in the competition for the amateur English racquet singles championship at the Queen's Club yesterday.

MOVE TO ALLOW PASSENGERS TO LAND IN CITY

Must Forge Link Between Island and City

Chamber of Commerce Entertains Farmers' In-stitutes Delegates

Minister of Agriculture and Deputy Plead for Rural Development

Delegates to the Convention of Farmers' Institutes were entertained at luncheon to-day by the Chamber of Commerce. The chair was occupied by James A. Griffin, chairman of the Development Group of the Chamber. About sixty were present.

Hon. F. A. Pauline, Speaker of the Provincial Legislature, was the first to address the gathering. He declared there was no evidence of the unity on the southern part of Vancouver Island. A proper development directed along all lines was necessary. He need not see farmers that the home-market was the best market.

Hon. E. D. Barrow Speaks.

Hon. E. D. Barrow, Minister of Agriculture, thought the Chamber of Commerce was to be commended for its efforts to get closer to the people of the surrounding country. The prosperity of the city necessarily depended in large measure on the prosperity of its neighborhood. Anybody who studied the province facing the farmer in this province must see that there was not much hope of increased production of foodstuffs unless marketing conditions were improved.

PLANNING DECISION ON RACING AT LAST TO-NIGHT

Agricultural Directors to Award Race Privilege; Two Bodies Seek It

After weeks of delay and long bickering behind the scenes, the racing question will be definitely decided when directors of the British Agricultural Association meet to-night.

The racing situation has narrowed down to a choice of the Victoria and Vancouver Island Racing Association to secure the right to stage two race meets here and to prevent the Agricultural Association from doing so, including a racing agreement with the Taylor and McPherson interests.

A tentative agreement between the Agricultural Association and the Taylor and McPherson interests was reached some time ago, but it must be definitely approved by the association directors before it becomes effective. Meanwhile the Island Racing Association, to use its own expression, would grow and prosper while the racing question is in local control.

The directors of the British Agricultural Association will decide definitely to-night between these two rival racing organizations. It is understood that the directors are split on the question now.

FIREMAN'S OVERCOAT STOLEN.

Were this not an age in which the disappearance of a leather agency is treated with considerable skepticism, the Saanich fire fighters would view with alarm the second case of this nature while fire fighting. The fire fighters under Charles Grant quelled a fire at the Dwyer store, Burnside Road, in the early hours of yesterday morning as reported yesterday. It has transpired since that Fireman Grant laid his greatcoat, an army overcoat, aside while engaged with the fire. When he turned out the coat on again it had vanished. Nothing would have been thought of the incident except by reason of the fact that it is the second case of a fireman's clothing being removed while their attentions were engaged in their duty.

HARD DIMPLES DISFIGURED FACE

Very Sore, Itched and Burned. Could Not Sleep. Cuticura Heals.

"My face became affected with large, hard, red pimples that were very sore. They scaled over and itched and burned so that I could not sleep. My face was awfully disfigured for the time being. I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. My face began to feel better so I purchased more, and after using four boxes of Cuticura and one and one-half boxes of Ointment I was healed." (Signed) Miss Lillian R. Ladue, Jericho, Vt.

Cuticura Soap, Ointment and Tablets are all you need for every-day toilet and nursery purposes.

BRING BODY TO CITY

C. J. Gardiner to Be Buried Here Thursday

The funeral of the late Charles John Gardiner, who passed away at the Albert Hospital following a logging accident at Nitinat, on Thursday at 4 o'clock from the Sands Funeral Chapel. Rev. William Stevenson will officiate and interment will be at Ross Bay Cemetery. Mr. Gardiner was born in 1887 in Muskoka, Ont., and had been a resident of this city for the past thirteen years. His wife is residing on Vining Street. He is survived by, besides his widow, one daughter, and his parents, Mr. and Mrs. Henry Gardiner at home, two brothers, A. J. Gardiner, at Strathcona, Man., and Allen Gardiner, of Bracebridge, Ont.; also two sisters,

"I Was Terribly Weak After Baby Was Born"

Mrs. H. McClure, Norwood, Ont., writes:

"After my baby was born, I was terribly weak and run down, with pains across my back. I had heard so much of Dr. Chase's Nerve Food that I decided to try it. Three boxes proved enough to make me quite strong and well again. I also used Dr. Chase's Ointment for a rash which broke out on the baby, and the rash disappeared completely in a short time."

one in Saskatchewan and one in Ontario.

Service was held at the Thomson Funeral Home, 1625 Quadra Street, yesterday afternoon, at 2.30 o'clock for Mrs. Maury Ann West, who passed away at the residence of her daughter, Mrs. Henry Goyette, on Thursday, after a lingering illness. Rev. W. H. Redman, of the Douglas Street Baptist Church, conducted the service. The hymns sung were "Lead, Kindly Light" and "Forever With the Lord." There were many friends present and a profusion of beautiful floral tributes covered the casket. The following, all old-time friends, acted as pallbearers: Messrs. Samuel Jones, Edward Jones, George Jones, George Cochran, Robert Emerson and Thomas H. Adams. The remains were laid at rest in Ross Bay Cemetery.

The funeral of the late Mr. Thomas Jennings, who passed away Saturday morning, took place yesterday from the residence of Mrs. Dunbar, 1325 Fernwood Road, the Rev. F. A. Chadwick, of St. John's Church, conducting the services. The following acted as pallbearers: J. H. Emery, J. H. Baker, A. T. Macaulay, J. W. Black, Captain Paxton and Captain Gould. The remains were laid to rest in the family plot at Ross Bay Cemetery.

CENSUS TO LEARN HOW MEMBERS WORK

Tacoma, March 27.—Frank H. Lamb, of Hoquiam, District President of the First District Rotary Conference in session here, advocated a census of Northwest Rotarians to show how extended was their participation in community and public affairs, whether they registered and voted, what offices they held and to supply other data concerning their activities in living up to Rotarian principles.

Mr. Lamb also proposed frequent intercity meetings of Rotarians and more boys' work and aid for crippled children.

New York, March 27.—Fifteen prohibition agents swooped down on the Blue Hour Restaurant in the theatrical district here early to-day, ordered the hundreds of diners in evening clothes to leave as quickly as possible and then confiscated seventy-five cases of whisky, champagne and other liquors. The proprietor and the head waiter were arrested. Deputies from the police department were being loaded on trucks.

