NOTE—This price list is issued with the idea that the experienced Florida trucker needs no explanation, pictures or description, as we know they are familiar with the standard varieties of seeds, and accordingly we have tried to place before them our prices in the most convenient manner possible. Our many years of experience in the seed business in Florida enables us to handle your orders to advantage. We have one of the largest stocks of selected and tested seeds in the South, and we are prepared to give you quick service, and handle your orders to advantage as to price and quality. We anticipate a very busy spring season for 1925, and suggest you place orders as early as possible.

MARTIN'S HY-TEST
This Trade Mark Stands for Quality

WAREHOUSE:
FOOT NEWMAN STREET

OFFICE:
202-206 EAST BAY ST., Cor. Newman

JACKSONVILLE, FLORIDA

Cow Peas, Velvet Beans, Peanuts, Sorghum, Millet, Goobers, Beggarweed, Soy Beans, Seed Corn, Chufas, Sweet Potatoes, Grass Seed, Egyptian Wheat, Seed Rice, Cotton Seed, Artichokes.

We carry a complete line of all Farm, Field and Garden Seed and conduct a series of experiments and tests on our Roseland Farm which enables us to supply the Farmer of the South with the best and most productive crops. Our seeds are all of the Hy-Test Germination, and we take every precaution in filling your orders which means we give you personal attention.

READ THIS—These seeds are all grown especially for us, and are fresh, genuine and reliable. We handle no commission seeds. Seeds of the best quality often fail to germinate by reason of improper planting, weather conditions, etc.; in fact, most failures are from disregard of necessary conditions, and since these conditions are so varied and so far beyond our control, it is impractical for us to in any way guarantee crop results, and while we exercise every care in reason, we give no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned. **MARKET GARDENERS** or other large planters, requiring larger quantities of seeds than are here offered, are invited to write us for Special Prices, and must be sure to state Varieties and Quantities they will want.

VELVET BEANS AND SOY BEANS

Our Special Price List on Velvet Beans, Soy Beans, and Cow Peas will be ready in a few days. Write for it.

Bush Velvet Beans	35c
Early Speckled Velvet Beans	25c
Oseola Velvet Beans	25c
Late Speckled Velvet Beans	35c
Soy Beans, Mammoth Yellow	35c

VELVET BEANS

We strongly urge our customers to make liberal seeding of VELVET BEANS, owing to their cost of planting being so economical as compared with other legumes.

A crop of three tons will add as much nitrogen to the soil as a ton of Cotton Seed Meal, while the amount of humus will be three times as great.

We can supply Velvet Beans from one peck to a carload.

EARLY SPECKLED OR 90 DAY VELVET BEANS

It is the quickest growing and earliest maturing of the Velvet Beans, and is well adapted for growing in districts farther North than Velvet Beans ordinarily have been grown.

We can supply MULFORD'S CULTURE for Inoculating Cow Peas, Velvet Beans, Soy Beans, Peanuts, and Beggarweed. Prices: ¼-acre size. .75c One-acre size. \$1.50 Five-acre size. \$5.00

Velvet Beans are being planted extensively this season on account of the difference in price between Velvet Beans and Cow Peas. The BUSH Velvet Beans are springing into prominence for planting in Citrus Groves. They have proven very desirable and practical for this purpose. Order Velvet Beans as early as possible.

Write for Price List on Dog Remedies and Feed—Cat Remedies and Feed—Poultry Remedies and Feed.

We will consider it a special favor if you write below the names of some of your friends who use Seeds:

Seventh Zone, within 1,400 to 1,800 miles ..	11c	10c
Eighth Zone, all over 1,800 miles	12c	12c

We supply with this catalog a return envelope, in which you may enclose your order and money, and mail by a Registered Letter. However, if you send your Personal Check, Money Order, Express Money Order or Bank Draft, these need not be registered. Postage stamps taken the same as money in any amount.

Since seeds have been admitted under Parcel Post, it is a great advantage to farmers residing many miles from a railroad, as seeds and other articles can be delivered to their door, thus saving a trip to town. Besides, the rates are very reasonable up to 400 or 500 miles. Should you wish to order large quantities of seeds by Parcel Post, write for special prices.

READ THIS

These seeds are all grown especially for us, and are fresh, genuine and reliable. We handle no commission seeds.

