**Comprehensive Employment and Training  
Act Wage Adjustment Index**

## DEPARTMENT OF LABOR

Employment and Training  
AdministrationComprehensive Employment and  
Training Act (CETA) Wage Adjustment  
IndexAGENCY: Employment and Training  
Administration, Labor.

ACTION: Notice.

**SUMMARY:** This notice promulgates the CETA wage adjustment index for Fiscal Year 1980 as required under Section 122(i)(3) of the Comprehensive Employment and Training Act. This index is to be used by CETA prime sponsors for planning purposes only. A final CETA wage adjustment index for FY 1980 will be published in the Federal Register prior to October 1, 1979. The average wage as reflected in the attached listing represents a national increase of only 3½ percent, based on updated wage information.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Anderson, Administrator, Office of Comprehensive Employment Development, Employment and Training Administration, U.S. Department of Labor, 601 D Street, N.W., Washington, D.C. 20213, Telephone (202) 376-7006.

Directive: Field Memorandum No. 272-79.

To: All Regional Administrators.

From: Don A. Balcer, Acting Administrator,  
Field Operations.Subject: Maximum CETA PSE wages and  
average wages for fiscal year (FY) 1980.

1. *Purpose.* To transmit the annual area wage adjustment index to be used for planning purposes for FY 1980.

2. *Background.* Section 122(i)(3) of the Act states that "the Secretary shall issue and publish annually an area wage adjustment index based upon the ratio which annual average wages in regular public and private employment in various areas served by recipients bear to the average of all such wages nationally, on the basis of the most satisfactory data the Secretary determines to be available." This wage adjustment index serves two purposes:

1) to determine the maximum wage payable to any public service employee from funds under the Act; and 2) to determine the average annual federally supported wage rate which must be maintained in each prime sponsor area.

In addition, Section 104(e) of the Act requires that all necessary planning materials be provided to prime sponsors by May 15 of each year. Maximum and average wage requirements are necessarily included in this requirement. The basis for the maximum and average wage requirements is the ES 202 report on local wage levels. In meeting the May 15 deadline, the most recent data available for planning purposes is the one

year base period July 1977 through June 1978. However, in order to allow the use of the latest possible data for FY 1980 program operations, a final wage index for FY 1980 will be issued in September 1979, based on the period January 1978 through December 1978.

3. *Computation of the Index.* An index value has been computed for each prime sponsor, each Standard Metropolitan Statistical Area, and for each county eligible to be a program agent (at least 50,000 population) in a Balance of State (BOS), consortium and rural concentrated employment program (CEP). Prime sponsors may use the higher of either the SMSA index or the prime sponsor index. Where the SMSA or individual county index for counties eligible to be program agents (at least 50,000 population) within a BOS, consortium or rural CEP prime sponsor is higher than the prime sponsor index, the county or SMSA index may be used.

4. *Format of the Index.* The index figures presented in the attached table represent the highest of the prime sponsor index, the SMSA index, or the individual county index. In addition, maximum wages and average wages are shown for each county based on the highest index figure. In BOS, consortia and rural CEP prime sponsors, the county index and maximum and average wages are shown only for counties eligible to be program agents (at least 50,000 population).

5. *Action Required.* Regional offices are to immediately transmit the attached index to all CETA prime sponsors for use in the planning of FY 1980 PSE programs. The final wage index for FY 1980 will be available prior to October 1, 1979.

6. *Inquiries.* Questions may be directed to Joan Shelly on 8-376-7006.

Attachment.