"I Was Terribly Weak After Baby Was Born"

Mrs. H. McClure, Norwood, Ont., writes:

"After my baby was born, I was terribly weak and run down, with pains across my back. I had heard so much of Dr. Chase's Nerve Food that I decided to try it. Three boxes proved enough to make me quite strong and well again. I also used Dr. Chase's Ointment for a rash which broke out on the baby, and the rash disappeared completely in a short time."

SINGLE TAX IS DEAD HERE NOW, FORMALY ASSERTS

Tax on Half Building Values Likely, He Tells Toronto Expert

Single tax is a thing of the past in Victoria, according to James Forman, member of the City Local Improvement Commission, who has written an interesting letter on the subject to his namesake, Commissioner Forman, of the Toronto Assessment Department.

After describing the organization of the City Assessor's Department here, Mr. Forman says in his letter, which was published under a two-column headline on the front page of the Toronto Telegram: "Single tax in this city is dead, so far as Victoria is concerned, and it is altogether probable that improvements will be assessed for 'fifty per cent' of their value this year thus bringing us into line with Vancouver and other western cities."

LAW SOCIETY PICKS ITS GOVERNING BODY

When the ballots for the election of members of the Law Society for the next year were counted yesterday, the following were found to have been chosen: Sir Charles Tupper, K. C., Charles Wilson, K. C., H. B. Smeater, K. C., J. MacNeil, K. C., Douglas Armour, K. C. and J. L. G. Abbott, all of Vancouver; H. A. MacLean, K. C., E. Robertson, K. C., and W. C. Moresby of Victoria. W. J. Whiteside, K. C. of New Westminster, C. R. Hamilton, K. C. of Victoria, and J. B. MacNeil, K. C. of New Westminster, Nelson and Vancouver.

Ottawa Will Oppose Edmonton in Finals

Vancouver Badly Beaten In Fourth Game of Series and Will Not Figure In Play-Off With Eskimos; Senators Will Be Handicapped As Eddie Gerard Was Badly Injured Last Night and Will Not Be Able to Play On Thursday

Vancouver, March 27.—Because they played better hockey, because Benedict put up the greatest exhibition of goalkeeping ever seen in this city, because every one of their shots was checked straight for the goal, because their speed and combination was far superior to that of their opponents, because they put up a defence that no team in the world can beat—and most important of all—because they scored five goals while their opponents were getting one, the Ottawa Senators handed Vancouver Maroons a decisive beating, thereby qualifying for the finals in the Stanley Cup series against the Edmonton Eskimos at the local arena last night.

As in the third game, the P. C. H. A. champions can offer no alibi. They were trounced in all departments of the game and had not the ghost of a show to even up the series. For two minutes four of the Maroons played the whole Vancouver team in the last period the remaining three doing penance on the penalty bench, and kept the locals from disturbing the strings.

Last night's game demonstrated that hockey as played under the eastern code is as far inferior to the western style of play as a dory compared with a speed launch. The first period was fast, the visitors grabbing off a pair of corners, but that the invaders jumped back on the defence, left the Maroons work their heads off, slipped down occasionally with a spectacular exhibition of itself and picked off the odd goal or two.

Benedict and Boucher. Benedict was the big noise on the eastern line-up. Hard ones, easy ones, benders, and bullets all looked alike to him and he took the sand out of the locals by his exhibition. George Boucher was again the shining beacon, skating like a streak of lightning and uncorking rushes which abounded with dazzling stick-work. Gerard took care of everything which came down from left wing and notched the second goal by a spectacular rush.

The third period was rough and Ottawa played four-man hockey for one and a half minutes when the benches were cleared. The accident to Eddie Gerard, which means that Ottawa must begin the Stanley Cup series without him, came when he bounced off Corbett Denenny and sustained what may prove to be a serious injury to his shoulder as he hit the ice.

Young Clancy, who is being hailed here as the "find" of the current hockey season, has proved to be such a sterling player, however, that Ottawa faces the series with confidence while Benedict can still wave his magic wand.

Ottawa play Edmonton in the first game on Thursday and in the second game on Saturday. If a third game is necessary it will probably be on Monday.

First Period. Vancouver was the first to cross the blue line, and Frank Boucher obtained the first shot on goal. The first really dangerous shot was sent in by Eddie Gerard from the Vancouver blue line. Duncan gathered over the rebound and passed to Frank Boucher, who staged a spectacular rush. He was headed off by the Maroons and Eddie Gerard, skating strongly, came through for a shot on goal. Play which opened listlessly speeded up, with Ottawa apparently having the better of the attack. Cook and Harris went down center ice, the latter taking a shot on the left wing which resulted in a slow shot on Benedict. The Ottawa forwards were boring in while Vancouver seemed unable to get by the blue line. MacKay succeeded in getting through the defense, and with no one to beat but Benedict, not ten feet. Frank Boucher snapped up the rebound but Benedict saved.

The Ottawa defense was working strongly and interfered with most of the shots. George Boucher sailed down the left wing and sent in a long shot from outside the blue line which became Ottawa's first goal. Boucher was penalized two minutes. Play became very fast, with both sides fighting desperately. Gerard was penalized for tripping Duncan. Ottawa continued the play with only four men. With the whole Vancouver team, except one defence man, swarming around the Ottawa goal in an effort to equalize the score, the game took on the appearance of a race.

Ottawa Has Edge. The return of Boucher and Gerard again put the teams on an equal footing. Frank Boucher came through for a bullet shot on Lehman. MacKay was penalized two minutes. The Ottawas had a decided edge over the Maroons in stick-handling and back checking. They gave little opportunity for the Vancouver forwards to work in for close shots. After twelve minutes play Frank Boucher sent in the Maroons' first really dangerous shot. Gerard was through on the right wing and tossed to Nighbor, who missed the pass. The Vancouver players seemed to have difficulty in reaching passes, while the Ottawa team was constantly on the puck.