Seeds of the best quality often fail to germinate by reason of improper planting, weather conditions, etc.; in fact most failures are from disregard of necessary conditions, and since these conditions are so varied and so far beyond our control, it is impracticable for us to in any way guarantee crop results, and while we exercise every care in reason, we give no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

Market Gardeners, or other large planters, requiring larger quantities of seeds than are here offered, are invited to write us for Special Prices, and must be sure to name varieties and quantities they will want.

Please bear in mind that the prices given in this book include cost of postage, except where noted. For Peas, Beans, and Corn, add proper amount as shown by parcel post table to cover postage. If purchasers desire forwarded by express, they may omit the amount required for postage.

Seeds by Express or Freight. We deliver seeds to any express or railroad company, the purchaser to pay transportation charge upon receipt of goods.

Name, Address, Etc. When ordering please give your name and full address. Many orders reach us on which the name or postoffice address is lacking. It is, of course, impossible to fill these orders until they are identified.

How to Send Money. Money can be sent at our risk either by personal check, postoffice order, bank draft, express order or registered letter. If your order amounts to \$1 or more, it is best to send by one of the above. Always be sure to sign your name, postoffice, county and state. Payment should always accompany the order.

FREE

FLORIDA'S LEADING FARM PAPER

FREE

From time to time we have requests for information on general farming in Florida from almost every state in the Union. Ofttimes it is practically impossible to answer such inquiries by letter, and at the suggestion of some of our customers, we are recommending one of Florida's leading farm papers as a source of valuable information covering farming operations in Florida and the Southeast for the benefit of those of our customers who wish to give careful study to the question of farming in Florida. We have arranged with the publishers to furnish without extra charge, one year's subscription to The Farmer and Stockman to every person sending us an order for seeds, plants, or any

materials listed in this catalog, amounting to \$3.50 or more. The Farmer and Stockman is published every Saturday at Jacksonville and is regarded by many as the foremost livestock and general farming paper in Florida and the Southeast. In sending in your order to take advantage of this offer, please be sure to state if you are already a subscriber to The Farmer and Stockman, and if so, upon receipt of your order, your subscription will be paid up one year ahead. Remember this means that you will receive Florida's leading farm and livestock paper one year free of cost to you when you send us an order amounting to \$3.50 or more.

ATTENTION!

MARKET GARDENERS
TRUCK GROWERS, LARGE
FARMERS

We want you to go over this catalog carefully, make up a list of the seeds you need and the quantities of each, and send to us for special prices.

We are in close touch with you, understand your soil and climate, and our many years' experience in the State has taught us the needs of the Florida farmer, and we are in position to serve you better than any outsider.

We have one of the largest stocks of selected and tested seed to be found in the South. We know that, quality considered, we can supply your wants at as reasonable prices as any other Seedman or Grower, and can give you quick service. We are here to serve you and hope that you will call on us often.

FLORIDA

FIELD SEED

PASTURE CROPS CUT THE FEED BILLS

We do not know of a State that is so well adapted to grow pasture or green food as Florida and while the high prices prevail on hay and other feed commodities, we strongly urge our customers to sow liberally of grain and grasses that they might have sufficient pasturage for their stock, as well as an abundant cutting of hay.

FIELD CORN

Our Field Seed Corn is Southern Grown and is selected entirely from a seed standpoint. We know both from our own experience and that of our customers, is the most productive kinds in cultivation.

The corn in Florida has grown to be a very important factor. We call particular attention to our **Osceola Flint Corn**.

FIELD CORN

X Osceola Flint	5.00	1.50	35c	20c
X Seminole Flint	4.50	1.25	25c	15c
Blount's Prolific	4.50	1.25	25c	15c

Mexican June	5.00	1.50	25c	15c
Duval Flint	5.00	1.50	35c	20c
Florida Ensilage	4.00	1.25	25c	15c
Martin's 7 Ear Prolific	4.50	1.25	25c	15c
Hickory King	4.50	1.25	25c	15c
White Dent	3.90	1.25	25c	15c
Tennessee Red Cob	4.00	1.25	25c	15c
Reid's Yellow Dent	3.75	1.00	25c	15c
Hastings Prolific	4.50	1.25	25c	15c

All selected and graded for seed purposes

OSCEOLA FLINT CORN

White Prolific—Flinty, Shuck covers ear entirely. Its early maturity adapts it particularly well for late planting. Unlike many common corns that are of a soft and spongy nature **Osceola Flint** is hard and flinty.

It is a large yielder and as near weevil proof as any variety yet introduced. We have planted this variety in Florida, it gave excellent results. See price above.

