

MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review – Salem Ahmad Hadi Bin Kanad (YM-131)

On December 15, 2015, the PRB conducted a file review for Salem Ahmad Hadi Bin Kanad (YM-131) in accordance with Executive Order (E.O.) 13567, "Periodic Review of Individuals Detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force." The PRB previously conducted a file review of the detainee and on May 22, 2015, determined that no significant question had been raised as to whether his continued detention was warranted. After reviewing relevant new information related to the detainee as well as information considered during prior reviews, the Board, by consensus, has determined that a significant question is raised as to whether the detainee's continued detention is warranted and therefore an additional full review should be conducted in accordance with section 3(c) of E.O. 13567.