Eddie Gerard was particularly dangerous, and scored Ottawa's second goal after a strong rush. The right wing in 3:50, Clancy was penalized two minutes. The Vancouver team were manifestly missing the services of her sturdy back-checker Alf Skinner. Parkes was penalized two minutes when he cut the skates from under Frank Boucher. Vancouver continued the game with five men. The period ended with Vancouver attacking the Ottawa area.

This twenty minutes was distinctly Ottawa's Vancouver was rarely dangerous, and never really had a

Cougars Lose First Game To Regina Squad

Victoria Opened Slow But Closed Fast; Expect Win In Next Game

Special to The Times
Winnipeg, Man., March 27.—In their opening engagement of a three-game series with Regina, the Cougars were defeated here last night by 6 goals to 5. Although a little slow in the opening period the pace was lightning fast in the last two stanzas—and the packed house received a heap of thrills.

The Cougars failed to back-check in less than fashion, seeming unable to get into their stride. Eddie Oatman was the only Couster who could get in on the net. The Cougar skipper scored the opening goal half way through the first period, but the Patrick clan failed to back-check, and in the latter half Regina rushed through four goals.

Cougars Score Fast. The Cougars shook themselves in the second period and had Regina backed up in their own ice. Three goals came from the Victorians' sticks, Frederickson getting two and Oatman the other. Regina managed to squeeze through a lone tally when Irvin latted a rebound into the net.

In the last period each team scored once. Meeking raising the back in the last two periods, and Irvin, who for the Cougars, while Dutowski scored for Regina.

Victoria had a decided edge and are called to win in the second game of the series.

Fans Liked Game. The crowded house took a particular delight in the game, as they saw not only the best hockey game that has been played here this season, but a chance to see some of their former stars in action. Frederickson and Dick Irvin, two of the best amateurs who ever played hockey, were just getting used to the climate and are expected to turn in a faster game in their next match with Regina.

Line-Up. Victoria Regina Goalkeeper Fowler Traub Defence Halderson Moran Defence C. Loughlin Irvin Forward M. Meeking Hay Forward Fraser Battell Forward Oatman Dutowski Forward W. Loughlin

First period—1, Victoria, Oatman, 2:35; 2, Regina, Hay from Asseltine, 2:35; 3, Regina, McVeigh from Irvin, 1:40; 4, Regina, Dutowski from McVeigh, 1:40; 5, Regina, Irvin, 4:30.

Second period—6, Victoria, Frederickson, 1:30; 7, Regina, Irvin, 1:30; 8, Victoria, Oatman, 1:30; 9, Victoria, Frederickson, 1:30; 10, Regina, Loughlin, 30.

Third period—10, Regina, Dutowski, 10:30; 11, Victoria, Meeking, 7:00.

Bloomfield Halts Canadian Scrapper In Bout In London

London, March 27.—"Soldier" Jones, heavyweight champion of Canada, was defeated at the National Sporting Club last night in the fifth round by Jack Bloomfield, the English light heavyweight boxer. The men were fighting for the Empire "Cruiserweight" championship.

G. B. POLOISTS VICTORS. Pinehurst, N.C., March 27.—The English international indoor polo team, which failed to wrest the John P. Townsend Cup from American players in their recent New York tournament, finished its first outdoor American series yesterday by defeating the Sandhill Blues, 9 to 6, half of the loser's total being conceded by handicap.

The victory gave the invaders three victories and one defeat in the series.

Victoria Tennis Club Looks For Big Season

Thomas Leeming Appointed President At Annual Meeting Held Last Night; Reports Show That Past Season Had Many Features; Victoria Supports Vancouver's Request For Davis Cup Games

The annual general meeting of the Victoria Lawn Tennis Club was held last night, the board room of the Belmont Building being filled with enthusiastic members, presaging one of the best seasons the club has ever had.

H. G. Garrett, the retiring president, referred to the season of 1922 as a most successful one in point of view of the pleasure of the members, while not so successful as regards winning championships. He also complimented the Canadian Lawn Tennis Association for the interest it was manifesting in tennis on the Pacific Coast and Western Canada by having J. G. Brown, the secretary of the Victoria club, re-elected to the position of first vice-president of the C. L. T. A., also consulting the clubs and associations from Winnipeg west to the coast on the question of the venue of the Davis Cup matches, Canada vs. Japan.

A strong effort is being made to have these matches played in Vancouver, and the Victoria Lawn Tennis Club is behind this effort. This, of course, depends largely on the wishes of the Japanese team.

The financial statement of the secretary-treasurer shows the club to be in a good financial position.

The New Officers. The election of officers resulted as follows: Honorary president, His Honor the Lieutenant-Governor of B. C. (re-elected); honorary vice-president, Mrs. James Dunsuir (re-elected); president, T. H. Leeming; vice-president, H. G. Garrett; secretary-treasurer, J. G. Brown (re-elected); committee—Mrs. Col. A. E. Hodgins (re-elected), P. A. Jackson, Dr. E. W. Book, K. R. F. Denniston (re-elected), Rev. W. Carroll, A. D. Davies, W. Loveland (re-elected), D. M. Gordon.

Made Him Stay. The retiring president absolutely refused to stand for re-election, and expressed a desire to be relieved of all official duties, but with absolute unanimity the members present refused to consider his withdrawal from office entirely and insisted upon his election as vice-president.

The Victoria Lawn Tennis Club is fortunate in having such an enthusiastic and energetic president in the person of Frederickson, who is equally so with Mr. Brown as secretary, and with the excellent committee elected the season beginning Sunday, April 1.

New Members Elected. Eight new senior members were elected and eleven juniors. The indications are that a large number of applications for membership will be received in the near future. Those intending to apply should do so at once to avoid being placed on a waiting list.

NEW OFF-SIDE RULE IS RECOMMENDED BY O.C. FOOTBALL MAGNATES

London, March 27.—The Football Association Council has accepted the proposed amendment to the laws limiting the off-side rule to within fifty yards from each goal line and requiring all the players except the goalkeeper to leave the penalty area when a free kick is taken and remain ten yards from the ball.

THREE SOCCER BODIES WILL MEET TO-NIGHT

A meeting will be held to-night of the District Football Governing Board at the Veterans of France rooms starting at 7:30 o'clock. The protest that has been lodged by the Saanich Thistles junior footballers in the O. B. Allan Cup series will be considered.