COTTON SEED

	Per Bu	2-Bu Lots per Bu	5-Bu Lots per Bu
Sea Island Long Staple, Sosnowski Variety			
The Longest staple cotton in existence.....	3.50	3.25	3.00
Meade			
Recommended for a substitute for our Sea Island Long Staple	3.00	2.90	2.75
Cleveland Big Boll			
A very large big boll cotton, highly recommended for the weevil territory.....	2.50	2.40	2.25
Bank Account			
An extra early prolific variety.....	2.50	2.40	2.25
Simpkins Ideal			
The earliest variety of cotton known. Recommended wherever a medium boll, quick making cotton is wanted.....	2.75	2.65	2.50
King's Early			
Quick maturing, small boll	2.50	2.40	2.25

COWPEAS

On account of unsettled market, can't quote definite price now. However, our special price list on **Cowpeas, Velvet Beans, etc.** will be ready in a few days. If interested write for it.

Braham Seed Cowpeas	Qt.
Whippoorwill Seed Cowpeas	35c
Clay Seed Cowpeas	35c
Iron Seed Cowpeas	35c
Mixed Seed Cowpeas	35c
California Black Eye Seed Cowpeas	40c
X Sugar Crowder Peas for Garden.....	45c
Little Lady Cowpeas for Garden	45c

Cowpeas do more for your land than all the Fertilizers that have ever been put on it—Give it a chance to enrich your farm.

Sow at the rate of 1½ to 2 bushels per acre, broadcast.

We are the largest and most extensive handlers of **COW PEAS** in the State of Florida, and handle carloads of Cow Peas each season that are distributed to the Florida and other Southern Planters. Our knowledge of this item and our immense stock enables us to supply Cow Peas to advantage. We suggest ordering at once as the supply is diminishing.

Tennessee Red	12½c	20c	30c

CHUFAS

Chufas	Bu	Peck	1-lb
	4.50	1.25	35c

PEANUTS

1½ Bushels of Unshelled Peanuts will plant an acre.

(No. 349) **SMALL SPANISH PEANUTS**—In addition to their value for growing for the nuts, these are very largely used as a forage and fattening crop for hogs and other stock. They are early to mature, very productive and, in the South, where they can be planted, two crops can be made in a year, the tops making a hay crop and the nuts a grain crop. In harvesting, the nuts hang to the vine, and the tops and nuts are fed together to hogs, cows and horses as a whole grain ration. These and Chufas are two of the best crops in the South for fattening hogs, and no Southern farm, where stock is raised, should be without them.

The North Carolina Runner and Small Spanish are planted for hog feed. The Improved Spanish or Valencia is planted for parching or the vendor trade. We are large contractors.

SWEET POTATO SEED

Porto Rico Variety	Bu	Peck
5-bushel lots, \$1.50 per bushel.	2.00	.75

SORGHUM AND MILLET

	25 bu or more per bu	5-bu	1-bu	Peck
Early Amber Sorghum	3.25	3.40	3.50	1.00
Early Orange Sorghum	3.35	3.50	3.60	1.00
Tennessee Golden Millet	3.75	3.90	4.00	1.00
Pearl or Cat Tail Millet	7.75	7.90	8.00	2.00
Egyptian Wheat or Chicken Corn.....	6.75	7.00	7.50	2.00
Texas Seeded Ribbon Cane	4.75	4.90	5.00	1.35

SORGHUM

Sorghum as a forage crop is considered one of the best staple crops by the Southern Farmer. As a green food it has no equal as it can be cut two or three times during the season and stands the dry weather much better than most of the summer crops.

For Florida and Georgia we recommend the Early Amber Sorghum as it is much earlier than the other varieties and gives a much heavier forage.

SORGHUM AND COW PEAS

We strongly urge our customers to make liberal seeding of Sorghum and Cow Peas as this makes a most nutritious Hay; the Sorghum will hold the Cow Peas up and make it much easier to cut, while the Sorghum in this way will not grow to such an extent to become tough and stalky. The crop should be cut when the Sorghum is just heading out, regardless of the condition of the Cow Peas. Sow at the rate of one bushel Cow Peas and a peck of Sorghum to the acre.

CHICKEN CORN, KAFFIR CORN, ETC.

	5-bu per bu	Bu	10-lbs per lb	1-lb
White Kaffir Corn	3.25	3.50	10c	20c
