To Correspondents :

Our Patrons will please write their orders plainly, and separate from the body of the letter.

All goods are sent by express, unless ordered otherwise : it is much the safest and best way, as we can send much larger plants than by mail, they arrive in better condition, and we always add enough gratis to pay express charges. But will fill orders of \$1.00 and upwards, by mail if desired.

A liberal discount to persons ordering in quantity, particularly if selection is left to us.

No charges for boxing or packing.

All orders from unknown correspondents must be accompanied by cash or satisfactory references.

When delivered to the Express Company in good order our responsibility ceases.

The Original and Only Genuine!

M. A. Thedford & Co.:

I certify that I have known and used the SIMMONS' LIVER MEDICINE, prepared by Dr. A. Q. Simmons, for twenty-six years, and without hesitancy pronounce it the very best specific for Liver Complaint. Its use, I believe, saved my life; and from my kn. wledge of its use in Georgia it has produced more permanent cures in Liver Diseases than any or all others combined. It is the best family medicine in the States—in the world.

THE BEST AND CHEAPEST IN THE WORLD.

(Constipation, headache, dizziness, pain in the back and sides, sour stomach, biliousness, chills and fever, indigestion, loss of appetite, dyspepsia, depression, lack of energy, sleeplessness, in fact, nearly all diseases originate from a torpid or diseased liver, DR. A. Q. SIMMONS' ORIGINAL AND GENUINE VEGETABLE LIVER MEDICINE is the oldest and best Liver Medicine in the world. It is a specific in the cure of Liver diseases in their incipient stage. It has stood the test of forty years successful trial by the public, and is to-day more popular than any and all other Liver Medicines made and sold. In truth, it is father of them all. Nearly all that are offered to the public, are but worthless imitations of this greatest, oldest and only genuine purely Vegetable Liver Medicine. In our packages of powder we offer it also as the CHEAPEST FAMILY MEDICINE IN THE WORLD. It saves thousands of dollars in doctor's bills, and hundreds of precious lives yearly, and many more might be saved if every family in the land would keep a supply in the house and use it freely as directed. It is purely vegetable, and as harmless as your tea and coffee.