Bowlers Are Making Ready For Opening

Committees Appointed by Victoria Lawn Bowling Club; To Assist Ladies

If the weather continues fine and the green can be worked into shape the official opening of the Victoria Lawn Bowling Club will be held on Saturday afternoon, May 5. This date was reached at a meeting of the new executive held last evening.

Thomas Cashmore, the new president, submitted his selections for the committees, which were unanimously adopted. The committees will be as follows:

Delegates to B. C. Body. A. McKeachie, W. H. Cullin and President T. Cashmore were elected delegates to the B. C. Lawn Bowling Association. These three with ex-President A. B. McNeill, who is an elected member of the provincial body, will give Victoria a first-class representation on the governing board in this sport.

A. B. McNeill, A. McKeachie and R. McDonald were appointed to consult with the parks superintendent and parks committee of the City Council regarding some matters that need attention to properly preserve the greens.

Line-ups. A glance at the line-ups for tomorrow night show that each captain has been wise in his selection and in the case of the Huskies and Crusaders experience has counted.

Line-ups. Here is the line-up for the first game, Crusaders: McIntyre and Sid Hule guards. Both these lads had plenty of experience in the Community League and Upland games. Bucket, the tall long-distance runner who is slated to run in the 8-mile race, is occupying the centre position while Scotty Dows and Art Hole will be the forwards.

Line-ups. The Y. M. C. A. team is as follows: A. MacLachan and G. Allan guards; Dad Hartley as centre, and M. Dunn and J. Riddell on the forward line. If needs be T. Moffat will be placed on to keep down the Huskies' pace when one or the other of the J. B. A. A. team tires out.

Line-ups. The second game shows the Huskies there with the same old quintette, Y. Jones and J. Peden at guard; Tommy Nute, at centre, and Bob and Tommy Peden at forwards. In case the game is a little on the strenuous side for them they are bringing Cyril Baker and N. Tostevin.

Line-ups. The J. B. A. A. line-up is as follows: A. MacLachan and G. Allan guards; Dad Hartley as centre, and M. Dunn and J. Riddell on the forward line. If needs be T. Moffat will be placed on to keep down the Huskies' pace when one or the other of the J. B. A. A. team tires out.

Huskies To Appear In Opening Hoop Matches

Famous Tribe of Ball-Tossers to Oppose J. B. A. A. In First Round For Basketball Championship Of Victoria; "Y" Team Will Try to Lower Colors of Crusaders; First Games Will Be Played At "Y" Gym To-morrow Night

A rare card has been arranged for the first fixture in the Victoria and District Basketball Tournament, which is to be staged at the Y. M. C. A. gymnasium to-morrow night under the association's auspices.

A slight change has been made in the first round and will alter the standard of games for the opening night. When the whistle blows at 8:15 o'clock the Y. M. C. A. Businessmen's "A" team and Crusaders will step on the floor to decide who shall enter the next round. It is unnecessary to elaborate on the rivalry between the two and as to which is the best team. It will not be the first contest in which a team have won on alternate occasions.

Huskies in Game. At 9:15 the J. B. A. A. team is billed to meet the famous old Huskies team which has been playing ever since basketball has been a sport in this town. Needless to say the Huskies are still the same organized band of players that they once were and still retain the same experienced players. On the other hand the J. B. A. A. have an aggregation of much younger players and their freshness in the game and their enthusiasm is expected to even up their opponent's experience.

The committee in charge feels sure that the opener will be a success. The second game on the programme is a little out of order but this was arranged to accommodate the Huskies who could not field a team for the later date at which they were scheduled. As a result the James Bay Intermediates versus First Presbyterian games was shifted to the Huskies date and the Huskies given the second game on the programme for to-morrow.

There is no doubt that the contest will be well worth seeing as the games are being run on the "knock-out" system which means that each team will have to play their best if they wish to pull through to the finals. Plenty of thrills together with brilliant plays are looked for.

Line-ups. A glance at the line-ups for tomorrow night show that each captain has been wise in his selection and in the case of the Huskies and Crusaders experience has counted.

TIMES DAILY - PICTURE PAGE

New Jersey Minister Welcomes Klansmen

Forty hooded and gowned members of the Ku Klux Klan created a sensation in Newark, N. J. when they attended the evening service in the Grace Methodist Episcopal Church where they were greeted by the pastor, Rev. Parris C. Greenley (inset).

Love's Victim

Arline Zimmerly (standing), movie bathing girl of Venice, Calif., ended her life with a bullet when Benny Bojarguez, soda clerk, told her his mother wouldn't let him wed her, Bojarguez tells police.

Officials Figuring in C. N. R. Reorganization

Left to right: J. C. Garden, who becomes General Superintendent of motive power in the central region; F. L. C. Bond, becomes Chief Engineer, central region; R. H. Fish is General Superintendent of the central region; H. E. Whittenberger is Manager at Detroit.

Left to right: W. R. Davidson, who becomes General Superintendent at Montreal; C. G. Jones becomes Assistant General Manager at Montreal; Dr. J. A. Hutchins becomes Chief Medical Officer at Montreal; J. Coleman becomes General Superintendent of Equipment for the central region.

Keeping Young

To live long avoid sourness of soul, nagging and worry. Control of emotions is more important than dieting. Dr. Gilbert E. Bailey, geology professor at the University of Southern California, says that. He's 72 and works daily.

Court martial of German Officials

Heavy penalties have been inflicted by French military authorities on German officials suspected of aiding the resistance of natives to the invaders. Photo shows Burgermeister Havenstein (indicated by arrow) of Oberhausen receiving a three-year sentence from the French military court at Essg.

MISS HONOR GOSHING, one of Bermuda's tennis stars, serving.

Frank Douders, New York big game hunter, has won a wager of \$10,000 by killing a wolf in the Ignace District of Northern Ontario, within a month.

Reserve Coal Fields for Canada's Use

What may play an important factor in solving Canada's coal problem is the Hoppe coal leases in Alberta near the British Columbia border. A bill to reserve these immense deposits as a crown reserve is now before the Senate at Ottawa. Engineers have estimated that the property contains 100,000,000 tons of anthracite and 400,000,000 tons of steam coal. The nearest railway station, Jasper House, on the Canadian National Railway, is 100 miles away.

