

Mrs Webb had 2 letters yesterday from
 Susan Martineau, Miss Martineau,
 favorite niece, who accompanied her
 aunt during her tour in Ireland, and
 was our guest at that time. A very
 pleasing & agreeable person she is. She
 grieved us by the information that her
 aunt is suffering from a heart complaint
 and that the constant whirl of intellect-
 ual excitement in which she has been is
 most useful for her. We had a ~~letter~~ long
 & pleasant letter from Miss M. about 2
 weeks ago in which she speaks of her
 ill health - but says nothing of recent
 suffering or apprehension.

We would be very glad to hear how so
 many particulars of your sister's health,
 health, and how the rest of the travellers
 like their new country. We have good
 accounts from the eldest of our two sons.
 He is about to return home - he longs
 for social life and dislikes the ruffled
 blustering, money seeking, profane of
 the land of gold - With kind regards
 to Lady & the gentleman I am
 Yours very truly
 Rich^d Webb