SCHOOL DAYS By DWIG

"Uncle Joe" Back Home

After 17 years in Congress "Uncle Joe" Cannon, veteran House Speaker, has retired and gone home to Danville, Ill. "to be plain Citizen Joe Cannon and spend the rest of my days with my folks." Here he's shown in his library at home.

THE SPRING BLIZZARD

ACHILLES HERE ON SECOND TRIP

Blue Funnel Turbiner Docked Early This Afternoon From the Orient

Completing her second trans-Pacific voyage in the Blue Funnel service, the British steamship Achilles, Capt. George A. Flynn, arrived at her berth at Pier 2 at 1 o'clock this afternoon laden with cargo from Orient ports.

The Achilles made a smart run across the Pacific, being a full day ahead of her schedule. Good weather was experienced during the passage from Yokohama which motored 150 tons for Victoria. She also has forty-five Oriental steerage passengers for disembarkation at this port.

The Achilles will be followed across the Pacific next month by a sister ship, the Turbiner Philoctetes, which is coming out to the Pacific Coast from the United Kingdom via Hongkong. The Philoctetes is due to arrive here April 19.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acid, Prevents Food Fermentation, Sour Gassy Stomach and Acid Indigestion

Doubtless if you are a sufferer from indigestion, you have already tried peppin, pancreatin, charcoal, drugs and various dietetic and other remedies. These things will not cure your trouble in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little Bismarck Magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that, provided you take a little Bismarck Magnesia immediately after each meal, you will find a new thing and enjoy it without any danger of pain or discomfort to follow, and, moreover, the continued use of the Bismarck Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion. (Adv't.)

OCEAN AND COASTWISE SHIPPING

H. F. ALEXANDER ONCE MORE ON CALIFORNIA ROUTE

Seattle, March 27.—The steamship H. F. Alexander sailed for San Francisco and Los Angeles this afternoon. She was withdrawn from the Honolulu service last January and has been given a thorough refit. New propellers were installed to give her speed. Capt. Robert Dollar and Mrs. Dollar were among the 200 passengers leaving by the coast liner.

SCOUT TO PATROL COLUMBIA MOUTH

Speedy Craft Will Chase Rum Runners Off Oregon Coast

Portland, March 27.—Charter of a sea scout capable of making at least 23 knots an hour for use in chasing rum runners entering the Columbia River was authorized by federal officials in Washington, according to announcement here today of Dr. J. A. Linville, prohibition enforcement director for Oregon.

Dr. Linville said that the fast craft would be chartered immediately and that it would be armed with a one-pound cannon for shelling rum runners who refuse to halt when ordered. The boat will be put on duty at the mouth of the Columbia River in an effort to check the supply of choice Scotch whisky which Dr. Linville said was being smuggled into Portland from British Columbia ports via the Columbia River.

"I already have forwarded requisition for a one-pound gun to Washington and expect to receive it in a few days," said Dr. Linville. "We will man the boat with three men and will patrol the mouth of the Columbia constantly. We intend to bottle up the Columbia River's entrance where our agents have discovered that Canadian smugglers have been meeting American smugglers. We have learned that the smugglers' rendezvous is located just below Tillamook Head. Here the liquor cargoes are transferred from the Canadian boats into fishing boats and like craft and brought up the river to Portland."

GAS BOAT ASHORE

A forty-foot gas boat was this forenoon reported ashore on Fulford Reef, off Oak Bay, carrying a bad list.

HOPE TO CARRY TOURISTS TO TULIP FESTIVAL IN MAY

Woodland Park Tourist Camp to Open May 1

E. F. L. Sturdee, general agent, passenger department, Canadian Pacific Railway, Seattle, told the Chamber of Commerce yesterday that it is hoped to launch the new \$300,000 steel automobile ferry to ply between Bellingham and Sidney in time to carry Victorians to the Bellingham Tulip Festival in May. The automobile tourist camp in Woodland Park will be officially opened as soon as the demand warrants, which is expected to be about May 1. Major Jesse A. Jackson, park superintendent, told members. Numerous improvements have been made since last summer and the roads in the park will be in such shape that campers will not be annoyed by dust, he said. The camp will accommodate about 500 cars, with overflow facilities.

KOSMOS LINE IS BACK ON PACIFIC

SS. Theban, of German Fleet, Due at San Francisco Next Month

San Francisco, March 27.—The Kosmos Steamship Line, having been out of the trade for several years because of the late war, is again entering the service between Continental Europe and the Pacific Coast. The first steamer to enter San Francisco harbor since the resumption of operations will be the freighter Theban, due to arrive here April 15. This vessel is coming from Hamburg by way of Central American and Mexican ports.

The Theban will go on berth here to load for Mexican and Central American ports, the United Kingdom and Continental Europe with the exception of French ports. She will be followed at regular intervals by other vessels of the line. Prior to the World War the Kosmos Line was regularly engaged in the trade between Germany and the Pacific Coast.

Here To-day on Second Voyage From Orient

S. S. ACHILLES

UNION SEAMEN WERE MOBBED BY UNION DOCKERS

Comical Error Concerning Waitemata's Crew Led to Riot at Newcastle

(Special to The Times) Newcastle, N. S. W., March 26.—During the stay here of the Union Steamship Company's steamer Waitemata, well known on the Pacific coast of Canada, the crew went ashore but hardly had they reached the end of the wharf when a mob of union seamen set on them under the mistaken impression that they were non-unionists.

The fight raged until the attackers made off. Then the crew of the Waitemata got reinforcements and sought to enter the town but a crowd of 200 assailed them. The air was thick with bricks and language, coal and empty bottles. Then it was explained that there were no non-unionists on the ship and apologies and hospital treatments were the order of the day.

VESSEL MOVEMENTS

Victoria, March 27.—Arrived: Achilles, from Yokohama; President Jefferson, from Seattle; Sailed: Achilles, for Seattle; President Jefferson, for Yokohama, Manila and Hongkong.

Melita, at Southampton, from St. John, N. B. Baltic, at Liverpool, from New York. Montrose, at Liverpool, from St. John.

Aberdeen, Wash., March 26.—Arrived: Takai Maru, Portland; Hornet, San Pedro. Sailed: Virginia Olson, San Pedro; Coaka, San Francisco.

Tacoma, March 26.—Arrived, Santa Olivia, New York; Amur, British Columbia ports; Norvland, San Francisco. Sailed: Duskan Maru, Yokohama, via Everett.

San Francisco, March 26.—Arrived: Yosemite, Port Ludlow; Santa Rosa, Port Angeles; Cuba, Portland; Montpelier, Boston; Calbas, Baltimore; Tamalpais, Gray's Harbor; Whiston, Seattle. Sailed: Johanna Smith, Coos Bay; Rose City, Portland.

Arrived. Glasgow, March 26.—Columbia, New York. New York, March 26.—President Roosevelt, New York. Singapore, March 26.—Samaria, New York, for Saigon.

New York, March 26.—Andrea, P. Luckenbach, San Francisco; Lewis Luckenbach, San Francisco. London, March 26.—Chariton Hall, San Francisco. Sailed. Copenhagen, March 24.—Polona, New York.

Moville, March 25.—Pascanta, New York. New York, March 25.—Satharia (from New York), Singapore. Copenhagen, March 22.—Frederick VIII, New York.

Ypsala, March 26.—Nanking, San Francisco. Seattle, March 26.—Arrived: Edgar Bowling, San Francisco; Northland, San Francisco; coastguard cutter Snohomish, Port Angeles, yesterday. Sailed: Robert Luckenbach, Port Gamble; Northern Star, Gray's Harbor; Santa Olivia, Tacoma; Yoshida Maru, Calcutta.

Valdez, Alaska, March 26.—Sailed: Alameda, southbound. Petersburg, Alaska, March 26.—Sailed: Admiral Rogers, northbound. Bellingham, March 26.—Arrived: Harold Dollar, San Francisco; Harry Luckenbach, Tacoma; Henry, S. S. Grove, Seattle. Sailed: Pennsylvania, New York.

Everett, March 26.—Sailed: Cold Harbor, San Francisco. Portland, March 26.—Arrived: Waiwona, Yokohama; Daisy Freeman, San Pedro. Sailed: Richmond, San Francisco; Multnomah, San Pedro; Wahkeena, San Francisco.

GRANT EXPECTED THURSDAY NIGHT

American Liner Is Nearing Port From the Far East

With upwards of 300 passengers aboard, including 77 saloon, the Admiral Oriental liner President Grant, Capt. M. M. Jensen, is expected to reach this port on Thursday night, it was intimated today by the company's local agents.

The rebound American liner is scheduled to arrive here on Friday morning. She is making good time, however, and is expected to make quarantine by sundown on Thursday.

The following are included among the first-class passengers of the President Grant: J. N. Hedrie, president of the Asiatic Luce & Rug Corporation, of New York; Mrs. R. M. Johnson, wife of the U. S. Shipping board representative in Hongkong, and her sister, Miss J. Traynor; W. E. Liebrau, of the Tobacco Products Company, of Shanghai; E. Funk, of the Equitable Eastern Banking Corporation, of Shanghai, wife and family; Miss Marie Boscoe, niece of the French consul in Shanghai; Edward McKay, a curio dealer, of Seattle, returning from a tour of the Orient; Mrs. J. P. Douthitt, of New York, and William McDonald, of Edmonton, Alberta, wife and family.

UNION PACIFIC AS SHIPOWNERS

Vancouver, March 27.—Construction of two steamships by the Union Pacific Railway Company for service between Portland and San Francisco is reported to have been contemplated as a result of the failure of negotiations between the rail line and the Pacific Steamship Company for transfer of the Union Pacific Company's steamer Union City, according to Seattle dispatches. Refusal of the Pacific Steamship Company to guarantee priority rights amounting to exclusive connection of the company at Portland with the Union Pacific is reported to be the cause for the deadlock in negotiations.

Dr. R. H. Ellis, Portland, Sails To-day for Orient by President Jefferson

Purchased Pleasure Yacht in Hongkong and Will Take Her Over

Seeking adventures in the China Sea as a climax to the less romantic career as a physician, Dr. Robert H. Ellis, of Portland, Ore., will sail for the Orient to-day by the Admiral Oriental liner—President Jefferson, which will leave the Ogden Point piers here about 5.30 p. m. to-day for Yokohama, Hongkong and Manila.

At Hongkong, Dr. Ellis will take command of a yacht of his own, realizing a lifelong ambition to walk the decks of his own ship.

For the next few months the Portland doctor and his party will seek out nooks and crannies of the Orient that the tourists seldom see. The Portland doctor is to be master of the ship as well as owner. The party will include Don Bates, who goes as chief engineer; Walton B. Crane, who has the berth of radio operator, and W. C. Nicholas, who will be mate. Sherwood Sheldon, Joseph T. Hamilton and the skipper's son will make up the crew.

The vessel purchased by the doctor is 104 feet long, twenty-foot beam and has a draft of twenty feet. She is of eighty-seven tons registry. The cruise will include a run to Java and Formosa.

Other passengers sailing to-day by the President Jefferson will be: H. W. Ross, president of the Walker-Ross Company, Inc., ship operators and agents, making his first trip across the Pacific. He is combining business with pleasure, and he expects to visit most of the important ports of Japan and possibly those of China.

James E. Lyons, prominent lumberman of Southwestern Washington, is going to Manila to accept a position with the Cadwallader-Hibson Company. He is known as the father of baseball in Southwestern Washington, having managed a number of fast teams in the vicinity of Aberdeen, Hoquiam and Raymond.

H. C. Lavelle and Williams Puetau of Seattle, accompanied by their wives, are bound for China and Japan on a business trip. Mrs. Mabel Eckhardt, wife of E. C. Eckhardt, chief officer of the steamship President Madison, is en route to Yokohama to join her husband, who is confined in a hospital there, recovering from injuries sustained aboard his vessel while that ship was striking a typhoon.

DOCTOR TO CRUISE IN CHINA SEAS

DR. R. H. Ellis, Portland, Sails To-day for Orient by President Jefferson

Croupy Cold Goes Overnight

Ontario Lady Says Vicks "Has No Equal."

Every mother wants her children to be active and to grow strong through outdoor play. But frequent colds sap their vitality, cause loss of school standing, and keep youngsters puny and delicate.

Mothers who use Vicks VapoRub for children's colds find that the kids can play outdoors and that their cold troubles can usually be checked overnight.

"Applied externally, Vicks acts like a liniment or poultice. In addition, the ingredients are vaporized by the body heat and are inhaled directly into the inflamed air passages. This double action quickly loosens up a cold."

Mrs. W. A. Lott of 72 Empress St., London, Ont., writes: "I wish to say for children with croup Vicks is grand, and for colds it has no equal. Baby has just come in and wants Vicks put on his hand which he hurt while playing. It is a fine thing and I would not like to be without it in the house."

At all drug stores 50c a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P. Q.

Though Vicks is new in Canada, it enjoys a remarkable sale. Over 17 million jars used yearly. (Adv't.)

TEACHERS PREPARE FOR CONVENTION

Noted Speakers Will Address Gathering of Educationists

Local teachers are looking forward with considerable interest to the Easter convention of British Columbia teachers to be held at the King Edward High School, Vancouver, on April 3-5. The four principal speakers for the general sessions are Dr. Henry Suzzallo, President of the University of Washington; Dr. D. E. Waldo, President of the State Normal School, Bellingham; Dean Quinton, and Dr. Sedgewick, of the B. C. University Faculty.

Dr. Suzzallo will speak at a public meeting on the first day of the convention, and he will also address the teachers on the evening of April 4. The Federation banquet is timed at Lester Court on the evening of April 4.

There will be several novel features this year. Provision is made during the proceedings for the annual meeting of the B. C. Teachers' Federation, at which Harry Charlesworth, general secretary, will present his report.

AUTHORIZE "TAG" FOR MRS. LORENZ

The City Council last night authorized the holding of a tag day April 14 in aid of Mrs. Lorenz, whose son Lionel was murdered here recently.

All available dates for tags from April to August have been taken up, Alderman David Leeming told the Council. Tags would be held every two weeks until July 27, he said.

CITY TO CITY TO PROTECT PRICE FROM SHIPPING

Ask Powers to Force Ships to Use Tugs in Upper Harbor

Moved by the recent collision between the German freighter Hans Hemsoth and the new Johnson Street Bridge, the Council last night instructed officials to find out whether the city had power to force large ships to use tugs in the Upper Harbor.

City Engineer F. M. Preston officially informed the Council last night of the Hans Hemsoth accident. He said he had asked Harbor Master Clarke whether the city could insist on the use of tugs in the Upper Harbor. Capt. Clarke, said Mr. Preston, had replied that so far as he knew, there was no regulation prohibiting the use of tugs.

Alderman George Sanger, chairman of the Public Works Committee, said that independent pilots have been bringing ships into the harbor lately without tugs. The German ship, in bumping into the new bridge foundations, had not caused any damage, he said, except what by chance there was not any damage, he added.

On the Council's instructions, City Officials will write the Federal Department of Marine to find out the city's powers in connection with ships in the Upper Harbor.

OAK BAY SUPPORTS MEMORIAL AVENUE

Crow Shooting, Horse Racing and Sport Communications Received

Although the Memorial Avenue is in a desolate state at present, there is no reason why the Oak Bay Council should not support the scheme, asserted Councillor Crease, in speaking at the council last evening on the request for a grant toward this end from the Victoria Chamber of Commerce.

The Oak Bay Council two years ago undertook to water the trees, many of which had died owing to poor planting. In answer to Councillor Crease's appeal, a recommendation was passed that the solicitor be advised as to the probability of amending the Municipal Act so as to enable the Oak Bay Council to give a grant toward the establishment of such an avenue. Councillor Crease stated that at present Shelburne Street was a most uninteresting street and that the planting and cultivating of trees along this highway would not only beautify the avenue, but would also establish an appropriate memorial for the heroes of this Province who were killed in the war. "For what could be more magnificent and beautiful than an avenue dedicated to the memory of those in France," stated Mr. Crease. The council received a letter of appreciation for the services rendered, and it was intimated that an experienced gardener was being secured to plant the remaining trees, as so many had died owing to amateur planting.

The first application was received for the shooting of crows. S. Gunter was granted permission, as several people had requested that he should shoot these birds on their property. There is a small bounty given for the heads of these birds.

Horse Racing.

Once again application was made for approval for the holding of horse racing at the Willow grounds to the council by Lieut. B. Carley, but the matter was laid over till some decision was reached by the B. C. Agricultural Association, which remained in their hands to determine who should conduct the races. Both the Vancouver and Victoria concerns offered the same sum of money, \$5,000, for the permission. In addition to this the Oak Bay Council was assured that clean racing would be conducted this year, and police supervision was placed in the hands of the Oak Bay Municipality, with the company running the races to pay for expenses.

The Income tax team made a request for the use of the Oak Bay Park as a cricket ground during the coming season. The matter was laid over until plans had been considered, as projected improvements on the property were not yet known. It was thought that improvements could not be made until plans had been considered by the municipality. This committee will be appointed at the meeting at which the competition plans are opened. April 8 is closing date for the plans, and thirty sets are expected.

RATEPAYERS DEMAND STRICTEST ECONOMY

Strict economy to reduce taxation on large buildings here is urged in a petition laid before the City Council last night by the Taxpayers' Protective Association. The petition was signed by 1400 people on the street. All Victorians should be willing to assume their share of the common burden of taxation, the petition declared.

The Council, feeling that it is doing everything in its power to keep down expenses, merely received and filed the petition.

Fat That Shows Soon Disappears

Prominent fat that comes and stays where it is not needed is a burden, a hindrance to activity, a curb upon pleasure. You can take off the fat where it shows by taking after dinner a few of these little tablets as an effective and harmless fat burner. Buy and try a case today. All druggists will supply you for one dollar for a case, or you can order them direct from the manufacturer, Woodward Avenue, Detroit, Mich. You can't see good-bye to dieting, exercise and fat.

FIRE PROTECTION BY OAK BAY

Council Not Yet Satisfied; Publicity Grant

Much discussion arose when the Fire Protection By-law was placed before the Oak Bay Council last night. The by-law went as far as committee of the whole and was left in that stage owing to the fact that two clauses did not appear satisfactory to the councillors.

The two loopholes are that fire protection will only be given "within the reach of the fire department" while the other clause makes no provision in case the Duchess Street fire engine was out on one fire for an engine from the Main Hall, or some other more convenient station to cover the alarm.

"These are two big loop holes," stated Councillor Moore, "and should not be overlooked, for we pay enough for the protection. The matter will be taken up. Meanwhile arrangements will be made so that the municipality will not remain without fire protection. It was stated that an application had been made by the Council to secure an agreement for fire protection at the sum mentioned in the contract for three years, but it was unsuccessful.

The Milk By-law also reached the committee-of-the-whole stage, as amendments will have to be made. Recommendations were made by the committee appointed to wait on the dairymen and come to some amicable terms. The dairymen said they appreciated the Council's interest in them, and were perfectly satisfied with the recommendations. The amendments both to the Milk By-law and the Building Act will be based on the recommendations. A feature of the report is that the owner of one or two cows will not be affected by the enforcement.

The report of the committee of the whole which was adopted showed that the general grant to the Victoria and Island Publicity Bureau was made, earmarking \$100 for the Curtis Point camp. The general grant amounts to the sum of \$500, and the Bureau is showing some objection to the earmarking of money to the tourist branch, while it was said the tourist branch thought that not enough money had been apportioned to it. The report stated that the total estimate of disbursements on expenditure account for 1923 stand at \$251,757.

LEGAL COSTS ARE HELD EXTORTIONATE

G. H. Sedger Surprises Esquimalt Council With Bill for Legal Advice

An echo from the commission sitting in arbitration upon land claims and re-adjustments occasioned in Esquimalt by a re-survey of a considerable area there last Fall was heard at the Esquimalt Council meeting last night. An account of the case was given by the Esquimalt Council member, G. H. Sedger, for \$206 for appearing before the commission on behalf of the Municipality precipitated the discussion which followed.

Classed as "Extortionate," "Mr. Sedger's account is for \$206," stated the Reeve, "and it does seem to me extortionate, it is at the rate of about 365 a day."

"Is that union wages?" inquired Councillor Nichol. "Yes," replied the Reeve, "I wish I were a member of the union. The account is for appearance before the commission, and I see he charges \$115 for two sittings. We could have got a King's Counselor for that." All the time Mr. Sedger was appearing before the commission we were paying a surveyor \$25 a day to instruct him," concluded the Reeve.

Referred to Registrar. The account was finally tabled, and the matter will be referred to the Registrar for taxation of costs. The commission was recalled again before the Esquimalt Council, this time, the surveyor, who informed the body he had been instructed to do further work in connection with the mapping of the surveyed area. The cost in this case was not appended, but left the Council apprehensive.

Acquiring Fire Engines. Esquimalt will receive its first real fire engine, a combination chemical and hose-wagon of the International pattern, made by Bickle & Company, Woodstock, Ontario, in about six weeks time. Sufficient extra hose and fittings are to be ordered with the truck to make it serviceable in the district.

Fire Marshal H. B. Dawley will be in charge of the fire fighting force, and training will commence soon to get the firemen into shape for their new duties. It is anticipated that the addition of the equipment and with more attention paid to fire prevention that the insurance rates in the district will drop slightly.

Councillor Bride Better.

The Council at without the services of Councillors Bride and Anderson. The former has been out of hospital and convalescing. Councillor Anderson was temporarily indisposed.

A request from the Victoria Chamber of Commerce for a grant to aid in establishing the Curtis Point Auto Camp was received, and filed without comment. The communication pointed out that Esquimalt would be expected to pay its share of the work, towards which the city is in the communication will open on May 15, it was stated.

OPEN ALL DAY WEDNESDAY

Gordon's Limited

THE POPULAR YATES ST STORE

Sale of Taffeta Dresses at \$22

Values to \$39.50

Guaranteed taffetas in black, brown, navy, etc. All this season's latest snappy styles, attractively trimmed with ruffles, lace, ribbons, flowers and flourcings. These delightful garments will go on sale to-morrow for the first time. See window display. Sizes 16 to 38.

STREET LIGHTS BURN IN ESQUIMALT

Electric Light Reassures Timorous Pedestrians

Holding prevention to be better than cure, the Esquimalt Council last night went on record as seeing eye to eye with Reeve Lockley, chairman of the Police Commission, when he ordered the lights of the municipality to be left burning until three o'clock in the morning.

Thirst for Blood. The Reeve took this action one week ago after the police had a futile

Escaped in Dark.

The miscreant made good his escape in the surrounding gloom of Admiral's Road.

With a paucity of constables street lights were an excellent aid to the preservation of order, said the Reeve. Leave to extend the translucent beams for yet another week was granted by the Council at the request of the Reeve.

Reporting his operations for February, Chief of Police H. B. Dawley in his report told of collecting the sum of \$182.25 in dog licenses, police court fines and other ways.

The Police Commission decided to meet on Tuesday in next week to deal with some outstanding matters.

GAINED 65 POUNDS!

"Five years ago when I was first married, I had wonderful energy. I could be on the go all day long without feeling the least bit fatigued. I had a great appetite and could eat anything. I weighed 147 pounds. I used to be busy every minute of the day and, when the day was over, I could go to bed and never waken once during the night. Thirteen months ago my first baby was born. After that my energy seemed to leave me. I was tired all the time. I had to force myself to do my household duties. Instead of being a pleasure as formerly, these duties became a real task. I lost all desire for food and nothing would tempt me. I had to make myself eat. I would go to bed at night and toss from side to side for hours at a time. After a while I would doze off only to find that I had been sleeping for ten or fifteen minutes. Naturally when morning came, not having slept, I started the day completely tired out. I was shaky and nervous. The least noise would startle me and make my heart race along. I could see that my husband was worried. I was losing weight every week and had already lost 54 pounds. I tried all kinds of tonics, but they didn't help me. One night, a night I shall never forget because it started me on the way to health and happiness again, my husband brought in a bottle of Carnol. A friend told him that Carnol had saved his wife's life, so he insisted upon my trying it. Six weeks after I began taking Carnol, my weight increased from 93 pounds to 158, an increase of 65 pounds. And, am I well these days? Every morning I fairly jump out of bed ready to tackle anything and every minute of the day is a joy to me now." Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. B-622
